### FATAL ACCIDENT

Dewey Redding Accidentally Shot While Hunting Eight Miles Northeast of This Place

Last Saturday afternoon at about 3:30 the sad news was telephoned here that Dewey Redding, the 13 year old son of Mr. and Mrs. D. P. Redding had been accidentally shot and instantly killed while hunting with his elder brother and some other boys.

The boys started out in the morning and drove to Brown's corner on the Jarvis Bay and Henriette road, where they put their horses and hunted until noon, when they returned to Mr. Brown's and ate dinner.

After dinner they started out again and went north from the Brown home crossing a potato field intending to enter the woods in a ravine at the east end of the potato field. Upon entering the woods they scared up a partridge and in all making for it, one of the guns was accidentally discharged in some unaccountable manner and the charge entered the head of the young boy at the base of the brain killing him instantly.

The father of the boy who is a mail carrier on the route where the accident occurred heard the shot and was the first one to reach the boys. He at once saw that his son was dead and telephoned the news as quickly as possible.

Assistant coroner Dr. R. L. Wiseman accompanied by Undertaker A. W. Piper went at once to the scene of the accident, and brought the body to town where it was taken charge of by Mr. Piper, and on Sunday afternoon taken to the Redding home.

The funeral was held from the Presbyterian church, Monday afternoon at 2 o'clock and the remains laid to rest in Birchwood cemetery, Rev. F. L. McKean, officiating.

The Pioneer joins with the many friends of the family in extending its sympathy to them in this their great affliction.

The out-of-town relatives in attendance were Mrs. C. P. Pillsbury, of Minneapolis, a sister of Mr. Redding; Mrs. W. F. Snuckle and daughter, of Duluth; Mrs. Wm. Latour, of Duluth, a sister-in-law of Mrs. Redding; and Robert J., Archie, Dewey and Gilbert Latour, of Duluth, brothers of Mrs. Redding.

He will speak at Sandstone, Tuesday evening, Oct. 15th 1912. The next morning Wednesday, October 16, he will go by automobile to Askov at which place he will arrive at 9 a. m. at Bruno at 10 a. m., at Windemere in sec. no. 11 school house at 12 m. From there he will go to Sturgeon at 1:30 p. m., at Willow River at 2:40 p. m., at Rutledge at 3:30 p. m., at Finlayson at 4:30 p. m., then go to Hinckley for a meeting at 8 p. m.

Remember these dates and come out and meet and hear him. Everybody invited.

### FORMER RESIDENT CALLED SUDDENLY

F. J. Furstenburg Stricken While at Work Around Daughter's Home.

The following account of the death of an old Pine Cityite, was taken from the columns of the Duluth News Tribune of Oct. 6th 1912.

"Ferdinand J. Furstenburg, 73 years old, dropped dead of heart disease while out fetching stove wood for his daughter, Mrs. R. J. Gillmore, 211 North Eighteenth avenue West, yesterday morning.

He had not been feeling well for several days, but not being inclined to stay in the house he spent considerable of his time doing chores. While picking up an armful of wood he was seen to stagger and then fall. His daughter ran to his assistance and neighbors called a physician, but before his arrival he had died.

Mr. Furstenburg has been living with his daughter for the past 10 years. He has been a resident of the state for the last 30 years, coming here from Pine City.

The body will be taken to that place for interment on Tuesday morning."

The remains reached here on the noon train and were immediately taken to the German Lutheran church where the service was held. Interment was made in Birchwood cemetery Rev. Luebker officiating.

Mr. and Mrs. R. J. Gillmore and sons George and Herbert accompanied the body from Duluth.

### A WARNING.

Fine Imposed on a Farmer for Selling Rotten Eggs.

A. J. Anderson, State Food Inspector, was in town Tuesday and Wednesday on one of his periodical visits, and while inspecting the store of A. M. Challen, Mr. and Mrs. Thomas Huttie, a farmer and his wife, living five miles Northeast of town, came in and sold Mr. Challen a basket containing three and one-half dozen of eggs.

The inspector found upon examination that all excepting three or four were decomposed, rotten and unfit for food. He immediately swore out a warrant before Justice Lambert for the arrest of Mrs. Huttie, the party that sold the eggs.

The case came up for trial Wednesday morning before Justice Lambert, who heard all the facts, broke the eggs and found the allegations true, as the eggs were certainly "too ripe" although no young chicks appeared. The defendant pleaded guilty, and asked the court to be lenient as she claimed it was a mistake, the court imposed the minimum fine of \$50.00 and costs. The fine was suspended by the defendant paying the costs.

Mr. Anderson says that a number of complaints have been made by people in this place of how eggs are handled. First it is up to the buyers of eggs to have proper facilities to candle them.

We publish this for the information of the public as the law is strict and this arrest may be a warning to farmers to market their eggs at least once a week.

Mr. and Mrs. Huttie are good and respected farmers but they happened to be the violators that were brought to justice.

We have in this state an efficient Pure Food Department and Inspector Anderson is always willing to assist merchants and always with information so that state food laws may be complied with. Mr. Winkler, the commissioner if notified of any violation is always ready and willing to send an inspector to investigate as the laws are enforced for the benefit of the consuming public.

Washington, Oct. 7.—In a gallant assault American marines and blue-jackets drove the Nicaraguan revolutionary leader, General Zeledon, and his forces from Coyotepe and Barranca Hills, near Masaya, after thirty-seven minutes of fighting.

The victory of the Americans opened the way for another flight government troops to assault the town of Masaya, which they took from the revolutionists, and the starting insubordination was arrested.

The insurrectionist losses were heavy, while the government forces lost 100 killed and 200 wounded.

General Zeledon, the rebel, escaped, but later was cornered and killed by a troop of federal cavalry.

"The department and the country have every reason to be proud of the officers, marines and blue-jackets who were engaged in this action."

Defeat of Rebels Complete.  
Admiral Southerland's dispatches made it plain that the defeat of the rebels was complete.

The shedding of American blood in Central America is expected to bring to a climax in congress the dispute over the right of this government to intervene in Nicaragua.

### BRITISH SUBMARINE SUNK

Fifteen Drowned When Steamship Amerika Cuts War Vessel in Two—One Man Is Saved.

Dover, England, Oct. 6.—The British submarine B2 was rammed by the Hamburg-American liner Amerika in a fog while maneuvering in English channel of Goodwin Sands and was sunk with the loss of fifteen lives.

The only survivor was Lieutenant Bullen, second in command, who had a miraculous escape from death. He was recovered by the crew of another submarine in an exhausted condition, clinging to a piece of wreckage.

The accident occurred at 6 o'clock in the morning while the B2 was maneuvering with other ships of the channel squadron. The weather was foggy and it was because of this that the accident occurred.

The Amerika shot by after the collision, and the boats were lowered to pick up survivors.

### DE PALMA HURT IN GRAND PRIX RACE

Bragg is the Winner—Italian Injured in Accident on Last Lap of Auto Classic.

Milwaukee, Oct. 7.—Ralph De Palma, in a desperate effort to win the Grand Prix race, was perhaps fatally injured when the Mercedes car he was driving crashed into Caleb Bragg's machine, traveling 100 miles an hour, and overturned.

Harvey and overtook Tom Alley, De Palma's mechanic, escaped with minor injuries.

Bragg's car leaped from the tangle and carried its driver to victory.

De Palma suffered a fracture of the left hip, a broken rib and abdominal injuries. It is feared the ragged edge of the rib passed through his intestines.

Surgeons said he had a "slight chance" for recovery, but that it will take several days to decide.

Alley remained in the car. He has a broken shoulder blade and other less serious injuries.

Bragg's victory without De Palma's competition was decisive. His time for the 410 miles was 5:29:25, an average of 69.3 miles per hour.

Erwin Bergdoll, the Philadelphia millionaire, was second, 31.9 seconds ahead of Albert Anderson in the Stutz, the only American car to complete the race. Bergdoll's time was 6:14:58, Anderson's 6:15:32.

Harvey and Goldfield finished fourth, time, 6:59:54. George Clark was fifth and Bob Burman was awarded sixth place, although the race was called before he finished, to safeguard spectators who were crowding onto the track.

### BANDITS HOLD UP FAST TRAIN

Kansas City Southern Passenger Routed Near Potosi, Okla.—Express Safe Is Dynamited.

Fort Smith, Ark., Oct. 5.—Bandits held up north-bound Kansas City Southern passenger train No. 4, en route to Kansas City, on Tarby Prairie, three miles north of Potosi, Okla. The bandits rode away on the same train. A call was sent here for bloodhounds.

The men were seen to board the train at the Potosi crossing, and the northeast of Potosi, where the train had to stop on orders. John Dozer, who resides near by, went to investigate and found the passengers in one car were holding up their hands.

While a masked man kept them covered with a pistol another man was searching the passengers.

When the train reached Spiro, twenty miles north of Potosi, it was learned that the robbers—about six in number—dynamited the safe in the express car and stole a large quantity of registered mail.

# COLONEL R. H. STANFORD

PRESENTS EVIDENCE TO REPUTE CHARGES REGARDING 1904 CAMPAIGN FUND.

### NEVER ASKED FOR MONEY

Colonel Swears He Never Solicited Contributions From Harriman—Demands That Penrose Be Cast Out of Senate—Shows Letters.

Washington, Oct. 6.—Former President Theodore Roosevelt presented to the senatorial committee investigating campaign contributions evidence to refute the charges that he had sought or accepted contributions from the Standard Oil Co. or the claims of any other financial interests in 1904, when he was elected to the presidency.

This evidence was in the form of letters written by Colonel Roosevelt and presented to the committee for the first time. They were written to Cornelius N. Bliss and George H. Shelton, and ordered by the committee to be returned to the Standard Oil Company, E. H. Harriman, or others connected with the large financial interests of Wall street.

He said that he had ever asked Harriman for "one cent."

Entered a Protest.  
In his letters Colonel Roosevelt entered a protest against asking for contributions from men who are being prosecuted by the national government, and said that "we cannot afford to accept aid from corporations to secure immunity, nor contributions which will give the impression to the public that the contributors are securing such immunity."

Colonel Stanley said that the Standard Oil would receive just as much of a "square deal" if not numerous from the contributors to the Roosevelt campaign.

The colonel branded as untrue the statement that Harriman raised his fund for Roosevelt's 1904 campaign, and said that he had never raised the fund, and it was used in the state, and not the national campaign.

Chastised Standard Oil.  
He emphatically admitted he administered the "Abyssinian treatment" to the Standard Oil while he was president, "because it needed it."

He said he would eat all corporations when they failed to obey the law in like manner if elected president again.

In the course of his discussion of Standard Oil, he said that before the committee, and his speech on the floor of the senate, the former president demanded that the senate should send a committee to investigate the up-per house of congress because of his admission concerning the contributions he had solicited from the Standard Oil Co. executives.

Wants Managers Cited.  
Colonel Roosevelt also demanded that Charles Dewey Hillis and Representative Charles C. McNamara be cited before the committee and be forced to either substantiate their charges concerning contributions to the president's campaign, or be forced to make public life forever.

He also advocated the subpoenaing of Charles P. Taff, Charles R. Crane and Democratic Manager McComb, who he said, "could tell some interesting facts about contributions to the two old parties."

Morgan Gave \$150,000.  
J. Pierpont Morgan was the star witness—and a willing one—before the senate campaign fund investigating committee. He testified that he had contributed \$150,000 to the Republican war chest in 1904 in two payments of \$100,000 and \$50,000, the latter in 1905.

That no contribution was asked by Roosevelt in 1904, and that he had no communication with anyone at the time of the investigation, he testified.

That he contributed \$30,000 to the Republican national fund in 1908.

That he made no contribution to the presidential campaign of any presidential candidate this year.

The witness was excused, subject to the committee, with the comforting comment, "You know you are entitled to your expenses."

### "BIG JACK" ZELIG IS KILLED

Shot on Street Car by New York Fruit Dealer, Who Says Gang Leader Robbed Him.

New York, Oct. 7.—Big Jack Zelig, the East side gang leader who is said to have "passed the word along" to the gunmen of his gang to kill Harry Herman, was shot on a street car here as he was riding in the city.

He was riding on a street car bound Second avenue car at Fourteenth street by an East side fruit dealer, Benjamin Goldberg, who was shot and killed in a moment while being taken to a hospital.

Davidson climbed aboard the open trolley car and fired a bullet at Zelig's head just back of the right ear.

The murderer told the police later he had killed Zelig because Zelig had enticed him into a doorway, had beaten him with a blackjack and then robbed him of more than \$400 in cash.

Train Devalued, Crew Pursued.  
Augusta, Ga., Oct. 5.—A long-distance telephone message from Thompson's news messenger, Fred W. Smith, of the Georgia railroad, on which there is a strike, was derailed near Darien, Ga., and the entire crew with the exception of the engineer, driven into the woods. Shots were exchanged, but none was reported injured.

### UNIONS' BOMB WAR ON BUILDERS IS UNFOLDED

Wide Campaign of Destruction Against Association of Erectors Described by Prosecution.

Indianapolis, Ind., Oct. 5.—"The strongest stuff ever invented" was the dynamite that in December, 1904, exploded in a conspiracy, according to the charges presented at the trial of the 45 accused dynamite plotters.

It was after dynamite was found to be not "strong" enough, according to District Attorney Charles W. Miller, that defendants in December, 1904, decided to use nitroglycerin. The details, as charged by Mr. Miller, were:

Orlie E. McManigal had been blowing up monuments long with dynamite and was in Chicago. In response to a telegram from Hoekie he went to Indianapolis. "We have decided to use nitro," said Hoekie, "and we're going down to Muncie to get a supply."

Muncie for a time was the headquarters from which the "dynamiting crew" started on its destructive campaign.

While the "crew" was on duty, Mr. Miller asserted, Charles N. Benn, Minneapolis; Henry W. Leggett, Detroit; and Charles A. Clancy, San Francisco; Frank C. Webb, New York; John T. Butler, Buffalo, and Michael J. Young, Boston, were active in sending informants about non-union jobs that were to be blown up and where the "dynamiters" were to go.

Addressing the jury and pointing his finger at Frank M. Ryan and the 45 men seated three deep across the courtroom, Mr. Miller declared the trial had begun of the instigators of "the most far-reaching conspiracy in the history of this country, in which during more than five years property of incalculable value has been destroyed and many lives have been lost."

Eight farmers, two retired farmers, one grocer and one grain dealer, all residing in country towns or rural districts in Indiana, compose the jury.

Illinois Town Attacked by Disastrous Blaze—Two Squares of Buildings Are Swept by Flames.

Kankakee, Ill., Oct. 4.—Kankakee was attacked by the worst fire in its history, two city squares of buildings being practically destroyed and a loss of approximately \$200,000 suffered.

Driven by a strong wind, the flames spread with great rapidity, the local fire department being unable to extinguish them without assistance from the fire department of the Kankakee state hospital, which had an independent department of its own.

CHICAGOAN SAYS HE GAVE LA FOLLETTE \$26,684.40 AND WILSON \$10,000.

### MILLS DENIES CHARGES

Says No G. O. P. in New York—Believes Theodore Roosevelt Men Were Corrupt in Districts.

Washington, Oct. 9.—From a half dozen witnesses heard by the senate campaign expenditure committee the committee drew a small amount of information bearing on campaign expenditures. Charles R. Crane of Chicago has denied the statements of E. H. Hoekie that he has given \$70,000 each to Senator La Follette and Governor Wilson and swore that his gifts to the La Follette campaign totaled \$16,684.40 and those to Governor Wilson's pro-convention campaign \$10,000.

John D. Archbold, president of the Standard Oil Company, has been questioned by the committee and will testify Thursday.

The committee is hearing Ormsby McHarg, Representative Wm. B. McKinley, manager of President Taft's pro-convention campaign; former Senator Chauncey M. Depew, said to have given \$50,000 to the Harriman fund in 1904; former Senator Nathan E. Scott, connected with the Republican National committee that year, and Matthew Hale, Roosevelt leader in Massachusetts last spring.

Controversy Partially Cleared.  
The controversy surrounding an alleged demand upon J. P. Morgan for an additional contribution to the Roosevelt campaign fund in 1904 was partially cleared up by Elias Edward Russell, Socialist candidate for governor of New York, and Judson C. Welliver, a Washington newspaper man.

Mr. Russell had been quoted as saying that Wayne MacVeagh, attorney general under President Garfield, was in Mr. Morgan's office when the latter was called to the telephone and asked for the contribution.

Mr. Welliver, sitting at the newspaper table in the committee room, asked permission to take the witness stand after Mr. Russell's statement.

He said Mr. MacVeagh told him in 1910 that Mr. Morgan had been called to the telephone in 1904 as stated; but that it was E. H. Harriman who asked for a contribution.

Mr. Welliver testified that Mr. MacVeagh told him Mr. Morgan said that Mr. Harriman was asking for more campaign money from Mr. Morgan's visit to President Roosevelt in October, 1904.

Crane Tells of Contributions.  
Charles R. Crane said he contributed both to Senator La Follette and Governor Wilson before the nominating conventions, because both were "progressive candidates." A statement filed for Senator La Follette by John J. Hannan, financial manager of his campaign, showed his total expense had been about \$67,824 in his campaign for the Republican nomination.

Olden L. Mills, treasurer of the Republican committee of New York county, denied wholesale charges of fraud that had been made by Roosevelt leaders in New York. He presented to the committee records from different election districts which he said he thought indicated fraud on the part of many of the workers for the Roosevelt delegates.

An account of the receipts and expenses of Senator La Follette's campaign for the Republican presidential nomination was filed with the committee showing the senator collected \$28,369.50 and spent \$62,961.56.

Chas. R. Crane, as the largest contributor, is credited with \$23,500, given in several installments extending over the period from Dec. 4, 1911, to June 17, 1912.

Other contributors include William Kent, a California state legislator, \$10,000; Alfred S. Baker, \$5,000; Rudolph Sprockels, \$3,000; Wm. Flinn of Pennsylvania, \$1,000; and Stephen La Follette himself, \$1,500. The account contains entries of two loans, one of \$1,000 by Medill McCormick and one of \$500 by Senator Grout of North Dakota. Both were marked "repaid."

**TO THE VOTERS OF PINE COUNTY:**

I desire to thank you for your vote at the Primary Election, in which I received the democratic nomination for the office of Clerk of District Court. I respectfully solicit your vote and support at the coming election, November 5th.

The office of Clerk of Court is an office that all the people of the county are vitally interested in and which closely affects the affairs of all of us. It is necessary and very essential for the proper administration of the affairs of this very important office that a man be honest, efficient, alert to the duties of the office and willing to devote his time to the work of the office as a servant of the people who place him there.

I feel that I am qualified to fill this important place, that I fully realize its magnitude and believe that I am broad enough in my views to clearly grasp the situation and use it for the welfare of the whole county.

Before you determine your choice for this office, I ask that you make a careful investigation of my reputation, scholarship, and general business ability and if you can then give me your support I can truthfully promise you that I fully realize the importance of such, and will do my best to hold the confidence and respect of the people.

Yours very truly,  
WM. F. BUSELMEYER.

**DEATH OF JOHN**

**W. SELLERS**

The following taken from the Bridgeport Republican, of Bridgeport, Douglas county, Washington., of October 4th, will be read with interest by a great many of the Pioneer readers, as Mr. Sellers was well known in this place having lived here for a great many years prior to moving to Washington some ten years ago. While living here Mr. Sellers was engaged in the lumber business. The notice of his death will be read with regret by his many friends here, who all join in sympathizing with the relatives in this their great sorrow.

John Wilson Sellers died at his home near Deliro, Sept. 22nd, after a brief illness. A few days before his death, while helping to get ready a load of fruit, he became suddenly ill and suffered severe pains across his chest. He remained in bed two or three days, though he said he suffered no further pain. On Monday he felt quite well and wished to get up. He ate a hearty dinner with the family and talked cheerfully, believing that he was making a rapid recovery. In the afternoon he took a walk through the orchard and afterwards called for a tablet, saying that he wished to write to his sister. He was too tired to write however and his last words were that he would lie on the bed and rest awhile. He expired a few minutes later. The funeral was conducted by R. O. Pool, of Wendtches, and the remains were laid to rest in the McIntosh cemetery.

The deceased leaves three sons, Gordon, Livingston L. and John J., all of whom have lived near Deliro for eight or ten years. Gordon Sellers and family moved to Princeton, B. C. early in the summer. The other members of the family were present at the funeral.

John Wilson Sellers was born in Nova Scotia, and was nearly seventy-nine years of age. He married Rueda Wilton at Chipewyan Falls, Wisconsin, Nov. 20th, 1857. Six sons and one daughter were born to them of whom three sons survive.

The following officers have been elected for the coming year: President, W. J. McAdam; Vice-President, Rev. F. L. McKeen; Secretary and Treasurer, Dr. K. W. Knapp. This club is for men and it is hoped that all the old members will be on hand every Monday evening during the winter and as many more as would like to join. The meetings last year were both entertaining and instructive, and the ones the coming year can be made much more so if each one will do their part.

—M. B. Hurley, who is practicing law at Colorado Springs, Colo., and is well known in this place and vicinity, came up from St. Paul on Monday evening to which place he came to attend his brother Martin's wedding, and spent Monday evening with relatives and friends. Martin is well and favorably known in this place, he having lived here the greater portion of his life. M. B. expects to return to this place and spend a few days visiting before returning to his western home.

Tired out all the time; weary and worn out night and day; back aches; head aches, all on account of the kidneys, you must help them at their work. A Pine City citizen shows you how. Mrs. Albert Glassow, Pine City, Minn., says: "For ten years my kidneys were badly disordered and nothing brought relief until I used Doan's Kidney Pills, which were procured at Breckenridge's Pharmacy. I was unable to do any stooping or hard work, owing to a severe backache and I always felt weak and worn out. The least quick movement caused sharp twinges through me and I had headaches and dizzy spells. The contents of one box of Doan's Kidney Pills completely rid me of these troubles and I consider it a pleasure to tell of my experience." (Statement given August 20, 1912.)

**A WILLING CORROBORATION.**

Mrs. Glassow was interviewed on October 20, 1910 and she said: "I am still recommending Doan's Kidney Pills to my acquaintances at every opportunity, knowing them to be a most efficient kidney medicine.
