### MARRIED AT MINNEAPOLIS.

A. R. W. Olson, our foreman, will be married this evening at 7 o'clock to Miss Lillian Wolsted, of Minneapolis. The wedding will take place at the home of the bride's parents, Mr. and Mrs. F. H. Wolsted, at 1919 10th ave. south, Minneapolis. The bride will be attended by Miss Margaret Colver, her school friend. Sandy Wolsted, a brother of the bride, will be the best man. Miss Pauline Monson, of the Johnson School of Music, will play the wedding march and Miss Pearl Eggan will sing. A wedding dinner and reception will be held after the ceremony. The bride is a graduate of Hennville high school, attended the University of Minnesota and was a member in the Minneapolis public schools up to the holidays. The groom is the only son of Mrs. J. M. Olson, of St. Peter, and was engaged in saw paper work in Pine City, Minn., before assuming his duties in this office. The couple will arrive in this city next Thursday, where they will reside. Here's wishing them a marriage life as merry as the day on which they're married. — Waseca Journal-Record, Dec. 28, 1912.

A. R. W. Olson, the groom aforementioned is well-known in this place and the county. He came here when

but a mere boy and worked on the Pioneer for six years. He then entered into an agreement with S. G. L. Roberts, who owns the Pine Boker, whereby he became editor and manager of that paper, which he held until about the first of November, he having charge of that sheet for about five-and-a-half years, during which time he built the paper up to its present standing.

Arthur, as he is best known in this place and the surrounding county, is a bright young man, a good newspaper man, and we congratulate the Journal-Record in having secured his services.

The bride, Miss Lillian Wolsted, is also quite well known in this place, she having taught in our high school for two years. She is a quiet, unassuming young lady, one who made friends wherever she went, and will make the man of her choice a good kind helpmeet.

The Pioneer extends its congratulations to the happy young couple.

The second number of the lecture course is to be held at Stekl's Hall next Tuesday evening, Jan. 7th. Entertainment begins promptly at 8:30. Be on hand for the first number and stay for the finish.

—See our offer on last page.

### ONE OF PINE CITY'S FAIR DAUGHTERS MARRIED LAST TUESDAY.

At noon at the First Presbyterian Church on Tuesday, Dec. 31st, occurred the wedding of Miss Elizabeth Payne, youngest daughter of Mr. and Mrs. George Payne, of this city, to Albert Moe, of Princeton. They were attended by Miss Sophie Moe, of St. Paul, a sister of the groom, and Elmer Peterson. Rev. F. L. McKean officiated in tying the nuptial knot by the ring service of the Presbyterian Church. Miss Marion McKusick presided at the piano and played the wedding march as the groom and best man marched to the altar under the annex at the west side of the main building, and the bride and bridesmaid came down the center aisle and met the groom at the altar.

The bride was gowned in white crepe-d'chine with pearl trimmings, and carried a bridal bouquet of white sweet peas. The bridesmaid wore white embroidery over pale blue silk and carried a bouquet of pink sweet peas. The groom and best man were attired in the conventional suits of black. The ceremony was witnessed by about one hundred invited guests.

A reception was held at the home of the bride's parents from two until four. The house was beautifully decorated with ferns, amilax and red carnations.

The happy young couple departed on the limited at 4:50 the same day. They will spend a week in the cities and then go to Princeton, where they will make their future home.

The out-of-town guests were Mrs. N. A. Crittenden, of Minneapolis; Mr. Moe and wife, father and mother of the groom; Melvin and Sophie Moe, brother and sister of the groom, all of St. Paul, and Mr. Zimmerman and wife, of Princeton.

The bride, Lyda, as she was familiarly called was born and raised in this place, was educated in our schools, and for the past twelve years prior to about two months ago was book-keeper for the Pine City Milling and Electric Co. and the Pine City Electric Power Co. Miss Eggen is a bright, unassuming, lady-like young woman, one who always had a pleasant smile and word for all with whom she came in contact, and will be greatly missed by her host of friends, not only in town but in the surrounding country.

The groom is not so well known here having been here but a few times. He is a musician of note, and has a lucrative position in Princeton, where he is leader of the band, several brass quartets and the orchestra. Those who know him well speak of him as an honest, straightforward young man, one well thought of wherever he is known.

We will all miss Lyda, but what is our loss is Princeton's gain.

The Pioneer extends its congratulations to the happy young couple.

### WHY IS A HOG?

If a hog does not, in his daily growth, give due recognition to the fact that the sole end of his existence is the making of pork, then what is he here for? The Farmer's Institute to be held here Jan. 7 and 8, will discuss this, the life mission of the porker, and advise with farmers as to the methods by which the largest amount of pork may be placed upon the framework of the hog in return for the feed given him. Also as to the methods of slaughtering and curing for farm use, or of so preparing the animal for market as to fetch the highest price. It will be shown how a slight variation may have a large influence in determining the figure at which the hog, when sold, shall "tip the scales."

### SILVER MEDAL CONTEST AT M. E. CHURCH SUNDAY EVENING.

Last Sunday evening the local W. C. T. U. order of this place held the first of a series of medal contests at the M. E. Church in this place. There were six contestants, all of them girls, and they acquitted themselves in a very creditable way.

The evening's program was in charge of Mrs. A. W. Piper, the local president of the W. C. T. U. and was well arranged. The choir rendered a selection at the opening of the service, after which three of the contestants gave their declamations.

Misses Blanche Stephens, Helen Spickler and Ruth Gettry were the first to speak and, taking into consideration the fact that they had done little or no public speaking before, they did exceptionally well.

Following the third speaker, Hattie Wandel rendered a very appropriate solo. The remaining three speakers, Misses Anna Sherwood, Maida Wells and Edith Hamlin, all had good numbers. The last two were of a different nature than those which came before, and could be made more impressive. After much deliberation the judges voted in favor of Miss Edith Hamlin for first place, with just one point ahead of Miss Maida Wells. Mrs. Parish presented Miss Hamlin with the medal in behalf of the W. C. T. U.

A male quartet, composed of members of the choir, rendered a selection in closing.

The contest proved very satisfactory and showed that much time had been spent in preparing the program. Contests of this kind are a good thing and it is hoped that the good work may continue. Every one can't win and those who suffered defeat Sunday evening should enter the next contest with renewed zeal and the determination to win.

The Order met at the home of Mrs. Piper Tuesday afternoon, at which time the subject, "Hereditry," was taken up. The subject will be continued at the next meeting, which will be held at Mrs. Jonas Gray's January 28th. At this meeting Mrs. Dr. Tofts will read a paper. The society intends having a children's contest, which will consist of singing and speaking.

### THE PINE CITY FIRE DEPARTMENT'S ANNUAL FUNCTION.

Tuesday evening the Pine City Fire Department gave their annual New Year's ball in Stekl's Hall.

As ever before since the firemen began giving their New Year's functions, it was the event of the season. The hall was crowded with the merry dancers, who tripped the light fantastic until about three a. m. Wednesday morning. Schmidt's North Branch Orchestra, assisted by George Stakke on the clarinet, furnished the music, which was very fine and highly appreciated by all who were in attendance.

At about midnight a supper was served in the dining room under the hall by the firemen, consisting of chicken bouillon, sandwiches and coffee. The fireman shared a neat little sum, which will be put in the treasury and used by them in helping to defray the expenses that they will incur when the State Firemen's convention will be held here in 1915.

The Fire Department wishes to extend, through the columns of the Pioneer, its thanks to A. M. Challenor, who kindly donated the chickens for the bouillon, and to the business men who bought tickets and thus helped them to swell their treasury with the (Continued on Editorial Page.)
