### PINE CITY TO CELEBRATE.

Another year has rolled around and the residents of this little city are confronted with the problem of the way in which to best celebrate the Nation's Birthday. As has been the custom in past years, Pine City will celebrate, not in an ordinary way, but with the biggest and best time ever. Will you help make the July 4th celebration this year a landmark in the city's history? You can if you will. Start in the right way by attending the monster mass meeting at the Town hall next Monday evening June 24. Every interested person in town should attend.

Watch for the large circulars.

### Takes Long Drop

Last Friday morning Robert, the eldest son of P. O. Nelson, who resides about three miles southwest of here, fell from the roof of the Kick barn and sustained some severe injuries. He is in company with some other men who have been putting a roof on the new barn being erected on the Kick farm, when the scaffold collapsed forcing him to the ground, 40 feet below.

He sustained a broken leg and a falling timber injured his shoulder and hip. He also received other slight bruises. A physician was summoned and his injuries attended to. At this writing he is doing as well as can be expected.

### THE PASSING OF OUR MOTHER.

On Friday morning, May 23d, 1913, at seven o'clock, Mrs. A. S. Gottry passed out this life.

Elizabeth Kilgour, daughter of William and Elizabeth Kilgour, was born in the city of Glasgow, Scotland, on the 22d day of December, 1833. At the age of eight years she came to America with her father and elder brothers and sisters, and was later followed by her mother and the younger members of the family. For several years the family lived at Providence, Rhode Island, but later moved to Blenheim, Ontario, near the city of Hamilton, where she grew to young womanhood. There she met A. S. Gottry, to whom she was married at Stevens Point, Wisconsin on the 22nd day of November, 1857. To them four children were born, Wm. J. Gottry, of this village, Elizabeth Penny, of Amherst, Ed. C. Gottry, of Reedsburg, Wis., and W. P. Gottry, of this village. Mr. and Mrs. Gottry were among the early pioneers of Stevens Point, having settled there when the city was a saw mill town and there they raised their family, seeing the city grow from a mere frontier village to a prosperous city. After their children had left home Mr. and Mrs. Gottry, in 1894, moved to Pine City and have since made their home in this village. The end came peacefully as above stated after an illness of but a few days, though for some time she had been in failing health.

The funeral was held Monday afternoon and was attended by her husband, who survives her, by their children and their families (seven grandchildren being present) by a nephew, Sam Thomas, of Eau Claire, and by Mr. and Mrs. John Kinney, of Seattle.

For many years she had been a member of the M. E. church and had been a consistent christian in all that the term implies.

"Grandma Gottry" was well known to many of our readers, though since her residence in Pine City her advanced age and feeble constitution had caused her to lead a life retired and quiet, but many had learned in the eighteen years of her life here to know and to love her. In her earlier years "Grandma Gottry" was an unusually active woman. To most of our readers who knew her she was "Grandma Gottry." Her acquaintance with those who read these lines commenced after the hand of time had silvered her hair and after the sorrows of life had written deep lines upon her face, but to the writer she will always be remembered as the woman of middle life who delighted to go on errands of mercy and whose hand was ever extended to aid those in sorrow.

In the early days when the country in which she lived was new, many little offices of love fell to the lot of best in sympathy with those in trouble. In the city where her most active years were spent she will long be remembered as one whose hand had lived and whose gentle touch had closed the eyes of many who have long since been sleeping in the silent city of the dead near the old home. No call for assistance was ever unheeded; her hand was ever ready to assist those in need; her feet were ever willing to respond to the call of those in distress. Her pleasure lay in doing good and her acts of love were extended to all who needed. Among the treasures of the past is a book which for many years laid on the center table in the old home. The book is a beautiful volume entitled "The Evening of Life" and was an heirloom in one of the old families of the north. The pages are now yellow with age. In it may still be found a letter written before the emancipation proclamation, halo around the sweetest name known to man—Mother.

### SCHOOLS HOLD MEET AT RUSH CITY.

The third annual field and track meet of the high schools in this district was held on Saturday, the 24th at Rush City. The High schools of Cambridge, Mora, Hinckley, Pine City, Rush City and North Branch were represented by a considerable number from each place. The events were carried out smoothly and a better spirit of friendly rivalry was evinced by the competing schools, than ever before.

In the ball games in the forenoon, Mora defeated Cambridge in an interesting game by a 10 to 9 score. North Branch won from the Hinckley ball tossers in a fast game by a score of 7 to 2. The tennis tournament between Pine City and Rush City was played to a draw.

Rush City and Pine City met in a hotly contested game in the afternoon for the baseball pennant. Up to the first of the eighth inning Rush City was in the lead by a 3 to 1 score. In this inning, Frank Beie, laid out a two base hit which he stretched to a home run, two men on bases coming in ahead of him. After this there was nothing to it until the Pine City bunch had scored a total for the game of 12 runs. Rush City failed to secure any more runs. The pitchers were Babcock for Pine City and Nylin for Rush City. They both pitched good ball.

The track and field events showed up some good material although the records made were hardly as good as in previous years. Alvine, of North Branch, secured the highest number of individual points with 23 and Heagle, of Mora came next with 19. Pine City was the meet by 54½ points against Mora with 31 points. The points were scored, 5 for first, 3 for second and one for third place. The events and winners in each are given below in the order won.

100 yard dash—Alvine, North Branch; Beie, Pine City; Williams, Mora. Time 11.45 seconds.

Shot put—Alvine, North Branch; Starkey, Cambridge; Nilsen, Rush City. Put 36 feet.

440 yard dash—Heagle, Mora; Beie, Pine City; Kuehse, Pine City. Time 57½ seconds.

changes which came into the lives of the family and their negroes. The volume was highly prized by the members of this old family but was given to our mother in recognition of her kindness to a daughter of the family during dark hours of suffering. When the hand of death chilled the hand that had so often been filled with deeds of love, on one of the fingers was a ring—a mere thread of gold now—the gift of a bereaved husband and the mother of his dead wife. This ring had for many generations been the wedding ring handed down from mother to daughter in far-off Norway. The last to receive it as a bride died among a strange people, leaving no daughter, and after her death the husband of the dead woman took from her finger the wedding ring he had placed there in Norway and kissing it in token of his regard he placed it upon the finger where for forty years it has been worn, while the mother of the dead woman kissed the ring which had been her's on her wedding day, and the stranger's hand upon which it had been placed. The years have been long since this ring was placed upon the hand now still and lifeless but the act has been a hallowed memory as indicative of the character of her whose life has so recently been closed. Many, many have blessed her in life and in that world to which her spirit, freed from the aged body of clay, has taken this night; she has been welcomed by many whose life has been made brighter and better because she lived. Surely as she went out of this life her hands were filled with generous deeds, the golden keys which open the palfaces of eternity.

To have had the opportunity to do so much good was indeed a blessing; to have embraced the opportunity may still be found a letter written in his hand. Her last cast a golden benediction. Her life cast a golden halo around the sweetest name known to man—Mother.

## Don't be Deceived On Lumber Prices

There's a big difference in buying just lumber and in buying the kind of lumber we sell. Your contractor or carpenter will tell you that some lumber can be nailed right into a house without a plane ever touching it. That means the saving of hand labor. Of course, the lumber dealer has to charge a little more for this smoothly finished lumber, but in the end it really means a big saving to you. Right here is where a lot of mistakes are made when lumber is bought solely on price—without regard to quality. True, 15 to 20 years ago lumber sold for from 10 to 25 per cent cheaper, but do you yourself and pocketbook a great injustice when you compare that lumber with the 50 to 75 per cent greater values you really get today. Come in and see the difference.

### Resolutions

WHEREAS, The Great and Supreme Ruler of the Universe in His infinite wisdom has removed from among us two of our worthy and esteemed members, Mrs. John Griffith and Mrs. A. S. Gottry, and whereas, the long and intimate relations held with them in the faithful discharge of their duties in our church and Aid society, it is befitting that we record our appreciation of them; therefore,

Resolved, That the sudden removal of such devoted Christian lives from among our midst leaves a vacancy, and a shadow that will be deeply felt by all the members and friends in these societies.

Resolved, That with deep sympathy with the bereaved relatives of the deceased, we express our hope that even though great a loss to us all may be overruled for good by Him that doeth all things well.

Resolved, That a copy of these resolutions be spread upon the church and Aid society records. A copy printed in the local papers, and a copy sent to the bereaved families.

Mrs. A. PERRISON, Mrs. A. W. PERK, Mrs. J. W. STREIB, Committee.

**PINE COUNTY PIONEER**

ED. C. GOTTRY, Editor and Prop.

Entered in the Postoffice at Pine City as Second Class Matter

Pine City, Minnesota, May 30, '13

**Twenty Five Years Ago.**

Mrs. A. G. Perkins went down to St. Paul Tuesday.

Mr. and Mrs. James Hurley spent the latter part of last week in St. Paul.

A few days sunshine this week has caused new life and new hopes to be infused into our farmers.

M. Connor of Hinckley was in town Monday visiting with his parents and at the same time looking after business affairs.

A. H. Lambert moved his family out to his farm a mile south of the village, the first of the week, where he will remain during the summer.

M. Carlin, Sr., will build a new house on his land a mile or two south of town this summer, and will move out there as soon as it is completed.

A large number of logs drivers under the influence of "booms" made our streets rather lively Monday, but aside from a little loud talk they were quite orderly.

Last Sunday afternoon a party of the intimate friends of Mr. and Mrs. W. F. Glasow were invited to their home to witness the christening of their youngest child.

A sacred out-door concert was given by the band boys last Sunday afternoon. The principal feature of the concert was a number of selections from the gospel hymns rendered by an orchestra consisting of two violins, two cornets, a flute and baritone.

Barney McCaffery started out Monday afternoon with a subscription paper with the intention of raising a purse for the purpose of sending Henry Nevers down to the hospital at St. Paul. Mr. Nevers has been suffering with consumption of late and has been unable to work for the past few months.

Mrs. James Hurley was summoned to St. Paul Monday by a telegram announcing the serious illness of her sister Miss Katie Eagan. Miss Eagan has not been in good health for some time, and was supposed to be suffering from dyspepsia, but a few weeks ago she was taken with a hemorrhage while on the streets of St. Paul and has since been suffering with that dread disease, consumption.

Railroad Roxie, the chimney sweep who is now in town, is an old soldier who has seen hard service. His war reminiscences are pleasant to hear. In his business he is just as good in preventing fires by burning chimneys as he is in preventing the separation of the union. Be sure to have your chimney cleaned and examined.

O. W. Axtell, a brother to J. W. Axtell of this village will read the Pioneer at Stephenville, Outagamie county, Wis. Warren believes in letting his relatives know what kind of a country he lives in, and knows that no better way can be found than by sending them his county paper. It would be a good thing for Pine County if more of our citizens would do likewise.

The memorial services held in the Presbyterian church last Sunday morning was the most interesting services of the kind ever held in this village. A large number of the G. A. R. boys and a number of the Sons of Veterans met at their hall and proceeded to the church in a body to the time of the muffled drum. The Pine City Cornet Band headed the procession but did no playing. The brass quartette assisted in furnishing the music for the services. The sermon preached by Rev. J. W. McElwain was one of the finest discourses of the kind ever delivered in Pine City. He paid a beautiful tribute to the memory of the dead, spoke in glowing terms of the services rendered to our beloved country, and exhorted all to stand firmly for the true principles of American citizenship. The sermon was worthy of a much larger congregation, and we would gladly publish it if space would permit. After services the line of march was again taken up and the post marched back to their headquarters, where an address of thanks was given the band boys.

HINCKLEY.

Hinckley will have quite a building boom this year.

L. H. McKusick of Pine City, was in town Monday on legal business.

Wm. Dedon of Taylors Falls, was in town for a short time on Thursday of this week.

M. C. Dean has commenced digging a cellar under the Williams building which he now occupies.

Billy O'Brien is back to Hinckley again after having made a successful drive to Stillwater, and he now puts in considerable time driving his fine roadster.

Pat Hogan this week sold his residence on the west side of the railroad track to Jas. Williams. Mr. Hogan will build a new two story house on the corner lots just east of the school house on South Third street. The change in location is made principally to enable Justice Hogan to be nearer town, and be where he can be found much more easily.

**PRESBYTERIAN NOTES.**

**Notice of Mortgage Foreclosure Sale.**

Notice is hereby given that default has been made in the conditions of a mortgage executed by J. J. Somner and Heta J. Somner, his wife, co-defendant to Carlton County Adjudication Company, a corporation, mortgage, dated March 21st and recorded in the office of the Register of Deeds in and for Pine County, Minnesota, on the 15th day of March, 1912, at 1 o'clock P. M. in book 10 of Mortgages on page 22, which said mortgage was duly assigned by the said Carlton County Adjudication Company to Spencer J. Sears, by an instrument in writing, dated on the 14th day of June, 1912 and recorded in the office of the Register of Deeds of Pine County, Minnesota, on the 17th day of July, 1912 at 12 o'clock, a. m. in Book 17 of Mortgages on page 104.

That the amount now due and claimed to be due on said mortgage as of the date of this Notice is Two hundred forty-six and 25/100 Dollars (\$246.25) Dollars interest and seven and 25/100 Dollars interest, amounting to all to Two hundred fifty-three and 25/100 Dollars.

That in default of payment of the amount so due and claimed to be due on said mortgage as of the date of this Notice, the premises described in Lot Eight (8), in Block Ten (10) of the Township of Denham, Pine County, Minnesota, according to the recorded plat thereof on the 1st of December, 1912 and recorded in the office of the Register of Deeds in and for said Pine County, Minnesota.

That by virtue of the power of sale contained in said mortgage and pursuant to the statute in such case made and provided, said mortgage will be foreclosed by the sale of said premises at public vendue to the highest bidder for cash by the Sheriff of Pine County, Minnesota, at the front door of the Court House in Pine City in said county and state hereof, on the 14th day of July, 1913, at 2 o'clock P. M. to satisfy the amount then due on said mortgage, together with the costs of sale and Twenty Five (25) cent dollar-attorney's fees as stipulated in said mortgage.

Witness my hand and seal, this 29th day of May, 1913. SPENCER J. SEARS, Assignee of Mortgage. F. T. PERSINGER, Assignee of Mortgage, Cloquet, Minnesota. May 30 June 6-13-27 July 4.

**EUREKA**

**POTATO PLANTER**

You can plant your crop faster and better with a EUREKA PLANTER than in any other way.

**ACCURACY** The dropping mechanism of the Eureka is very simple, with a positive movement, and is unusually accurate. Frequent tests have shown it to be more than 95 per cent. correct. Some users report 97 to 99 per cent. A planter with this high average satisfies growers and entireman to watch the seed dropper and supply the skips. The Eureka with one man is guaranteed to equal, if not surpass, the results obtained from any other style.

**UNIFORM DEPTH** Instead of being two feet or more ahead of the main axle, our furrow opening plow is placed directly under the axle. It is therefore, carried in a relative position with the wheels over uneven conditions. Other makes of planters do not have this construction, and this feature has caused many growers to purchase the Eureka. The crops come through the ground uniformly and make an even stand.

Are talking about our underfed and underpaid workingmen. When did they first get hep?

Conditions are pretty bad in some parts of the effete East but the high cost of living will be materially reduced when every one gets wise to the fact that it pays to buy the best. There is no economy in mere cheapness.

This firm carries only dependable lumber—the kind that can be guaranteed unconditionally. You are safe in ordering anything of my boss because he's a good loser and won't let you get stung. He gets stung himself sometimes but you can't lose out. So please get "hep." He's got a full line of screen doors and windows too.

### THE CLASS OF 1913.

The time has arrived when the class of 1913 of the local high school will receive their reward for efficient and diligent work accomplished in the past four years. Some of these young people will immediately take up a college course, others may devote their time and talent to the instruction and education of the young, and others may find pleasure in a musical field. Whichever course they may decide upon they have our sincere wishes for the best of success.

The exercises will be held at Egle's hall tomorrow (Saturday) evening at 8 o'clock. Following the exercises the Junior class will entertain the graduates and the members of the high school. All decorations will be in charge of the Juniors.

### GOOD LOOKING MEN ARE ALWAYS SUCCESSFUL IN BUSINESS

### HERE IS THE SECRET

The men of Chicago have suddenly acquired an attractive complexion. The reason for this is, that they are now shaving their faces with the new process, called "the Veivet-Edre Safety Razor Blade Sharpener," which gives that velvety smooth skin to the constant shaver.

You men who use safety razors and want a velvety skin, shave with the delicate softness so much desired, with a keen cutting edge, send your dull safety razor blades at once to Chicago, and have them sharpened by the newest electrical process, which makes the dull blade cut better than the new, and your old blades are returned to you a perfect new blade.

Don't throw away your old safety razor blades, but send them today, well wrapped, and do not delay it until tomorrow.

Price 30c per dozen for all safety razor blades, which include Gillette, Ever-Ready Gem, Auto-Strop, Enders, Keen-Kutter, and all other makes. Your blades will be returned to you in a few days, charges prepaid. Send coin or money order. No orders accepted under 30c.

Wrap blades securely in a card board box. Do not send them in an ordinary envelope, the blades may cut through and be lost. Include your name and P. O. address on the package.

**"I've had my Studebaker 15 years—and not a cent for repairs"**

A word of just praise for a wagon that has done its work faithfully and well. Men become attached to their Studebakers—proud of them.

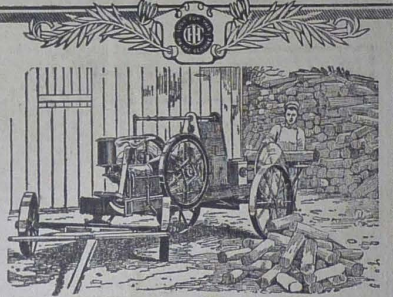

Because they realize that a Studebaker is built on honor and with an experience in wagon building that dates back to 1852.

Studebaker wagons are a result of that long experience, coupled with a desire to build the best wagons, not cheap ones.

And when your dealer says "Buy a Studebaker—there's no better wagon made" he's giving you the verdict of a million farmers. He is not asking you to try an experiment.

### You Will Need Extra Power

WHEN you buy your engine, get it big enough to do more than your present work. If it's an IHC engine it will last a long time. Your farm work is bound to increase in volume. Very likely you can save yourself the price of another engine later, by getting an engine a size larger than you need now. When you buy an engine powerful enough to handle your work easily while running at the correct speed you add years to its life. Get your engine big enough and buy an

### IHC Oil and Gas Engine

You can use it to run any farm machine—pump, saw, feed grinder, cream separator, grindstone and on up to a husker and shredder or thresher—depending on the size of the engine you buy. The power is so economical, so steady and dependable that IHC engines are in daily use in printing offices, laundries, bakeries, machine shops, mills and factories.

An IHC oil and gas engine will deliver 10 to 30 per cent above its rated horse power. All parts are carefully, accurately ground and perfectly balanced. Combustion is perfect and the maximum power is secured.

Sizes—1 to 50-horse power. Styles—stationary, portable, skidded, vertical, horizontal, tank-cooled, hopper-cooled, air-cooled. Fuels—gas, gasoline, naphtha, kerosene, distillate or alcohol. Oil tractors, 12 to 60-horse power, for plowing, threshing, etc. Get catalogues from the IHC local dealer, or, write

### ROCK CREEK

Mr. Peterson, of Rush City, is buying potatoes here.

Julius Anderson is now acting as produce buyer for Beggs & Co., of St. Paul.

John Tate is no longer collecting cream for the creamery company, as he has considerable work to do at his home.

John Bassett and Mr. Miller came up last Thursday to visit with relatives and friends. We hope they will enjoy their visit.

The Greeley store is making great shipments of eggs, as large quantities are being brought in by the farmers every day.

Extensive improvements are being made on the Sorenson building, which is now the property of the creamery company.

A school picnic was given by the teachers and parents of the pupils of the Rock Creek school on Thursday, June 29th, at the Julius Anderson farm.

The social and dinner given at the residence of Mrs. A. P. Erickson was surely a success, both socially and financially, and everyone had a good time.

Miss Edna Wilson and Miss Pepin, who have been teaching school north of here have returned home, their respective schools having closed for the summer vacation.

The two expert accountants who have been at work on the books of the Farmer's Co-operative store for the past four weeks, have completed their labors and departed for Duluth.

Mr. Beggs, of North Branch, senior partner of the Beggs Produce firm at St. Paul, was here several times during the past week looking after the interests of his company in this neighborhood.

Mr. Stark, a son-in-law of Mr. and Mrs. John Collins, is here to visit his wife and child. He is in the employ of a Minnesota firm operating in Idaho. He will return to his work in about a week.

The Deer Valley school closed May 23d. Miss Jessie Peterson, who was teaching departed for her home at Rush Point Saturday. She raises her pupils very highly, and parents and pupils thank the teacher for her hard work.

A gentleman by the name of Mr. Drexel came up from Iowa to see Mr. Chas. Henneman with a view to purchasing some improved and wild land. He was recommended by Mr. Marshall, former immigration commissioner of Minnesota.

Chas. Peterson and sister, who have been visiting with the Peterson family made a trip to Minneapolis Friday, to visit their parents, Mr. and Mrs. John Walton. The sister will go from there to Chicago, and Mr. Peterson is expected back Monday.

Eugene Alander, a Neighbor of the M. W. A. camp of Rock Creek, died at 6 p. m. on Tuesday, May 27, 1913. Deceased was 21 years old, and beloved by all. Funeral services will be held at Rock Creek and the remains laid to rest in the Swedish cemetery southeast of Rock Creek.

The Rock Creek Camp of Royal Neighbors will hereafter hold their meetings twice a month at Hendrickson hall. The next meeting will be on the 13th of June at 8 p. m. Every Neighbor is asked to attend as there will be some special business to attend to and it is necessary that all should attend.

The Rock Creek base ball team started out in glory Sunday, accompanied by at least eight young ladies of Rock Creek, to take revenge on the Pickett team. The next meeting will be on the 13th of June at 8 p. m. Every Neighbor is asked to attend as there will be some special business to attend to and it is necessary that all should attend.

There are one hundred fine large outside rooms, with running water and private telephones to choose from. Many of these have private baths and lavatories. All have been newly decorated and refurbished.
