## Saturday Is Clean-up Day

Let Everyone Aid in Improving General Appearances of Town

### Proclamation

In accordance with the proclamation of the Governor of the state, I hereby designate Saturday, May 8, 1915, as Clean-up Day for the Village of Pine City. I recommend that all public spirited citizens put their premises in order against the danger of fire and as a matter of protecting health and property as well as to aid in presenting a commendable appearance before our visitors during the coming months. All of our Civic organizations should aid in this necessary public work. In witness whereof, I have hereunto set my hand and seal this fifth (5) Day of May, 1915.

Julius Dosey, President  
Attest:  
Henry J. Burige, Recorder

This week Saturday, May 8, is to be observed as Clean-up Day. It is an important one for Pine City. During the next month, especially, our town will be on exhibition before thousands of visitors from over the county and state. We ought to be proud to look our best.

This is everybody's Clean-up Day. Old and young will have a part in it. So plan to do your share. The village council is planning to help and will have teams out to haul your garbage to the dumping grounds. Have it ready—but don't expect them to use the whole day for you—there are others.

**Excellent Band Concert at Askov**  
The Askov band, under the direction of H. Pedersen, editor of the American here, gave two excellent band concerts in the hall at that place, last Thursday and Friday evenings, enjoying attendance in excess of 200 each evening. The band has about 18 members, mostly boys and young men, from that Danish colony. Mostly green when the band was organized six months ago, they are doing excellent work—learning, themselves, and furnishing the town with an organization worth while. They are organized on strictly business lines and the village has not been asked to contribute one cent toward their instruments or work though it did give them a net profit of about \$65 on their entertainments last week and will build a band stand for them in the center of town, where they will give concerts each Saturday evening.

**"Home Coming" Week at Falls**  
Taylors Falls will celebrate its first annual home coming week from June 6 to 13 and it is probable that the old town—one of the oldest in the state—will be filled with former residents during those days. Anyway, they are preparing to entertain a large crowd.

Several from this region will probably get down some time the latter part of the week, the State Firemen's Convention here on the 8-9-10th making it necessary for our townpeople to be at home during that time.

**Dangerous Fire at Sandstone**  
The warehouse of the Cooperative store company at Sandstone was destroyed by fire a week ago last (Wednesday) evening. The blaze was discovered about 7 o'clock and

## "Clean Up and Paint Up."

By WALLACE GOLDSMITH.

the only explanation possible is that a spark was blown from one of the three engines that had just pulled out of the railroad yards for Duluth, as a strong wind was blowing from the west at the time and fire, making the saving of the big main building which stood only 12 feet east of the destroyed warehouse, as well as the Walter Scott home and other near by buildings, a difficult task. The outcome again proves that the Sandstone fire department is an excellent one. They kept the east end of the warehouse standing and even the paint on the nearby buildings was not destroyed. The company, which has been one of the very few successful Farmers' Cooperative stores in the state, will sustain very slight loss according to Manager Adolph S. Larson as it was well covered by insurance.

### Take Notice

I hereby give notice that I will not be responsible from this date for any bills contracted by my wife Mrs. Rose Lorentz—August Lorentz, May 1, 1915.

### Was Here During Souix Outbreak

Capt. E. L. Seavey was called to Taylors Falls last Thursday to attend the funeral of his son-in-law,

A. S. Knight, who passed away last Wednesday at the age of 72. Mr. Knight is an old resident of this region and well known to many in Pine county. He was haying near Dear creek, between Hinckley and Sandstone, on the Government road at the time of the threatened Chippewa outbreak in 62 and spent those days in the cabin at the foot of the hill where there has been only a hole in the ground to represent the old cellar for many years. Mr. Knight was postmaster at Taylors Falls for 18 years and was liked and respected by everyone.

### Buys Fine Hinckley Corner

Chas. T. Swain of Hinckley has purchased the Masterman-Sutliff corner in that town, just east of the north end of the N. P. depot. The corner is an excellent one and should be improved. This gives Mr. Swain control of two of the best corners in that town as he has long had the old Brennan corner, just a block east.

Hinckley is to see other changes on its main street this year, Noble and Lyon having let the contract for a 50x60 foot one story brick building on the vacant lot next to Folsom Bros. & Fuchs Co's hardware, while other improvements are contemplated.

## False Economy

Perhaps you use an alum baking powder because you think it is cheaper and therefore more economical. But is it?

Leading food experts and medical authorities have for years declared that alum baking powders are not safe to be used. The chief European nations prohibit them altogether.

Can it be truthfully said that an article of food so generally condemned is economical at any price?

Royal Baking Powder, which is made from cream of tartar, adds only healthful qualities to the food.

The difference in cost of a pan of biscuits or of a cake made with Royal Baking Powder as compared with cheap alum or phosphate of lime powders is about one cent, which is surely too small an amount to warrant the risk.

ROYAL BAKING POWDER CO.  
New York

## Of Interest To Farmers

N. P. Stock Judging and Demonstration Train Here, Saturday, May 8

The Northern Pacific "dairy development" car will be here next Saturday (this week), arriving at 11 a. m. and leaving at 3:42 p. m. unless an evening meeting is held here. Chairman Harte of the committee on arrangements plans to hold a meeting at El Sward's place, about 4 miles southeast of town at 1:30 p. m.; at the grange hall in Mendow Lawn at 2 p. m.; at Beroun at 4 p. m. and a general meeting in town in the evening. The outside meetings however, will have to be called off if the roads are bad.

The following well known speakers will be present:

W. A. McKerrow is Extension Lecturer for the Dairy Division, University of Minnesota. F. W. Merrill is Dairy Development Agent for the De Laval Separator Co. H. R. Smith is Livestock Specialist of the First National Bank of St. Paul. A. J. McGuire is Extension Lecturer of the Dairy Division, University of Minnesota. Professor Thomas Shaw is Agriculturist for the Great Northern Railway. D. E. Willard is Development Agent for the Northern Pacific Railway.

It is requested that dairy cows of different ages and breeds and dairy bulls from farms in the vicinity be brought to the different meetings. These will be used for demonstration purposes by the speakers. A livestock judging demonstration will be given at each meeting where desired, provided a sufficient number of animals is brought to the meeting.

### Will Probably Vote June 21st

The rumor that the County Option petitions would be filed with Auditor Hamlin last week proved a little premature. The Poker understands, however, that they will in all probability be filed tomorrow or Saturday and that the vote will come on Monday, June 12.

There are no obtainable estimates as to the number of signatures the petitions carry but the number is probably well over the 1200 mark, of which about 550 were obtained in the south end—about 150 in this village.

Chicago and Isanti counties voted on the question Monday, the vote being 1758 to 648 in favor in the former and 1264 to 450 in the latter. Lacqui Parle county voted the same day, 1421 to 669 in favor of shutting out saloons. That makes five counties that have voted to date—all going dry by big majorities.

In Chicago county Taylors Falls was the only precinct to go wet and in Isanti everyone went dry.

### Farmer's Creamery at Sandstone

The farmers at Sandstone organized a cooperative creamery company last Saturday and purchased the old creamery at that place, recently operated by J. M. Ingraham, formerly proprietor of the old Pioneer House at Pine City and well known over the county. Mr. Ingraham is not a practical creamery man.

# Clean Up and Paint Up

## A WORD FROM THE WOMEN.

Say! ain't it funny what a lot of things men overlook. They seem to feel we women never do a thing but cook. They really think they run the house and everything that's in it. But gee! they couldn't get along with out us for a minute.

We women are the ones who keep the woodwork shining bright—Who buy enamel for the bath to make it glistering white. We women varnish tables and we buy the stains for chairs. And we buy the proper colors to brighten up the stairs.

We women are the ones who say what paint goes on the halls—Which shades for parlor and for den—for baseboards and for walls. We women stain and wax the floors, or else we make the man.

We women are the ones who keep the whole town spot and span.

A Washington woman is suing another for \$5,000 damages because a postal card complaint of the manner in which she treated her children caused her to lose 30 pounds in weight. Some women would welcome a postal card like that. Think of the doctor's bill it saved, to say nothing of the inconvenience of following a diet.

## Reduce Fire Hazard

THE Indiana State Fire Marshal declares that every city and town should conduct "Clean Up and Paint Up" campaigns, to reduce fire hazards, if for no other purpose. And he declares that the most effective application of paint to wooden buildings is quite as important a fire preventative as is the removal of rubbish from yards and alleyways. He is therefore strongly urging "Clean Up and Paint Up" weeks for every city in the state.

"Inspections in the larger cities," says the Indiana Fire Marshal, "show that about 10 per cent of all buildings and premises within business districts are being endangered by rubbish. Though the residence districts have not been inspected, the proportion, no doubt, is just as large. One of the most effective fire preventatives is clean and tidy premises, both in business houses and in dwellings."

"The Fire Marshal is advising every where the painting of the shingle roof. 'Paint not only makes shingles more durable,' says the Fire Marshal, 'but it acts as a fire preventative as well. By covering and protecting the fuzzy splinters that form on the outer surface of shingles, the paint greatly reduces the likelihood of fire from falling sparks.'

Scores of Indiana cities followed the Fire Marshal's advice last year and hundreds will do it this year. Everywhere the school children take a prominent part in this work. The "Clean Up and Paint Up" campaign gives them their first lesson in fire prevention.

## "Clean Up and Paint Up" for Homes and Towns Beautiful

## ONE OF BARNUM'S TRICKS.

Getting His Posters into Canada Without Paying Duty.

One of P. T. Barnum's most successful feats of bamboozlement was played upon the Canadian customs authorities. The veteran showman's tours were always planned far in advance, and one winter he made up his mind to take his great circus and menagerie through Canada during the summer after the next. This gave him about two years in which to mature his plans.

One important item of a showman's expenses consists of his advertising placards, and Mr. Barnum was always lavish with these gaudy prints. He was aware that the Canadian government imposed a high duty on this class of imports, and yet he wanted to paint Canada red, yellow, blue and green with a lavishness that no showman had ever displayed in that country before.

Now, there was no printing house anywhere in Canada that could be gotten to turn out the kind of work that Mr. Barnum required either in size, color or finish. Nevertheless his immense posters came under the same classification as such smaller lithographs and printed color matter did, and he knew that the Dominion customs authorities would not abate one jot of the full toll, but would rather rejoice at the opportunity to mulct the foreigner who would convey so much money out of a country.

So Barnum studied the question awhile and finally sent out on once a great lot of circus posters of the most gorgeous designs whereon yellow lions and clawed striped tigers and brown bears fought with blue hippopotamuses till gore flowed into beautiful crimson backgrounds. No agent appeared when the posters were detained by the Canadian customs officers to pay the duty. They were accordingly held for twelve months, then duly advertised for sale for three months more and finally put up at auction with a lot of other unclaimed parcels and were designated in the catalogue merely as "miscellaneous goods."

Nobody took any interest in them when the auctioneer called for a bid, and finally the whole batch was knocked down for practically nothing to a secret agent of the circus who had been sent up by Mr. Barnum for that express purpose.

### Pope as a Witness.

Pope, like Garrick, made but a poor figure in the witness box. He was called to appear in defense of Bishop Atterbury when that prelate was tried for high treason in the house of lords in 1733. "I never could speak in public," he told Spence afterward, "and I don't believe that if it was a set thing I could give an account of any story to twelve friends together, though I could tell it to any three of them with a great deal of pleasure. When I was to appear for the bishop of Rochester in his trial, though I had but ten words to say and that on a plain point (how the bishop spent his time when I was with him at Bromley), I made two or three blunders in it and that notwithstanding the first row of lords (which was all I could see) were mostly of my acquaintance."—London Standard.

### Be an Is-er.

An old gentleman was visiting a Kentucky breeding farm, seeking a fast horse. He wanted one that would pass any other animal. He was conducted past a long string of horses with fine records on their stalls telling of the victories they

had won. Then he was shown a large number of horses of good pedigree, from which the dealer expected great things when they got on the track. Then the old gentleman turned on the dealer and said hotly: "Look here, stranger, you've shown me horse-hoens, and you've let me see your 'going-to-be's,' but what I am here for is an 'is-er.'"—Christian Herald.

### Stage Fright.

"They tell me your husband has become one of the easiest and most graceful after dinner speakers in the city. I understand he has no end of engagements."

"Yes, and I have to sit up and give him a good dinner after every one of them."

"After every banquet?"

"Yes. When he knows they are going to call on him to speak he's always too scared to eat."—New York Journal.

### Anonymous.

A teacher in one of the public schools asked her pupils to write a sentence which should introduce the word "anonymous," explaining to them that the word meant "without a name." When the papers were handed in this startling sentence met her eye, "On my way to school this morning I saw an anonymous cow."—Judge.

### Rapid Transit.

In response to a growing demand in his home a certain author once went to his father's house, borrowed the family high chair and started taking it home by hand. He had to wait long for his car, and when it finally came its conductor was a humorist.

"Aren't you pretty big for that chair?" that official ventured.

"Yes," admitted Webster wearily. "I grew up while waiting for the car."

### Logic of a Tailor.

The tailor's sign in a little inland town was an apple—simply an apple. The people were amazed at it. They came in crowds to the tailor, asking him what on earth the meaning of the sign was. The tailor, with a complacent smile, replied, "If it hadn't been for an apple, where would the clothing business be today?"

### Wasn't a Farmer.

Uncle Josh was rambling along the road one afternoon when a farmer new to the neighborhood called him over to look at some potatoes that he was digging.

"Too soon, young feller! Too soon," said Uncle Josh, negatively shaking his head as he looked at the potatoes. "They ain't ripe."

"Of course they are not," returned the other quickly. "But when I can get \$1.50 a bushel for them wouldn't I be a fool to let them stay in the ground and then sell them for 75 cents?"

"Um!" thoughtfully commended Uncle Josh. And then, "Say, young feller, you ain't no farmer; you are a financier."—Philadelphia Telegraph.

### Provocation.

"I am sure you have had provocation," said the relative, "or you would not be so determined to leave your husband."

"Provocation!" echoed the indignant woman. "I bought Fido a package of dog cake. This morning I made biscuits for breakfast and you tell me when I tell you I found that brute of a man trying to feed Fido my biscuits and coax the dear little pet's perfectly good dog cakes away from him!"—Washington Star.

# "Over the Rain Bow"

Charming Operetta at Stekl's Hall Next Wednesday Evening

The young folks of the Methodist Sunday school will present the pretty operetta "Over the Rain Bow" under the direction of Mrs. Pennington and Fred Berlin in Stekl's hall next Wednesday evening.

As it is a pleasing and popular operetta and the young folks have it well in hand it ought to be well attended for it will surely be greatly enjoyed.

Following is the cast of characters and the plot:

Anita, the oldest sister, Helen Spickler.

Bertha, Faith Pennington.

Claire, Bessie Kilgore.

Dorothy, the youngest, Hazel St. Germain.

The RainBow Queen, Ruth Gottry.

Maid of Honor, Alice St. Germain, Anna Laresh, Dolly Elkins and Hazel Wiekstrom.

Heralds, Reginald Johnson, Leigh Arnder.

The Four Winds; Laurella Boyle, Edith Hamlin, Dewitt Gottry and Martha Yanda.

Moonbeams, Sunbeams, Dewdrops, Snow Flakes, Frost Spirits, Flower Artists, and Fire flies.

### Henriette Items

Miss Ellen O'Hara visited at St. Paul last Saturday.

If you want farm machinery call on William Petersdorff.

Nelson Selling has moved his house two blocks west.

Eddie Petersdorff has purchased an automobile and will run a livery.

It is reported that Kanabec county is dry, but Pokegama is wet.

Our land is progressing nicely and shall help the eagle scream on the Fourth of July.

Oscar Thorson is back from Minneapolis where he has been taking treatments for rheumatism.

Fire broke out Thursday evening in the butcher shop belonging to Adam Schlimmer. It was caused by a defective chimney.

### Entertainment and Dance

Remember the musical program and dance to be given by the Finlayson band boys in Stekl's hall this week Saturday evening. They have met with excellent success with their concerts at points north of here and should draw good attendance. This is the band that furnished the music at our Fourth of July celebration last year. They pleased us then, we ought to please them now.

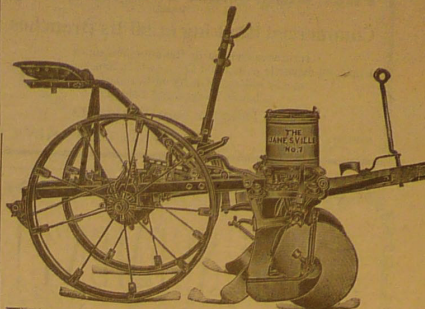

### Henry Olson Passed Away

Henry Olson passed away at his home farm, three miles southeast of town, last Saturday, after an illness of almost a year from cancer of the stomach. Funeral was held at 2 p. m. Tuesday, Rev. Parish preaching the sermon, and the remains were interred in the village cemetery here.

Mr. Olson was born in Sweden in 1844 and came to this country when 22 years of age. He came to Pine county about 1880 though he later sold and went back to Missouri, whence he came, afterwards coming back to this region and purchasing the farm where he died. In 1911 he went to Canada where he took a homestead, his three sons accompanying him. About a year and a half ago his health began to fail and he returned to this place.

His wife died in 1911 but he is survived by three sons, Hugo, Rudolph and Robert in Canada and two daughters, Mrs. Chas. Dullier of Mukletsoe, Wash., and Mrs. Frank Glazier of Duluth, the latter

Postmaster Flynn of Bruno was in town yesterday, he and Paul Perkins running over to St. Cloud in the latter's Pathfinder. They are expected back this evening or tomorrow.

Don't you know that the 40 strand lightning rod was recommended at the State Association of Farmers Mutual Insurance Companies convention held at St. Paul, Jan. 13 and 14 of this year? (It is the kind you want. For sale by M. A. Soderbeck, Pine City, Minn.

The "water supply point" sold by M. A. Soderbeck of Pine City, was recommended at the Farmers Mutual Insurance Companies convention held at St. Paul on Jan. 13-14 of this year. The report of the convention's committee was that it added 100 per cent to the value of any lightning rod.

Mr. Halliday arrived Tuesday from Two Harbors and yesterday assumed charge of the old Spitztozer garage which he and Mr. Wait, from Two Harbors, have purchased. The latter gentleman is expected here tomorrow and will at once take up active management of the garage.

Have had a number of second hand cameras, both plate and film, which we will sell at very low prices. These range in value from \$2.00 to \$30.00 and will be sold at prices ranging from \$1.00 to \$18.00. Many of these have only been used a time or two and all are in perfect condition.—Daniels Photo Studio.

Miss Maud Brackett returned last Friday from Duluth where she attended the funeral of her brother-in-law, Henry J. McKusiek, who passed away at the Zenith city a week ago yesterday morning from a paralytic stroke following kidney trouble. Mr. McKusiek was an old resident of Mora and his widow was Miss Alice Brackett, formerly of this place.

Banker Empey of Hinckley has forsaken the "Penny Ante" and purchased John Beechel's 18 foot cutter. Herman Kowalski has the new boat at his home this week, painting it and replacing the old engine with the one from the "Penny Ante." The new boat will do more or less regular stunts all summer between town and the Hinckley colony at the north end of Cross lake.

The change in ownership of the Asplund grocery was a tumultuous Tuesday when W. F. Schumacher assumed control. Mrs. Schumacher and Mrs. Chas. Beechel will be in the store with Mr. Schumacher. The Chas. Beechels and Schumachers are still located in the old R. E. Carlson home but the former will build soon and the latter move into the rooms over the store as soon as the Asplunds are able to get into their cottage on Cross lake.

## Ford Announcement

**\$60.00 Rebate**  
For Each Purchaser Assured

When a purchaser stops to consider that all Ford Cars are fully equipped with top and side curtains, cowl dash, wind shield, electric light, ride and tail lamps, horn, pump, jack, tools, tire repair kit, etc., it is no wonder that the Ford Co. will reach the tremendous output of 860,000 to 875,000 cars during a period of twelve months operation.

### Uninterrupted Service

Few prospective purchasers realize the service and advantages in the purchase of a Ford Car—no matter where you are touring you can rest assured that a matter of one or two hours only will be your delay in uninterrupted service. It is one of the iron clad rules of the Ford Motor Co. that all Ford agents must carry a complete stock of parts for the convenience of Ford owners, which means service.

MAILED DAILY, THREE MONTHS FOR ONE DOLLAR

ADDRESS:—HERALD, DULUTH, MINN.

Only One  
Month More

Short Time Remains To Complete Arrangements for Firemen's Convention

Only one more month remains for our town to complete its preparations for entertaining the State Firemen's Convention here on June 8, 9 and 10. That month will wear wings—May always does anyway—and before we know what is doing we will be in the thick of the fray—flooded with visitors and with the biggest problem of entertainment that has ever been handled by any town in this part of the state.

A general committee meeting was held Tuesday evening and another is scheduled for Saturday evening of this week. Plans for entertaining and handling the big crowd that is expected are gradually maturing but are still far from complete and the aid of everyone is necessary in planning and carrying out the plans for the meet. Systematical effort is what is needed—not each one as you please.

The housing committee wishes to have it known that every available room in town will doubtless be needed to sleep the visitors.

Of course the occupants will pay fair prices for the accommodations. Chairman Duxbury of the committee was at St. Paul yesterday and engaged eight sleeping cars and a large number of tents which will be utilized—the supply of sleeping cars probably being doubled before the convention comes.

Chairman J. J. Madden of the "feed" committee also has a monster task arranging to have enough "eats" for the visitors. All the churches will probably assist in this work and it may be necessary to engage other help in this line. Further information along this line will be given in these columns next week.

It is expected that Saturday evening meeting will probably give pretty definite information as to the number of visitors that can be expected and after that we will know better how far to go with arrangements—how much outside help to get. There is no danger of overdoing our own efforts

Council Proceedings

The city council held its regular monthly meeting in the village hall last Saturday evening with all members present.

The following official bonds were approved by the council: Treasurer J. D. Boyle with P. W. McAllen and F. A. Hodge as sureties in the sum of \$4,000; Constable John Biederman with A. W. Asplund and Nick Perkins as sureties in the sum of \$500; Justice of the Peace Atkinson with A. W. Piper and J. J. Madden as sureties in the sum of \$500. Recorder Buirge with J. Y. Breckenridge and F. M. Smith as sureties in the sum of \$500.

The following repairs were ordered on village property: repair and paint the park grand stand; lower the floor of the fire hall to six inches above sidewalk grade and fill the cistern remove the old pump at the park corner, remove the old fence about the park and lay an 8 foot cement walk along north and south sides and a 5 foot walk along west side of park, as follows: 3 inches of concrete and 1 inch face, bids to be received up to 8 p. m., May 10.

On motion \$200 was appropriated for the purchase of folding chairs, President Dosey appointing Clerk Buirge and Constable Axtell to make the purchase.

Justice Atkinson's monthly report showing \$15 collected from fines in three drunk and disorderly cases was approved.

J. Y. Breckenridge was granted a cigarette license for one year from May 20.

Councilman Axtell was appointed

to have charge of the repair work on the park ground and fire hall.

The following claims were read, audited and allowed and ordered paid.

Holstein Heifer Lost

A Holstein heifer was lost or stolen from my pasture on the night of April 20. Was expected to come fresh in a few days. Two years old, all black except on belly and breast which are white. Reward is offered for her return or information as to her whereabouts—Levi Ardner, Pine City 36-2p

School Notes

Mr. McAdam went to Minneapolis on business Tuesday, returning the following day.

The physics class took special work in photography, the first part of the week. They practiced on both inside and out door pictures and were very successful

The high school boys have lately started in training for the field meet. The hopes are that they will probably win a few points at least for our school. Everyone is interested.

The high school ball team will play Mora on the grounds at the Fair Grounds, Saturday. It is expected that this will be one of the fastest games our boys will have and a good crowd is expected over with the visitors. Eye gone get out and encourage our own team.

The grade rooms will have a field and track contest on the Fair grounds next week Friday afternoon probably, and the High school field meet will be one week later. From this, representatives will be chosen for the "Little Eight Meet" on the 29th.

The W. C. T. U. has presented the high school with a portrait and copy of the life of Frances Willard, the great temperance leader. Mrs. W. W. Clark made an excellent address in delivering the articles last week Wednesday. She was accompanied by Mrs. Piper, president of the W. C. T. U.

Notice

Notice is hereby given that all yards, unsanitary vaults, and all sheds or barns, containing manure must be thoroughly cleaned on or before May 15, 1915.

Dr. Josephine Tofte  
H. O.

Base Ball News

The Pine City and Rush City town base ball team crossed bats at the latter place Sunday afternoon, only a few attending from either town. Yost and Wilcox were the battery for Pine City and Johnson and Sommers and Huml did the honors for Rush City. The score was 10 to 13 in favor of Pine City. The teams will play a return game here next Sunday.

The Finlayson and Hinckley town teams crossed bats on the Hinckley grounds last Sunday afternoon. The day was unpleasant and the attendance small. Hinckley won the game by a substantial score.

at the Henry Mohr home at Pine City, Sunday.

Buttermaker E. Colin has sold his farm to Gust Johnson of Milaca.

Clarence Strelow entertained a May party at his home Saturday evening.

Abbie Johnson entertained a birthday party at her home Thursday evening.

Anna Mohr and Fred Walberg returned home Saturday after a short visit in St. Paul.

Mr. and Mrs. J. Heller attended a birthday party at the Kirchner home near Rush City, Saturday.

Mr. and Mrs. Axel Johnson and family of West took visited with the John Lindgren family Sunday.

Mr. and Mrs. John Mohr attend-

ed the christening at the Henry Mohr home in Pine City, Sunday.

Miss Emma Carlson returned to her home at W. Rock, Saturday, after sewing a few days at the J. Lindgren home.

Pokegama News  
May-basket time is here for some of young people.

Henry Andersons entertained a few of their friends last Sunday.

Misses Minnie Olson and Olga Gjoward visited at the Swanson home last Wednesday evening.

Mr. and Mrs. Fritzzen arrived here at their summer home last week, after being absent all winter.

A base ball game between the Pokegama school nine and the Henriette school nine was played last Sunday at the Henriette ball

grounds, in favor of Pokegama, 33 to 7.

Mrs. Ing. Peterson and baby returned from St. Paul last week where she has been visiting relatives for a week.

For Sale  
20 acres adjoining city limits, a regular garden spot. Will make a fine home. For sale cheap, see the Corn & Clover Land Company.

Rock Creek  
The M. W. A. cordially invite you, one and all, to the hall on Saturday night May 16th to their big benefit dance. Pepin's orchestra of St. Paul will furnish the music and the R. N. A. will furnish the supper. As the proceeds will be used for putting up sheds for the town all should turn out and help make it a success financially as well as socially.

## A Little Time and Money

spent in fixing up your house this season will prove a profitable investment in the long run.

Nothing is better for a house than frequent painting. Tenants come easy for a well painted house, too.

Moreover, poor paint is no better than no paint at all and cost almost as much as good paint.

### BLOOD'S PAINT

is the paint that best combines reasonable cost with highest qualities.

Blood's Paint is used for houses alone—a special paint for that purpose.

Not low prices, but highest quality for fair honest prices.
