County Fair Next Week

Gives Promise of Being the Biggest and Best in Assn's History

The County Fair will open at Pine City next Thursday, Sept. 16, and the prospects are that the attendance will far exceed anything in the past. Every where in the county interest is keen in the County Fair and there will be large delegations from every section on the different days.

The first day the Brookpark band will play and the second day the Askov team and the Sandstone ball club will be present, the latter to cross bats with the Pine City team. The third day the Mora band and ball club will be in attendance.

There will be aeroplane flights the first two days and on every day the race program will be good. See Parkins assures us that the amusement program will be the best ever and we expect that the live stock, grass, grain and vegetable exhibits will be better than have ever been shown in the county.

County Coms. Meet Next Week.
The county commissioners will meet in the court house at Pine City at one o'clock next Thursday afternoon, Sept. 16. So far as we know, there will not be any special business transacted though some school petitions will be acted on.

Co. Supt. Will Be in His Office.
County Supt. of Schools Blankenship will be at Pine City all of next week and those wishing to see him will be able to do so at that time. Later, his time will be largely taken up with visiting the schools of the county, which are rapidly beginning the year's work. In as much as there are 107 districts and upwards of 125 schools scattered over the county under supervision, his time will be occupied for some time with visiting.

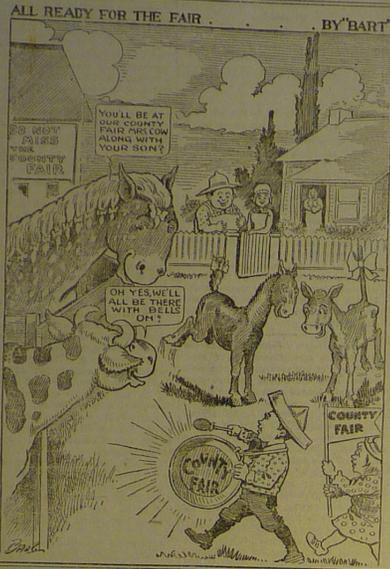

Isbell's Club Wins Pennant.
As though the Des Moines could win the pennant in the league, which is good news to old time friends in this region. Isbell who is managing at club, Frank was being raised. North Branch and used to be all known to all the base ball fans readouts.

Court Opens Sept. 21st.
Court will set soon. The grand jury will meet a week from next Tuesday—Sept. 21—and the petty jury will meet a week later. Judge Stohrer, who was operating at the Swedish hospital at Ansonia a couple of weeks ago remove a cancerous growth, will only be able to preside and Governor Hammond has been requested name a judge to sit in his place. Up to this writing, has not set.

The calendar looks, at this dis- ease, like as long a one as was gone through with last spring, which means considerable. It hardly looks as though there would be many criminal cases on the calendar though one never knows until after the grand jury finishes work.

The following Pine Counties will serve as grand jurors and will meet at 1 p. m., Sept. 21: A. R. Merritt, of Hinckley town; P. M. Rodenberger of Fleming; Mike Oen and Ole Eng of Royalton; Omar Forsyth, J. DeMaie and Arthur Wood of Norman; Andrew Beckstrom and Aug. Swanson of Windom; Otto Ehrenberg, and Carl Lueth of Cook Creek; S. E. Vavrchiek of Bremen; Fred Zeigler and F. M. Carlson of Sandstone; Otto Becker and Albert Hokak of Pine City; A. A. Uppen of Sturgeon Lake; Chas. Dosh of Pine Lake; John Richards of Wilma; J. A. Renfro of Kerriek; R. J. Gaid well of Nickerson; C. B. Brown of Hinckley; S. H. Dorr of Mission Creek.

These residents of the county will act as petty jurors and their work will begin at 1 p. m., Sept. 22: John M. Anderson, George Klein, G. E. Carroll, W. E. Hogan and John Valley of Kerriek; Alfred Wallner, Arnr. Jensen, and Nels F. Hojger of Royalton; Frank Van ditte, Andrew J. Anderson and Joe Sunde of Cook Creek; Fred Anderson of Rutledge; Chas. J. Brandt, Nels Johnson, Jr., Vincent Selinsky and E. L. Skog of Windom; Dan Albert Franta, and William Bantson of Pine City; Bert Walling and Fred Dahlberg of Sandstone.

Mike Cabelk, and Vincent Stephan of Mission Creek; S. C. Dixon and Carl Paulsen of Partridge; John Christianson of Arlene; Chas. A. Bjork of Anna; J. H. Lindgren of Inman; Ben Bjork of Pine City; town, Harvey Reid of Hinckley; Ed Adler of Chengutana.

Hinckley Boys Held Up.
Leo Thorne, Leo Bussle and John Harth, jr. were victims of hold up men at Wood Lake last week. The three boys had been working at Wood Lake and were about to start for Duluth. They had purchased their tickets at the depot and soon after the agent left, on some errand.

During the agent's absence, two holdup men entered the depot and covered the boys with their guns and took away the boys' money, which amounted to something over \$100. The boys were then compelled to get into a boxcar that was locked by the holdup men who made their getaway.

The boys were not released until the next morning.—Hinckley Enterprise, Sept. 3.

Pine County At State Fair

Wins Sixth Place in Central Division, Capturing \$185 in Prize Money

Pine county has won sixth place in the central division of counties exhibiting at the state fair this year, as against seventh place last year, scoring 980 points out of a possible 1200.

We also tie for first place in small grains with a score of 95 out of a possible 100 points.

We take second place for beauty of exhibit in the central state division and tie for fourth place in beauty of exhibits in all the county exhibits in the state, scoring 43 out of a possible 50 points.

We exhibited the largest pumpkin on the grounds.

S. B. Wells, in an individual exhibit, captured a large silver loving cup offered for the best peck of oats.

The Pine county exhibit captures \$185 in cash prizes.

Robert Derr and Rudolph Wosmek, who are handling the exhibit, extend their thanks to all those who assisted in making the county exhibit so much of a success.

We feel like adding that the county, and every person in it, owes them thanks—and more—for giving such faithful efforts to make the Pine county exhibit such a success.

Big live stock parade on Wednesday, Sept. 15, at Fair, Rush City.

Man Killed West of Willow River.
An unknown man was killed by a midnight train near Solons last Saturday night. He had evidently been riding and fell under the wheels. The body was cut in two lengthwise. No papers were found that could identify the stranger although the Coroner made a close examination to discover who the unfortunate was. The body was turned over to the local authorities and was buried at Solons.—Willow River Farmer, Sept. 3.

Will Re-Advertise for Bids.
School Dist. No. 93, in the town of Clover, has decided to re-advertise for bids for the construction of their new school building. The school board awarded the contract to Mr. Irons, a brother of one of the members of the board, at a price about \$70 higher than the bid of Larson Bros. who served notice that action would be taken legally against them if the contract was fulfilled. The board took several days to consult the county superintendent of schools and several attorneys and finally decided to take the safe course and tendertender.—The Sandstone Courier, Sept. 2.

Lets all go to the County Fair at Rush City, Sept. 14-15.

COOPER'S BIG COFFEE RACE

GIL ANDERSON FINISHES 500-MILE DRIVE ONLY HALF SECOND LATER.

RESTA AND DE PALMA DROP OUT

Burman Also Withdraws on Account of Engine Trouble—Rough Track at Minneapolis Oval Keeps Average Speed Low.

Minneapolis, Sept. 7.—Earl Cooper, driving a Stutz car, once more captured the first prize in the long distance race. Cooper carried off the check for \$20,000 in cash and the honor of the new speedway and pressing him hard for honors was Gil Anderson, his teammate, who also across the finishing line less than a half second behind the winner. Resta, Burman and De Palma were forced out by engine trouble and the Stutz team had a walk-away.

Cooper's car averaged 88.85 miles an hour for 500 miles, and although the time was not fast, the Polish honors and \$20,000 in cash go to the California team. For his efforts and success Gil Anderson drove down \$10,000. Resta, Burman and O'Donnell, who finished third, several days behind the winning pair, took down \$1,500 and Tom Alley took fourth money.

The time established by the winner was by no means pleasing to the promoters of the affair. Talk of the mile an hour had been heard while the enthusiasts were predicting 100 miles an hour for 500 miles over the course would be almost disappointing.

RESTA LEADS AT START

The race started out with Resta shooting into the lead over the two Stutz cars and De Palma. Both Burman, who had the lead in the first lap, and Resta, who had the lead in the second lap, displayed some rare track knowledge on the very first lap. Resta, who had the lead in the second lap, overtook Resta and on the second lap overtook the Italian who was driving at his best with Burman riding in the vacuum. De Palma, when the two cars broke into the stretch of the bank near the main grandstand, Burman was in the lead. A full flow of juice and he slipped past the other Peugeot. Resta taking up his dust. Driving like a wild cat, De Palma overtook Resta and on the second lap after he shot past the judges' stand holding a lead that varied from 20 to 30 seconds over Resta. In the meantime, was fighting hard in the attempt to overtake Resta. Cooper, in the meantime, was driving his accelerator pedal with all his might and the Stutz soon passed Resta, but Burman was going too fast for Resta to get into him. De Palma led into the pit row for repairs, and although he spent only about 45 seconds in the hands of his mechanics, he was not under way he was far behind. Resta in the meantime found Gil Anderson pressing him and De Palma. The second Stutz had slipped ahead of the Peugeot driven by the famous Italian.

BURMAN IS FORCED OUT

Averaging 93 miles an hour—a clip never touched after he broke down. Burman continued to lead through 30 miles. Then on the 31st lap, when Bob applied the brakes, he opened the hood, looked over the machinery and without much ceremony climbed over the pit row and announced his withdrawal because of a broken connecting rod.

RESTA AND DE PALMA

With Burman out of the race and De Palma losing ground because of engine trouble, Resta took a new grip on the grid and on the 32nd lap he led over with Cooper leading. Resta second and Anderson third. This order held good until the 33rd lap, when Resta and Anderson traded places, and then Resta showed signs of speeding up. Once he got his Peugeot purring properly, he lapped Resta and then the line. Resta's order found Resta in the lead, Cooper second, Anderson third, Mulford fourth, Alley fifth, O'Donnell sixth, De Palma seventh, Chandler eighth, Henning ninth and Haupt tenth. Brown and Oldfield were in the rear.

ANDERSON SHOTS PAST RESTA

Resta continued to lead through the 30th lap, which is 60 miles—and Cooper was second. In the 31st lap, when Resta was 39.48 and his average was 86.46. At 79 miles Resta's average was 88.85 and his elapsed time 46:12. Anderson, who had been content to hold down second or third place during the early stages of the race, slipped his car into high at 78 miles and he shot past Resta like a cannon ball.

ANDERSON CONTINUES TO LEAD

Anderson continued to lead and at the 10-mile mark Cooper was second and Resta third. Anderson's time for 100 miles was 47:09 and his average was 92.1. At 110 miles Cooper was leading but Resta was still a cannon ball.

ANDERSON CONTINUES TO LEAD

Anderson continued to lead and at the 10-mile mark Cooper was second and Resta third. Anderson's time for 100 miles was 47:09 and his average was 92.1. At 110 miles Cooper was leading but Resta was still a cannon ball.

ENGLAND PAYS FOR COTTON

Washington, Sept. 7.—The British government remitted \$32,000 to W. Gordon McCabe of Charleston, S. C., for American cotton. McCabe is a member of the British authorities several months ago without disorder at Gonzales when the arrival there of the British States gunboat Custine and the collier Jason. Five customs houses still remain in possession of the British. British troops at Ouanaminthe have declared in favor of President L'Archange, according to the report.

PANAMA SLIDE BLOCKS SHIPS

Panama, Sept. 7.—A new slide in the Panama canal has blocked the passage of all ships, including the steamers Kronland and Finland. There are 22 vessels in the canal, all of which are waiting for the reopening of traffic. The dredges have excavated 40,000 cubic yards of mud from the slide in the canal. There is no chance for any vessel to pass through the waterway for two more days. The dredging work probably will be delayed in passing because of the slide.

Backache is Discouraging Nothing is more discouraging than a constant backache. It comes when you awaken, pains twice as much when you bend or rise. It is hard to work or to rest. Backache often indicates bad kidneys. If the urine is discolored, passages too frequent or scanty, there is further proof. Delay is dangerous. Prompt use of Doan's Kidney Pills will spare you serious trouble later. Doan's is the world's best recommended kidney remedy.
