A. M. Challen Recovered About Three Fourths Value of Stolen Goods

A. M. Challen was at Duluth, Monday, where he testified in the case against Ernest Ancella who received the stolen property from the Finerty-Lee gang that operated down this way. At first Ancella pleaded "not guilty" to the charge but when he saw undoubted evidence piling up against him on all sides he changed his opinion, on advice of counsel, and reversed the plea. Thereupon, the court lapped him judiciously upon the wrist and told him to go spend six months in the work house, and thereafter plank down 100 silver dollars, or remain on the farm for three months more. And so Ancella did not receive stolen property for at least six months—or maybe nine.

And Mr. Challen returned home with about three-fourths of the value of the things he lost. He had most of the coins, but the most valuable ones were gone. Likewise, some of the rings had been melted, but the lost diamond ring was recovered. He brings home a tale of Lee's flippancy on the witness stand and his apparent desire to be considered "tough" by his associates and the general public.

Ancella, 32 years of age is a footlocker and at one time was known as "king" of the Duluth news boys.

The following from the Duluth Herald of Monday gives other details.

Challen was called as a witness by the state this morning and identified the stolen property as his, Herman Garfield, to whom Ancella is alleged to have turned over the coins as security for a loan, also testified to the fact.

Carl Lee and Mike Finnerty, recently convicted in Carlton county of the crime of robbery in the third degree and now under sentence in the penitentiary, will testify at the trial as witnesses for the state this afternoon.

Lee and Finnerty were brought here by Sheriff McKinnon of Carlton county today and they turned over the property to Ancella and asked him to dispose of the loot for them, stating to him at the time that it had been stolen from Pine City.

Ancella sold some of the stolen articles to Joseph Conedetta and the remainder of the loot to Joseph Looma, both of whom had been subpoenaed to appear as witnesses against him. A. E. Parker, a local attorney, also purchased a ring from Ancella, which, it developed, was also a part of the stolen loot. He also testified for the state.

Auditor Hamlin Sends Out Warrants to Various Town and School Treasurers

County Auditor Hamlin last Thursday sent out warrants to school, town and village treasurers in the county for a total of \$87,184.42, of which \$64,885.55 goes to school treasurers and \$22,350.87 to town and village treasurers.

The moneys to school treasurers come from three sources—state "apportionment," state "aid" and local tax—levy—though a little also comes from the Mortgage Registry tax.

State apportionment means the amount appropriated among the pupils of the state who have attended school 40 days or more the past year. This amounts to \$18,99.11 for Pine county this year—we had 4,594 pupils eligible for the last school year and they draw \$3.96 each.

State "aid" means moneys appropriated by the state legislature to the aid of schools which came to Pine county this year and is included in this November settlement amounts to \$34,031. It comes to schools which qualified during the last school year—ending last July—under the requirements set by the state.

Some Game of Basket

Scrubs And Scrubbers Fought It Out in the Armory Last Week

Owing to The Poker's desire to enjoy some Thanksgiving recreation last week we were unable to handle the basket ball game in the Armory, on Tuesday evening—and our readers' just what might have been the "piece de resistance" of the holiday's enjoyment. The fact that the feature was sprinkled in with the read goods from the high school did but make the evening's fun fiercer.

Of course it is quite inexpressible, but if you had seen Horatio Jim Boyle with his skull cap and his pants turned up, standing on guard like the rock of Gibraltar while the battleships Joe Carlson and Robt. Wilcox and all the other craft hammered away about him, you would have known beyond a doubt that it is not all of life to live without seeing the Pine City scrubs play basket.

The Scrubs won the contest by the apparently one sided score of 20 to 1, which does not do justice at all to the Scrubbers, heroic efforts.

The line-up is as follows: Scrubs—Carlson, Wilcox, Schimble, Larson, Gray; Scrubbers—Boyle, Wet, Biederman and Maynard.

The game between the first and second high school teams resulted in a 30 to 13 victory for the first team.

Word from the L. B. McClearys who left here a short time ago for Toronto, Canada, says that "Mack" is a full-fledged lieutenant in the Canadian army. Their car of goods was stopped at the boundary for over a month because the Albers were packed in it and the authorities feared it might carry germs of the "foot and mouth" disease.

The remains of J. B. Kelsey were laid at rest in the Burial lot in the cemetery here last Thursday, with services in the Methodist church at 2 p. m. Owing to the day there was not a large attendance but one heard from all who knew Mr. Kelsey sincere expressions of regret at his death.

Jeweler Stanek was called to his old home in St. Peter yesterday morning by the death of his mother at noon Tuesday. She was 78 years of age and had been confined to her bed since last June, when she suffered a stroke of paralysis.

Herbert Schaefer of St. Peter called on his sister and the Staackes, yesterday, while returning from a deer hunt near Virginia—carrying just such a smile as a sportsman always shows when he captures a deer. He got his.

Clarence Holter left home last week Wednesday for a few weeks stay in the university hospital at Minneapolis where he recovered in the shape from his broken leg though still using crutches on his return.

Capt. Jas. Netzer suffered a relapse the first of the week and his condition is very bad, his friends are sorry to note. The Captain's sunny temperament used to be a feature in Pine City.

Mrs. R. E. Carlson captured the 31 at the family theater last evening. This will be the last prize offered until after the movies are moved to the new location—soon.

Misses Schaefer and King have been confined to their rooms at the Staackes and Laing home since returning from their Thanksgiving vacation.

Mrs. Kahl and son Clarence spent the latter part of last week with her daughters at St. Paul.

What Will You Do For Seed Corn Next Spring?

There never has been a season in the history of corn-growing in the North, at that was so unfavorable as the one just passed. It is very doubtful if any of the 1915 corn crop will cure so as to make seed corn of high germination. This being the case, it is evident that there will be little, if any, seed corn saved from the 1915 crop suitable for planting under Northern conditions.

Fortunately, however, I have procured a limited quantity of sound, dry, 1914 seed corn of fine quality, well selected stock, carefully tested for germination. I quote as follows:

Minnesota grown Yellow Dent corn, germination test about 92% \$4.00 per bushel

Minnesota grown White Dent corn, germination test about 90% \$4.00 per bushel

This price is made provided you can give me your order at once, delivery to be made to you in ten days or any time up to 3 (11 14, 1916. As I can get only a limited amount of this corn, I must have your order at once for the price is likely to advance or stocks in view become sold out.

Some authorities say seed corn will be worth \$5.00 to \$10.00 per bushel next spring. This is your opportunity to obtain Minnesota grown corn at a reasonable price.

I have a sample bag of this corn at the store. Come in and see it. If you are not coming to town within the next day or two, better send your order by mail or telephone. First come, first served.

Very truly yours,
W. F. GLASAW.

Manager Buschmeier of the Family theatre is gradually getting the new play house in shape though it still looks like "a long way to Tipperary." His original plans to move in on Dec 1st were a few weeks out of tune—but when the orchestra swings into the strains of "Home, Sweet Home" in the new theatre it will be "out with a bang" it will be the best appointed "movie" house anywhere in this region. "The Birth of a Nation" ought to bring a dollar a seat the first night.

Julius Neubauer suffered a paralytic stroke, affecting his right side, at 8 a. m. last Saturday but is recovering satisfactorily at his home here, though unable to leave his bed. He had been down town after his mail and was first noticed standing unsteadily on the blacksmith shop floor, by his son Albert, who also noted his inability to adjust his glasses when he sat down near the stove to read, and went to his assistance. BEROUN NEWS DEPARTMENT

This Department will Appear Regularly in The Pine Piker. Readers will find the Beroun News in it.

Joe Kub has laid aside the head bandages he has been wearing the past two weeks' resulting from an accident while splitting wood at the Kurban home west of town. He was using a double-bladed axe and struck a cotone line that he had not noticed, the back edge of the axe hitting him a glancing blow on the forehead when it rebounded. It cut through his cap and hair and made a cut about four inches long. Had it hit him fair we would not now be printing a story of his recovery.

A number of our boys went to the lumbering regions the first of the week, among them being John Pulkrabek and John Rura on Monday and Adolph and Jim Kostek, Albert and Joe Frelm, Joe and John Hornik, Joe Toman and Joe Slama on Tuesday, while we understand that others will go soon.

Wenceslas Lawrence and wife arrived from Hopkins last Saturday for a week's visit at the home

E. F. Sabesta returned, Monday, to his home at Montgonery after a ten days visit at the farm home of his cousin, John Sabesta, northeast of town, and with other relatives.

Magnuson-Weston Wedding

Miss Nancy Magnuson, eldest daughter of Mr. and Mrs. Oscar Magnuson of West Rock, and Peter Westman of Cloquet were united in marriage by Rev. Heiderich of Rush City at 7 o'clock p. m. last Thursday at the home of the bride's parents.

A large number of relatives, neighbors and friends witnessed the ceremony which was followed by a delicious wedding dinner and an evening of dancing and general celebration of the happy event.

Misses Hilda and Elsie Magnuson, sisters of the bride, were bridesmaids and Alvin Oman of Cloquet and Walter Johnson of Two Harbors accompanied the groom. The house was prettily decorated with cut roses and cedar and the ceremony was performed under a large wedding bell of the same material in the living room. There were numerous beautiful wedding gifts. Mr. and Mrs. Westman left Friday afternoon for a couple of days' visit with his brother at St. Paul, returning Tuesday. They expect to leave next Monday for Cloquet where Mr. Westman is in the employ of the lumber company and where they will make their home.

The Piker joins their other friends in wishing them a long and happy life.

Silver Wedding at West Rock

About two score of friends surprised Mr. and Mrs. Matz Peterson at their West Rock home on Nov. 11 in honor of their silver wedding anniversary. The folks met in the Fred Hartz home early in the evening and from there went over to the Peterson home in a body. A delightful evening was spent with a small feature of which was the excellent talk by Rev. Johnson, in the course of which he presented Mr. and Mrs. Peterson with a fine 3-piece coffee set to help express the esteem of the community. A bounteous lunch was served. Mr. Peterson located at West Rock 20 years ago and a year later was married to Ethel Sorenson at St. Paul.

Ladies' Aid Sale Was a Success

The sale and dinner given by the

Methodist ladies aid in Hendrickson's hall last Thursday was a success in every way, the Aid and the League—the latter having the canopy both—together realizing about \$75, while everyone present had a fine time.

The fancy work sold better than the useful articles and the parcels most packages went like "hot cakes." The meals netted \$35.

The ladies feel very thankful to all who aided them, either with articles or patronage, and wish to express their thanks in this way.

Notice

Charles Beavers and Will Barstow were at Pine City, Monday, to file a petition for dredging Rock creek from its source in 35-48-22 to the bridge in the village here where the fall makes further work unnecessary. Of course the petition calls for a county "ditch" but the offer will be the same. The signers were Thos. Gill, W. S. Barstow, Fred Aligood, John Nelson, C. G. McNeal, C. H. and B. W. Beavers, Aug. Altman H. W. Guld, H. E. Dane, Geo. Lindstrom, J. E. Smith, G. C. Schmidt, Geo. Russell and Aug. Shogren.

It is a fine and interesting exhibit. Beginning Dec. 8

While visiting at Louis Rohlf's, Thursday, grandfather Rohlf had the misfortune to be knocked over by a moving wheel and sustained injuries which confined him to his bed for a few days but he is improving at present.

There was a birthday celebration at the Henry Studt farm last Saturday, Nov. 23, when over 55 friends and relatives gathered to assist friend Henry in properly observing his 52nd birthday anniversary. Mr. and Mrs. Studt gave everyone a first-class time—and everyone in this region joins in wishing them both many happy returns of the day.

On Thanksgiving day the following families were entertained at a goose dinner at the Henry Studt farm home: H. F. and August Gatzkow and Ernest and Emil Strohkirch of Danewood, Henry and Otto Grots and Fred Strelow of Greeley and also Rev. Moebius of Rush Lake. It was an occasion for double thanksgiving to Mr. and Mrs. Studt for they were married Nov. 25, 1887—just 28 years before—and their own happiness and health, as well as that of all their family of nine children, gave them ample cause to be especially thankful to Almighty God.
