Pine City Personal Tax

Little Journey Into the Matter of Pine City Taxes for Coming Year

Below we give the personal property tax list for Pine City village which will be due on January 1, 1916.

The tax rate in the village is higher than last year—a total of 73 cents as compared with 5.14 last year. The total assessed value of the village is \$318,326 or about \$30,000 more than last year. Monies and credits amount to \$128,754 or about \$20,000 more than last year. The local school tax is about one-third of a cent above last year. The tax rate for the village (except the small portion in the southern portion of the village in school district 9) figured in detail is as follows:

State Revenue	00.787
Stat. School	00.123
Total state tax	00.910
County Revenue	00.041
R. & Bridge	00.03
Poor	00.014
State Loan	00.0005
Teachers Pension Fund	00.0005
Total County Tax	00.085
School 1 mill	0.01
Special School	0.023
School State Loan	0.095
Total School Tax	0.355
Village Revenue	0.16
R. & Bridge	0.032
State Loan	0.02
Total Village Tax	0.212

Total.....0673

The portion of the village in school district 9 the school tax is only a mills though the other taxes are the same.

The county state loan was for the judicial ditch in Dell Grove and Hinkley towns, the village state loan for water works and sewer bonds and the school state loan for buildings.

In addition to the above there is a tax of ten cents a running foot on property facing the sewer system.

Judge Stolberg Is Dead

End Came at Hinkley As Result of Cold Contracted Last Week

Judge Stolberg, judge of our district court, passed away unexpectedly in the Coffin hotel at Hinkley at 10:30 o'clock a. m. Tuesday, as a result of a cold contracted last week. He had been at Mora on Monday and was taken sick there though he improved greatly and was on his way home when struck. His son Alfred, county attorney of Chisago county, was with him at the time, having gone up on the night train in answer to a call. The funeral will be held at Harris tomorrow (Friday) afternoon immediately following the arrival of the south-bound noon train. The funeral will stop there that afternoon. There will doubtless be many from Pine county who will attend the services.

Judge Peter H. Stolberg was born at Skov, Helingsland, Sweden, Dec. 7, 1848 and came to America in 1869. He remained in Michigan and Illinois until 1872 when he settled with his parents in Fish Lake town, Chisago county, and opened up a farm. In 1874 he was elected sheriff of Chisago county and removed to Harris. He served one year as railway mail clerk on this line and, in 1884, he was appointed receiver of the land office at Taylors Falls, which position he held until 1887. There he read law in the office of Hon. H. N. Setzer, a well known attorney of his day, and was admitted to practice in the spring of 1888. That fall he was elected county attorney of Chisago county, and held the position until 1900. In 1905 he was appointed Judge of the district court of this district by the late Governor Johnson and has since continued to serve in that capacity. This last he has undertaken an operation for cancer of the urinary organ but was recovering excellently and felt that his trouble from that source was overcome.

The death of Mr. Stolberg is a severe blow to his hosts of friends throughout this part of the state. He held the highest confidence and respect of those who knew him best. In private life he maintained a spotless reputation and his record in the public service was always clean.

Greeley Visited
Jonas Erickson visited the past with his sister, Mrs. John Lindgren.

Miss Sylvia Sybrant visited the first of the week with Mrs. Louis Rohlf.

Miss Margaret and Walter Heller are at home from St. Paul for the first of the week.

John Leffler, who has been on the sick list, is back to work in the creamery.

Miss Mabel Anderson returned last Saturday from St. Cloud where she has been visiting her sister.

Miss Bertha and Fred Hoefert of Mora visited from Wednesday until Friday last with their aunt, Mrs. Leushman.

Mrs. Ray Eranford of Milwaukee is visiting at the home of her mother, Mrs. Leushman. She will remain for the holidays.

A large party of friends from West Root came down to surprise L. Beckman last Sunday. Mr. Beckman was a former Sunday school teacher at that place.

Edward Anderson and Dale Tyler went to St. Cloud, Monday, to try for the winter. Mr. Tyler of that place, who was seriously hurt some time ago, is slowly recovering.

The annual creamery meeting of the Royal Co-operative Creamery Co. will be held at the town hall, Monday, Jan. 19, 1916, at 1 o'clock p. m. All shareholders please attend.

The board of trustees and officers of the Royal Co-operative Creamery Co. will meet the committee of receivers on Friday, Dec. 31st, at 1 o'clock, at the residence of Ben Rohlf, for the purpose of equalizing the books.

Henry Studt was at Mora and northern part of Kanabec county last Thursday and Friday, in interest of the Nessel Innkeeper. Mr. Studt was also at Hinkley Saturday, with the Pine and Chisago county commissioners, for purpose of looking over a survey road between Pine and Chisago counties.

"Big Five" Defeated by Graston
In a fast and interesting game of basket ball played at the army, Saturday evening, the local "Big Five" was defeated by the Graston quint by a score of 26 to 18.

The first half started with a rush and in the first few minutes of play a Graston forward dropped one in to the basket. This was immediately followed by a basket made by the pine saw-sawed back and forth in this way for the rest of the half, and at the close Graston was leading by a score of 7 to 6.

In the second half Graston came back strong and, coupled with his resolute luck, made the score 26 to 10 before Pine City really got started. In the last few minutes of play Pine City came across with the long looked for spirit which gave them four field goals in quick order. If this had come just five minutes earlier there is no doubt that Pine City would have won.

The only tally that the members of the home team give is that the "five" was on their trail, as it was the first game that they played in their new suits.

What Will You Do For Seed Corn Next Spring?

They never has been a season in the history of corn-raising in the North that was so unfavorable as the one just passed. It is very doubtful if any of the 1916 seasons will come so as to make seed corn of high quality. In fact, the year is so evident that there will be little, if any, seed corn saved from the 1916 crop suitable for planting under Northern conditions.

Therefore, I have prepared a limited quantity of about 100,000 bushels of fine quality, well selected seed, carefully tested for germination. I list as follows:

Minnesota grown Yellow Dent \$4.00 per bushel
your germination test about 92%
Minnesota grown White Dent
corn, germination test about 90% \$4.00 per bushel

This price is made provided you can give me your order at once, delivery to be made to you in ten days or not time up to April 1st, 1916. As I can get only a limited amount of this corn, I must have your order at once for the price is likely to advance or stocks in view become sold out.

Some authorities say seed corn will be worth \$5.00 to \$10.00 per bushel next spring. This is your opportunity to obtain Minnesota grown corn at a reasonable price.

I have a sample box of this corn at the store, come in and see it. If you are not coming to town within the next day or two, better send your order by mail or telephone. First come, first served.

Very truly yours,
W. F. GLASAW.

A family reunion is being enjoyed at the Lambert home, John Lambert and wife arrived from Two Harbors on Tuesday and the Wm. Lamberts of St. Paul and Bernard Lamberts of Ely are expected tomorrow.

Mrs. Chas. Stone arrived Tuesday from Omaha, Neb., for a couple of weeks visit at the home of her parents, H. D. Davis and wife.

Alfred Glaville will leave the Stone home at Omaha today after a week's visit there and will spend Christmas with his sister at St. Paul.

Father Leo was a business caller at St. Paul yesterday afternoon. He was assisted in preparation for the Christmas season, the first of last week by Rev. Fr. Kinkead of Rush City and the Reverend Francis Hrabovsky of Minneapolis. A. Plechta of Royston, Peter Roy of Paul and John Limmer of Cloquet.

The Misses Bessie and Ethel Neval of this place and their mother, Mrs. Jacob Neval of Brook Park, were called to Rush City last Saturday by the death of Mrs. Neval's mother, Mrs. Alfred Johnson, who passed away at the age of 72 years. Mrs. Johnson was the mother of "Blind Charley" Johnson who is well known throughout this region, also of Mrs. H. Ekanson and Mrs. Peter Carlson, living northeast of Rock Creek.

George W. Turgeon, whose home was at Hinckley in the old days, and who is well known to all old timers, and his sister, Mrs. McGregor of Cloquet, were injured when their auto went over an embankment into the Wolf river near Rutledge, Dec. 11th. The ice broke and they and Mrs. McGregor two men were all thoroughly drenched, while George was cut somewhat about the head and face. The auto skidded on a slight incline. They were on their way to Hinckley to visit their mother when the accident occurred.

The song recital given by Mrs. Hanson's pupils assisted by Miss Phillip Newell, tender in St. Paul hall last Thursday evening, was not very largely attended though it was much enjoyed and added much to the conviction of those present that Pine City has excellent vocal talent developing. Miss Nash's work was good throughout but especially fine in her child stanzas work, where she appeared the equal of our Chautauque entertainers of last summer. Had the recital been at a season less full of other programs and other features it would doubtless have been largely attended—as it deserved to be.
School closes this afternoon for

the holiday vacation which lasts until Jan. 10th. With the exception of Miss Everett and Bode who will spend the holidays with relatives at Minneapolis, and here, all the other teachers will go to their homes as follows: Supt. McAdam at Brownton, Miss King at Re-field, E. D. Mr. Schmale at Mapleton, Mr. Ayers at Edgerton, Wis., Miss Herrick at North St. Paul, Miss Bush at Minneapolis, Miss Aronson at Beaman, Miss Williams at Mora, Miss Schaefer at St. Peter, the Misses Meister at Minneapolis, Miss Carlson at Detroit, Miss Kid at Rochester and Miss Goodwin at Duluth.

BETTER LIGHT

AT LESS EXPENSE from COAL OIL (Kerosene)
THIS wonderful new incandescent mantle lamp gives more than ten times as much light as the common coal oil lamp. At the same time it burns less than half as much oil as the old style open flame, center draught lamps. Beats electric, gasoline or acetylene. The

Aladdin Hanging Lamp

the most reliable incandescent mantle oil lamp ever made. For evening reading, writing or sewing there is no light that can compare with the powerful, steady white light of the Aladdin. Safe, durable, economical, no noise, no odor. Women and children operate it with ease. You can't appreciate the great difference between the light of this lamp and the common coal oil lamp till you see it. It has all the good qualities of the high priced system but with the advantage of being as simple as the ordinary coal oil lamp.

Let Us Demonstrate It to You
You'll never want to go back to the dingy, reddish, flickering light of your old style lamps. You can have the most cheerful and best lighted home in your neighborhood by getting an Aladdin Mantle Hanging Lamp. There are also other Aladdin styles such as table lamps, bracket lamps, etc.

Archbishop Soderberf, Prof. R. Ribbing and L. Lindroth have organized a foundation called the "Lutheran League."

Government is making thorough investigations as to the conditions of the hotels and restaurants of Sweden.

Even Crown Princess Margareta has made a contribution to the book market of Sweden this year.

On account of peace rumors the bulls had a wild time at the Stockholm exchange in the first week of November.

The railway department will employ no man as a regular station agent until he has done all kinds of work at a railway station both in the passenger and freight departments.

The voters of southern and central Sweden report that they have plenty of votes as well as in the neighboring Denmark and at the same time the imports from La Plata have not been stopped.

King Gustaf, being well aware that the Danish Dower of Dalmate was highly interested in the work carried on at the Hagland industrial institute.

It is seriously proposed to establish a university at Bergen, and it is reported have subscribed about \$150,000 toward the necessary funds.

The Stockholm blind people's union has taken up a new campaign by giving the blind instruction in typewriting and shorthand. A beginning was made last week and the results are said to be astounding.

Heavy Berlin peace mission is regarded by the Swedish press as a novelty which will have no chance of success in the course of time.

With its mast blown out by gales its captain and crew exhausted from long strain, the Norwegian at Diamond Point after a voyage of 161 days from Liverpool to Fugot Sound.

Well-Fitted for Hard Work. If you have to force around a load for a long time, you will find that a well-fitted harness is a most important thing.

CULTIVATION OF APPLE AND PEACH TREES

Eight years ago we began setting apple and peach trees. We were certainly convinced of the good of spraying because the unsprayed trees had much less fruit which was of an inferior quality.

Each year in September we go to every peach tree and take out the borers. We often see where someone is wanting to know what is the best method of keeping rabbits from gnawing the trees.

When we set more trees in an acre and give each tree more useful space. We pruned as soon as the trees were set, especially the tall oak trees.

Farmer Must Give Extra Attention to Mares and Foals.

Thoughtful Treatment, Proper Feed and Uncomfortable Quarters All Tend to Lessen Chances of Strong and Vigorous Colt.

If you want to raise good horses you must look after the mare and young foal. In fact, you will have to be a little careful with the mare for three months before foaling.

In all probability a large majority of colts are dropped during the month of April and May. This means that

Right Kind for Farm Work.

These youngsters first see the light when the spring work on the farms is in full blast, and when every mule or horse is in requisition.

It is a common mistake to think that the brood mare who is about to drop a foal is rushed too hard by some care driver, consequently the colt that she has carried for ten months, and which should have come right is lost.

From the very start of the foal's life, the mother is a struggle for existence, so the odds are against him. If his mother is worked hard and not fed properly, this colt will

Large Apple Orchard in Michigan.

Each year in September we go to every peach tree and take out the borers. We often see where someone is wanting to know what is the best method of keeping rabbits from gnawing the trees.

When we set more trees in an acre and give each tree more useful space. We pruned as soon as the trees were set, especially the tall oak trees.

At two more recent settings of 14 acres each, we have used the seasonal method of setting and find it the best for the soil.
