elected to the position of
secretary of the Pine County
Normal School, at the annual
meeting of the board of trustees,
held at Pine City, Minn., June 1,
1916.

Off For The Primaries

Gaps Closed Up And Belts Tightened For Coming Election

The lines are drawn for the Primary election contest in Pine county on June 19, entries and withdrawals on Monday, the last day for filing, finishing the preparations. As it is, outside of state officers and candidates for U. S. senator, there will be nothing to disagree over in old Pine, at the primaries, except members of the legislature and county commissioners for the fifth (Windemere-Kerrick-Nickerson) district.

The filing of P. A. Oakrust of Sandstone for Judge of probate along with Judge Wilcox, puts two in the running for that place. As they both will appear on the general election ballot in November their names will not appear as candidates at the primary election.

The same condition is true in the matter of the clerk of courtship, where J. Fred Larson of Sandstone has filed against Clark Gunn.

Also, the fourth (Fleming-Dosey-Partridge Finlayson-Sturgeon Lake-Pine Lake-Bremen-Kettle River-Norman-Bruno-Birch Creek) commissioner district will have no contest in the primary election as it has only two candidates—Commissioner Degerstrom of Partridge and Jos. Zimmerman in Willow River, who will say their say at the general election.

No one filed for commissioner against Robt. Hare in the first district as his official work has given such general satisfaction.

Paul Perkins withdrew on Monday as a candidate for member of the legislature, leaving only seven to go into the ballot—Larson, Bede, Wasmek, Jessen, Cunningham, DeBoer and Miller. Everyone seems to concede that Larson will be one of the two nominees of the primaries but opinions differ considerably as to who the other nominee will be.

The best literal guessers seem to look for a small county vote over the state this year and the same opinion seems to prevail among those generally best posted on possible happenings in Pine county—probably not much over fifty per cent of the 4000 vote recorded in the county seat election. This would be about the limit to be looked for under ordinary conditions, probably, and it remains to be seen how the "hang over" from the county seat contest will effect public interest in the primaries.

Home Talent Next Week

It was found impossible to put on the Home Talent play this week, because of lack of practice and the unavoidable absence of Father Leo, who is doing the coaching, part of the past as well as part of the coming week.

It has finally been decided to put it on the latter part of next week—Thursday evening for the children at 15 cents and Friday and Saturday evenings for the grown-ups at 50 cents general admission and 25 cents for reserved seats—the latter tickets entitling the holder to a chance on the prizes offered—a \$3 man's or boy's hat by John Jellison, hand painted cracker jar by Probst's pharmacy, a \$2.50 chair by A. W. Piper, half ton of soft coal by J. M. Collins, automobile for lady or gentleman by E. J. Rybak, 1 dozen oranges by W. F. Selmer, glass center set by A. W. Selmer.

Tickets will be on sale the first of the week in the hands of young ladies who will cover the town generally. The one turning to tickets will be given that choice of one of the following articles: \$2.50 hand painted cracker jar by Probst's pharmacy, \$2.50 chair by A. W. Piper, half ton of soft coal by J. M. Collins, automobile for lady or gentleman by E. J. Rybak, 1 dozen oranges by W. F. Selmer, glass center set by A. W. Selmer.

half dozen silver teaspoons donated by the Breckenridge pharmacy and a beautiful stick pin donated by the John Boyum Hwy. Co. The seller turning in the next highest amount will have the choice of the two remaining articles and the one occupying third place in the list will receive the other prize.

Those who have had opportunity to listen to some of the lines say that it will be "great." The cast of characters is a guarantee that it will be well produced, some of the very best skill in town having been selected to take part.

Reverends Clark and Hare, who have charge of the between-the-acts stunts, are getting some numbers ready that will add to the fun as well as please the ear. They are guarding them with great care, so we can't go into details.

Following is the cast and synopsis of the play.

Jack Grandt, a man of force..... Joe Carlson
Uncle Si Crofford (Uncle Si) a man with money..... Dr. Skully
Harold Crofford, Si's adopted son..... Frank Hurley
Gabe Watson, a gentleman of color..... Alex Hilliard
Tramp..... J. Y. Breckenridge, Jr.
Millie Van Cliff, an orphan..... Mrs. M. Perkins
Eunice Crofford, Si's niece..... Clara Rybak
Miss Simpkins, a deaf old maid..... Miss Goodwin
Eliza Watson, Gabe's wife..... Mrs. Howard Folsom

The following synopsis of the story will be of interest:

Act I.—Eliza and Gabe go for the clothes. Jack's offer to Millie and her answer. Crofford's villany and what he wants the tramp to do. Uncle Si and Eunice arrive. Uncle Si's unintended proposal. Crofford shamefully traduces Millie, but she is ably defended by Jack.

Act II.—Crofford and Millie at the old mine. Crofford's base insinuations. Millie browns into the mine. Jack to the rescue. Millie saved.

Act III.—Gabe's demand of Crofford. Crofford's anxiety for an immediate marriage. Uncle Si's attempt to order the wedding supper. Millie's story. Fighting between Jack and Crofford. Crofford's end.

Get your money ready. The ticket sellers will pass among you shortly.

Pine Co. Sunday S Convention

The tenth annual convention of the Pine county Sunday school association will be held in Brookpark on the afternoon of June the 6th and the morning of June the 7th. Mr. A. M. Locker, the general secretary of the state assembly, will be present at the afternoon session, and probably through the whole convention. It is hoped that all schools will be represented by as large delegations as possible.

Executive Committee.

Finlayson Beats Sandstone at Ball

The Finlayson team, strengthened by the addition of Spiller Yost of this place to catch, beat the Sandstone ball tossers on their home grounds, last Sunday afternoon, 13 to 1. Rhyno pitched for Finlayson throughout. We understand that Sandstone had a considerably strengthened team in the game.

Decoration Day Observed

Decoration day was appropriately observed at Pine City with the decoration of graves of old soldiers in the cemetery by the children in the presence of members of the G. A. R. and the Ladies of the G. A. R. Following these exercises the people repaired to the Park, where the program of the day, as outlined in The Poker last week, was carried out under the direction of Atty. Roberts as chairman. Attorney M. B. Hurley delivered an excellent, stirring address. The Park was filled with townpeople and visitors.

Two row boats, painted green on outside, but other on Pikesburg side of the river. Finder please notify this office and receive reward.

Large Crowd Assembles

Most Sections Of County Represented in Big Gathering

The county "get together" meeting here, last Saturday, brought in a good sized attendance, most parts of the county being represented notwithstanding the bad roads. Fifteen hundred noon day meals were served and the Army was crowded to its capacity at the exercises and dance in the evening.

The town was quite liberally decorated, in honor of the visitors who began to arrive during the early part of the forenoon. The trains from south and north also brought liberal delegations.

During the afternoon part of the visitors were taken out boating but the condition of the roads put a damper on the plan to give those wishing it a drive into the country about town. Most everybody went to the ball park on the Fair grounds, where the Finlayson team won from the Pine City-Hinckley-Sturgeon Lake aggregation by a 9 to 8 score in ten innings. Lodge was on the slab for the Finlaysons for eight innings, being succeeded by Klynok. Jack Cunningham pitched throughout for the cosmopolites.

In the evening a very pleasing program was given in the arena, a particularly good welcoming address being given by H. W. Harte while responses were made by Editor Lintley of Willow River and Editor Colby of Sandstone, both of whom rose excellently to the occasion.

Commencement Monday Evening

Commencement exercises of the local schools will be held in the Army, Monday evening, June 5th. The following pupils will graduate from the academic department: Paul Benda, Florence Brown, Annes Daley, Frank Hady, Hazel Laurisch, Dewey Killmer, Eva Madden, Waldo Madden, Anna Sherwood, Ethel Sherwood, Blanche Stephens, Pauline Thiery, Dewey Wilcox and Bernice Williams.

The following graduates from the normal department: Hazel Laurisch, Waldo Madden, Alma Schultze, Ethel Sherwood, Dewey Killmer, Pauline Thiery and Sylvia Wandler. Those who took a course in post graduate are Raymond Hoeller and Ruth Lones.

The following program will be rendered:

Proclamation, "Soldiers' Chorus"—Faust-Gounod Graduates Invocation..... Rev. Clark
"Forget Me Not"..... Paul Benda
"Ladies' Double Quartet"..... Paul Benda
Class History..... Bernice Williams
Presentation of Class Gifts..... Alma Schultze
Essay, "Minnesota"..... Anna Sherwood
Piano Duet, "William Tell"..... Bernice Williams and Clara Rybak
Reading..... Pauline Thiery
"Lightly Floats Our Bonny Boat"

Royal Baking Powder
Absolutely Pure

Made from
Cream of Tartar
Derived from Grapes

Ladies' Double Quartet Class Prophecy

Sylvia Wandler
Presentation of Class Gift..... Dewey Killmer
Acceptance..... Joseph K. Nash
Reading, "Death of Paul Dombey"..... Blanche Stephens
Valedictory..... Hazel Laurisch
Folk Dance..... Senior Girls
Class Will..... Waldo Madden
Class Poem..... Agnes Daley
Violin Solo..... Mr. Sobotka
Presentation of Diplomas..... By Rev. Wilcox
Remarks..... Supt. McAdam
Song, "Farewell Normal"..... Normal Department
Mammy's L'il Pigeon..... Ladies' Double Quartet
Benediction..... The Rev. Hare

County Commissioners Meet

The County Commissioners were in session Monday afternoon, all members being present.

Letting of road contracts occupied more attention than anything else. There were half a dozen bids on job number 1, between Pine City and Berom, Paul Perkins bid \$5,500, Harry Clemons \$5,570, John McAdam \$5,807.55, Herman Kuhlman \$6,439.40 and C. F. Johnson \$6,073.15. Paul Perkins being given the contract. On job 2, between Mission Creek and Hinckley, Herman Kuhlman bid \$5,883.30 while C. F. Johnson bid \$5,970, Kuhlman getting the contract. On job 3, one mile of grading between Hinckley and Friesland, C. F. Johnson bid \$975, Herman Kuhlman \$888 and Herman Shoerlock \$883.13, the contract being awarded to Shoerlock.

One of the two petitions asking for the formation of a new school district 44-16 and 17 was granted, the other, which asked for more territory, being refused.

Well Know a Teacher Weds

Miss Harriet Elizabeth Ryan of Pine Lake and William Cleveland of Red Granite, Wis., were married by Rev. Clark at the Presbyterian manse at 2 p. m. today and left on the limited for Finlayson to visit the home of the bride's parents, Mr. and Mrs. Eugene Ryan, until Monday when they will go to Red Granite, Wis., where he is employed, as stone cutter and where they will reside. Miss Ryan is one of Pine county's school teachers and has friends all over the county who wish the happy couple well.

Pine Cityites At Field Meet

The sixth annual Field Meet of the Little Eight conference will be held at North Branch, Saturday June 4th.

The local high school base ball team will play in the hall game in the afternoon for first honors. Immediately after the ball game the track and field events will be run off. As Pine City has always been well represented in these events in previous years there is not a doubt but what she will carry off more honors this year.

The following will take part in the events: 100 yd. dash, Brandes, Babcock; 50 yd. dash, Brandes, Babcock; 220 yd. dash, Kunesch, Blanchard; 1 mile run, Brandes, Kunesch; 120 yd. hurdles, Blanchard; pole vault, Madden, Babcock; high jump, Babcock; Madden; shot put, Kriebel, Blanchard; discus, Korbel; running broad jump, Babcock, Brandes; 1 mile relay, Blanchard, Babcock, Brandes and Kunesch.

In the evening the declamatory contests will be held in the auditorium. Nora Wilcox will be the representative in the girls' contest, from this place, and Frank Hady in the boys' contest.

As the train service is good between here and North Branch a large crowd will undoubtedly go down to cheer our boys to victory. Let's win four pennants.

Base Ball Games Coming—There

The Pine City base ball team will play Sandstone on the 11th, Finlayson the 15th and Mora the 25th—all games on their grounds. There will probably be no games here until after July 1.

Farmer Kills Himself

Frank Kotek Shot Himself In Head This Forenoon

Frank Kotek, living with his mother about 7 1/2 miles east of town, committed suicide this morning by shooting himself in the head with a charge of number 4 shot.

He arose as usual at about 5 o'clock and went out into the pasture for the cows. On his failure to return back, Tuna, who works for him, went out to search for him and at about 2 p. m. found the body, life having been extinct for some hours.

Kotek had apparently placed the gun to his head and pushed the trigger with his toe, both shoes and stockings having been removed. One eye was destroyed and a portion of the head blown off by the charge, as near as we are able to learn.

Mr. Kotek was a bachelor, 38 years of age and resided in this locality for about 20 years.

A Remarkable Escape

Frank Hakert was the victim of a peculiar accident Wednesday morning from which he was fortunate to escape with his life and without losing his eyesight.

Frank had a box of dynamite caps which were left over from last year and he had some doubt as to whether they were still good. To test them he took one and inserted a piece of fuse fully two feet long. His intention was to light the fuse and throw the cap and fuse away to see if it would explode.

Instantaneous with the lighting of the match the entire box of caps exploded. Whether the fuse was defective and the fire flashed thru it or whether a piece of the match flew into the box of caps is not known.

The explosion literally filled Frank's body with pieces of the brass caps. From his feet to the top of his head he was peppered with little pieces. Altogether 20 pieces entered his face and one struck between the eyes and entered his eyes.

Mrs. Hakert was standing near but was unharmed. Frank felt himself becoming faint and, as the horses were in the pasture, the two went to the home of Gust Braker, who lives near by, and Mr. Braker brought them into town—Hinckley Enterprise, May 25.

Landmark at Willow River Burns

The old Atwood Lbr. Co. store building and outside shed at Willow River were destroyed by fire last Saturday. The building was vacant, the upstairs being used for dancing. The loss is placed at about \$800. The origin of the fire is unknown.

Card of Thanks

The committee on meals takes this means of extending their thanks to the teachers and the pupils of the Pine City schools to gather with the ladies of the town for their most able and loyal assistance at the recent pot-gether meeting. Without their assistance the affair could not have been a success.

We also desire to thank the farmers who contributed so freely toward the success of the occasion.

Jos. Patschel,
A. M. Chalcoen.

Arnold Kowalski captured a 30 pound rock sturgeon below the dam at Chenguwatan this afternoon. The fish was about 5 feet long.

Anna Chazin arrived home yesterday from Minneapolis, where she has been studying music, for a short visit, and will return Friday to resume her studies.

D.E.C. ROBERTS
OPTOMETRIST
208 210
S. T. PALL, MINN.

will be at
Hotel Agnes, Pine City
one day only
Friday, June 16

Dr. Roberts relieves all eye-conditions that cause headache, dizziness, floaters, spots, nervousness, sore and itchy eyes, cross eyes, lacrimation, without drugs or pain. Not excused by other medical men. All cases examined by electric light, only revealing the slightest errors of refraction as well as any disease or abnormal condition of the eyes. The most difficult cases. Artificial Eyes furnished.

Special attention given to the relief of all nervous troubles which come from irritation of the vital nerve and brain centers caused from uncorrected eye-conditions, when the wearing of good fitted glass will relieve the condition.

Phone 25 PINE CITY

FOR REPRESENTATIVE

RUODOLPH J. WOSMEK
To the Voters of Pine County:
I stand for clean politics, direct legislation, strict enforcement of law, economy and business methods in governmental affairs, good roads and better all-around conditions in our own county.

Lack of space prevents any lengthy discussion of principles here. I shall appear in public in as many precincts of the county as I shall be able to reach and thoroughly discuss with you all important issues of legislative work.

My pledge is to stand by you, to work with and for you.

Respectfully yours,
RUODOLPH J. WOSMEK.

FOR REPRESENTATIVE

In announcing myself a candidate for the Legislature for this district, and from the fact that my acquaintanceship in the county outside of the north is limited, a brief statement I feel is due the voters. I was born in Wisconsin in 1867, of Irish-Dutch parents. The past twenty-eight years I have lived in Pine County, landing first at Finlayson in the old Skully depot. I worked north to good old Sturgeon Lake. My last presidential vote was Roosevelt, formerly voted Bryan. What I can accomplish in the Legislature if elected I don't know. My hobby and platform is good roads. If I can in any way pry off the lid and get in work for better roads I shall do so, that's all the promise I have to make. I shall endeavor to conduct my campaign fairly as my opponents are good fellows so far as I know them.

Yours truly,
G. H. CUNNINGHAM.

STATE BREVETS

Minneapolis — More than \$10,000 will be spent this year by the individual...

St. Paul — Minnesota may furnish \$100,000 under a plan of national defense...

Faribault — There is no intention of resigning declared Dr. J. N. Tate...

PROCLAIMS GOOD ROADS DAY

GOVERNOR DESIGNATES TUESDAY, JUNE 20, AS GOOD ROADS DAY IN MINNESOTA.

St. Paul, June 19.—Governor J. A. A. Burnquist has just issued a proclamation designating Tuesday, June 20, as Good Roads Day in Minnesota.

The proclamation in full is as follows: "The legislature of the state has very recently passed a law which provides for the public proclamation of the third Tuesday of June in each year as 'Good Roads Day'."

St. Paul, June 19.—Governor J. A. Burnquist has just issued a proclamation designating Tuesday, June 20, as Good Roads Day in Minnesota.

SOME SUMMER SALADS

ESPECIALLY DELICIOUS DISHES FOR THE HOT DAYS.

Three Made With Eggs and Different Varieties of Vegetables—Of Watercress or Asparagus—Mixtures Liked by Many.

Salads, delicious throughout the year, are especially valuable as a part of the summer diet. Here are a few interesting recipes for them.

Egg Salad.—A delicious egg salad made with eggs, watercress, lettuce, and mayonnaise.

Watercress Salad.—Wash the watercress thoroughly and then dip it in salted water to which lemon juice has been added.

Asparagus Salad.—Asparagus salad is seasonal. For asparagus, cut the stalks and wash them.

Spinach Salad.—Chop cold boiled spinach thoroughly. Dress with French dressing and form into small round or oval cakes.

Mixed Salads.—All sorts of mixed vegetable salads may be placed on the table of year.

Mutual Gingham Bread Pie.—Line a deep plate with rich pie crust. Stir together in a bowl molasses, two tablespoons of sugar, two tablespoons of lard and one teaspoonful of ginger.

Jelly Wafers.—When I have a little pie crust left over I roll it up into squares or any other shape.

For the Flincky Cereal Eater.—When my small cousin refused to eat any of the cereal I had explained, "they get too mushy and she doesn't like them that way."

Chicken on Toast.—Chop the pieces of cold chicken meat into morsels. Make a thin white sauce, using the liquor in which the chicken was cooked.

Honey Mousse.—Beat four eggs slightly and slowly add the rest of the material of hot delicately flavored honey.

Bread and Cheese.—Slice bread one-half inch thick. Butter and toast on slice of butter. Sprinkle with butter, salt and paprika.

Rocky Mountain Frost.—One way to use buttermilk is as follows: Take two quarts of fresh buttermilk.

Things You Can Do With Tea.—Tea is almost always used as a part of the diet in sweeping a carpet when the pile is too deep to use salt.

Moran's Star Pitching Staff.—If Pat Moran is correct in his assertion that the Phillies, with the addition of Earl Avera and Chick Gandner, have the best pitching staff in the National League.

Tris Speaker's Salary.—Tris Speaker started playing ball for \$15 a month. Last year, if his pay was \$17,000, as reported, he would be \$66 and a third more than that a day.

| 4 Geese | 1 lawn separator |
| | grindstone |

All kinds of farm tool and household goods to numerous to mention.

FREE LUNCH WILL BE SERVED AT NOON
TERMS: All sums of \$10 and under, cash. On all sums over \$10, time will be given on bankable paper until Dec. 1, 1916, with interest at the rate of 7% per annum.

F. R. KIRCHNER, Owner
F. R. DIXBURY, Auctioneer. C. M. HANSCOME, Clerk

Overland '615
Model 73 Roadster \$985, both f. o. b. Toledo

With Electric Starter and Electric Lights
Four Inch Tires

Five-passenger Touring

LIKE larger and higher priced cars this new Overland is the latest streamline design. In point of appearance alone it has value far surpassing any other low priced car. And its equipment includes everything that riding comfort and driving convenience demands. It has the reliable Autolite two-unit starting and lighting system. There is a speedometer in the cowd dash, and a full set of tools. Large tires—four inches all around—insure greater mileage and comfort than can be obtained from the smaller tires used on other cars of similar specifications, and the rear springs are the famous cantilever type. It is in every respect a thoroughly equipped light weight car.

NOTICE

Notice is hereby given that a petition, of which the following is a copy, has been filed in the office of the County Auditor of Pine County, State of Minnesota, and that a hearing will be had upon said petition before the County Board, at the office of the County Auditor of said County, in the Village of Pine City on the 21st day of June A. D. 1916, at one o'clock p. m.

Dated at Pine City, Minn., this 15th day of May, 1916.
(Co. Auditor's Seal) W. H. HAMLIN, County Auditor.

Petition For Public Ditch

To the County Board of the County of Pine, State of Minnesota:

The undersigned land owners, whose lands will be liable to be affected by, or assessed for, the expense of the construction of the ditch hereinafter described, would respectfully represent that the public health, convenience and welfare and the reclamation of wet and overflowed lands require the establishment and construction of a County Ditch along the following described route in the Town of Brookpark and Pokesama to said County of Pine and that the construction of the same would be of public benefit and utility:

That it will drain and reclaim a large area of wet and overflowed lands, will drain two or more pieces of public road, will furnish dirt for the grading of roads along the route of the ditch, and will conserve the public health by the carrying away of large bodies of stagnant water which breed disease and pests.

A general description of the proposed starting point, route and terminus of said ditch is as follows: Commencing at the quarter post between Sections 18 and 19, Township 10 Range 22, running thence east along the section line one-half mile to the corner of Sections 17, 18, 19 and 20, Township 10, Range 22; running thence south along the section line one-fourth mile to the north 1/4 post between Sections 19 and 20, Township 10, Range 22; running thence east along the 1/4 line three-fourth mile to the center of the NE 1/4 of Section 20, Township 10, Range 22; running thence south along the 1/4 line three-fourth mile to the East 1/4 post between Sections 20 and 29, Township 10, Range 22; thence east along the section line one-fourth mile to the corner post of Sections 20, 21, 28 and 29, Township 10, Range 22; running thence south along the section line one-half mile between Sections 28 and 29, 32 and 33, Township 10, Range 22; to the quarter post between Sections 32 and 33, Township 10, Range 22; thence running east along the center line of Section 33, Township 10, Range 22; about 20 rods, crossing the right of way of the Great Northern Railway Company; thence southerly along the east side of said right of way about 40 rods to a little water run or creek in the SW 1/4 of Section 33, Township 10, Range 22; thence along the bed of said water run or creek, through the W 1/2 of Section 4, Township 9, Range 22; to the intersection thereof with the south section line of Section 4 and the north section line of Section 9, Township 9, Range 22; and terminating at said point and having as its outlet said water run or creek.

And your petitioners pray that you will proceed to establish such ditch and cause the same to be constructed as provided by Chapter Two Hundred Thirty (200) of the General Laws of Minnesota for 1905 and acts amendatory thereof.

Should County Drain Mission?

In the last number of Pine Pokes I read about the flooding of Mission Creek that it caused much talk among the farmers, but properly it should have been, that it made much damage to the farmers. Everybody must acknowledge that the state and county ought to see to it that the creek should be straightened out and deepened so that it could take, without flooding the land, all the water drained into it, because draining as is done here is little worth, because if they drain of a thousand acres of bad swamps it floods a thousand acres of good meadows. Some are helped a little while others are more damaged.

What outlook has the farmer on the creek now? Nothing else but to sell his stock, because with what would he feed it? When after every little rain the water floods his meadows and lays on them two or three weeks.

And the drainage done on the roads and bridges?

Wouldn't it be more than proper that, when the roads were drained for a few automobiles, at the same time taken care not to damage the farmer?

And so as mentioned at the beginning, it should be the duty of the state and county commissions, especially that Mission creek should be absolutely straightened out and deepened.

Frank Hora, Brookpark, May 29, 1916.

Simon Derr's Barn Burns

Fire caused by lightning, completely destroyed Simon Derr's barn at about 5 o'clock last Friday morning, burning one horse, 8 cows, 160 bushels of oats and a little hay. There was no insurance and the loss was complete. Mr. Derr will rebuild as soon as he can get material on the grounds.

Rock Creek News Department

Wherein is published the news of the Rock Creek region. It is intended to help Rock Creek in every way and solicit your aid.

Old friends of Mrs. George Martinson of West Rock' to the number of about 100, surprised her at her home last Sunday afternoon, taking along bountiful refreshments and leaving a \$40 purse as a memento of their esteem and good wishes.

Mrs. Martinson has been ill for more than six months, part of the time in a Minneapolis hospital and part of the time at home. Everyone sympathizes with her and hopes for her complete recovery as soon as possible.

Misses Babe Erickson and Esther Johnson left for the Twin cities last Saturday. Miss Johnson returning Monday morning with her sister, Mrs. Brandt, who has been recovering from an operation for appendicitis, performed at St. Paul about a month ago.

The J. A. Myrnes, who have lived in this region for a number of years, left today for New York state where they expect to make their future home. Their action on the farm a couple of miles west of town, last week, was quite successful.

The Farmers' club will meet in Hendrickson's hall next Tuesday evening. There will be a good program and a 10 cent lunch will be served. All are invited. The club is growing and has nearly 40 members now.

The pupils of the public schools, under the direction of their teachers, held a picnic, Tuesday, in Morrow's grove, all enjoying a very pleasant afternoon.

The Methodist ladies aid gave an ice cream social in Hendrickson's hall, last Friday evening, netting a tidy sum for their treasury besides having a fine time.

A. J. Anderson of West Rock, left, yesterday for Spokane where he expects to visit a brother for about a month.

Mrs. Coburn from North Dakota is visiting at the home of her brother, Thos. Gill. Send the news to The Pokes

Cement Works at Hinckley

Cement blocks, cement bricks cement culverts and other forms of cement will be made in Hinckley after this week and a company is being organized with sufficient capital to carry on the work on a scale large enough to handle anything.

The old machinery owned by C. T. Swan was purchased and such other machinery as may be needed will be added. A building will be erected so that the work can be carried on during the winter without interruption. Mr. Swan will retain an interest and other men in town have been interested.

The company claims cement culverts can be made at the price now charged for the corrugated iron culverts that are being so much used because of their low cost. If so, there should be a large demand for the cement culverts, as, properly made, they are much more durable and satisfactory than the iron ones that soon rust out or get ruined by the wheels passing over them. These new culverts will be reinforced and made in lengths suitable for easy handling and should fill the need felt by all who have had anything to do with road building for something that will not be too expensive and yet will be durable.

There is a steady demand for cement blocks and bricks for use in foundations and the walls of buildings and these for several years now have been shipped in. The new company will supply this demand at a lower price than it has been possible to ship in the blocks and bricks.

In addition to making these standard forms the new company will make the smaller cement bridges and sidewalks and do all the other forms of cement work, such as making cesspools, cement floors, etc. The company also expects to erect some stucco houses, either for sale or on contract.

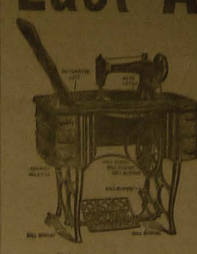

With the rapid growth of this section and the large amount of road building now being done there would seem to be a field for operations that should keep the new company busily engaged. Hinckley Enterprise, May 19.

Last Announcement

THIS is positively the last announcement of the big FREE demonstration which will be held

June 5th

2:30 P. M.

This is the event that the women of Pine City have been looking forward to ever since the first announcement. This is the dramatic action at which they expect to learn more about sewing machines than they ever knew before.

They are going to be there because they want to know About

The FREE Sewing Machine

(Invented and patented by W. C. Free)

that wonderful new invention that is revolutionizing the sewing machine world. THEY ARE GOING TO BE THERE because they are interested in an invention that will cut the work of sewing in half.

THEY ARE GOING TO BE THERE because they want to know about this sewing machine that is a beautiful and attractive piece of furniture, and a perfect sewing machine. IT'S A BIG EVENT.

During the Demonstration Sale we will buy your old machine at a liberal price and apply it on the specially reduced price of

The FREE

The Machine Given Away
Shown in this ad
At the demonstration on June 5 we will Give Away, Absolutely Free, this machine, to the holder of the lucky ticket. Get your coupons at our store free for the asking.
