Sweden—What once was the Ford peace expedition was called "The Ford Expedition" in Stockholm as the "neutral conference" for continuing mediation with two delegates from the United States, Sweden, Denmark, Norway and Finland.

Later dispatch, dated May 20th, said: All apprehensions of the Swedish government concerning the Aland islands have been removed. The good offices of Great Britain, France and Russia for particulars on behalf of Sweden and Russia are being completely and unqualifiedly assured that any defenses erected on the islands would be purely for emergency purposes.

Historians have never been able to state the manner of the death of King Eric XIV. He was not even known whether he had been murdered or had committed suicide.

The Swedish Baptist church has 645 congregations and a membership of 55,231. There are 1,100 preachers, 400 of whom have been regularly ordained.

The city of Lulea has made a supplementary appropriation of \$50,000 for extra pay on account of the high cost of living to those city employees who received less than \$775 a piece in salaries for the past year.

The results of the elections to the Landsting, or provincial legislature, are all in. The Conservatives elected 366 members, losing 7 seats.

The profits of the state railways for the first nine months of 1916 are better than in February, 1915. The receipts increased somewhat, but the expenditures increased much more.

Frank Wanous and Miss Thelma Skilleky were married by Judge Wilson at the home of the bride's parents, Mr. and Mrs. Frank Skilleky, three miles east of town, at high noon, Tuesday. Miss Bessie and Anna Pavak and Frank Skilleky Jr. and Edw. Pavak accompanied the bridal couple. There were a host of neighbors and friends of the contracting parties present at the ceremony and the celebration which lasted throughout the afternoon and evening. The newlyweds will settle, the first of next week, on Mr. Wanous' farm east of town, whither they carry the best wishes of all their friends for happiness and success. Among those present at the marriage from outside were Louis and Vincent Skilleky of Blooming Prairie, uncles of the bride.

Carlson living east of Rock Creek, were united in marriage by Judge Wilson at the court house at Pine City yesterday forenoon and at once left for Sandstone where they are visiting for a short time at the home of her brother. The young folks have many friends who wish them much happiness through life.

The band boys will give a dance in the barn at Albert Hornik's on Saturday evening, music being furnished by the full band. They had a good crowd at the dance in Bessie's hall last Saturday evening and will doubtless repeat this week. There are 14 members of the band now and they look fine in their suits. We ought to have them out part of the afternoon, next market day.

State board examinations were held last week. The graduates

from the eighth grade are Clyde Van Dyke, John Nys, Alvin Tate, Elmer Lund, Anna Anderson, Don Schmidt and Chas. Smith. (omitted in history.) This is an unusually large class for the Rock Creek school and parents may justly feel proud of their children.

Miss Marie Pepin and Everett Akerns of this place were quietly wedded by Father Kinkad in the parish residence at Rush City at 9:30 o'clock yesterday forenoon. They were accompanied by Miss Isabel and Arthur Pepin, sister and brother of the bride, while Sylvia Pepin was flower girl. Following the ceremony they returned to the home of the bride's parents, south of town, where a delicious wedding dinner was served to relatives of the contracting parties and a few close friends. They will make their home with the groom's parents at the Schmidt home last Saturday afternoon in honor of Miss Mabel Pepin, a bride of this month. Many beautiful and useful gifts were received. The house was very prettily decorated in yellow and white and a mock ceremony was performed by Miss Jennie Schmidt as officiating minister. The participating members of the ceremony were the bride-to-be and Miss Enger Bornhorst as groom and two sisters of the bride as attendants. The color scheme was carried out in the refreshment, courses of ice and cake. The merry group of friends made their departure after a very enjoyable afternoon.

Miss Ethie Wilson of Rush City and Sophus Anderson of Aberdeen, S. D., were quietly married at Duluth, Tuesday, and came to Rush City on yesterday's noon train when a reception was given them at the home of the bride's parents, after which they took the south limited, bound for Aberdeen where they will reside. Mr. Anderson is a landscape gardener in the employ of that place, laying out their new city park. Miss Wilson has lived at the Creek all her life up to the

last few months and everyone joins in extending her and her husband their hearty congratulations and best wishes.

Miss Anna Carlson, from east Rock Creek, was given a surprise bridal shower last Monday afternoon at her home. The guests assembled on the lawn, where the bride-to-be received a huge basket of gifts. A dainty luncheon was served, after which the guests left with all good wishes for the future Mrs. Hokanson.

The Farmer's club at Hendrickson's hall, Tuesday evening, was very well attended. A very good number on the program was given by Miss Little's school girls, also Mr. and Mrs. Holiday of Rush City rendered a few numbers which helped to make it altogether very enjoyable. Come again.
