ANNOUNCEMENT

Being engaged in school work, I take this way of letting the people throughout the county know that I am a candidate for Judge of Probate. It is advocated by many that as long as an official renders satisfactory service, such as the present incumbent has given, there should be no change. If this view point is correct, then, of course, it is unwise and fruitless to stir for an elective office, for according to this process of reasoning, the longer an officer serves, the greater his efficiency and the longer he is entitled to serve, and, it may be added that, here in Pine County the majority are usually held to this belief.

Those, however, who take the opposite view, that an occasional change is more in accord with our sense of popular government, more in harmony with the liberal spirit of this day and age, will have an opportunity to so express themselves on November seventh.

When a man enters the political arena, the people have a right to ask, "What can you do?" In reply to this fair question I will say: Those with whom I shared the hardship of pioneer life, and the schools where I have labored these fourteen years, I am certain will bear witness that I am accustomed to hard work, and my candidacy is presented in full confidence that, should an opportunity become a reality, I can and will do the required work satisfactorily even to the most exacting.

Being so situated that I cannot make a personal campaign, I must appreciate whatever may be done in my behalf, if what I have said appeals to you as being just and reasonable and you deem it worth the trouble I seek.

Respectfully yours,
F. H. OBERST.

Sen. Sageng Will Speak

"Free Lance" From Otter Tail To Visit Pine First of Next Week

Olaf Sageng, state senator from Otter Tail county, will address four big Republican meetings in Pine county next Monday and Tuesday afternoons and evenings, speaking at Brookpark at 2 o'clock Monday afternoon, at Pine City at 8 o'clock the same evening, at Hinckley at 2 o'clock Tuesday afternoon and at Sandstone at 8 o'clock that evening.

Olaf Sageng is a fluent and forceful speaker and he will have something out of the ordinary to say. He is a farmer and was first elected to the state senate as a populist, being called out to oppose the regular republican nominee, whom he defeated after a hot campaign in a district that was overwhelmingly republican. That made him a general favorite. The democrats wanted him to run as their candidate for governor but he refused. Two years ago the progressives wanted him to run as their candidate for governor but he again refused.

He is a strong factor in the state senate where he is a "free lance" on every question and acts always according to his best judgment. No one ever accused Senator Olaf Sageng of doing anything for personal glory. No one ever accused him of "selling out" on any question.

He is supporting the straight Republican ticket in national and state affairs this year because he thinks it is the best thing to do, and people of all political shades of thought will be interested in hearing his reasons for his faith.

Royal Creamery Report

The people of Pine county—one of the best natural dairying countries in the Union—all will be interested in the following report of the business of the Royal Cooperative Creamery Co., at Greeley, southwest of Pine City, for the month of September.

The Royal (Greeley) creamery has long been known as the best, most successful creamery in this county and what it is doing will perhaps spur others on to more and better dairying in the county. The report is submitted by Henry Studt, secretary.

The following statement of the business done during the month of September is surely gratifying to the patrons of the Royal Co-operative Creamery Co., at Greeley and commendatory to the management and skill of our buttermaker, Mr. Ben Carlson. Pounds of milk received 151,515 lbs., average test 3.63. Pounds of cream received 39,325 lbs., average test 29.87. Butterfat of milk 5,870 lbs., butterfat of cream 11,750 lbs., total pounds of butterfat 17,620 lbs., sold on milk account 1,390 lbs. Price paid for butter 36c and 34c to stockholders, 25c and 30c to non-stockholders. Paid in cash to patrons on pay day, Oct. 20th, 34,360.60.

Following is a list of those patrons who have received \$75.00 or more from our Creamery for milk and cream delivered during month of September: Geo. Linn \$124.18, Andy Aarvik \$92.91, Staff Bros \$129.51, Carl Bost \$141.75, Henry Rohlf \$94.43, A. A. Schatz \$95.25, F. W. Sturmer \$141.75, J. E. Swan \$98.20, Otto Grabe \$49.44, Henry Grabe \$69.94, Nels Dullberg \$121.20, Jim Bock \$41.18, W. G. Gilbert \$104.75, Mrs. M. Williams \$115.01, Nels Burdman \$114.43, J. P. Mattson \$118.91, Oscar Erickson \$99.40, P. Thengstrom \$58.79, James Perren \$69.94, Joseph Price

Road Work Is Assured

Only Few Townships Yet To Be Heard From on Big Road Project

The St. Paul, Minneapolis and Duluth automobile clubs have pledged themselves to raise \$30,000 for the north and south state road through Pine county. They are getting the money by private subscription in the Twin cities but in Duluth this is "tag" week and every auto in town bears a banner labeling it, in some words or other, as boosting for the Duluth-Twin Cities highway.

Our county commissioners will meet next Monday and will doubtless pass a resolution pledging \$15,000 from the county. Add to this the resolutions of village council and town boards in the county and the county's combined contributions will be swelled to about \$25,000, or less than one sixth of the total expenditure.

If they do, they will open up an outlet for northeastern Pine county. Our understanding is that the four miles are easy country through which to build and that only one small bridge or large culvert would be necessary on the line—the total probable cost being less than \$5,000.

Church Sale at West Rock

The Ladies Aid Society of the West Rock Luth. church will hold the sale on home made articles next Thursday, Nov. 2nd, 8:00 p. m. instead of Oct. 19, when it was postponed on account of the snow storm. A short program will be given and refreshments will be served to all.

Pine Co. Poultry Assn. Meets

The Pine county poultry association met at Pine City, Tuesday afternoon. There was not a very large attendance. Several new members were admitted and the time and place of the next show fixed for Pine City on October 12-15, inclusive, 1916. President Washburn was empowered to name an executive committee of three members and appointed

Take Straw Vote on Pres.

Reall Stores in Pine County Joined With Others to Sound the Voters

The Reall drug stores here, at Hinckley, Sandstone and elsewhere over the county are taking a straw vote with the other stores of that big drug company all over the county. The report will be published in the POKER before the polls open on Nov. 7, and we may be able to forecast the coming president by telling in advance how votes will be cast.

Prochaska's pharmacy at Pine City is taking the vote here. Wherever you are, see that your vote is cast. The vote will be published in the leading papers and in all the Reall stores of the county.

Court Will Set Next Week

Judge Nethaway will open court, here next Monday for the trial of "court" cases. There are a number of such cases on the calendar and the court will doubtless be in session most of the week.

Wilcox Stands Well Up North

Judge Wilcox of Pine City was in town Wednesday calling on old friends. Mr. Wilcox is a candidate for reelection to the office of Judge of Probate. He has proven himself a faithful and efficient servant of the people of Pine County and without a question they will vote to retain him another term—Sturgeon Lake Hustler.

Joseph Volnc Passes Away

Joseph Volnc passed away at his home here, at 7 a. m. last Sunday, after a month's illness from cancer of the liver. The remains were buried in the Catholic cemetery after services in St. Mary's church with high mass by Father Leo at 10 a. m. yesterday. A large gathering of old friends was present at the services and there were many floral emblems. The pall bearers were: Peter Worman, Vaclav Janousek, Vencesl Hesk, John Soukup, Jos. Kozisek, and Frank Kuz.

Deceased was born in Bohemia in Oct. 30 1868, and removed to Chicago in 1890 where, two years later, he was married. He removed to New Prague in 1898 and, six years later came to Pine City, living for 24 years on a farm, after which he opened a meat market here and conducted it up to about six years ago.

He was a good friend and neighbor to many and retain the warmest memories of him. Among those present at the funeral from abroad were Mrs. Mary Tishan, a sister, and Mrs. Frank Kodym and children from Chicago, Mrs. Babika and Miss Kate Sloicha from St. Paul, Mrs. Kus and Jos. Muhl of New Prague and Chas. Kodym of Hudson, Wis.

Can you read this type clearly and with the same pair of glasses as did last object? You do it when wearing KRYPTOK GLASSES THE ONLY INVISIBLE BIFOCAL. You look down at your paper through the lower part of KRYPTOKS (pronounced Krip-took) easily and naturally. Looking up to see a distant object, your eye is in the center of the part of the lens adapted for that vision. After glancing at some of the
published samples of the figures in
the decorations of the new St. Paul
library, we are convinced that the
Pioneer Press was at least half
right when it called them "abundant
and restrained." Abundant at least.

Sister Marilla Stone of the Rush
City Post says that 'taint so, that
women are the real thing and are
exercising a really-truly influence
in this presidential campaign. Not
being studiously inclined on the
question, we don't know. But we
do know that Sister Stone is a real
influence in her home town. The
Post's new building, which is hous-
ing the plant below and the owner
above, is a dandy, too, and again
shows that even if women can't be
presidents of our fair country, some
of them have proven their fitness
by successfully handling village
newspapers.

How long will the public stand
for the extortion that the Standard
Oil Co. is practicing on gasoline
users under cover of the "war in
Europe" excuse? It does not cost
the trusts any more to manufacture
nor distribute and everyone seems
to be able to get all that they want,
showing that there is no scarcity.
Then why the increased cost? It
seems to us that the political party
that would stop slinging mud and
inaugurate a campaign to regulate
some of these abuses that the trusts
are practicing on the public, should
be the successful party at the polls.

A colored preacher was trying to
impress upon his congregation the
length of eternity. "If a sparrow,
brethren should take a drop of
water from the Atlantic ocean at
Coney Island and with the drop of
water in his beak should hop a hop
a day until he reached the Pacific
ocean at San Francisco, and when
he got there should let the drop fall
into the Pacific, and when this was
done should turn round and hop a
hop a day all the way back to Coney
Island, get another drop and do the
same thing all over, and keep on
doing the very same thing until he
had carried the whole Atlantic
ocean over into the Pacific, it
would then be only early morning
in eternity.—Princeton Union.

that city, Mr. Have enjoyed the
services in connection with the
dedication of the big, new Hennepin
Ave. Methodist church and the
Bishops' semi annual meeting.

The Men's bible class will meet
at the home of Robert Hamlin next
Monday evening. Invite your
friends to come.

The "home baked" sale, held in
the Piper store by the young ladies
of the Epworth League last Satur-
day afternoon, was successful and
they will hold another one on Sat-
urday afternoon of this week. Tell
folks about it so that everyone may
know.

Servicoes on Sunday as usual. In
the morning, Mr. Have will speak
on "Armada."

The Ladies Aid met with Mrs.
Greig yesterday afternoon, there
being a large attendance. Next
Wednesday the meeting will prob-
ably be held in the church.

Bob Marsh of St. Paul is calling

Ole Herrud and Anton Jacobson
are putting the finishing touches
on Jos. Spiner's big barn, about 6
miles east of here. The barn is
61x80 on the ground, the main
building being 28x80 with 20 ft.
posts and with an 18 foot shelf ad-
dition running down each side. The
barn has a concrete floor through-
out and has a 28x40 concrete base-
ment under one end of the main
building. It is fitted with steel
stanchions, drinking cups for the
stock, etc., and has 464 ft. of over-
head trackage, including hay and
litter carriers. Besides including
milk room, feed room, etc., it is
planned to care for about 75 head
of cattle and horses and will house
wards of 200 tons of hay. It has
running water throughout and
every modern convenience. It is
undoubtedly the most up-to-date
barn in this part, if not in the en-
tire county, and will doubtless be
sought out by many who want to
put up the best, even though they
do not care to put up as large a
one.

Presbyterian Church Notes

You are needed to help swell the
number in the Sunday School. It is
hoped that we might double the
membership by Christmas. Do you
know how it can be done? You
come and bring a new scholar, that
will do it. 9:45 a. m. is the hour.

The subject of the morning
preaching service, 11 a. m., next
Sunday morning is "Christ's Ap-
peal to the Chivalry of Men." The
evening subject will be "Patience." These
are your services—use them.

The C. E. meets at 6:45 Sunday
p. m. All young people are invited.

The Ladies Aid is meeting every
week now. Last Thursday the meet-
ing was at Mrs. H. Being 43 when
there was a large attendance, in
spite of the very unpleasant day.
Today they meet with Mrs. P. Holm
and next Thursday, Nov. 2, with
Mrs. W. Clark.

The Ladies Aid will give a Hal-
low'en party in the Pythian hall
next Monday evening, Oct. 30.
Invite all your friends to attend.

Taking a Run in the Country

It is plain to be seen that many of the farmers hereabouts could use some Lumber to good advantage. Some need a new barn—others a corn crib or granary—while many other buildings can stand some needed repairs.

How is it with you, Mr. Reader—anything lacking about your place? If so, better let us fit you out with what Lumber you need—AT ONCE. We have lots of good common lumber that is just the thing for building sheds, barns or granaries, and if you can use some, here is your chance to get it at right prices.

Of course, we have the better grades of Lumber too, if you want any, as well as everything else in Building Material.

Build It of WHITE PINE

Whether you're going to build a home, barn, garage, or henhouse, White Pine will give you longest service and greatest satisfaction.

No wood equals White Pine for all exposed surfaces. Three centuries of building experience in America prove this. It does not warp, sag, twist or split after years of exposure even in closest mortises and in delicate mouldings.

Its popularity has never waned since the Pilgrims used it, but many people who know the desirable qualities of

WHITE PINE

believe it is difficult to obtain. Such is not the case, as the simple stocks in our yards bear witness. And its longer service makes it most economical, even at a slightly higher first cost.

Get our prices on this kind of all structural woods and— if you don't already know it—advise us to tell you more about them.

It costs no more to buy your lumber at home—often less— freight considered, and you can see what you get before you pay for it. Then, too, we are "on the ground" to serve you—always as near as your phone.

Ole Herud left, Tuesday, for

his old home region at Faribault where he is visiting some relatives in the St. Paul News automobile contest, in which he is enrolled. The contest closes on Saturday of this week and Ole is well up in the list of candidates, which prompts his many friends to hope that he may win one of the autos that are given as first and second prizes.

Rudolph J. Wanek was up from Minneapolis on legal business, the first of the week, incidentally doing a little political work for W. B. Anderson, with whom he is associated at Minneapolis, who is a candidate for judge of the Supreme court. He says that friends of Judge Schaller of the supreme court, whose place the to-be-elected judge will take, are supporting Mr. Anderson. Rudolph expects to return to Minneapolis today.

P. A. Onkrust of Sandstone, candidate for Judge of Probate, was here Tuesday, interviewing old friends and "doing" a few politics. Pete was a candidate for Supt. of Schools a few years back and made many friends over the county at that time. He is a perfectly conscientious, square man, would make an absolutely honest, faithful public servant and, The Poker believes, would defeat any man in the county for the office were Judge Wilcox not himself a candidate for reelection.

Last week the Juniors of our local high school held their first class meeting of the season, which was conducted by Miss Simons, home economics instructor. Election resulted in the selection of Frederick Brandes president, Herbert Anderson vice president and Miss Faith Pennington secretary. Class colors were debated and the very pretty shades of crimson and gray received the majority vote. This is a new color, unlike those of the previous classes. Students liberally consented to contribute a fee of 10c a month. The Juniors have a large and active class and expect to be the main unit of the school.

The lecture, "The American Boy" given, by Robert L. Kemple in the high school auditorium last Friday evening was original, witty and valuable. He handled his subject from the stand point of the influence of grown folks on the growing boy and hit right and left in discussing the mismanagement of their elders. It was not a honey-coated affair but contained some spice and wormwood—nevertheless was thoroughly enjoyed by everyone. The room held a good big crowd but there was room for many more. The next number will be the concert by the Katharine Carroll Smith company on Nov. 3.

Adolph S. Larson of Sandstone, Pine City's present representative in the legislature, and candidate for reelection, was in town Monday afternoon, meeting as many friends as his time enabled him to reach. Mr. Larson, is manager of the Farmers' Co-operative store at Sandstone and at this season of the year is unable to get away to do a great deal of campaigning. The Co-operative store of which he is manager is the most successful store of the kind that we know of in the state. Its stock is worth considerable above par—none is for sale that we know of for less than \$150 for a \$100 share. The fact that Mr. Larson has been able to make stock of this Co-operative company worth that price goes to prove that he is an able business man and that he gives his very best efforts to the farmer-stockholders in the company that employs him.

The Democratic rally in the village hall, last Thursday evening, was well attended, the hall being comfortably filled although the evening was the kind that keeps most folks inside. The band played several pieces prior to the speaking. M. E. Hurley acted as chairman of the meeting and delivered an excellent talk before introducing Hon. Neil M. Cronin of Minneapolis, democratic candidate for congress in this district, who was the speaker of the evening. Mr. Cronin is not a "spread eagle" orator but he made an excellent, sensible talk, arguing strongly in favor of the policies and accomplishments of the administration of President Wilson and stating his own position on national issues in a way that gave his hearers confidence in him. George H. Cunningham, candidate for the legislature in this county, who was expected to be present and speak with Mr. Cronin, was unable to attend and many of his friends who were present to hear him were keenly disappointed.

Minutes of Special Meeting of County Board of Pine Co., Minn.

Minutes of Special meeting of County Board of Pine County, Minn. Auditors Office, Pine City, Minn., Oct. 16th, 1916, 7 o'clock p. m.

Pursuant to all for special meeting, duly filed, the Board of County Commissioners of Pine County, met this day at the office of the County Auditor, all members being present.

The purpose of the meeting, as set forth in the call, being for a hearing with the officers of the Pine County Good Roads Association.

It was shown by the officers of said Association present, that an effort was being made to secure the establishment of a Federal Highway on the route of the present State Road leading from the cities of Minneapolis and St. Paul, to the head of Lake Superior.

And that the County's share of the expenditure necessary for this purpose, in case said Federal Highway be established, would be approximately Fifteen Thousand Dollars.

The following communication was presented and read: "At a meeting of representative citizens of Northeastern Pine County, held at Ashv. Minn. on Thursday October 20th, the following resolution was adopted.

"Whereas the taxpayers residing along the line of the Great Northern Railway from Sandstone to Nickerson have contributed largely in the way of taxes for the past several years to the work of improving the road along the N. P. Line through Pine County, and whereas—we have also shouldered the heavy burden of constructing a number one road from Sandstone to the Carlton Line in and Nickerson, and whereas—the road is worthless because of the failure of the Carlton County Commissioners to open up that portion connecting our road with the station of Holyoke in Carlton County.

Be it resolved—that we do most earnestly oppose the expenditure of further money on the N. P. Line of road until the County of Carlton has given satisfactory assurance to our Board of County Commissioners that they will at once proceed to build and open for traffic that portion paralleling the Great Northern Railway connecting Holyoke and Nickerson the same to be built of similar type and like specifications to the portion in Pine County connecting therewith."

Ordered on motion, that a Committee of three members of this Board, be appointed to confer with the Board of Carlton County, in regard to this matter, and to report the result of said conference at the next meeting of this Board.

The following named Commissioners were elected as members of said Committee: Fred Degerstrom and A. E. Edin, Robert Derr.

On motion the Board adjourned, to meet at the office of the County Auditor, on Wednesday, October 25th, 1916, at one o'clock P. M.

Fred Degerstrom, Chairman of County Board Attest: W. H. Hamlin, County Auditor.

Bids Wanted on Coal For County
Bids will be received by the board of county commissioners of Pine county for the furnishing of coal for use at the Court House and Poor Farm, as follows:

For use at the Poor Farm, one carload of not more than 20 tons of Youngbloughy coal, well screened, to be delivered on board car at Hinkley not later than November 10th, 1916.
For use at the Court House, 50 tons or as much more as may be needed of Youngbloughy coal, well screened and delivered to the Court House as needed. Bids must be sealed and delivered to County Auditor, not later than noon on Oct. 30, 1916.
The Board reserves the right to reject any or all bids.
By order of the Board of County Commissioners, W. H. Hamlin, County Auditor
Dated at Pine City, Minn., this 16th day of October, 1916.

NOTICE
Whereas it is the habit of some persons unknown to the Board of Mission Creek to destroy signs and notices posted along the highways of said town thus making unnecessary work for the township officials—therefore be it resolved that the Town Board will pay \$5.00 reward for evidence that will convict any person of mutilating or destroying any notices or signs posted by said Town officers on any road or bridge in the said town of Mission Creek, Pine County, Minnesota.

J. C. Hancock, Chr. Joseph Garry, Supervisors
Dated, June 26, 1916.

The Commercial club has had the main street of our village graded a block north from the lumber yard corner and also east from the depot to the school house. This, with the work done earlier in the year, gives our streets good drainage but does not do away with the mud formed on top of the grade. If, while the streets are so well graded up, they could be topped with a good layer of gravel, we would have hard, dry streets in town for some years to come.

Jos. Prochaska moved into the Helebrant building, for which he recently traded the first of this week, Anton having last week moved to his farm which was previously vacated by Mr. Williams who moved to the Moyer place, about 4 miles west of here.

C. M. Hanscome and wife left last Saturday for St. Paul and St. Peter, Mr. Hanscome returning to duty to pack and close affairs up.

Mr. and Mrs. J. J. Vock of Superior, Iowa visited from Saturday to Tuesday at the home of her sister, Mrs. George Schmidt here.

Chenawatana Farmers' Club
The Chenawatana Farmers club meet with Elmer Smith, Oct. 21. Owing to bad weather we had a small attendance. No business being transacted except ordering the use of a traveling library for use of Club members. Meeting came near being a failure as Mrs. Elmer Smith had been out that afternoon and very near missed getting home. The ladies of the Club were warned against going buggy riding with her. If they do they may have to walk home.

Auctions in Pine City Region

Otto Gaudel advertises an auction of live stock and machinery on his farm in Meadow Lw next Wednesday, Nov. 1. Read his ad in another column of this paper. Otto has already rented a house in town and will move in at once so as to give his children the advantage of the village schools.

Ole P. Haug advertises an auction of live stock, farm machinery, etc. at his farm home, 7 miles east of town, next Thursday, Nov. 2. He is not determined yet as to what he will do.

The B. F. Hanfelt auction on his farm in Meadow Lawn, last week Wednesday, drew only a fair crowd, probably largely owing to the unfavorable weather, but they were all buyers and goods sold well. Ben was more than pleased with the result.

S. E. Frazier's auction at the stock yards in town, last Saturday, was not very largely attended but live stock and goods sold fairly well and everything went.

The Frank Karsky auction, east of Rock Creek, yesterday, was liberally attended and articles sold well. Mr. Karsky will vacate his farm there at once, moving into Pine City. Jack Colvin, who has rented the farm will move in at once.
