Pine County War Losses

Two Little Boys Meet Sad End While Another Loses Sight Of One Eye

Louis E. Patzold, brother of Otto Patzold of Meadow Lane, was the first to lose sight of one eye in the war front in France. The brief announcement received by his brother, a delightful time in lodge work, fraternal and socially is anticipated. The following program will be followed, beginning at 1:30 sharp.

situation first hand, is a leader in the lower branch of Congress and is a natural keen insight and sound judgment. He has many old friends in Pine County which used to be in his district and they will want to hear him talk at this time on so important a question.

Royal Neighbor Co. Convention

The Pine county Royal Neighbors will hold their third annual convention in the armory at Pine City on Saturday afternoon and evening of this week as the guests of the Pine City and Rock Creek camps. The Hinckley, Sandstone and Bruno camps are expected to send large delegations and there will certainly be a large attendance if all the pleasant. Several visitors from outside the county who are prominent in the affairs of the order will be present and the program will be interesting, fraternal and socially is anticipated.

B. C. Haas, harness maker, Pine City, says: "Don't's Kidney Pills helped me. I am a blind to recoverment. I had a steady, dull backache and my kidneys acted irregularly. Sometimes the kidney secretions passed too frequently and again they were just the other way. Mornings when I got up, I felt tired out. Don't's Kidney Pills brought me quick relief and soon made me well. I have used them several times since when I have noticed such attacks coming on and each time, Don't's have prevented any return of the trouble."

Miss Blanche Stevens and Roy Slukey of this place were quietly married by Judge Atkinson at his home, last Saturday evening, and left on the night train for St. Paul.

Mrs. Nettie Miller rented her home to the Staudes who vacated the McAllen house on Third Ave. to make the change over the first of the week. Mrs. Miller left last Saturday for Grantsburg where she expected to visit at the home of her daughter, Mrs. Elstrom, for a time, after which she will make her home with her daughter, Mrs. Elstrom, at Duluth. She is one of the 94 residents here and everyone is sorry to see her leave her home here.

WAR STAMPS TO HAVE BIG DRIVE

June 6 Is Opening Day for Minnesota Pledge Week for Their Purchase.

"GOING OVER THE TOP"

Director Culver Confident That Loyalty of People Will Bring Over-Subscription of State's Quota of \$47,000,000.

Director D. S. Culver of the Minnesota War Savings Campaign today set aside the week starting June 6th and ending on June 13th, Minnesota pledge week for the purchase of war savings stamps. In making this announcement he expressed confidence that the loyalty of people in this state will be manifested by pledging themselves to make purchases during the pledge week of this year which will result in over-subscribing the state's quota of \$47,000,000.

Pine City Red Cross Notes

The following articles were shipped on April 23: 30 hospital bed shirts, 1 pr. mittens, 20 sweaters, 20 socks, 13 helmets, 5 pr. wristlets and 99 wash cloths. On Apr. 3 the following articles were shipped: 25 hospital bed shirts, 4 sweaters, 10 triangular slings, 14 pillow cases, 10 hand towels, 2 Turkish towels and 12 wash cloths. On Apr. 30 the following were 35 hospital bed shirts, 72 triangular slings, 24 sweaters, 10 helmets and 10 wristlets. During the month the following are the number of articles shipped: 80 bed shirts, 1 pr. mittens, 14 sweaters, 87 socks, 99 slings, 140 hand towels, 2 Turkish towels, 64 wash cloths, 44 pillow cases, 23 helmets and 4 wristlets.

Mrs. F. J. Kunesch from northwest of town, has on her donation of \$13.70, the receipt raffing a dress and a dispensing sack which she purchased the material for and made. The drawing was held at the entertainment and pie social in the Amicus school, last Thursday evening. Frank Youngblut winning the dress and Miss Emily Bader the dressing sack. No one knows yet just what use Frank is going to make of the dress but his friends are watching him closely to discover a clue. The social was much enjoyed by those present but the unpleasant weather was a damper on the attendance. A nice sum was also netted for the Red Cross.

Miss Anderson, the teacher, and the young folks of the locality are planning to also put on "The Poor Married Man" at the Red Cross, Saturday evening, June 1, for the benefit of the Red Cross, there.

The following donations were received, John Buckley \$10, Dist. \$11.96, Mrs. Vera Hillman \$1, Mrs. J. F. Kunesch \$12.50, Maurice Burlingame \$5.

Stupid - her day, was in all probability one which was acquired in earlier years with the intention of assisting Frederick Greenwood, the story of this tall hat was related at the memorable dinner given to Greenwood in 1907 with John Morley, then quite untried in the chair. "It brought my first silk hat, to impress him, the day I came to London," said the distinguished plunger from Phoenix. "I never wore it except when I made private advances on the St. James's Gazette. I liked to think that it had its effect upon him." The hat would naturally be treasured on grounds other than those which would suggest them to the ordinary thirty-foot-it-pened out to him a great letter, and it might be expected to be a valuable find in some of the Westminsters' boxes.

THE FLY IS A DANGEROUS BEAST EVEN IF HE IS SMALL

If you should look at a common house fly under a powerful microscope and see what he carries with him on his legs and feet, you wouldn't want the beast to get anywhere near you or your children.

If you could follow a fly during just one day of its life, you would be more afraid than ever to have it around your house.

Others have done these things for you and told the dangers the fly carries into your home.

Various localities in Pine County have gone, are going or will go into raising pure bred cattle or into the work of "breeding up" through a pure bred sire. This work may be made mutually helpful if the breeders of the county will stick together on two or, at the most, three strains of cattle with one bred to a locality. If, for instance, the farmers of Pine county would be advertised as raising one kind of dairy cattle or one of beef cattle, or even one or two of each, buyers and breeders from all over the country would learn to turn to Pine county when they want animals of these bloods—a buyer would know that he would get what he wanted somewhere in the locality, up to a carload or more. Farm values in the county would be increased by the desire of breeders to locate here, the individual breeder would be advertising his animals, changes of blood could be secured at home without expense of travel or shipment and in many other ways, the interests of the individuals and the county could be benefited.

The socialist "Editor" of the Sandstone paper finds fault with those who accuse Socialism of disloyalty. It was socialism that put Russia in the position she is in today, thereby strengthening the position of the German militarists more than anything else in the present war. It was socialism that brought about the Italian treachery which gave the German-Austrian militarists their great victory of last fall in that region—a treachery which was charged at the time by many to the Catholic church but which charge has been absolutely disproved. And it is the socialist organization and the socialist leaders that, with the Red Anarchists and the I. W. W. of this country, are bending every effort to hinder the cause of government in this war. Real socialism, practically everyone believes in though most people regard it as a Utopian dream to be practiced just following the time when Gabriel's trumpet is blown, but Socialism as she is practiced by Socialism's organization and leaders is absolutism's chief ally.

M. E. Church Notes
The other services through the day will be at the usual hours: Sunday school at 9:45. Morning worship at 11 and Epworth League at 7 p. m. Bible Class will be on Tuesday evening at 7:30, and Prayer meeting Thursday evening at eight o'clock.

The board meeting, last Friday evening took up the matter of improvements on the church and finally adjourned until next evening to give opportunity to get prices on the work that is contemplated.

The quarterly conference will be held next Wednesday evening, May 22. Dr. Stout will preside and all members of the church are urged to attend.

Sunday evening, Mr. Hare will give the first in a series of four sermons on "Christ, and the World at War." Eight o'clock is the hour.

A business meeting of the Epworth League will be held in the parsonage tomorrow—Friday—evening.

The ladies aid meeting next week will be for business and work, no lunch being served.

Presbyterian Church Notes
June 2 is to be a big day in Pine City for the folks interested in the cause of national prohibition. Dr. Madison Swanson, a speaker of national reputation engaged by the Anti-Saloon League for the national drive to secure the ratification of the prohibition amendment to the constitution, will be present to address a mass meeting in the park at 11 o'clock. Favorable, or if the weather should be unfavorable, in some other building, at 11 a. m. All come. Admission free. Keep the date in mind.

All the services will be held at the regular hours on next Sunday, May 19, and we hope that the warmer weather and goodly promise for a fruitful year will induce many to gather in the house of all good. The past r will preach both at 11 a. m. and at 8 p. m. All will be welcome.

The ladies aid meeting in the church on this Thursday afternoon for a social and business meeting.

Children's day will be observed in the church on the second Sunday of June, the 10th.

Pine City News

Mrs. Vera Clement of Minneapolis was a week-end visitor at the Pennington home.

Everyone asks you to learn to the right at the main entrance in town. You may save a serious accident. For yourself or others by doing so.

Remember "The Gray Ghost." Two chapters 4 rods of the Gray (that each week also a comedy and a weekly every Tuesday at Family theatre).

Mrs. W. W. Clark returned from last Friday from a vacation in St. D., where she spent about five weeks at the home of her daughter, Mrs. Jensen.

Mrs. Kate Tingle of Los Angeles, Cal., arrived Tuesday, for an extended visit at the J. M. Gray home. She formerly lived here and has numerous old friends here.

Mrs. Frank Buford and baby returned from St. Paul, Monday, accompanied by her sister, Miss Jose Shambauer, who had been with her at the hospital for a few weeks.

Mrs. Christie entertained more than a score of friends at the home of her parents, the Penningtons, last Saturday evening. Games were played and refreshments served.

Ma J. was been suffering from a cold, and this is a week and as this is a writer, passing the crisis, which everyone will result in a turn for the better.

Among those here to attend the sale of lands for delinquent taxes, Monday, were Banker Langren of Bruno, Matt Bullis of Sandstone and George Green of Mora. Mr. Green was the heaviest buyer from outside.

The Piker gave Mr. Langbakken, the new buttermaker at the Co-op, creamery, a new name last week, which he refuses to accept. He has gone by the old one so long. So just remember the name as it here—Langbakken.

Rev. and Mrs. Leubker are expected home today from Riverdale, near Chicago, where they have been visiting at the home of their son and with other relatives—Mrs. Leubker for some weeks while he only went about a week ago.

John Y. Breckenridge has accepted a position with the government's pure food and drug activities and expects to leave to take up the work within a few days. He does not know where he will be located and Mrs. B. will remain here for the time, at least.

A. W. Schumacher left, Tuesday, for St. Paul to take up his work on the road for Swift & Co. The family will make their home here for the present at least and will move into the Schofield house for the summer as soon as the owners vacate for their annual pilgrimage to Daköta.

Mrs. Amelia Jones, who recently purchased the old Chas. Carlson house on the north side, moved in last Friday, coming from Duluth where she has made her home the past year and a half, since moving from Beroun. Elmer Jones has been here the past week, assisting his mother to get settled.

The Duluth papers announce the appointment of Miss Marie Vaughn as assistant supervisor of art in the city schools there but whether this is Miss Vaughn from Pine City we are unable to ascertain. Miss Harriett (Rehmel, formerly of Rush City and who has taught in this county, is named acting head of the English department if the Duluth hold.

Boys are mutilating U. S. liberty loan, thrift stamps and other posters, especially in the depot, by cutting out letters and marking with pencils for the purpose of changing their meaning. Of course everyone knows that the boys do not mean to do any wrong, but there is a heavy penalty for mutilating these posters and someone may get into serious trouble if the practice is not stopped.

The body of Mrs. Michael Dunn was brought down from Hinckley, last Saturday, and laid beside the remains of her husband in the Catholic cemetery here. The DUNNs were old citizens at Hinckley and had many friends among the folks here from the days of the eighties. Mrs. Dunn, who was 87 years of age, had been blind for about 13 years. Many old timers from that town accompanied the remains to this place.

Several from here expect to go to Rush City tomorrow—Friday—evening to attend the dedicatory banquet and hall in the new Masonic temple there. The old Johnson building on the east side of the tracks has been purchased and remodeled by the Macons, who have erected the second floor since its occupation some 27 years ago, and the changes made in it give them an excellently arranged and equipped building for all their purposes.

Dr. Olson of Minneapolis, a graduate neurologist and registered optometrist, will be at Hotel Agnes, Tuesday, May 21st, where he will be glad to see anyone who has eye disorders or any nervous troubles caused by nerve strain through overworked eyes. Dr. Olson's work is not to be confused with the ordinary oculist or optician's work. His glasses are not merely fitted to give good vision but primarily to relieve all unnecessary nerve strain.

"She was the belle of a little Southern town and worked to help her brother establish himself in the city. He became involved in some crooked deals and when he faced a prison sentence, his sister made a wonderful sacrifice to save him. Was she right in doing this? Was his a cad to accept freedom at such a cost?" See Irene Hunt and Jack Livingston in "The Stationary Barriers," a Triangle feature at the Family theatre Sunday matinee 3 o'clock, night 7:45 and 9:15 o'clock.

Mrs. R. Gormall passed away at the family home at LadySmith, Wis., last Thursday and the remains were interred there on Monday of this week. All the children except Miss Carol were with her at the end and the latter was able to be present at the funeral services. She had been a sufferer ever since being taken to LadySmith from the hospital at St. Paul, from dropsy, which caused her death. Miss Gormall, who has been at the home here for some months, will continue to make her home here while the rest of the family will remain at LadySmith. Mrs. John Curle having come up from Chicago to take charge of the house until other arrangements are made.

Why a Book of these "A. B. A." cheques is the handiest way to carry Travel funds

American Bankers Association Cheques are readily accepted by hotels, railroad and steamship companies, and the best check-cashers. This makes them so convenient to use in payment of travel bills as to be almost as good as cash.

Another convenience is the simplicity of identification. All that is necessary is the counter-signature of the owner in the presence of the person accepting the cheque.

The compactness of a wallet containing convenient denominations of \$10, \$20, \$50 and \$100, makes the Cheques way to carry.

They are the safest travel or emergency "money" also.

Mrs. R. Gormall passed away at the family home at LadySmith, Wis., last Thursday and the remains were interred there on Monday of this week. All the children except Miss Carol were with her at the end and the latter was able to be present at the funeral services. She had been a sufferer ever since being taken to LadySmith from the hospital at St. Paul, from dropsy, which caused her death. Miss Gormall, who has been at the home here for some months, will continue to make her home here while the rest of the family will remain at LadySmith. Mrs. John Curle having come up from Chicago to take charge of the house until other arrangements are made.

Pine City School News

Members of the high school orchestra and their escorts and ladies were the guests of Mesdames Roberts and Pennington at the Roberts home on Cross lake, last Friday evening. Games and dancing were indulged in, supper being served at 9 o'clock.

The base ball club will take on the Mora boys at that place on Saturday afternoon of this week, driving over Cambridge defeated Mora 12 to 0, but they also defeated Hinckley, last Friday, 4 to 2. It looks as though our real opponents at the meet, next week Saturday, would be Cambridge—and we'll try to "eat-em-up."

The ball game between the Rush City high school team and our own, last Friday evening, was another Waterloo for the visitors, the score standing 24 to 9 in our favor at the end of the visitors' half of the nine inning. Edin and Kowalke did the honors for our boys while Anderson and Mogreen did the hurrying and Corlis was at the receiving end for the visitors. Despite the big score on one side, it is a fact that none of the pitchers were hit very much. The Rush City team, however, gave its batsmen many opportunities, errors piling up most of the runs against them. We feel on old-time confidence in our boys' ability to walk off with the team ball permanent this year again and Pine City will be a strong contender for some of the other pennants at the meet at Rush City on May 25.

North of Pine City

Mrs. M. W. Wheeler and children went to Minneapolis, last Sunday, to spend the week.

Mesdames Wheeler and Gardner, who have been spending the past few weeks with relatives in Iowa, are expected home the latter part of this week.

Mr. and Mrs. Julius Schmidt arrived from Young America, Tuesday, for a visit of a week or more at the home of their daughter, Mrs. Fred Meyers, at Pockegama lake.

Several from around the head of Pockegama lake and beyond will probably attend the sale for the Red Cross, to be held at Henriette on Saturday. There will also be a dance in the evening.

The Pockegama actors and actresses carried off honors in the presentation of "The Poor Man's Man" at the school last Saturday evening, of which Pockegama people of this region are proud.

John E. Norstrom returned to Minneapolis, Tuesday, after a visit at the home of his son Fred, north of Pockegama lake. "The Tall Pine" is just as straight as ever though his locks are silvered by the frosts of the passing winters.

The Pockegama farmers' club met at the Clifford Brones home at the north end of the lake, last Saturday evening. The attendance was small, doubtless owing to the rain. There was no program but a good time was had with the business and socially.

East of Pine City

A baby boy was born at the Olor H. Erickson home, Tuesday.

Mrs. Thalín was up from Minneapolis to spend Saturday and Sunday at the home of her uncle, John Lindquist.

T. E. Ryan is putting in a water system through his home and barn, getting power through a compressed tank. T. E. believes in having things right about his place.

School closed in the Milburn district where Miss Hazel Laurisch teaches, last Saturday, the day being used to make up the time lost during the week by the teacher's illness. The event was celebrated on Sunday with a community dinner which was enjoyed by parents and children to the capacity of the school house. Mr. Hasto was out from town and made a talk on thrift stamps and Miss Wilcox sang. Every one who attended enjoyed the event greatly.

West of Pine City

A large number of old friends and neighbors of Ray Nelson surprised him at the home of his parents, the P. O. Nelsons, last Friday evening, about 60 being present. Dancing was indulged in and a bounteous lunch served. The guests presented Ray with a purse of about \$10 with the wish that he use the sum for buying something for use in the training camp or trenches that will always remind him of the good wishes of the friends back home. He left Monday to join the machine gun company of which he is a member, at Camp Pike, Ark.

EMPIRE MILKING MACHINES

THE EMPIRE at the Birth Place of the \$53,200 Bull Calf, King Ormsby Jane Rag Apple

Milk producers throughout America have watched the records made by Oliver Cabana Jr.'s herd of Holsteins at Pine Grove Farms—a herd famous for the bull-calf which brought the record price at Yorkwater for the great hard bull, Rag Apple Korndyke 3th; for Segis Payne Johanna, the champion milk cow, with her record of 50.68 lbs. of butter in 7 days. Many of you, too, know how carefully Charley Cole conditioned the latter for her test.

It is time for the world to know that this big-bred herd is milked with the Empire Milker. Here is a test of responsibility. Empire Milkmen get the milk; they keep up the flow for the full period of lactation and usually they increase the yield. They milk more gently and uniformly than even the calf—or the most reliable of hand milkers.

Scores of pure milk herds of all breeds are today milked by the Empire. It is so simple that at many of these dairies a 10-year-old boy or girl with an Empire Outfit is doing all the milking, putting on and to the labor problem.

Every owner of eight or more milk cows will save wages by installing Empire Milkmen—and usually he will increase the size of his milk check. Come in and see us, or ask us to come out to see you at once; for we will not be able this year to supply enough Empire to meet the big demand.

STATE BREVITIES

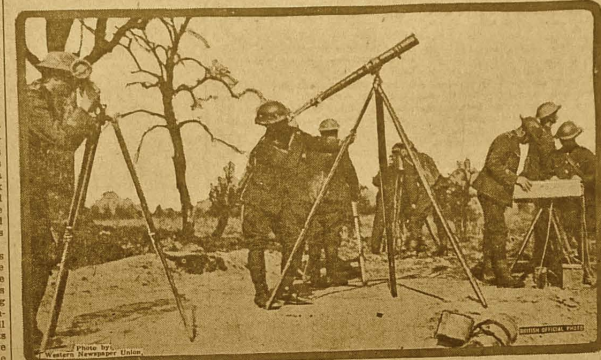

Red Lake Falls—Sheriff Charles Fullman arrested John Pope here charged with evading the draft. Albert Lea.—The Blythe Life factory here was destroyed by fire. The loss is estimated at more than \$50,000. St. Peter.—County schools will hold a public graduation for eighth grade pupils on June 5. There will be about seventy graduates. Hastings.—The Red Cross auction to be held here is expected to attract more than 5,000 persons. Governor Barquist will be the principal speaker. Brainerd.—Crow Wing county's call for the National Red Cross war fund is \$15,000. D. D. Schrader has been named chairman of the county committee. Princeton.—Mille Lacs county went clear 'over the top' in taking third Liberty Loan bonds. The quota was \$150,000, yet the subscription total was \$254,000. St. Peter.—The German Methodist church of Le Sueur is to be known hereafter as the First Methodist Episcopal church and the services are to be conducted in "American language." It was announced. Minneapolis.—Charles Stevens, born 62 years ago in the first house erected in Minneapolis, died at his home here after a long illness. He was a son of the late Colonel John H. Stevens, the first settler in the town of St. Anthony. Carlton.—Dr. J. G. W. Havens of Croquet, who has served as medical examiner on the Carlton county draft board since its beginning, has resigned, as he is leaving. Dr. James Fleming of the same city has been appointed to fill the vacancy. Moorhead.—Mrs. R. C. Peterson of Fargo has brought suit against M. O. Valan, of Duluth, for \$300 damages alleged to have been caused March 22 when the cars of Mrs. Peterson and Mr. Valan collided. It is alleged by Mrs. Peterson that Mr. Valan had no lights on his machine. Manassas.—Fred Marka, writing to relatives here, declares the taking of a German spy on the ship he sailed aboard to the Philippines with his regiment, Maria says the man was found sending a wireless message from the ship when they were about three days out of Manila, and those aboard considered themselves lucky to reach port without being made target for a submarine attack. Minneapolis.—Ninety-nine per cent of the men and women in Minnesota, North and South Dakota and Montana who are of German birth are good local citizens. They never were disloyal, though at the outset of the war they did not understand. This was the statement of Prof. Alfred B. Koenig, himself of German nativity, who has just returned from a speaking tour for the Northern division of the Red Cross. Minneapolis.—Eyerett G. Engelin, charged with having violated the espionage act, was found guilty on two counts by a jury in Federal district court here. The indictment charged him with attempting to communicate in the armed forces of the United States and the United States with having obstructed recruiting and enlistment service. The indictment was based on an address made by Engelin on a farm near Winnetonka, Minn., last August. Anoka.—State authorities are investigating a fire which destroyed the barn on the farm of Mrs. P. Gorham, burning 15 head of cattle, five horses, some pigs and a farm automobile. Mrs. Gorham has been outspoken in her loyalty and evidence from local investigators pointing to incendiarianism, indicates that persons not so outspoken in their loyalty may have resented Mrs. Gorham's attacks on Germanism. The fire, according to officials, started in several places at once. Winona.—Rev. Father Leo P. Devlin, a young priest who has been an assistant at the Winona Cathedral, has returned from Fort Snelling, where he cleared his accounts of the priesthood for a United States army unit. Father Devlin applied several weeks ago for commission in the army as a chaplain. He received his commission this week in a formal ceremony and reported at Fort Snelling. There he was assigned to a soldier's mess and reported at Fort Snelling. St. Paul.—The dairy industry of this end of Ancker has reached where increased consumption of milk and milk products is needed the next year or five years. If the industry is to be maintained adequately to supply our abundant needs, in the opinion of Prof. H. H. Kinton of the dairy division of University Farm school, Mr. Kildee has been returned from a dairy conference in Chicago, where plans were outlined that it is hoped will bring the consumption of dairy products up to normal. Anoka.—State authorities are investigating a fire which destroyed the barn on the farm of Mrs. P. Gorham, burning 15 head of cattle, five horses, some pigs and a farm automobile. Mrs. Gorham has been very outspoken in her loyalty. Little Falls—Kathleen Ralph, who has been followed by Frank DeWitt, is charged with seducing him here on the farm of Mrs. J. J. Jones. She has been charged with seducing him and with carrying on an illicit relationship with him from the time she left school from the Ancker. St. Paul.—Theodore Peterson of James A. Peterson, who will be on the National Liberty Loan committee here, has been named as a member of the National Liberty Loan committee here. He was named as a member of the National Liberty Loan committee here. He was named as a member of the National Liberty Loan committee here.

St. Cloud.—Fifty candidates will be admitted into the St. Cloud lodge of Elks on June 7. St. Peter.—The rural school in district 45 realized \$500 from a box social and entertainment for the Red Cross. Morgan.—More than 150 enlisted men took the oath of Honor guardmen when mustered into service by Major Brennan. Crookston.—George W. Wareham, formerly of Crookston, is dead at St. Paul, where he has made his home for several years. Deerwood.—Mrs. Smythe of Day Lake has made seventy gallons of maple syrup this spring. It took 240 trees to produce this amount. Rochester.—Rochester officials are greatly disappointed over their inability to locate Farmer Armstrong, who murdered his wife and shot his stepson. Minneapolis.—More than fifty students and seventeen graduate students at the University of Minnesota have taken positions as teachers so far this spring for next year. Thief River Falls.—Mr. and Mrs. Everett Jacoby of this city have gone to Grand Forks, N. D., to make their home. Mr. Jacoby was assistant mechanic at the Soo roundhouse until a couple of months ago and has been content a position with the Great Northern as engine inspector at Grand Forks. Red Lake Falls.—The patriotism of the Red Lake farmers is being shown by the way in which they are joining the "Service Acre Club." The club abstracts 25 members, each of whom have promised to give the crop raised on an acre plot to the Red Cross, Y. M. C. A. or Knights of Columbus war work. Cambridge.—A. B. Hallin, local banker, chairman of the Isant county Liberty Loan committee, announces that Isant county over-subscribed the third Liberty Loan over 60 per cent. He says: "Instead of meeting the county's allotment of \$115,000, the amount has been increased to more than \$345,000, an over-subscription of more than 60 per cent. Brainerd.—A. R. Carls, deputy game warden who is one of a party of four wardens who trapped miles into the wilds out of Two Harbors and arrested Fred Johnson on a charge of illegal trapping. It took five days to find Johnson's camp and it is alleged \$200 worth of skins were found. The furs were confiscated and Johnson, who was brought here, was fined \$50 and fined.

Both Ends (Producer and Consumer) Against The Middle (The Packer)

The consumer wants to pay a low price for meat. The farmer wants to get a high price for cattle. The packer stands between these conflicting demands, and finds it impossible to completely satisfy both. The packer has no control over the prices of live stock or meat, and the most that can be expected of him is that he keep the difference between the two as low as possible. He does this successfully by converting animals into meat and distributing the meat at a minimum of expense, and at a profit too small to be noticeable in the meat bill of the consumer.

Swift & Company's 1917 transactions in Cattle were as follows:

	Average Per Head
Sold Meat to Retailer for	\$68.97
Sold By-products for	24.09
Total Receipts	93.06
Paid to Cattle Raiser	84.45
Balance (not paid to Cattle Raiser)	8.61
Paid for labor and expenses at Packing House, Freight on Meat and Cost of operating Branch distributing houses	7.32
Remaining in Packer's hands as Returns on investment	\$ 1.29

The net profit was \$1.29 per head, or about one-fourth of a cent per pound of beef.

By what other method can the difference between cattle prices and beef prices be made smaller, and how can the conflicting demands of producer and consumer be better satisfied?

Both Ends (Producer and Consumer) Against The Middle (The Packer)

The consumer wants to pay a low price for meat.

The farmer wants to get a high price for cattle.

The packer stands between these conflicting demands, and finds it impossible to completely satisfy both.

The packer has no control over the prices of live stock or meat, and the most that can be expected of him is that he keep the difference between the two as low as possible. He does this successfully by converting animals into meat and distributing the meat at a minimum of expense, and at a profit too small to be noticeable in the farmer's returns for live stock or in the meat bill of the consumer.

Swift & Company's 1917 transactions in Cattle were as follows:

	Average Per Head
Sold Meat to Retailer for	\$68.97
Sold By-products for	24.09
Total Receipts	93.06
Paid to Cattle Raisers	84.45
Balance (not paid to Cattle Raisers)	8.61
Paid for labor and expenses at Packing House, Freight on Meat, and Cost of operating Branch distributing houses	7.32
Remaining in Packer's hands as Returns on investment	\$ 1.29

The net profit was \$1.29 per head, or about one-fourth of a cent per pound of beef.

By what other method can the difference between cattle prices and beef prices be made smaller, and how can the conflicting demands of producer and consumer be better satisfied?

Mission Creek Town Board Meets

The Mission Creek town board met in the Beroon bank on May 4 pursuant to adjournment. The representative of the Iowa Bridge Co. was present and went out with the board to measure up the four bridges to be built in this town and decided on building them to the following measures:

The bridge east of Beroon on the south town line to be 14 feet long, 8 feet over all, and 16 feet wide with 8 foot wings.

The Hopkins bridge between sections 12 and 13 to be 22 feet long, 9 feet high over all, and 16 feet wide with 8 foot wings.

The bridge over the east fork of Pokogram creek between sections 8 and 17 to be 12 feet long, 9 feet high and 16 feet wide with 8 foot wings.

The bridge over the middle fork of Pokogram creek, between sections 7 and 15 to be 13 feet long, 9 feet high and 16 feet wide with 8 ft. wings.

On motion the Iowa Bridge Co. was instructed to prepare plans for the bridges above mentioned and have same in the hands of the town clerk not later than May 20, for which service they shall receive \$25 from the town, this amount to be returned to the town in case they get the contract for constructing the bridges.

Whereupon the board adjourned to meet on May 25.

V. A. Mikyaka, town clerk

Miss Barbara Kopacek and Mr. Martin Nelson of Hinckley were recently wedded in the Catholic church at Pine City at 8 o'clock this morning, only relatives and a very few friends being in attendance when Father Leo performed the ceremony. They leave this afternoon for St. Paul where he is employed as street car conductor and where she has been the past winter. They will make their home there until he is called in the draft. The best wishes of many friends in the Beroon region go with them for a long and happy life.

Work is being pushed on repairing the Government road east of town so as to have it ready to handle the through business when the Federal road is all torn up through the work to be done on it. Later, our people living in Beroon or west of here will have to either use the torn-up Federal road if they are to drive north or south, or else drive to the Government road over the town line road which is certainly as bad as they make them for about one mile of the distance. We wonder if some friends in the Beroon region go with them for a long and happy life.

The Thrift Car

The Red Cross drive for funds has begun at Beroon, William Fisher leading the offensive—and he did excellent work, too. We are supposed to raise \$700 here, and it will take the efforts and assistance of everyone to put it across. But Beroon hasn't fallen down on any patriotic work yet and we know that it won't this time.

The Red Cross in Diat. 44 met with Mrs. Bennett last week and accomplished quite a lot of work. They decided not to meet again until the rush season on the farm is over but to do as much work at home as possible so as not to let the help from that region to the county chapter decrease in the least.

The Cedar lake ball team played Meadow Lawn on their diamond last Sunday afternoon but the boys from northeast of here were badly crippled and the game was quite one-sided. The two teams will meet on the Cedar lake grounds on Sunday afternoon, May 26.

Mr. and Mrs. John Lachovitzer and children came up from St. Paul, Tuesday, for a visit at the home of her parents, the Wenzel Kryzers, he expecting to remain only a few days while the family will stay for a couple of weeks or so.

There will be a dance in the new Munch town hall, northeast of here, on Saturday evening of this week, May 18, for the benefit of the Cedar lake ball team. Everyone is invited.

Loyd Bennett, who attends the Hinckley high school has been home a couple of days this week, northeast of town, suffering from "pink eye."

Misses Blanch and Eva tenderson and Mrs. Gilson autored to Hinckley on business, Tuesday morning.

John Pulkrabek left, Tuesday, for St. Paul on another trip to have his eyes treated.

Meadow Lawn

The McAdam and VonBash families have been afflicted with the measles the past week.

School closed in the Steve Smith school where Miss Alma Schurz of Pine City taught, last Friday with a picnic for children and parents, at which a fine time was had.

About a dozen neighbors and friends gathered at the M. K. Smith home, last Sunday afternoon, to assist him in celebrating his birthday, of which all hope he may have many more.

The boy scouts met at the Culler west last evening. The meeting of two weeks ago was interrupted by a brush fire at the Kalf place, which the scouts assisted in extinguishing.

The Meadow Lawn Sunday school was reorganized this week. M. K. Culler as Supl. and Asst. We understand Mrs. Brown is coming here soon.

The farm dinner at the Wenzel's last Saturday, about 70 being present. The program being largely musical. The Ayers car was out from Pine City, bringing John, Mrs. Schimede, Mrs. Cranton and J. A. Peterson. An enjoyable dinner was served.

Mrs. W. H. Culler has been enjoying this week from the results of falling down stairs last Friday night. In the dark she stepped into the stair "well" and fell a distance of about five feet. She was not seriously injured, which is a good news to everyone.

The Meadow Lawn and Cedar lake ball clubs crossed bats on the diamond last Saturday, last Sunday afternoon, and when the smoke has cleared the Lawners were found to have the long end of a 15 to 2 score. Our boys will be going to "take on" the Lawners which is what the birds about the Pine City is of course we do not expect to win—just want to give them a good time.

A patriotic program, to be followed by a dance, is to be given under the direction of Miss Anderson and the direction of Miss Prochaska's hall on Saturday evening of this week. The proceeds will go to the Red Cross.

Mr. McAdam and Father Leo will be up from Pine City to speak and it is hoped some also have outside musical talent present.
