ANNOUNCEMENT

To the voters and taxpayers of Pine County:

Having filed for the office of County Auditor, I thought it would be proper for me to make the following statement concerning myself and what I think are my qualifications for that office.

I am a farmer by occupation and live on a farm east of Sandstone and have resided there for the last fourteen years.

Because of the thought and attention which I have given these matters and because of these experiences, I feel that I am qualified to fill the office of County Auditor and perform the duties thereof economically and efficiently, and should I be elected to that office, I pledge myself to serve you faithfully and give you the best that is in me.

Trusting that you will see your way clear to give me your support, I am,

Sincerely yours, Andrew P. Edin

ANNOUNCEMENT

To the voters and taxpayers of Pine County:

FRED D. McMILLEN

924 Andrus Bldg., MINNEAPOLIS, MINN.

REPUBLICAN CANDIDATE FOR REPRESENTATIVE IN CONGRESS, 10th DISTRICT

Mr. McMillen has resided in Minneapolis over 20 years, he was born and raised on a farm near Clinton Falls, Steele County, Minn., and was educated at Pittsburg Academy, Owatonna, Minn., from which he was graduated in 1890, from which he attended school for two years in Colorado and Utah and then entered the law department of the University of Minnesota from which he was graduated in 1894 and has practiced law in Minneapolis since that time.

Mr. McMillen made the following statement of his political principles.

Over and above all else we must consider the welfare of our nation, first, last and all times. Let us never forget the words of our immortal republican leader, Abraham Lincoln, when he said that "the government of the people, by the people and for the people shall not perish from the earth."

"I have great confidence in the loyalty, ability and efficiency of the republican party and if elected I shall vote with its members in organizing the House of Representatives and be guided largely by its opinions and advice. Do the republicans of this district want a man to represent them in Congress who will not make this simple pledge?"

"Having spent much of my time on the farm my sympathies are with the farmers and I believe that the farmer should have the full value of the product of the soil and the laborer should have the full value of the product of his toil."

"Our laws should be so framed as to result in the most good to the greatest number. I am opposed to laws and conditions the primary object or effect of which is to make fortunes for a few at the expense of the masses."

If you have confidence in Mr. McMillen Vote for him June 17th, 1918.

County Sheep Men Organize

Gathering at Hinckley Sat. When Benefit of Organization Were Shown

Thirty sheep men were present at the meeting in Hinckley Saturday and organized a permanent county Sheep Breeders Association, making the temporary officers the permanent ones.

After short talks by Mr. Cole from the U. S. Department of Agriculture and Mr. Magnus Brown from the Minnesota Wool Growers Association at Farmington most valuable discussion was entered into by all present.

The points brought out by Mr. Cole were: 1. Every wool buyer must have a license from the U. S. War Industries Board.

2. The price to be paid is based on the price of scoured wool in Boston, July 30, 1917.

3. All wool is commended by the Government, graded by Government experts and valued by a Government committee.

4. About 75 per cent of the money can be advanced by the purchasing agent and the balance as soon as the wool reaches the Atlantic sea board 6 per cent interest is charged on money so advanced from time of sale till wool reaches sea board and 6 per cent is paid on balance from time wool reaches sea board till settlement.

The points brought out by Mr. Brown of Farmington, Minnesota, were: 1. The price for the average unscoured Minnesota wool would be from 60 to 70 cents.

2. Collective where possible saves freight charges.

3. Each pack should have shippers card and address made. The total weight should be placed on the bill of lading which you forward to buyer.

The local county association went on record as favoring the Minnesota Wool Growers Association at Farmington as the best place to ship to under present conditions because of a slight saving in freight from there direct to mills where used and because this is a farmers co-operative association, eliminating profits and handling.

This Association furnishes sacks upon request without charge except parcel post rates to your farm. Office No. 27.—Farming without a silo, is like keeping hogs without a pen. It can be done, but who wants to?

Office No. 38.—Cut-worm Bait.—Cut-worms are poisoned very readily by scattering a mash among the vegetables in your garden. This is made by using bran, 20 pounds; oats, 1 pound; cheap molasses, 2 quarts; oranges or lemons, 3; water 3 1/2 gallons. This is enough for 3 to 5 acres.

In preparing the mash mix the bran and poison thoroughly in the tub while dry. Squeeze the juice of the oranges or lemons into the water and chop the remaining pulp and peel to bits and add them to the water. Dissolve the molasses in the water and wet the bran and poison with the mixture, stirring at the same time so as to dampen the mash thoroughly. The flavor of the oranges or lemons appeals to the cut-worms or grass-hoppers and they eat large quantities of the poison.

The mash should be put on while fresh and since the cut-worms work at night the bait should be scattered in the evening. The cut-worms will eat and crawl away out of sight before dying. By scattering the poison sparingly in the evening the birds will not be so apt to eat of the poison. For grasshoppers, scatter in the morning.

from John Karmick, also of Rock Creek town, asking that he be set off from school district 82 to 23. Both petitions will be heard on July 8.

Nonparty Meets Closed

Sheriff, Fearing Trouble, Orders Two Nonparty Meetings Stopped

Nonpartisan meetings scheduled to have been held last Friday at Sandstone and yesterday at Willow River were prevented by Sheriff Hawley on Monday, June 17th, 1918. Have been a resident and a booster of Pine County for sixteen years, am amply qualified for the office I seek, and if elected my slogan will be, "Factors Returned Within 48 Hours."

It was stopped. That portion of the county was flooded with inflammatory papers against the meeting. Mr. Towley and others prominent in League affairs were to have spoken.

The Willow River meeting was to have been held at the Rupert Kenney farm, a mile east of town, and John A. Curry, advertised as one of the League's best speakers, was to have spoken.

Another League meeting was advertised to have been held in the Brook Park region on Tuesday, but seems to have been lost as no trace of it has appeared.

H. S. Graduation Exercises The army was crowded at the high school commencement exercises, last Friday evening; it was the largest attendance ever out to such exercises here. A class of 31 was graduated out of a total of 122 enrolled in the school—an unusually large proportion. Except for a class of 32, graduated five years ago, this is the largest ever graduated here or elsewhere in the county—there have been only three or four drop out of the class since it transferred to the high school.

THE FLY IS a DANGEROUS BEAST EVEN IF HE IS SMALL

If you should look at a common house fly under a powerful microscope and see what he carries with him on his legs and feet, you wouldn't want the beast to get anywhere near you or your children.

If you could follow a fly during just one day of its life, you would be more afraid than ever to have it around your house.

Others have done these things for you and told the dangers the fly carries into your home.

Everyone seems to concede that Elias Nordgren of Sunrise ought to be one of the legislative nominees in this district—and ought to be elected. He has served two terms with credit and will naturally be in position to do more than a new man, the coming season. Several matters will come up next winter which have been discussed and voted on while Mr. Nordgren has been a house member, and he will go into the fight with the benefit of the knowledge he has gained to his credit. Besides that, people know that he has voted right, nine times out of ten, in the past and can be relied upon to equally exercise his best judgement in the future. Elias is a farmer and most always lined up with other farmer members on legislation matters.

Brook Park Ball Club Shut Out

The Brook Park ball club shut out last Sunday and played the local club at the Fair grounds and were shut out by the score of 15 to 0. Kelsey, formerly a Three-1 league sneak-ball pitcher, took the mound for Brook Park, and "Red" Hoefler sent the sneak-ball sneaking over the right fielder's head 3 times out of 6 times up while Yost sent the sneak-ball sneaking over the left fielder's head 4 times out of 6 times up. Edin was sent to the mound for the locals and delivered nicely, holding his opponents to 5 scattered hits. Following is the line up:

Brook Park—Klement c, Johnson 3b, Kruse 2b, Kelsey p, Anderson 1b, Hanson cf, Nelson lf, Parson ss, Hoefler rf.
Pine City—Kalb 2b, Benda ss, Yost c, Hoefler 3b, Edin p, Kowalko 1b, Hinz lf, Gross rf, Pechacka cf.
Brook Park 0 0 0 0 0 0 0 0 0 0
Pine City 0 0 0 0 6 3 0 x—15
Kelsey and Klement; Edin and Yost; hits of Kelsey 21, Edin 5; struck-out Kelsey 7, Edin 11; base on balls Kelsey 4, Edin 1. Ump. Gray-Goltz.

East of Pine City

The infant child of Mr. and Mrs. V. Vachek, which had been taken to St. Paul for treatment by a specialist, passed away there last Thursday, the remains being brought home and interred in the Bohemian cemetery on Saturday.

Charles G. Webber and Miss Emily Polk were married by Father Leo with high mass in St. Mary's church, Pine City, at 10 o'clock Wednesday forenoon, being accompanied to the altar

by Miss Margaret Haggerty and Daniel Rosum. The ceremony was witnessed by a number of relatives and friends and was followed by a wedding dinner at the home of the bride's parents, Mr. and Mrs. Jas. E. Polk, at which about 20 sat. They will settle at once on the farm of the groom's parents, the Barney Webbers, who plan on moving to town.

—MAKE W.S.S. PLEDGES— North of Pine City

An effort is being made to arrange for a 4th of July picnic at Pokegama lake for folks from all over this end of the county and part of Kanabec. The POKER is unable to give details at this time but they will probably be forthcoming in time for next week's paper.

A dance is to be given in the Wm. Tucker barn on the west side of Pokegama lake on Saturday evening of this week. Purchasers of tickets will get a chance on a wool sweater which is to be raffled. A good time is assured as the proceeds will go to the Henriette Red Cross.

—MAKE W.S.S. PLEDGES— Pine City Red Cross Notes

The regular monthly meeting of the directors was held at the home of Dr. Wiseman, Monday evening. The bills of the Mercantile Co. for \$324 and of the Pine City Hardware Co. for \$156 by R. C. supplies were allowed. The work committee reported the shipment of 25 hospital shirts, 102 slings, 19 sweaters, 17 wash cloths, 10 helmets, and 65 pr. socks during the month. The secretary having received notice from the county chapter that an allotment of \$10 was due from this chapter for the comfort kit fund, the amount was ordered paid. An offer being received from Mr. Folsom to send The Pine POKER to all men in the national service from the Pine City territory as outlined for the Liberty Loan drive. The offer was accepted and Mrs. R. L. Wiseman was delegated to prepare a correct and complete list of the men and their addresses and to see that wrappers addressed to them are furnished to Mr. Folsom each week. The secretary made the following financial report for the month of May:

The Ladies' Aid served a public lunch in the church lecture room on Thursday afternoon.

The "Patriotic Dry Rally" held in the church last Sunday morning was well attended and it is safe to say that many were disappointed with the address of Dr. Madison Swadener. The pastor accompanied him to West Rock in the evening.

The C. E. meeting is held at 7 p. m., and the evening service follows at 8 p. m. It is hoped that many will form the Sunday evening church habit for soon we will be having those enthusiastic union meetings in the park to which we should all be looking forward.

Children's Day exercises will be held in the Presbyterian church next Sunday morning, June 9th, beginning at 10 a. m., a short talk by the pastor as a part of the program taking the place of the regular morning preaching. An annual feature of our Children's Day exercises has been the baptism of infants. Any family having young unbaptized children, where one or both parents are professing christians, is urged to arrange with the pastor for their baptism on next Sunday morning. All parents or friends of the children of the Sunday school are especially invited to be present.

Prayer meeting will be held Thursday evening at 8 o'clock.

The Woman's home missionary society met at the home of Mrs. Royal Hunt yesterday afternoon.

Rev. Lars was at Cloverton, Tuesday, to attend the eastern Pine county Sunday school convention, being the only delegate from this place.

A special meeting of the Queen Mothers will be held at the home of Miss Jennie Kliger on Saturday evening at 7 o'clock sharp. The meeting will not last long but there is urgent business to transact and all members and those interested are urged to attend.

Sunday services—Sunday school at 9:45 a. m., morning worship at 11 a. m., Epworth league at 7 p. m., evening worship at 7:30 p. m. Mrs. Pennington will lead the Epworth league. At the evening service the pastor will deliver the third in the series of War addresses. The subject will be "War and Immortality."

Why a Book of these "A. B. A." checks is the handiest way to carry Travel funds

American Bankers Association Checks are readily accepted by hotels, railroad and steamship companies, and the best merchants, and are convenient to use in payment of travel bills as well as for ordinary expenses.

Another convenience is in the simplicity of identification. All that is necessary is the counter-signature of the owner in the presence of the person accepting the checks.

The compactness of a wallet containing convenient denominations of \$10, \$20, \$50 and \$100, makes the checks easy to carry. They are the safest travel or emergency "money" bank.

WAR SAVINGS STAMPS

We

"Help the government win the war."
"Get our money back with interest when the war is over."
"Will have learned the lesson of thrift and will have acquired the habit of saving, making us a better nation than ever."
"Will have the satisfaction of knowing that we have done something that helped to make this country—of which we are all so fond and to which we are all devoted—to be victorious, and that we have substantially backed up our boys that have gone to defend our rights."

Eastern Minn. Power Co.

It Isn't Money

Alone, that we need to save—the money will still be in the county and obtainable after we have given the government forty cent we can scrape—and it will keep coming right back to us. What we must save, though, is material—foods, clothing, building material, etc. The governments urges—and will require this.

BUY QUALITY GROCERIES

The way to SAVE is to buy Quality Goods, which give you most for the price. A can of good vegetables is worth 2 cans of poor ones, and costs little more.
