Poker Receives Many Letters

Many Are in Favor of Getting
Together to Discuss
Co. Affairs

We have received many letters in answer to The Poker's letter to the taxpayers in last week's issue. All answers are in favor of some action toward a survey of taxes. We are printing a few of the letters received, it is our desire to have the matter discussed from both sides and will be pleased to give anyone ideas to the public. Commissioner Gust Anderson is preparing a short review of last year's county business, which will be in next week's issue. In his opinion the village, town and school taxes are excessive and the cause of the high taxes this year.

The following letter was received from Geo. G. Wallick of Hinckley:

The Pine Poker
Dear Sirs:—

Your article to the taxpayers of the county is a move in the right direction and such a committee composed of the right men could save Pine county thousands of dollars.

As a tax payer of Pine county I am willing to give some time to help organize any movement that will help to better the condition of the people of one county. J. J. Madden of Pine City writes:

"Dear Sir:—

I think your remarks on the tax questions were quite the thing. I wonder if those high tax advocates are satisfied. A general meeting should be called.

A general lack of interest has put the taxpayers where they are. Henry Staacke, former county commissioner expresses his idea.

Pine Poker, Dear Editor:—

"In reply to your issue of last week's Poker in asking the taxpayers of Pine county regarding a committee composed of men from various parts of the county to make a survey of Pine county taxes, and business, and see if it isn't possible to suggest feasible plans for conducting Pine county affairs so as to tend toward the lowering of taxes?"

I for one would like to say that under the present conditions of rules and system of laws, conduct of town and county affairs we can't expect anything else than high taxes, because we, the people of our towns and county, voted them in for convenience if the people wanted good schools and voted them, they have to pay. If a certain town wanted to build bridges and roads for the coming year and voted them, they have to pay. Also for the county if our county commissioners bond our county (which they have done for the last 2 years regular) and pretty heavy too, in order to build roads and bridges for our convenience we have to pay.

I never in all my life in Pine county (and that has been since 1886) have I heard of paying any taxes, and always did pay them in advance, and very sure am one of the biggest taxpayers in our town of Royalton.

I would like to say that I don't believe in building roads and bridges in our county under the present conditions, because, our county hasn't enough control and power to do the work and therefore very near 1-2 of money goes away for blueprints and engineers work before they ever start to build, also I don't believe in controlling all the road building thru our state by one man and still our commissioners pass a resolution at their last meeting backing up this one man system before the legislative session. I think they had the right idea in the legislature in getting in that responsible of men—several men Men of experience from different parts of the state so as to get better results for every county. Don't you think so, brother taxpayer?"

You stated, the county tax is 10.78 mills for the past year and believe me it will be higher yet for the coming years, according to the reports of work still unpaid. Also to maintain the Poor farm but I do believe that every taxpayer should pay according to his valuation and give the assessor or town board the power of calling on them if they neglect to pay their part of the tax.

We do want good schools, roads, waterworks, etc. for our country and we must pay for them, and remember we live in a little different time of life than we did 25 or 30 years ago, when we didn't have all these conven-

ences and had low taxes. I remember my tax used to be \$10 on my home and 100 acres which is now over 10 times as much, in other words, let us pay our tax, every one alike, and use the power of our vote to control these taxes to the best interest of us all.

Bureau Ask Out in Rail Rates

Reduction of railroad rates put into effect in the United States as a result of the interstate commerce commission's emergency decision granting increased volume to carriers is to be demanded by the organized farmers of the country through the American Farm Bureau Federation.

Having demonstrated the power of the American farmers to help shape national policies, by fighting the increase asked by the railroads, and obtaining from the commission a reduction of \$17,000,000.00 in the valuation set by the road themselves, the federation has begun the assembling of data to be presented with this request for lower rates. J. R. Howard, president of the national federation, announced in a communication received by the Minnesota Farm Bureau Federation today. Repeal of certain provision of the Cummins-Esch bill will be asked.

The federation's representatives, appearing practically as the sole spokesman for agriculture in the rate increase hearings, forced concessions and actually saved American shippers and consumers \$200,000,000 a year. Mr. Howard said, "The farmers share of that saving alone would run the American Farm Bureau Federation for 200 years," he said.

The federation's action on present railroad rates is to take the form of a demand for changes in sections of the Cummins-Esch act which provides that the railroads may adjust their rates to obtain a 1-1/2 per cent on their capitalization, and an extra 1-2 per cent for equipment.

While this bill was up in congress, on behalf of the farmers, I bitterly opposed these provisions, Mr. Howard said. However, the matter was compromised. The guarantee provision was passed at 5-1/2 per cent for two years, when it expires by statute. This limitation was disappointing to the farmers, and really a victory for the farmers. The one-half per cent for equipment, however, I have always contended to have been rank class legislation. It ought never to have gone through, and must be repealed at the earliest possible minute.

The interstate commerce commission put the rates entirely too high. They themselves stated that except for the emergency they are too high and that they can be very easily lowered. We have a man at work on this transportation question now and at the earliest possible minute are going to urge a reduction of rates.

Court House Catches Fire

The roof of the court house caught fire Monday morning about 9 o'clock but was extinguished before any damage had been done. Janitor Tom Ling was burning some paper and stepped out to see if everything was alright when he discovered the blaze which had started on the roof next the chimney from sparks.

The fire department was called by Mr. Ling and extinguished the fire with hand chemicals so that it wasn't necessary to use the department chemical.

JOHN HOLLER LAID TO REST
Funeral services were held by Rev. Barnes at the Hustletown church last Saturday, and interment made in the Woodlawn cemetery for John Holler who passed away at his home at Cloverton Wednesday of last week.

John Francis Holler was born Jan. 12, 1851, in Indiana, and died Jan. 24, 1924, aged 73 years and 14 days.

He came to Pierce County Wisconsin and was married to Lucy Wickett May 28, 1874. To them were born eight children, six of whom survive him. His first wife and two children died several years ago. The living children are: Fern of Pine City, Alvin Bendwell of Ball Club, Minn., and Ernest, Clarence, Sylvanus and Mrs. Gertrude Guldard of Cloverton.

Deceased was married to Mrs. Emma Milligan in 1913 and they have lived in Cloverton where they have many friends.

Card of Thanks
We wish to express our thanks to our many friends and neighbors for the kind assistance and sympathy at the burial of our brother and father—Mrs. Schuyler Killgore and Holler children.

Big Crowd at Entertainment

Nearly Two Hundred Ex-service Men Attend Legion
Smoker at Armory

About 200 ex-service men attended the entertainment given by the Legion Heath post at the armory, last Tuesday evening. Many came from North Branch, Buck City, Hinckley and Sandstone, arriving about 9 o'clock in time for the basket ball game and leaving about one a.m. after the big feed.

The basket ball game between the local high school and the alumni, was a little row in spots, the alumni taking the long end of a 22 to 13 score. The alumni quarter was composed of Arnold Kovack, Lester Wilcox, "Snowball" Bain, Ollie Klecker and Vernell Huber. The older boys had all the advantage in weight and snatched the class of ball they used to play.

Following the basket ball game the boys went to the Family Theatre where they were given an hour and a half of moving pictures. The main picture, a Western play, with the lassoing, shooting, fighting, etc., was a good one, but the crowd evidently enjoyed the comedy sketch best. It was one continual laugh and put the fellows in the best of good humor.

Then back to the armory—and they all went back too—for the main event of the evening, the "chicken boozeh" which had been prepared under the supervision of Frank Cassidy. Before supper was served, the crowd was treated to candy, cigars and cigarettes, a table being loaded with these good things to eat and smoke but it soon looked as if it had been swept by a cyclone.

Tables had been set in the balcony, the boys were lined up and filed in a half chicken feast where they were given a big dash of boozeh such as grandfathers used to dream about. Sandwiches, coffee, beans, olives and all the things completed the banquet. And sat, my god! but we won't say anything, we were there, and sure enjoyed getting outside of our share. There was more than enough for all and if anyone wasn't filled up to the brim, it was his own fault.

The post band was on hand and furnished music during the game and at the theatre. The music was very good and added much to the evening's entertainment.

Those in charge of the affair are to be congratulated. Every thing went off like clock work and many were the words of praise from the visitors for the program provided and the mastery way in which everything was handled. Affairs of this kind not only bring the members of the post closer together but creates a fine friendship with the visitors from the other towns.

The factor can be a tremendous gain for good in any community and a live Legion post means a live town.

Live Stock Assn. Meets Feb. 26

A meeting of the Board of Directors of the Pine County Livestock Breeders Assn. was held at Hinckley, Saturday, January 26th. The main object of the meeting was to outline the work of the association for the coming year.

The main topics brought up for discussion were, cow testing association, tuberculin testing, and Boys and Girls' club work.

Plans for a sale this coming fall and also for a picnic to be held during the summer were discussed.

All those questions will be brought up for further discussion at the annual meeting and everyone interested in promoting better livestock, which means the promoting of greater prosperity for Pine Co. should be present at the annual meeting to be held at Hinckley, on February 26th at 1 o'clock P. M. sharp.

Committed to St. Peter

Sheriff Hawley and Deputy Stephen took James Falen of Sturgeon Lake to St. Peter last Saturday night. He was brought to Pine City, Friday, and given a hearing and examination before Judge Wilcox Saturday morning commitment being ordered by the probate court.

First National Bank OF PINE CITY

Income Tax Returns

Once more we are prepared to help our customers with their income tax returns.

Blanks should be in by March 15th, and we shall appreciate it if you will come in and have the returns made out as soon as you can.

Last year so many put it off until the last week before the returns were due, that it was hard to give all the excellent service we try to give at this Bank at all times.

Mrs. John Jelnek returned from Chicago, the first of the week, after a 3 or 4 weeks stay there, taking medical treatment. Her health is much improved we understand.

Mrs. Paul Perkins returned home from the Twin cities the latter part of last week, where she spent a few days attending to some business matters.

Lee Ardner, son of Lee Ardner, came home Tuesday, for a visit with his folks here. Lee has been in the navy the last four years and has received his discharge. He is undecided as to his future plans.

Mrs. E. J. Prochaska left yesterday Wednesday for Minneapolis where she will visit for a few days at the home of her parents. Miss Ruth Wiseman will go to the city the last of this week and return with Mrs. Prochaska.

Mr. and Mrs. J. Y. Breckenridge go to St. Paul next Monday where John will attend the druggists convention. They will attend the big banquet to be given Monday evening.

Miss Nora Wilcox came home Tuesday and will remain here until next Monday. The spring examinations are being held at Macalester college and as she had completed her exams she was given a week's vacation.

The Pythian Sister met in the K. P. hall last Tuesday evening and initiated Mrs. McEachern as a member of the lodge. Refreshments were served following the work.

They have quite a number of applications for membership and will meet twice a month so as to speed up the work, we understand.

The annual meeting and election of officers of the Pine City Automobile club will be held in the club room tomorrow--Friday--evening. A full attendance of members is urged. They will also elect a delegate to attend the state convention to be held in St. Paul, Tuesday of next week Feb. 8th.

Elmer Carlson arrived from Crookston, the first of the week, and assumed his duties as butter-maker of the local creamery. He has rented the old Holms house from Frank Gert and will move in as soon as their furniture arrives. Mr. Gert purchased the place from Mr. Helms following the fire, and has remodeled and repaired the house.

Wm. Stratton returned Sunday from Manicota where he has been visiting at the home of his parents since before Christmas. He and Wm. Koentz are busy this week moving onto the old Pino farm, 2 miles northwest of Loran, which they purchased last year. They have quite a few cows to start with and expect to run a dairy farm.

A large crowd attended the Lyceum number given by the College Players at the Family theatre last Monday evening. Their program consisted of musical numbers and a playlet, and was greatly enjoyed. Harry L. Starcke, the Electrical Wizard, who was unable to appear here in December, owing to sickness, will give his program here sometime in April. Ernest J. Powell, lecturer, comes March 9th.

Miss Amy Frost, 1st grade teacher, left for her home in Ortonville, Minn., last Monday noon on account of being taken ill. There is some doubt as to whether she had small pox or a mild form of chickenpox. There has been considerable small pox throughout the country this winter but so far Pine City has escaped. It has spread in other communities through lack of quar-

antine and any cases found here should be closely watched and a strict quarantine maintained. A chance of preventative is worth a pound of cure. Dr. Wiseman, local health officer informed us this would be done.

Fourteen candidates were given their second degree in the K. P. hall last night. A class of the same number will receive the next week.

Herman Borcher accompanied his mother to the city today where she will see a nerve specialist and may possibly require medical treatment for awhile.

About 15 couples attended the married folks dance in the club rooms, last Friday evening. The dancers partook of supper at a hotel's restaurant, following the evening's dancing.

Mrs. Wallace and her daughter, Mrs. August of Minneapolis are expected Friday to spend the week end at the home of Dr. and Mrs. Walter.

Mr. John Greenley returned home from the Rush City hospital last week after a short stay there for medical treatment. Her health is not improving as well as was expected however.

There will be a dance in the Avon school house 4 miles north west of Pine City, next Saturday evening, February 5th. The Rock Lake orchestra will furnish the music and a good time is assured those attending.

The annual meeting and election of officers of the Development Association will be held in the club rooms next Monday evening. Plans for the coming year will be discussed and there should be a full attendance of members present.

Gilbert Olson, son of Mr. and Mrs. Julius Olson was taken to the University hospital, Minneapolis, with a severe attack of appendicitis. He was in a critical condition but is getting along all right, we understand.

The lecture of J. Adam Bede, at the opera house last Monday night, was by far one of the best things presented on the lecture platform in Carthage in many a day. It was great and just what we had expected of Bede. More

five him would bring the lecture circuit back from dead into which it had fallen--Carthage News, Carthage, S. D.

Many new arrivals came to the community last week to brighten many homes. Among them was a girl Jan. 22nd at the Alexander Pangerls, Jan. 24th a boy to the Levi Ostmans, Jan. 26th a girl to the John Elmers, Jan. 27th a boy to the Albert Andersens, boy to the W. H. Bakers, Jan. 28th girl to Wm. Busseinsens, Jan. 30th a boy to the W. E. Sperlings and a girl to the C. H. Barrows home.

The Piker joins in a welcome to the new arrivals.

William Desmond, who plays the jealous Mr. Hawkins in the Associated First National screen version of "Twin Beds" which Mr. and Mrs. Carter DeLavan are starred in at the Family Theatre is a popular star in his own right. Mr. Desmond has been working continuously in pictures for four years without a breathing spell. He had planned to take a one vacation and tour the country with his family when along came Carter DeLavan and carried him off for this part in "Twin Beds".

Mr. Desmond is now planning on organizing his own company and making his own pictures as a solo star.

Pine City whist players were entertained at a return party at Rush City, Thursday evening, Jan. 20, the local hosts for the evening being Dr. C. E. Gray, M. J. Moses, Henry Meyer, Alex Sjoedin and C. H. Sommer. Six o'clock supper was served at the Grant House and Norwegian whist was played in the evening at the residence of Mr. Sommer where coffee and lunch was served later. There were 24 men guests present, those from Pine City being Roy Carlson, Carl Holmberg, O. Sobelien, A. W. Gunn, Dr. Walter, Fred Jordan, E. P. M. Dr. Wiseman and G. W. Staacke. The result was a draw in which the Pine City guests had the advantage in points, 520 to 509--Rush City, 515.

Pine City won an easy victory from Rush City in the basket ball game, when the local High defeated the visitors by a score of 55 to 7. Jim Hawley was in the lineup and showed considerable speed. With a couple of more years experience and some more weight he will make a good player. The summary of the game is as follows: Leon Lincoln, Woodrow Hawley, E. Babcock, C. Therrien and Herdina G.; Visitors, Moulton and Erwin G. Jeffrey C., Stream and Western J. G. Goss, Pine City 25, Rush City 3; goals from free throws Pine City 1 out of 5, Rush City 1 out of 4. The next game at Pine City, Monday evening, Feb. 14th, with Forest Lake. North Branch canceled the game scheduled for Feb. 4th.

Lutheran Church Notes Services in German next Sunday morning at 10:30 and in English in the afternoon at 2 o'clock. Rev. Heinke of Wyoming will preach.

We have many bargains on hand yet. Take advantage of our prices and buy now. The children will soon need spring dresses. We have some real bargains in dress goods, also ready-made garments for both girls and boys.

HOW WOMEN AVOID SURGICAL OPERATIONS Some Are Extremely Necessary, Others May Not Be Every Woman Should Give Lydia E. Pinkham's Vegetable Compound a Trial First

Chicago, Ill.—"I was in bed with female troubles and inflammation about me and had four doctors but none of them did me any good. They all said I would have to have an operation. A druggist's wife told me to take Lydia E. Pinkham's Vegetable Compound and I took 22 bottles, never missing a dose and at the end of that time I was perfectly well. I have never had occasion to take it again as I have been so well. I have a six room flat and do all my work myself. My two sisters are taking the Compound upon my recommendation and you may recommend it and I will be glad to mail you a free trial bottle and I will write to any one who wants it. H. HAYDOCK, 624 St. Lawrence Ave., Chicago, Ill."

Burlington, Vt.—"I suffered with female trouble, and had a number of doctors who said that I would never be any better until I had an operation. I was so bad I could hardly walk across the floor and could not do a thing. My sister-in-law induced me to try Lydia E. Pinkham's Vegetable Compound and it certainly has helped me wonderfully. I feel now as if I would like to have a small child. I have recommended Vegetable Compound to a number of my friends and you may publish my testimonial."—Mrs. H. R. SHAW, Apple Tree Point, Burlington, Vt.

In hospitals are many women who are there for surgical operations, and there is nothing a woman dreads more than the thought of an operation, and the operation and pain. Sometimes the cause of the trouble is not a serious displacement, tumor or growth, although the symptoms may appear the same. When disturbing ailments first appear take Lydia E. Pinkham's Vegetable Compound to relieve the present distress and prevent more serious troubles. In fact, many patients have been relieved from women who have been restored to health by Lydia E. Pinkham's Vegetable Compound after operations have been advised by attending physicians.

Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

Many a Pretty Face Spoiled by Pimples

Not only are these pimples and spots disfiguring, but they lead to serious skin diseases that spread and cause the most disconcerting irritation and pain. Sometimes the trouble is not a serious displacement, tumor or growth, although the symptoms may appear the same. When disturbing ailments first appear take Lydia E. Pinkham's Vegetable Compound to relieve the present distress and prevent more serious troubles. In fact, many patients have been relieved from women who have been restored to health by Lydia E. Pinkham's Vegetable Compound after operations have been advised by attending physicians.

By cured by lotions, ointments, salves and other local remedies, as they can not possibly reach the source of the trouble, which is in the blood. It is a fact that 95% of the people who suffer from pimples, spots, eruptions and other ailments, are cured by the use of our special medicine. Write to our Medical Director, 152 Swift Laboratory, Atlanta, Ga.

ROPE SUPERIOR TO LEATHER SPECIAL MEDAL FOR THIS DOG

Fibrous Material Rapidly Supplanting Belting in American and European Mills and Factories. The supply of Carnegie hero medals would soon give out if all the brave and thoughtful dogs were remembered. A St. Bernard in the town of Everett, Mass., named after a famous snowbound traveler and his Alpine monastery, has just effected a triple rescue that entitles him to whatever accolade can be offered in the way of canonization, to match the name of the saint that his devoted breed already bears. First he woke up the families in two apartments by his loud barking when a fire broke out, and then, having started human beings on their hurried exodus to safety, he darted back through the smoke, got the family cat, which had been forgotten in the excitement, and responded with his tribal wailing in his mouth. Would all human beings have been so magnanimous?—Philadelphia Ledger.

You Will Like INSTANT POSTUM

Because of its attractive flavor and real economy. There's no waste because it is prepared instantly in the cup by the addition of hot water, and you can make it strong or mild to suit individual taste.

Instant Postum Economical—Healthful Satisfying Made by Postum Cereal Co., Inc., Battle Creek, Mich.

HAPPENINGS IN GOPHER STATE

News From All Parts of Minnesota Given in Condensed Form.

EVENTS BRIEFLY TOLD

Where Busy Readers Will Find News From All Parts of State Thoroughly Chronicled in Their Benefit.

Waseca—The Waseca county fair will be conducted here Sept. 12, 14, 15 and 16, according to announcement by the fair board.

Northfield—Dr. William A. Hunt, active in state economic and medical circles, died at his home here, following an illness of several months.

Detroit—W. H. Griffin, age 86, and his wife, age 84, passed away at their home here on the 21st after a six to four years' married life.

Minnesota—The price of gasoline has fallen in several districts during the week, and was marketing at filling stations at 24.2 cents a gallon.

Jackson—W. J. Tucker was found guilty by a jury in district court here on a charge of murdering Sheriff T. J. Mackley of Nobles county. The jury deliberated two and a half hours.

Madricka—Veterans at a special election here have acted favorably on a proposition to issue \$500,000 worth of bonds for rebuilding the public school building which was destroyed by fire a few weeks ago.

Duluth—Arrest in Montreal, Que., of George Brown, a Canadian engineer, valued at \$300,000 from the Val Blatz Trucking company, marked the culmination of an international search by Duluth authorities.

Sleepy Eye—The Sleepy Eye Milling company has announced its plans which will be closed Feb. 15 because of lack of export trade. Three other mills in several sections of the state also will close.

St. Paul—Erection of a livestock exposition and sales building to cost \$200,000 was approved by the board of South St. Paul by L. E. Potter, president of the Minneapolis Farm Bureau federation.

Rochester—A. D. Wilson, state director of extension work at the university farm, was the chief speaker here at the annual meeting of the Olmstead county farm bureau, attended by 300 farmers.

Stibbidge—Charles T. H. Maher poured 20 gallons of moonshine into the St. Croix river. Judge J. N. Sennece ordered Maher to pay \$100 in sugar and cornmeal seized, a still raid, said at auction.

Minnesota—Dean Alfred Ovre of the college of dentistry, University of Minnesota, has returned from India, where he was elected president of the Dental Faculty Association of American Universities.

Winona—Fred L. Harrigan, local manager of the National Telephone company, was found dead in his office at the telephone exchange shortly after he came to work.

Stillwater—The Washington County Holstein breeders elected R. W. Mead, Stillwater, as their president, and J. Broeking, Stillwater, as secretary and treasurer.

Hastings—At the annual meeting of the Hastings Creamery association here, E. Lillis, was elected president, Frank Karsten, Hastings, vice president, John Conzimus, treasurer and C. O. Henry, secretary and manager.

Minneapolis—A local branch of the National No-Toxic tobacco company, which purports to abolish the use of tobacco, will be formed in Minneapolis within the next ten days. E. J. Williams, of Will. Minn. Field, secretary, said.

St. Paul—T. J. Okerson, Gladstone, a dead in St. Paul, was buried here at the Riverside crematorium when he was run over in quick succession by two automobiles. He suffered a fracture of the skull and a broken back.

Minneapolis—Members of the Minnesota Retail Clothiers association will meet at the Radisson hotel, Feb. 22 and 23 for their annual convention. E. J. McLeod, chairman of the entertainment committee, announced.

Cookstoun—The second annual convention of the Minnesota Red River Valley Development association will be conducted here Feb. 19. This year's gathering is expected to be the farm marketing fore-runners. The grain and potato exhibits will be the largest in number in the history of the show and the livestock will tax the accommodations, even with the new big addition built last year. The outstanding feature of the program will be the farm marketing question. So great has become the interest in this subject that the major portion of the time for two full days will be given over to the subject.

Rochester—The Builders' and Contractors' association announced that from this date, their business would be conducted under the open shop plan. Practically every contractor and builder in the city belong to the association.

Minneapolis—A gain of 2.68 per cent over 1919 was shown in the birth records for 1920, according to Dr. F. E. Harrington, city health commissioner. There was 51 per cent increase in the death rate in the same period. In 1920 there were 9,163 births and 4,715 deaths.

Worthington—Plans are now being made for a district Baptist meeting here early in March under the direction of the National Methodist conference of the Baptist church. Worthington has been selected as one of the five points in Minnesota where similar meetings will be conducted in which churches in the surrounding district will send delegates.

Owatonna—Owatonna has been selected for the country-wide school reclamation contest Feb. 11. Teams entered will represent Hayfield, Dodge Center, West Concord and Waseca. Winners will go to the district contest.

Watching the Work of the State lawmakers

FARMERS FOR MEASURE

St. Paul—On part reports of the first primary referendum conducted in this state, the Minnesota Farm Bureau federation announced its support of three measures involving marketing matters pending in the legislature.

As a result of the referendum, reported by the state federation will appear at a joint hearing of the house and senate committees. They will urge passage of the public market bill compelling boards of trade or chambers of commerce to admit farmer selling agencies to membership in cooperative associations and other dealing bill, which defines gambling contracts in the sale of agricultural and other farm products.

Return from the counties that have reported to the federation calling for a referendum were unanimous in their support of the grain marketing and board of trade bills. Only one county returned in opposition to the establishment of Minnesota grain trade.

While the referendum bill is under way in many counties, the unanimity of the returns received up to now count for 5,000 more of the state federation, it is an indication that farmers are in their own mind that contracts for future sales of farm products, without intention of actual delivery, be declared illegal.

Both a so-called grain marketing bill and the bill to admit cooperative boards of trade bills are being opposed by a massing of 500 farmers at Hastings. Among the other farmers who have reported unanimously are: Waseca, Kilton, Dodge, Traverse, Blue Earth, Nettie, Medicine Lake, Grant, Carlton, Dakota, Rice and Benton. The Yellow Medicine county board adopted a resolution stating that punishment for violation of the grain marketing bill be made more drastic and providing "that gambling in future grain be made a felony punishable with imprisonment for one year in the state penitentiary."

The house marketing and the Senate grain bills are expected to meet a joint meeting to consider the bill to make the grain exchanges open market, opening them up to co-operative associations of all kinds. The committees will consider the anti-trust bills.

The hearing of two public hearings, the two committees will consider the measure and make their reports to their respective house and senate. The House committee on marketing will report the bill in the near future. Minnesota grain men are prepared to protect their interests, they will open the Chamber of Commerce to any type of cooperative organization, but they are opposed to anything that distributes its profits.

FOR BLUE SKY LAWS CHANGES

Abolition of the present commission administering the blue sky laws and institution of a securities commission composed of a commissioner and two trustees is recommended by the governor for a term of two years, is proposed in a bill introduced in the assembly by Senator J. D. Sullivan of St. Cloud.

The salary of the commissioner is proposed at \$4,000 a year; that of the assistants, at \$3,000 a year. The bill is also otherwise amended. A commission consisting of the public trustee, the state superior, the chief justice, the attorney general and the insurance commissioner now administrators the law.

WOULD AFFECT BONUS ACT

Representative A. B. Patterson, St. Cloud, introduced a bill in the Minnesota house to extend the soldiers bonus law to veterans of the Spanish-American war. Under this bill, every soldier returning from the Spanish war in 1898 would receive compensation now at the rate of \$15 a month. The bill appropriates \$47,000, which would be made up by the state.

Bi-Monthly Pay Asked

State employees, now paid once a month, would receive their pay twice a month, \$12 a day for services in H. P. 327. Hereafter they have \$1 per day and it has been difficult to secure men for work without compelling them to accept.

State Aid for Women War Workers

Women who participated in war work and are over 21 years of age and had of \$200 for study at the University of Minnesota under S. P. 209, introduced by Senator J. B. Ford, Hereafter only one woman were given this privilege.

MERGE ORE TAX BILLS

House Committee Will Appoint Sub-committee To Draft Compromise Tariffage Tax Bill—Authors of Bills Consultatory.

St. Paul—Indications are that the house committee on taxation will appoint a sub-committee of five members to draft a compromise ore tax bill for submission to the house.

A motion to this effect was presented at the committee's first meeting early this week, but it was withdrawn temporarily so mining interests would not be prejudiced by the passage of the ore tax bill which is in progress.

Representative C. M. Benckson and A. C. Wills, both of Duluth, met in conference regarding a compromise on their bill and both said that an agreement had previously been reached. "I should like to have a change in my bill," said Mr. Benckson. "I inserted the proposed tax of 8 per cent on the value of all other taxes," said Mr. Benckson. "I inserted that because the tax commission and Governor French are opposed to the ore tax bill which would be unconstitutional without that provision. However, I am not sure that the tax commission and judiciary committee may agree upon my bill as proposed."

The committee probably will frame its bill and have it ready for introduction in the house by the end of the month. "Consentation objects," who were forced to serve in the army will not share in the benefits of the Minnesota railroad bonus law.

The house once more made this plain when it voted by a vote of 36 yeas to 10 nays to pass the bill by which Otto Nolmer, Minneapolis socialist, removing limitations placed by the 1919 law on sharing in the bonus. The vote followed the most popular desire of the session.

Gladiatorial combats between man and beast would be an offense against the law under a bill introduced in the Minnesota House committee, which is to be introduced this week in the legislature. The bill is to prevent a fight with wild west shows at the State Fair, last fall, which aroused considerable adverse comment because of the rough handling of steers by the cowboys.

Prairie chicken hunters may have their hunting this fall. The senate in committee of the whole has introduced a bill opening the season for 1921. Fishing season may open May 15 in lieu of May 10.

Town road overseers, except in Hennepin, Ramsey and St. Louis counties, will receive \$4 a day instead of \$3, under a bill passed by the house on Monday. Even though the house defeated a bill changing the weight of corn on the scale from 56 pounds to 58 pounds in October and November and 75 pounds in December and January, the senate has adopted a similar measure.

The demand for alfalfa is heavy for the season. The alfalfa market is a steady price. Receipts for alfalfa at the Chicago market for the week ending Oct. 28, 1920, were 15,000 tons. The alfalfa market is a steady price. Receipts for alfalfa at the Chicago market for the week ending Oct. 28, 1920, were 15,000 tons.

Wool market depressed and declining. The wool market is a steady price. Receipts for wool at the Chicago market for the week ending Oct. 28, 1920, were 15,000 tons.

NEW AUTO LICENSE FEES On the basis of 300,000 cars to be licensed in the state under the Good Roads amendment of 1919, a plan for new tentative proposal will show \$52,227, it is estimated, or an average of \$174 per car. This is based on the following: The new tentative proposal will show \$52,227, it is estimated, or an average of \$174 per car.

LEGISLATIVE SIDE LIGHTS

Change of the open season for fishing from May 1 to May 15 is provided in S. P. 117, by Senator G. A. Turner of Long Lake. It was unanimously recommended to passage by the Senate.

Election judges and clerks in charter, operating under the provisions of H. P. 100, will receive 50 cents an hour for the present rate of 50 cents, under provisions of S. P. 75, unanimously passed by the senate.

Wearing an American Legion or other war veterans organization badge, when not entitled to or using the name of the veterans' associations for gain, is made a misdemeanor, punishable by a 60 day sentence or \$50 fine, by H. P. 107, introduced by Representative A. E. Noller and J. T. Sweitzer.

Women's organizations are backing the bill by Representative Arthur H. Peterson of Eden Prairie, making women liable for jury duty on the same basis as men. Having failed to secure other respect, leading women think their sex should assume the duty of sitting in judgment on their peers.

House file 249, backed by the Department of Agriculture and horticulture, provided that county boards "shall appropriate \$1,000 or one percent to each township in any township in which a forest fire was formed and \$1,000 raised therefrom be recommended for passage Wednesday.

A constitutional amendment abolishing the senate and providing for a house of 100 members to be elected every two years, was introduced by Representative F. E. Munn of Nettlesome. The members would be elected under the occupational representative plan.

The measure, valuating \$50,000 of paving bonds, issued by the city of Worthington, has passed both houses. The bond issue is \$50,000, a record for a city of this size. It was introduced by Representative F. E. Munn of Nettlesome. The members would be elected under the occupational representative plan.

Passes Rivers and Harbors Bill. Washington—The rivers and harbors bill, carrying a lump sum appropriation of \$16,250,000, was passed by the house on Friday. The bill will be sent to the senate. A motion to recommitt the measure was voted down, 205 to 129.

Four Turned to Death in Crash. Newark, Ohio—Four men were burned to death and three others seriously injured in a freight train wreck in Pennsylvania. The train was wrecked in a collision with a siding near here.

MADAO to Visit Obregon. New York—Mr. and Mrs. William W. Madao and Mr. and Mrs. Justus Haas and Jerome S. Hess, came to the financial agency of the Mexican government here, to accept the invitation of President Obregon of Mexico to be his guests at Mexico City.

Canadian Dias of Sleeping Sickness. Montreal—V. J. Moul, one of the most widely known statisticians in Canada, is in a city in the province of Quebec. He has completed the study of the statistics of sleeping sickness, issued by the city of Worthington, has passed both houses. The bond issue is \$50,000, a record for a city of this size. It was introduced by Representative F. E. Munn of Nettlesome. The members would be elected under the occupational representative plan.

"Made Me Well and Strong" ANOTHER WOMAN WHO IS THANKFUL FOR "BE-FE-FA" GENUINE "BULL" DURHAM tobacco makes 50 good cigarettes for 10c

FACTS OF SACRED WRITINGS Information That Will Be New to Those Who Have Not Recently Searched the Scriptures. The longest chapter of the New Testament is the first chapter of Luke; it contains 37 verses of the text. John, first chapter; the shortest is the longest verse in the Old Testament is the sixth verse of the eighth chapter of Esther; it contains 90 words composed of 226 letters. The shortest verse is the twenty-fifth verse of the first chapter of 1 Corinthians, consisting of twelve letters and three words. The middle verse is the eighth verse of the one hundred and eighth chapter of Job; it contains thirty-seven words and consists of 181 letters. The book of Job is the oldest book in the Bible and the twenty-first verse of the second chapter of Job contains all the letters of the alphabet, with the exception of "J." The thirty-fifth verse, eleventh chapter, of St. John is the shortest in the Bible.

Auto Heavy Toll of Death. According to statistics compiled by the National Safety council, three times as many people are being killed by automobiles as in all the factories, mines, railroads and other industries in America. The annual toll of automobiles is 11,000 lives. Each year, an average 1,000 persons killed and 3,000 injured.

The people who carry around \$50 to \$100 idle in their pockets, wonder why there isn't capital enough in the country to do business

CONDEMN HIGH PRICED STOCK FOODS

Prominent Hog Raiser Says Prices Charged are Unwarranted—Makes His Own Hog Food, With Better Results

"That he is all through paying fancy prices for stock foods and hog remedies and that he is raising some of the best hogs ever placed on the market" was the statement made recently by E. H. Beckstead, well-known hog raiser and authority on live stock.

Mr. Beckstead's hogs are the envy of his neighbors and have "topped the market" for several years in Iowa. He states that for years he bought high-priced hog foods and hog remedies, but he is all through paying extravagant prices for what he can make himself. He states that what the hogs need are minerals, and tells the secret of his wonderful success by explaining that he takes about five pounds of ordinary mineral (which is pure concentrated minerals and cost only a couple of dollars) and mixes same with enough bran or filler to make a hundred pounds. All hogs and especially brood sows require minerals as they keep them free from worms, and are essential to the hogs' growth and a well balanced ration. This inexpensive mixture placed in a sheltered bin where the hogs can get at it as they need it, will produce far better results than any high priced so-called stock foods.

Send two dollars to the Mineraline Chemical Co., 1518 North Wells St., Chicago, Ill., and they will forward you by prepaid parcel post, enough mineraline to make a full hundred pounds, adv

FARMERS CLUB WILL MEET

The Chengwatsana farmers club will have a basket social at the town hall, Saturday, Feb. 12th in the evening. All are invited and a good time is assured.

Honors Remained With Mule. While a circus parade was in progress at Kane, Pa., one of the elephants, thinking possibly to relieve the monotony of the occasion, gave its trunk a toss in the air and brought it down with a resounding smack on a mule that had been standing at the curb quietly watching the sights. In spite of the handicap of being hitched to a delivery wagon, the mule promptly wheeled about, took quick aim, and delivered two kicks with lightning swiftness. The kicks caught the elephant squarely on the hives. It stopped for an instant, but if it even momentarily contemplated further interchanges with the mule, it gave up the idea, and guided the parade with a dejected limp.—Philadelphia Record.

Old Friend Turns Up. "It seems to me I have already heard some of the stories told by this monkey!" "Perhaps you have?" "Yes!" "It's a retired bartender who has gone into vaudeville!"—Birmingham Age-Herald.

DOES YOUR BACK ACHE? I and I am glad to recommend them when I have noticed such attacks. It's usually a sign of sick kidneys. I had a steady dull backache and coming on and such time, Dean's kidneys acted irregularly. Some have prevented any return of the trouble. A disordered passage seamy or too thick. The kidney secretions passed freely. Don't wait for more too frequently and strain they were serious troubles. Begin using Dean's just the other way. Mornings when simply ask for a kidney remedy—get Dean's Kidney Pills—the same Kidney Pills brought me quick relief. B. G. Hays, harness maker, says: "I had and soon made me well. I that Mr. Haas had. Don't Dean's Kidney Pills helped me have used them several times since burn Co., Mfrs., Buffalo, N. Y."
