Pine City Auto Club to Lease Inglenook Inn for Club House

Plan on Summer Home for Club Members and Tourists

Negotiations are underway for the leasing of Inglenook Inn by the Pine City Automobile Club for the coming summer. The club plans on operating a country club house for the accommodation of its members and for the use of tourists.

A manager will be put in charge and meals served. It is hoped to make the place a real summer resort where tourists may either pitch a tent or rent rooms. There is as present in the main building and the cottages, sleeping accommodations for about 30 people.

The beach will be cleaned and bathing facilities put in first class shape. There is plenty of room for tenting accommodations. It will be a fine country home for club members and the main room of the Inn is plenty large enough to accommodate quite a crowd for dancing.

Pine City has all the natural resources for a first class summer resort. The use of Inglenook Inn by the auto club as they now plan will not only be a big thing for club members but it will be a long step forward toward advertising Pine City as an ideal place to spend vacations.

NOTICE

On account of the potato meeting at Pine City Saturday the Chemawana Farm Bureau Unit which was to have met Saturday afternoon has postponed their meeting and will meet Monday afternoon March 21st.

NEW THEATRE FOR RUSH CITY

Local movie fans and community boosters will hail with delight the announcement that Rush City is to have a new modern up-to-date movie theatre. H. R. Johnson of this city has announced that there is being formed the Rush City Amusement Corporation, which has purchased property and is letting contracts for the erection of a fine theatre and will start work as soon as possible.

The theatre is to be situated directly opposite the Rush City printing office and directly west of S. G. Johnson & Sons hardware store. The building will be 100 feet long and will seat 312 people. The building and equipment will be strictly modern in every respect. There will be a 10-foot, open foyer right up to the sidewalk which will be brightly illuminated at night. At the left of the lobby will be a refreshment, peanut and popcorn stand. The double doors will be of French design and of brass.—Rush City Post.

Card of Thanks

We wish to extend our heartfelt thanks to all our kind neighbors and friends, who so kindly assisted us in our recent bereavement and for their kindness and remembrances extended to our beloved son and brother, Floyd, during his illness.

We also wish to express our sincere appreciation of the many beautiful floral offerings, and for the tender sympathies and comforting words extended to us, in this hour of trouble.—Mr. and Mrs. J. K. Holland and children.

Spirit of St. Patrick Still with Us

Must Retrench

The foregoing article copied from the Dawson Sentinel, published by Hon. Theodore Christianson who is chairman of the appropriation committee of the lower branch of the state legislature, is a plain statement of state finances that is really an "eye opener" to the people of Minnesota.

We dare say that very few people in the state know that appropriations by the legislature are running up as is shown by the first table in the article quoted.

Nor do we believe that many know that the state is levying special taxes (most of them to pay state bond issues) in addition to the legislation appropriations, as is shown in the second table in Mr. Christianson's article.

We are amazed to learn that Minnesota tax payers are being asked to pay \$18 per year per head for every man, woman and child in the state during the coming two years—and we believe that every tax payer in Pine county will agree with us that it is time to retrench.

Our motto is "Keep the appropriations down to the 1919 figures—and cut them if it can be done."

"Other questions may be of more

any further affirmative action by the Legislature. These levies are as follows:

Soldiers' Relief	0001
State road and bridge	001
Soldiers' bonus	00179
Historical society building	00005
State Board of Relief	0001
Rasca state park land	00002
National guard armories	00005
University buildings	00012
Forest fire relief	00025
Teachers' insurance and retirement	00005
General school	001
General University	00023
Total	00057
Proposed state employees pension	00002
Possible total	00539

In addition to \$43,000,000 requests from the revenue fund, \$20,000,000 from standing tax levies, there will be raised during the coming biennium \$11,000,000 for the proposed Babcock road fund, making a grand total of \$74,000,000 which the tax payers of the state will be asked to pay during the coming two years for state purposes.

"That is 337¢ for every man, woman and child in the state—and federal, county, municipal and school district taxes are in addition to state taxes.

This sum will not be raised by

Plan Mardi Gras

A big Mardi Gras, so last two or three days, was suggested at the development association meeting in the club rooms, Tuesday evening. The plan as outlined was to hold a Mardi Gras carnival in the armory, next month, the proceeds to go toward a fund to build a bath house on Cross Lake near the armory.

Amusement booths, mask dance, fortune tellers, confetti and all that goes to complete a successful affair of this kind would be the plan. The proposition was favorably received by the club and a committee consisting of R. P. Allen, C. R. Boo, Webb Dodge and Roy Carlson was appointed to go into the details of the proposition and report back to the club.

Dick Lawrence of the Sully Ann Bakery gave quite a talk on horse industries in which he recommended cooperation of Pine City folks in boosting local firms. There was much food for thought in what he said and if the development association went no further than to help local business firms increase business and create a feeling of cooperation, by local merchants it would be rendering inestimable service to Pine City.

The securing of new industries for Pine City, was freely discussed and the officers were instructed to confer with the industries committee toward working out a plan of operation along this line.

The following committees were appointed for the ensuing year:

MEMBERSHIP—C. R. Boo, J. M. Collins, Wm. Challen, G. M. Pennington.

FINANCE—A. W. Gunn, Julius Dosey, J. A. Peterson, N. Perkins.

PUBLICITY—R. J. Hawley, W. S. McEachern, Frank Gottry, J. Y. Brockenridge.

TAXATION—J. J. Madden, F. J. Rybak, W. A. Sausser, Carl Holmberg.

Good Meeting

A good sized crowd attended the meeting, under the auspices of the Pine county health association, held in the Family theatre, last Monday evening.

Dr. Chesley, executive officer of the state board of health was the main speaker of the evening, and gave a thirty minute talk on public health conditions and the prevention and control of health diseases. He spent 16 months in Poland in charge of relief work for the Red Cross returning home last June.

Mrs. E. H. Long, president of the county health association, opened the program with a short talk and introduced Mrs. H. E. Dane secretary of the association, who gave a short review of the activities of the health association.

Miss Kohl, principal of the Pine City high school, spoke on the health needs of Pine City. Her talk was very interesting and her hearers were surprised and pleased with her ability as a public speaker.

Two five minute talks were given by Rev. Buckton and C. R. Boo. Following the showing of two Red Cross films, Miss Nicol, county nurse, gave a short talk regarding her work. A piano selection was given by Mrs. B. E. Carlson and a vocal solo by F. P. Gottry. Community singing was led by Mrs. F. A. Wiley, W. S. McEachern presided at the meeting. Miss James field secretary of the Minnesota public health association, was present, but did not speak. A collection was taken, amounting to over \$15.

The program, which lasted about 2 hours, was for the purpose of informing the general public as to the aims of the health association and was very instructive along health matters.

GRANTED DIVORCE

Evelyn Falconberg was granted a divorce from Jefferson Falconberg by Judge Searles of the district court, this week. They are former residents of Cloverton.

The case of Otto Engel against Gust Mahlen regarding a thousand dollars paid by the former on some and was taken under advisement by the court. Engel brought suit for the recovery of the money. Otto Soboka was attorney for the defendant and Moonan & Moonan of Waseca for the plaintiff.

A few other cases regarding the quieting of land titles were disposed of.

The next special term of court will be held April 19th when about 30 petitions for naturalization papers will come up for hearing.

CLINIC MARCH 30TH

Arrangements have been completed for a clinic to be held in the normal training room at the high school, Wednesday afternoon, March 30th when children between the ages of 5 and 16 will be examined. A doctor from the cities, the local doctors and county nurse will be on hand to assist in the examination. All parents should plan on having their children examined at the clinic.

Take advantage of reduced prices. Read the ads.

Well Known at the Bank

The farmer who has a connection with the Farmers and Merchants State Bank is always in a position of advantage; in years of prosperity and when conditions are adverse. The same resources that back the farmer in time of need, stand for his protection when he has money. This bank's Capital and Surplus afford ample loaning capacity for advancing the farmers' interests.

What can we do for you?

U. S. FARMERS' GIFT CORN NOW MOVING TO STARVING EUROPE

Forty million bushels of corn, long train loads from every state in the middle west and the gift from American farmers, are moving in shipments to the relief of starving children of central Europe and Asia. Carl S. Freeman of Bloomington Ill., former assistant secretary of Agriculture heads the committee named by the American Farm Bureau Federation. The corn is shipped first to great milling centers where it is ground into meal and then on to idle wooden ships commandeered by the farmers from the Emergency Fleet Corporation. The railroads, railroad workers and the mills have contributed use of machinery and work to the cause.

general interest to the people of the state; but none is of greater importance than that of state finance. The aggregate requests for appropriations from the state revenue fund, filed this year with the chairman of the Finance Committee of the Senate and the Appropriations Committee of the House, have reached \$43,000,000.

"Appropriations by the Legislature from the revenue fund have greatly increased since 1910, as will appear from the following table giving the total of appropriations made by each Legislature from that time:

1911 Legislature	\$17,652,308.33
1912 Legislature	19,094,768.37
1913 Legislature	18,019,503.40
1914 Legislature	21,833,923.16
1915 Legislature	32,044,923.26

Whereas, in 1915, the appropriations averaged \$2 per capita, in 1916 the average had reached \$3 per capita; and it will reach \$21.20 per capita in 1921 if requested appropriations are made.

"In addition to these appropriations from the revenue fund there are certain fixed tax levies, aggregating 5.4 mills, which will extract an additional \$10,000,000 per year from the tax payers of the state—levies which will be made without a direct levy on general property. Railway gross earnings, express, telephone, telegraph and insurance company receipts, inheritance and various other taxes will yield about \$13,000,000 a year, and automobiles will contribute about \$5,500,000 annually. But after deducting these from the grand total, there will be left a remainder of \$37,000,000—\$2 per head per year—to be raised by direct taxation on general property.

"Even the railroad gross earnings tax and other taxes of its kind are a charge against the individual tax payer, for indirectly he pays them. The automobile tax is none the less a tax because it is levied on a specialized form of property.

"The \$74,000,000 is not all spent for state purposes. Millions of this vast amount flow back to the people in the form of aid to schools and rural assistance and become a part of local revenue. However, the whole sum is collected through the state and is distributed through out the state to secure state-wide co-ordination, and, sometimes, a bail for local extravagance.

"The deductions to be drawn from the foregoing facts are obvious.

"First, it is necessary to put a stop to increasing expenditures, local, state and national; for taxes are rapidly becoming confiscatory where they are not already so.

"Second, taxpayers should not forget that they are paying many indirect taxes, which add to the burden of taxation.

"Third, state aid for local enterprises may be overdone; such aid should not be available as a means to encourage communities to assume activities which they would voluntarily assume if the money had to be raised locally, merely because state support is offered.

"Fourth, the activities of the state cannot be extended without increasing the cost of government. Undue extension of governmental functions destroy efficiency, discourage initiative, promotes bureaucracy and ultimately undermines democracy. There is still much virtue in the Jeffersonian adage that "that government is best which governs least."—Dawson Sentinel

The New Extra Low-Freezing

Red Cross Extra 20% Dynamite
Will Save This County Thousands of Dollars

DUPONT Red Cross Dynamite is now made so that it is practically freeze-proof. In any weather when you can work out-of-doors, it does not have to be thawed.

The introduction of 20% Red Cross in place of higher "strengths" will save the farmers of this section thousands of dollars, as it will deliver equal results at less cost. And this latest improvement in its low-freezing properties means that you can work in cold weather without the danger and loss of time caused by thawing. This will result in making possible larger gains every year against the common enemy of every man in this county—STUMPS!

See our local dealer and discuss with him your year's requirements. He will help you. 100-page Farmers' Handbook of Explosives containing full information regarding stamp, boulder, and ditch blasting and tree planting free on request. Write for it.

Bird Protection Important.

Preserving birds as game is only one part of the duty of the government. They are even more valuable as enemies of noxious weeds and insects. They are the farmer's best friends though he is too often oblivious of the fact, says the Philadelphia Inquirer. Those who are philandering their leisure of game and song must recognize the circumstance. Yet the birds have been too long the prey of their human hunters. Some species have been well-nigh exterminated in consequence. To protect them in the United States and Canada will accomplish much, though to make the protection of many of the migratory songsters and Central American countries should join in the work.

Public Sale!

Having sold my farm, I will sell the following described property at my farm, situated three and one-half miles southeast of Beroun, Minnesota, on

MONDAY, MAR. 21

PUBLIC SALE!

We will hold a Public Sale at Pine City

Saturday, April 2nd

Send a list of anything you have to sell to either Pine City Bank or to Wm. O'Daniels. The two banks will clerk. There will be two Auctioneers.

LIST YOUR STUFF EARLY

Will You Stick?

"This Farm Bureau thing costs too much," said a Nebraska merchant to several farmers gathered in his store. "County dues are all right, but putting up for a lot of state and national officers is different. You don't know how they'll spend your money."

"Let's see, don't retail merchants have both state and national organizations?" asked one farmer.

The merchant colored, but admitted they had. The farmer asked if he belonged to any of them.

"That's my business," sputtered the merchant.

"Yes, and I guess the Farm Bureau is my business," spoke up another farmer. "I hadn't joined it before, but I'm going to now. If a national organization is a good thing for merchants and bankers and manufacturers, it's a good thing for farmers, too."

This story has its lessons to farmers everywhere. There are some 400 national business men's organizations, all supported liberally, all doing effective work for their membership. Every big business has had a national organization except farming. Food speculators believe in organization for themselves, but not for the farmers. They hope you will quit the Farm Bureau.

Our advice to you is to stick to the Farm Bureau Federation. It is proceeding steadily and surely. It already has accomplished some fine results. It will accomplish many more if still more farmers get back of it and stay back of it. Take a tip from the members of the big national trade organizations—they are loyal.

The farmer needs a national weekly, too, just as much as the banker needs his financial journal. THE COUNTRY GENTLEMAN fills that requirement. Its interesting and important news articles are gathered from all parts of the country. It presents a nation-wide view of farm problems and opportunities. There is a lot of good reading in it, too—splendid fiction, inspiring editorials, wholesome humor. Only \$1 brings you big issues.

5 Cents the Copy **The COUNTRY GENTLEMAN** \$1.00 the year
Circulation 800,000 Weekly

POTATO DISEASE CONTROL

Those interested in the potato crop who travel about Pine county taking particular attention to this crop at growing time are well acquainted with the potato warehouses in the fall, cannot be impressed with the great need for further standardization of our potato crop and for greater effort in the way of disease control.

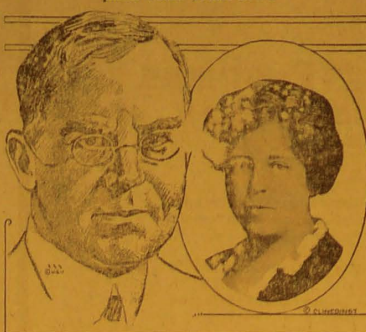

There probably never was a more favorable time than the present to take up the standardization of the potato crop in a community, as at present, good seed can be obtained at a very reasonable figure and it will not mean a great deal of expense on the part of each grower to get a start in the variety adopted as standard for the community.

The method of standardization followed by the communities devoted their attention to the standardization problem this year is: Each man secures enough seed either certified or recommended seed to plant a plot large enough to raise his seed for the next year. Thus, at a very nominal expense to each grower the varieties of potatoes grown in a community can be changed from eight, or nine varieties to one or two and instead of marketing tons of potatoes containing almost every variety imaginable, straight variety cars can be marketed which will mean about ten cents per hundred to the grower.

Several communities in the county are taking up this problem this year but it is worthy of the consideration of more communities in the county.

Probably the next most outstanding need in the potato culture in this county is the need for greater effort in disease control and one of the most effective methods of controlling and combating potato diseases is by means of the Potato Seed Plot.

New Secretary of Agriculture and wife just plain folks from Iowa

Henry C. Wallace of Des Moines Ia., farmer, stock raiser and publisher, new Secretary of Agriculture in the Harding administration, with his wife, Delia, to be known as just plain "home folks." Mrs. Wallace does all her work and has mothered six children. The Wallace family and former president Roosevelt were visiting friends.

Why Higher Telephone Rates Are Necessary in Minnesota

The money obtained from the sale of our service must be sufficient to pay all expenses and leave a fair return on the money invested, if we are to meet the reasonable requirements of the public for telephone service.

Enough money can be obtained only by charging sufficient rates for the service furnished.

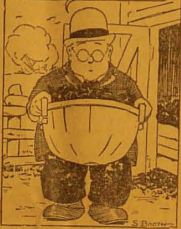

If present rates are continued in Minnesota, this Company will sustain a loss of more than a million dollars this year in the state. Our stockholders would have to stand this loss and, in addition, nothing would be earned to pay dividends on the money invested.

This Company requires an average of three million dollars each year in the state to provide additional telephone facilities for the public. Investors will not supply the necessary new money each year unless the business is earning a fair return.

THE NORTHWESTERN BELL TELEPHONE CO.

Uncle John's Ash

GET MARRIED! TWO CAN USE THE AUTO AS CHEAPLY AS ONE.

SHOULD MAINTAIN SEED PLOT

By growing a potato seed plot every year, the grower can improve or at least maintain the quality of his potatoes. The grower should start his seed plot with good seed, and where they are taking up the standardization, the plot where the standard variety of potatoes is grown should be considered as the seed plot.

Care should be taken to treat the potatoes with corrosive sublimate, to spray with Paris Green or other insecticide to prevent the damage from insects and also to spray with Bordeaux mixture to guard against the loss from late and early blights.

The seed plot should be carefully inspected several times during the growing season and all diseased and weak plants pulled out and burned. Thus, at the end of the growing season, the plot should be composed of only strong healthy vigorous plants. The seed for the next year's seed plot should be selected from the highest yielding and most typey hills. This can be done by digging by hand before the general digging is done.

Select the seed for next year's seed from the balance of the seed plot.

HEALTH COMMITTEE MEETS

The committee on nursing activities met in the nurses office at Pine City, Friday March 4th. The following members were present: Chairman Mrs. Long, Rev. Wilson, Mrs. Dano, Miss Nicol and Mrs. H. Von Rueden. The nurses report was discussed and accepted. The chairman wrote a letter to headquarters asking for literature to be sent Mrs. Nash at Bruno to help them in their work in home hygiene and care of the sick.

Miss Hanzen, State Supervisor of County nurses visited with Miss Nicol the past week and among other things suggested that, instead of entering the nursing committee that it would be of great help to her to have a director of the public health committee in each town submit to her persons needing her attention. A Child Welfare Board was dis-

Local News

Carl Holmberg went to the Twin cities on a business trip, last Saturday, returning Monday.

Miss Adeline Beke came up from St. Paul and spent Sunday at the home of her mother.

Mrs. E. J. Prochaska left last Sunday afternoon for Minneapolis where she will visit at the home of her parents.

Frank Hansen, Jack Bassett and Mr. Erickson of the bank at Rush City, were in town, last Tuesday, attending the district court.

Miss Lillian Lambert returned from the Twin cities, Saturday, where she spent a couple of days visiting.

Miss Faith Pennington spent the week end at the home of her parents, returning to her nursing duties in the Twin cities, Monday.

Mrs. Henry Daley returned this week from a week's visit with her daughter, Miss Winifred, and old friends, at Manitowish.

Mrs. Emma Hansen drove up with Jos. Pettsch from St. Paul, Sunday, for a day's visit at the home of her sister, Mrs. Ira Holt of Meadow Lawn.

Most of the local teachers will leave for their several homes, the latter part of this week. So spend the Easter school vacation which lasts all next week.

Royal Hunt returned home the first of the week and states there is lots of snow in the northern woods where he has been inspecting state timber lands the past few weeks.

Eric Larson came up from North Branch last week, and assumed charge of the office and parts room at Pettsch's garage. Eric is some drum player and will be a big addition to any local dance orchestra.

Mrs. Ben Haas and children, left last Thursday, for a visit at the home of her parents. The Haas have rented the summer home for the summer and will take possession April 1st.

There will be a dance in the Woodman hall at Rock Creek, Saturday evening of this week, March 19th. The Rock Lake orchestra will furnish the music. A good time is assured.

L. Lohnbakop was in town the first of this week. He reports the creamery which he and his partner, Eric Larson, purchased at St. Cloud, is doing a fine business and likes his location altho. missing his many friends which he has in Pine City.

Jos. Pettsch drove up a new Overland sedan from St. Paul yesterday. The new car was purchased by Henry Fara who turned his Overland roadster in on the deal.

Mr. Pettsch will have a new Nash Demonstrator of his shortly after the first of April.

Mrs. J. Adam Bede went to the cities, last Thursday, for a visit with her daughter, Miss Lorenza who is attending Macalester college.

Mr. Bede returned with her, Saturday, and expects to spend a month at home. He has spent most of the winter on the lecture platform and is looking forward to a rest.

Russel and Bank Wilson, sons of Mr. and Mrs. J. A. Wilson of Meadow Lawn, returned from Lakota, N. D., last Thursday, after spending most of the winter there. They were operating a roller rink there and report a very good business during the cold weather.

The 6-weeks old baby son of Mr. and Mrs. Wm. Baker of Meadow Lawn died at the home of his parents, last Friday, from pneumonia. Funeral services were conducted at the home, Monday, by Rev. Barnes, and the little one laid to rest in the Hasketown cemetery.

A party of local folks are leaving for Texas the last of this week. Amongst those who have already signified their intentions of making the trip are E. M. Stuck, Henry Daley, Frank Cor. John O'Reilly and S. B. Wells. Others in town are talking of making the trip but haven't decided, for sure as yet.

The horse owned by Theo. Gavril broke one of his hind legs while rising to his feet in the stable last Sunday evening, and it was necessary to shoot the animal to put it out of misery.

Mr. Gavril was offered \$10 for the horse, Saturday evening, but he refused, and Tom says he will accept all such offers in the future.

Miss Dahl and Miss Spink expect to attend the teachers' at a card party last Saturday, in their apartment over the Family theatre.

Miss Dahl of Minnesota, cousin of the farmer, visited near the week end, and attended a solo at the morning service in the Presbyterian church, Sunday.

Miss Palmer, teacher in the high school, left last week. She has accepted a position as assistant superintendent of schools in Park county. Her place here is being filled temporarily by Miss Maloney of the Power company.

Mr. Mattson, Dolge dealer of Duluth City, was a visitor at the POKER office the forepart of the week and advised anxious farmers on purchasing an automobile, in accordance of state should place the order early as he looks for a shortage in all lines of cars, this year, owing to the reduction of produe-

tion. Ahlie Klieker spent a couple of days at Rochester, last week, where his uncle underwent an operation at the Mayo hospital.

Mrs. L. E. Brekeridge left for Janesville, Wis., last Tuesday evening, where she will visit for a week or more at the home of her son, Elmer Brekeridge.

Alice Bjork, daughter of Ben, Bjork living near Beroun, is confined to the house with a light attack of small pox. She is rooming upstairs in the Mrs. Katie Volenes house, while attending school here.

Mrs. W. F. Schumacher left for the Twin cities, Tuesday night, where she will attend the state meeting of the Royal Neighbors lodge as a delegate from the local lodge.

The ladies aid of the M. E. church will meet at the home of Mrs. Jonas Gray, Wednesday (March 23rd) The ladies will also hold a doughnut sale on Saturday of this week. Leave orders at either Kohls or Beech's grocery store.

Mrs. E. H. Long and Miss Nicol attended a dental clinic at Rush City, last Saturday afternoon. A large number of children were examined and a number were extracted by the doctors in charge of the clinic.

There will be an ice cream social at the Presbyterian church, on Thursday of next week, March 24th, at 2:30 p.m. Homemade candy and you can will also be for sale.

Mrs. Bantleons Sunday school class will conduct the sale.

Geo. Nichols returned from Hastings, Wednesday where he had gone to attend a reunion of the Nichols family, the occasion being his mother's 82nd birthday. Relatives from Hastings and Canada were also in attendance.

Mrs. Laddie, former Pine City resident, died at the home of her niece, Mrs. Gust Kruse, in St. Paul, last Monday. Funeral services for Mrs. Laddie will be held in Pine City today. Full particulars will be given in next week's issue.

L. P. Appleby, living south of town, was called to Bruce, Wis., by the serious illness of his mother, last Tuesday. She passed away in the Ladiesmith hospital where she was taken for medical treatment. Funeral services were held and interment made at Plainville, Minn.

The hand concert in the Family theatre last Thursday evening, drew a big crowd. The benefit most association cleared over \$30 from the ticket sale. Many compliments were heard regarding the progress the hand has made in the last few months. E. T. Gotzky sang a vocal solo. They will give another concert at Rush City in the near future. Some of the Rush City band boys played with the local band in their concert last week.

Sixty people attended the first party given by local members of the Eastern Star which was held in the Masonic hall, last Tuesday evening. The evening spent in playing dominoes. Prizes for the high score were won by Otto Sobotta and Miss Portia Huber and the low score winners were Phil Slesky and Mrs. Blotstein. A very delightful lunch was served and a few short talks were made. J. Adam Bede was called on and gave one of his usual capable talks which was greatly enjoyed.

Ray Hofter expects to remain in Eveleth this year and will not go with the Chicago White Sox as he had intended. He was ordered to report there, the first part of this month, and go south with the team for their spring training. Ray informed them he had sprained his ankle this winter, while playing basket ball, and the Chicago manager advised him not to join the team until he was positive the ankle had completely recovered from the strain, so he has practically decided to remain where he is for this season.

Presbyterian Church Notes. HEAVEN is the subject of Rev. T. Buckton's sermon next Sunday morning. We all must make the adventure in to the unknown future. We do you expect to get "The Lord of Heaven and Earth" and "I go to prepare a place for YOU." Can you claim that promise. Everyone who is interested in getting to heaven some day is especially invited to hear this sermon, for the preacher will show from the Word of God what we can believe and expect about heaven.

The people of the United States spend their money in this happy fashion:

Moving pictures 73 cents per capita per week. Ice cream 44 cents per capita per week. Candy 42 cents per capita per week. Cheesing gum 34 cents per capita per week. Church 33 cents per capita per week. Missions 7 cents per capita per week.

In these anything the Presbyterian church folks do to get the last two items ahead of chewing gum!

Wednesday March the 30th is the date for the big annual meeting of our church. This will be a big event, make no other engagement for that evening.

LOUDEN

LABOR SAVING BARN EQUIPMENT

For One Cow or a Hundred

For a large herd or a small one—for an old barn or a new one—for professional dairymen or general farming—the Louden Stall is the best investment you ever made. Your cows themselves will pay for it—this year—and after that, what it saves you each year will be net profit.

Louden Stalls and Stanchions make it possible to care for the herd with so much less work and in half the time. That cuts the labor cost. Besides comfortable quarters to the freedom of Louden Steel Stalls and Swinging Stanchions. As much as a fourth more—that means additional profit.

The barn is more sanitary—that makes a higher quality of milk. Ventilation is better. Heat is more controlled. But there are so many good features about this Louden Stall—come in and let us tell you all about it, as well as the famous Louden Litter Carrier, Feed Carrier, Feed-Saving Mangler, and other Labor-Saving Barn Equipment.

Give the cows a chance! You may find, as many other dairymen have found, that the difference in results between a comfortable and an uncomfortable cow, represents your Net Profit.

And remember—if you expect to build or remodel a barn—ask us for a copy of the Louden Barn Plan Book. It shows scores of barns—all styles—and tells how to build most economically and to the best advantage. It's yours for the asking—come in and see us.

Pine City Hardware Co.

THIS YOUNG MOTHER

Tells Childless Women What Lydia E. Pinckham's Vegetable Compound Did for Her

Millon, Wis.—“I want to give you a word of praise for your wonderful medicine. We are very fond of children and for a considerable time after we were married I feared I would not have any owing to my weak condition. I began taking Lydia E. Pinckham's Vegetable Compound and soon I have a nice strong healthy baby girl. I can honestly say that I did not suffer much more when my baby was born than I used to suffer with my periods before I took Lydia E. Pinckham's Vegetable Compound years ago. I give the credit to your medicine and shall always recommend it very highly.”—Mrs. H. H. JANSEN, Millston, Wisconsin.

How can women who are weak and sickly expect or hope to become mothers of healthy children? Their best duty to themselves, they should overcome the derangement of their system, by dragging them down, and strengthen the entire system, as did Mrs. Jansen, by taking Lydia E. Pinckham's Vegetable Compound and then they will be in a position to give their children the blessing of a good constitution.

HAPPENINGS IN GOPHER STATE

News From All Parts of Minnesota Given in Condensed Form.

EVENTS BRIEFLY TOLD

Where Busy Readers Will Find News From All Parts of State Tensely Chronicled for Their Benefit.

Minnesota—About 130 students will be graduated from the school of agriculture at University farm March 31.

Case Lake—H. N. Harding was elected president of the village council here without opposition at Tuesday's election.

Pipestone—Paving and waterworks extension bonds to the amount of \$54,000 were sold by the city council to a St. Paul firm.

Winona—John W. Dye of this city, has been named United States consul at Juarez, Mexico, according to word received by relatives here.

Lake Wilson—The largest general store here was destroyed by fire. The building was on the Otter bluff, and a total loss, estimated at \$20,000.

Mankato—All postal records and mail in the postoffice at Cambridge, a small village 20 miles northwest of this city, have been destroyed by fire.

Announcement—An announcement has been made that the annual meeting of the first district group, Minnesota Bankers association, will be at Winona, June 23 and 24.

Alexandria—Frank Rehr, former car repairer for the Great Northern, plans to make the trip to the state capitol by a jury in the Douglas county district court here.

Wells—George G. Graham has purchased the Lincoln News, it was announced here. Graham is well known here and for a considerable time was editor of the Lincoln News.

Stillwater—The first towboat to be constructed here will be ready for launching shortly. The boat will be used by the United States government for towing salt barges on the upper Mississippi river.

Minneapolis—C. S. Redmon of Pipestone, has been elected grand patriarch of the grand encampment of the I. O. O. F. of Minnesota, according to the results of an election, returns of which have just been tabulated.

Minneapolis—The 1921 senior prom, most important social event of the year in the University of Minnesota, will be held in Minneapolis, Minn., it was announced by Vern Williams, all-senior president.

Stillwater—Lloyd Pomerville, an employee of the district parole here, has been bound over to the grand jury after \$500 bonds after a hearing before Municipal Judge C. E. Lee on a charge of selling intoxicating liquor.

Winona—An address by President I. D. Coffman of the University of Minnesota, before the Minnesota Education Association, brought to a close the annual convention of the Southeastern Minnesota Education Association.

Hibbing—Victor L. Pover has been elected mayor of Hibbing for the ninth successive time by a 1 majority.

Superior—The late Superintendent of Schools, Mr. Power carried the whole administrative task into office with him.

St. Paul—After serving in Minnesota farm bureau federation in an emergency capacity for six months, J. R. Jones, in charge of county organization for the federation, has been retained on a permanent basis, it was announced.

St. Paul—Ramsay county commissioners awarded the contract for paving the White Bear road from the limits to the lake shore to Pfeiffer & Shepley, St. Paul contractors, for the sum of \$225,000.

St. Paul—The time for tapping maple trees is at hand. W. C. Cox, state forester, said the maple sugar industry has never been so prosperous in this state, the forester said, and more than one tree in a thousand is tapped.

Minneapolis—Wage reductions of 10 per cent for skilled labor and 25 per cent for unskilled labor became effective March 1st at all Minneapolis wheat flour mills, except those of the Washburn-Crosby company, Pillsbury Flour Milling company, and the Russell-Miller Milling company.

Winona—The Olmsted County Co-operative association at Olmsted, a retail store at Rochester, Eyota and Vista, has been assigned bankrupt and will be sold at auction by the court on the 26th of this month. The store was referred to bankruptcy for March 26 in this city. The association is said to have assets of approximately \$1,000 and liabilities of practically the same amount.

St. Paul—Reserve officers, National Guard, non-commissioned officers and enlisted men of the regiment are being trained for the purpose of training, have an opportunity to obtain appointments as second lieutenants in the 2nd Infantry, which will be held April 23. Applications should be submitted to the nearest military office.

St. Paul—The Manitoba college, holding term triennial over North Dakota, is expected to be the first to the satisfaction of three judges, that institution should not be further restricted by law.

Waton—A rate operation for a de-located pool has been successfully performed on 3-year-old fish in a pond at Waton, and when the cat was removed from the child's neck clearing passages and the cat recovered.

Minneapolis—County farm bureau has been organized by the office of the Minnesota Farm Bureau Federation to cooperate with the state employment office, with the American Legion, St. Paul, in seeking employment for the idle farmer service men who are engaged at the Legion home quarters.

White Bear—In a hot contest P. H. Murray was elected mayor of White Bear over Earl Jackson. Murray polled 357 against 211 for Jackson.

Winona—Mrs. Mary Doterwech, plowman resident of this city, is dead at her home here at the age of 94. She was born in Germany and came to Winona in 1832.

Wassena—The Wassena county farm bureau is completing orders for 24 township units through which to carry on its work. About half of the county already has been organized.

Winona—A referendum vote is to be taken at the city election here in April on the question of repealing the city ordinance providing for the city council consisting of 20 of Winona's 31 streets.

Winona—J. R. Chappell of Conrad, Mont., has been elected first vice-president and a director of the Merchant's bank of this city. He was formerly assistant superintendent of banks of Montana.

Litchfield—Owing to crowded conditions in the high school and two grade school buildings, the school board will on a bond issue of \$275,000 for a new high school building will be completed April 1.

Detroit—Nick Riewer, who decapitated her 6-month old child with a butcher knife and then attempted to drown the body in the Detroit river, has been ordered committed to the state hospital for the insane at Fergus Falls.

Lockton—Mystery of the disappearance of numerous hogs from the Gust Weher farm was explained when two men were found on the premises. The bodies paid for the animals were the first paid in this county for more than a year.

Montevideo—The Montevideo commercial club has gone on record as opposing the proposed air route between Montevideo and Duluth, and the fact of the endorsement of the bodies paid for the animals were the first paid in this county for more than a year.

Thief River Falls—H. H. Hathaway of Fargo, here on an inspection trip, said that the Standard Oil company plans to make the purchase of the central distributing plants for this section of the state. The plant proposed would employ 20 to 30 men throughout the year.

Jackson—Simon Johansen, farmer, committed suicide at his home near here by hanging himself in the rafters of his barn. When members of his family returned from church they found the body hanging from the rafters. His health is attributed as the cause.

Litchfield—Nearly all the creameries of Meeker county have been signed up for the creamery co-operative movement by A. J. McGuire of the state industrial department and T. G. Sibley, county agent. The principal object is to standardize the output of the creameries and to regulate the quality of the butter and to facilitate cart shipments.

Rooster—Upon recommendation of the sewer committee the city council indefinitely postponed action in regard to a sewerage disposal plant for the city of Minneapolis.

St. Paul—The city auditor, I. L. Eckholdt, to fight the suit for \$50,000 claimed by the power company of North Dakota, to roads and bridges in that section of the county, caused by backwater by the power company.

St. Paul—Minnesota breeders of Holstein cattle were guests of R. J. Thompson of this city, at his model stock farm on the farm known as Oakdale Farm No. 12. The occasion was the dedication of a dormitory for farmhands. In addition to persons from Minnesota, present were representatives of the Wisconsin and Iowa breeders.

St. Paul—Representatives in juvenile delinquency were called to the attention of state authorities by the state board of visitors, in a report to the governor, and by the state board of control in presenting the data of the institutions to the state senate committee on the phase of the postwar wave of crime as displayed in overcrowding of the state training school for boys and girls and in a rapid increase of population at the state reformatory.

St. Paul—The state of Minnesota, through the attorney general's office, obtained an order from the Ramsey county court directing all telephone companies to increase telephone rates in the state. The move came on the day of the hearing in federal court of the suit against the Bell Telephone company and the Tri-State Telephone company for an injunction to prevent the state telephone and warehouse commission from interfering with its new schedule of rates.

Roswell Park—A referendum to decide whether to permit the showing of motion pictures here on Sunday, is proposed as a result of Sunday feature programs given in a church. The manager of the theater declares the state constitution forbids the showing of motion pictures on Sunday. If the proposition is carried, the motion picture subject probably will be presented in such a manner as to exclude Sunday church or permit them to be shown at other times.

Winona—Winona will have a Boy Scout council of the first class and a selected scout executive, if the campaign for a scout council, which is now in progress, is successful. H. Zeller of Minneapolis, national field leader of the Boy Scouts, is directing the campaign.

Crookston—This 11th annual convention of the Minnesota Agricultural Union, northwest section of agriculture, Crookston, will be conducted from Monday to Saturday, March 27, to the satisfaction of three judges, that institution should not be further restricted by law.

Waton—A rate operation for a de-located pool has been successfully performed on 3-year-old fish in a pond at Waton, and when the cat was removed from the child's neck clearing passages and the cat recovered.

Watching the Work of the State Lawmakers

FOR ELECTION REFORM

Bill Legalizing Conventions to Endorse State and Congressional Offices Adopted by Senate.

St. Paul—Amended to provide only for the endorsement of candidates for state offices and congress the senate election committee bill was passed by the senate by a vote of 38 to 25.

It legalizes party conventions which are to take place in March and are to adopt platforms and candidates and also allowed conventions to endorse candidates for judicial, legislative, executive and office.

These latter features of the bill were attacked by democratic leaders with the aid of several republican senators. They objected to bringing these offices into party politics, as under the law they are elected without party designation. The senate first struck out the endorsement of judicial, legislative and county candidates. This was followed by an amendment also striking out city candidates, which carried 46 to 6.

The bill as finally amended, legalizes party conventions for endorsing and gives the candidates endorsed at these conventions the advantages. Their names are to appear first on all ballots, and the fact of the endorsement will be shown after the candidates' names.

As \$10,000,000 for University.

Approximately \$10,000,000 for maintaining and expanding the University of Minnesota during the next two years as well as relieving present emergency is asked in bills before the legislature.

Of the bills introduced \$1,097,625 is asked as an emergency measure for the current year for fire stations and gives the candidates endorsed at these conventions the advantages. Their names are to appear first on all ballots, and the fact of the endorsement will be shown after the candidates' names.

As \$10,000,000 for University.

Approximately \$10,000,000 for maintaining and expanding the University of Minnesota during the next two years as well as relieving present emergency is asked in bills before the legislature.

Tenage Tax Substitute Passed.

By the overwhelming vote of 99 to 21 the House of Representatives passed the bill providing a 5 per cent tax on the occupation of mining. This is the so-called tenage tax substitute.

Having passed the statute measure by so large a vote, the House then passed the bill, submitting an amendment to the constitution, by vote of 41 to 21. The proposed amendment provides for a 5 per cent occupational tax and provides further that 50 per cent of the revenues shall go into permanent fund.

Various Trade Bills Considered.

Bills to prohibit gift enterprises, in closing the ring of premiums and trading stamps, "army" and "navy" stores, and unfair discrimination by wholesale and jobbing concerns before the House committee on commerce, markets and retail trade were recommended for passage.

The bill prohibiting the "army and navy" designation of stores rigidly regulates sales of government supplies. The measure against unfair discrimination in restricting the sale and the benefit of retailers unable to buy in large quantities or otherwise secure special discounts.

Representatives Nye, Nordgren and N. T. Meier of the sub-committee from the House committee on markets, completed a revision of the pure fabrics clause of the tariff law which requires that all clothing or fabrics for the making of clothing be equipped with buttons that will not only be fabrics of which the cloth is made, but the percentage of each fabric in the goods. In the case of woolen goods it is specified that the percentage of wool must be not less than 50 per cent and the percentage of shoddy, if any, as well as the percentage of other materials. The tax must be exhibited to the person to whom the goods are offered for sale.

Removal from office with a fine of from \$100 to \$500 for officers who fail to procure the shavings of punch boards, saw machines and other machines used in a bill introduced by Representative George R. Denberg.

Amended Street Car Bill Passed.

The bill providing for the Minnesota State passed the bill giving to the Railroad and Warehouse commission regulation of rates for street railway companies and authorizing the issuance of state permits in the place of existing franchises.

Compensation Bill Passed.

The state workmen's compensation bills, passed by the senate, are in substantially the same form as introduced in the senate early in the session. They will be passed by the house with slight amendments and the senate refused to accept any changes, except in minor details, in the bill for the purpose of exempting the state and the municipal subdivisions thereof from compulsory liability.

National Industrial Board Members.

Governor J. A. O. Prew announced his appointments on the new state industrial commission, which begins service Tuesday. The commission members are: F. A. Dushy, chairman, Cambridge, two year term; Henry McKeel, St. Paul, for one year; and C. G. James, D. Williams, Minneapolis, six year term.

June 1st the Board will take over the present state labor department and will assume charge of the workmen's compensation law settlements. The industrial committee members will take charge June 21st of the minimum wage division arbitration and conciliation board and will have the state labor inspection. The three commissioners will receive salaries of \$4,500 each.

Patron Bill Passes House.

With only one vote to spare, a bill creating a state employees' pension fund for employees of the state for the state 25 years and who have reached the age of 60, was passed by the house after a long and hot fight. The vote was 66 to 45. Under the provisions of the bill the pension fund will be set up on July 1, 1922, and will not exceed \$900,000 a year and will be required to pay 2 per cent of his salary towards the fund from the date of his retirement. The rest through a one-tenth mill tax, which will raise \$16,000 annually.

Housewives who favor flaring extracts will have to take out state permits once every ten years, if the new state provision of the bill amended the state prohibition law, which is in force for a patent, the bill, which is the house committee on agriculture and stock raising committee, U. S. Norton, who drafted the bill, will defend its provisions. He said the measure also to cause a minimum of atmosphere, while putting the lid on the use of alcoholic preparations as beverages.

Organization of members or sellers of conducting a boycott would be exempted from the penalties imposed by the act. The bill is in the nature of a restraint of trade in a bill presented by Representatives Keller, Thorak and Johnson of this state. Thereafter, it was referred to the committee on general legislation.

Proposes Alien Registration.

A bill proposing the registration of aliens throughout the state for two years has been prepared by W. H. Scott, secretary of the fire department of Minneapolis. The registration is to be conducted by city officials with the purpose of preventing aliens from living at the police. Mr. Scott has introduced a bill in the house in 1918 when he was in charge of the alien registration. The bill at that time that never had been voted on. It was for years ago had never taken effect. It is now being introduced.

Protect Feed and Dairy Bill.

Representatives of a number of packing companies manufacturing oleomargarine today before the senate committee on agriculture introduced the provision in the revision of the dairy and food bill prohibiting the use of oil of tallow and coloring matter in their products. The packing also urged in the revision of the bill the prohibition of the use of coloring matter in the preparation of the product "margarine" and "oleomargarine" and the prohibition, as it is in the present law.

Genuine Bayer Aspirin

You must say "Bayer"

Warning! Unless you see the name "Bayer" on tablets, you are not getting genuine Aspirin prescribed by physicians for 21 years and proved safe by millions.

Accept only an "unbroken package" of "Bayer Tablets of Aspirin," which contains proper directions for Colds, Headache, Pain, Toothache, Neuralgia, Rheumatism, Neuritis, Lumbago.

Handy tin boxes of 12 tablets each but a few cents—Larger packages available in the trade mark of Bayer Manufacturers of Monoacetic Acid Salicylates.

In Ganga. How Dates Grow. The Arab lives almost entirely on this fruit when crossing the desert. The date is the fruit of the date-palm, which grows best in Egypt, Palestine, Arabia, and the North of Africa. The stem reaches a height of 50 feet to 70 feet and bears on a magnificent crown of large leaves and a number of branches. In the female plant these bear spades of date weighing from 20 to 25 pounds.

The Cuticura Toilet Tissue. Having cleared your sins keep it clear by making Cuticura your every-day toilet preparation. The soap to cleanse and purify, the Ointment to soothe and heal, the Talcum to powder and perfume. No toilet table is complete without them. See everywhere—Ad.

The helpful man is in the imperative mood when he requests you to "stand and deliver."

In the golden chain of friendship there is unity a missing link.

RUB RHEUMATIC PAIN FROM ACHING JOINTS

Rub Pain right out with small trial bottle of old "St. Jacobs Oil"

Stop "Gouty" Rheumatism.

It's pain isn't only one case in fifty getting into treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say "Oh! Robinson—out comes the rheumatic pain and distress. "St. Jacobs Oil" is a harmless rheumatism liniment which never disappoints and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache and neuralgia.

Limber up! Get a small trial bottle of old-time, honest "St. Jacobs Oil" and rub it on the sore spot. You will be free from pains, aches and stiffness. Don't suffer! Rub rheumatism away—Ad.

How It Worked Out.

"I saw a man in a blue coat," said Farmer Corntassel, "so that he'd have the advantage of a better education than I had."

"How did it work out?"

"He overdid his gratitude. He's all the time showing off his intellect and superiority so as to make me feel that I put my money's worth."

WOMEN USE "DIAMOND DYES"

Dye Old Skirts, Dresses, Waists, Coats, Stockings, Draperies—Everything.

Each package of "Diamond Dyes" contains easy directions for dyeing any article of wool, silk, cotton, linen, or mixed goods. Beware! Poor dye results, spots, fades, and ruins material by giving it a "dyed look." Buy "Diamond Dyes" only. Druggists has Color Card—Ad.

Positive.

"Would you love it as much if father lost his money?"

"But he hasn't lost it, has he?"

"No."

"Of course I would you silly boy!"—Birmingham Age-Herald.

"Cold in the Head"

In an acute attack of "Cold in the Head" subject to frequent sneezing, the best relief is found in the use of CATARRH MEDICINE which will soothe the inflamed membrane, reduce the discharge, and restore normal conditions.

CATARRH MEDICINE is taken internally and acts through the blood on the mucous membrane of the eye, nose, throat and sinuses, restoring normal conditions.

For sale by all druggists. Prepared by F. J. Cheney & Co., Toledo, Ohio.

A Secret.

Harry—"What do you mean by saying 'I'm a fool'?"

Lucy—"Well, I'm sorry it was it a secret!"

A Good Time for Everyone

SUPPER BY CASSIDY

ROCK CREEK NEWS DEP.

The Ladies Home Mission Society met at the home of Mrs. Frank Peterson Tuesday afternoon. Miss Williams, local school teacher, spent the week end at the home of her parents in Hickey.

Mr. L. G. Becklund arrived Saturday and will spend several days at the home of his son, L. R. Becklund.

A dance will be given in the Woodman hall, Saturday evening of this week. The Rock Lake orchestra will furnish music.

Alford Nys returned from his work in the woods Tuesday morning. He will remain home for the summer.

N. J. Bornhoft was taken quite sick last Saturday but is getting along in good shape now we understand.

Mrs. C. F. Carlson took the C. W. Carlson children to Moose Lake last Saturday. They were accompanied by Mrs. Emil Erickson, who will visit at the Carlson home.

Mr. and Mrs. Gus Erickson left for Fort Dodge, Iowa, last Saturday, expecting to spend a week or more visiting friends and relatives. His place in the store is being filled by Mr. Lindgren while he is away.

Mrs. George Schmidt left for Minneapolis, Wednesday morning, where she will attend the convention of the Royal Neighbors of America. She will return the latter part of the week.

ROBERT WAYNE BAKER Little Robert Wayne Baker, 6 weeks old son of Mr. and Mrs. Wm. Baker passed away at their home in Meadow Lawn, Sag Saturday at 10 a. m. Funeral services were held on Monday at the home by Rev. Barnes and interment made in the Hissetown cemetery.

Little Robert Wayne Baker is survived by his mother and father and a little brother James, a baby sister passed on before him. The family have the sympathy of all in their sorrow.

The children of the M. E. Sunday school are preparing a program to be given Easter morning at 11 a. m. The usual services at Beroun next Sunday, Sunday school at 10:30 and preaching at 11:30.

All are invited to these services. Preaching services at the Meadow Lawn school house, Easter Sunday at 2:30.

Mr. and Mrs. Winnie Starnas were visitors in town last Tuesday. Joe Skaliky has gone to work in the local creamery. He has the job formerly held by Lee Brown.

POTATO GROWERS TO MEET Chas. Gaukel was up from Aurora, S. D. attending to some business matters. He returned home Wednesday.

Misses Amanda and Hilda Schumacher are visiting at the home of their sister, Mrs. Schwartz living near Pine City.

Mr. and Mrs. Larson drove to Brahm last Saturday and returned Sunday. They were accompanied

back by Miss Mattson who had gone to town, and Mrs. Henry Posol living north of town, and Mrs. Pine City yesterday for treatment for her hand which she cut very bad a week or two ago.

The 15 months old baby of Mr. and Mrs. Chas. Peterson is reported southeast of town and will take possession at once. Mr. Skaliky will move into the old Henry Starnas residence in town which he purchased last year.

Fifteen tubs of butter were stolen from the local creamery, Tuesday night of last week. The butter was in the ice box in the creamery and entrance was gained through a small window where the thieves had torn the bars off. There was about \$500 worth of butter taken. No trace has been found of the perpetrators of the robbery.

Andrew Ness has most of his household goods moved into the old D. W. Scouffard farm east of town, which he purchased last year. Mr. Ness has been living on a farm near Brahm the past few months. He left Beroun about 5 or 6 years ago when he sold his store to Strohhirch Bros. Since then he has been in business in Du'uth and the Twin Cities and has been attending to a number of farms which he owns in this part of the state.

THE WORLD AND HIS WIFE Alma Rubens, who was the featured player in "Humoresque," has the leading role in the new Comstock Production, "The World and His Wife," which will be shown at the Family theatre Friday and Saturday.

The scenes in the picture, which was adapted from a successful Broadway play, are laid in Spain. Miss Rubens has the role of Fedora, a young Spanish girl, who marries Don Julian, very rich and much older than herself. Ernesto's youthful writer and son of Don Julian's deceased friend, comes to live with them. Evil stories are circulated about the young folks. A duel in which Don Julian is fatally wounded, and several other startling events follow.

POTATO GROWERS TO MEET There will be a meeting in the interests of better potato raising in the village hall, at Pine City, March 19th at 1 p. m. Mr. R. C. Rose of the University Farm specialist on potatoes, will be present at that meeting.

It is urged that all those interested in better potato growing, be present at this meeting.

See the Alabastine advertisement on another page of The Piker. We carry all colors of their line. Pine City Hardware Company

Mrs. L. R. Becklund entertained several friends at cards at her home last Saturday evening in honor of Mrs. Laura Bohlund of Minneapolis. Refreshments were served.

Mrs. Ferguson of Huron S. Dak., and Miss Agnes Danielson of Grasson are visiting at the home of their sister here, Mrs. John Erickson.

On Wednesday evening March 23 there will be a social held in the hall at Rock Creek for the benefit of the church. There will be a good program consisting of pictures, singing and other forms of entertainment. Supper will be served by the ladies. Everybody is invited.

Fred Hartz and Ludwig Johnson closed a deal last whereby they have entered in to partnership in the general store which was formerly run by Mr. Hartz. They are putting on a big sale starting Monday at which many good bargains can be had. Be on hand early and get yours.

Miss Nina Nelson, daughter of Mrs. Christine Nelson, living east of town, and Mr. William Bacheller of St. Paul were quietly married at that place Tuesday of last week. We understand they will make their home for the present in St. Paul where he is employed.

Mrs. Bacheller is well known in this community, and has many friends who extend their best wishes.

Mrs. Henry Posol living north of town, and Mrs. Pine City yesterday for treatment for her hand which she cut very bad a week or two ago.

The 15 months old baby of Mr. and Mrs. Chas. Peterson is reported southeast of town and will take possession at once. Mr. Skaliky will move into the old Henry Starnas residence in town which he purchased last year.

Fifteen tubs of butter were stolen from the local creamery, Tuesday night of last week. Since then he has been in business in Du'uth and the Twin Cities and has been attending to a number of farms which he owns in this part of the state.

YOU ARE INVITED There will be a meeting of live stock breeders, bankers, school superintendents and newspaper men at Hickey, March 26th, for the purpose of making arrangements at the Pine County Fair in 1921 for an exhibit of the baby calves and swine belonging to the members of the Boys' and Girls' clubs in Pine county and an invitation is extended to anyone interested to be present.

The modern business girl may not know the spelling book, but she can pass an examination on beauty hints.

The number of government employees is wholly superfluous, but it takes half of them to see that the other half doesn't go to sleep.

The people have proved themselves able to stop the excess profits, but have incidentally thrown themselves out of work in so doing.

When a fellow has to borrow money to pay his income taxes, he begins to wonder whether his property belongs to himself or to the government.

Motocars are urged to buy various lines of wearing apparel, but what some of them need most is a pair of handkerchiefs.

The people who charged double pay for overtime are now paying double price for goods produced in overtime.

Expert Painting

We have an Expert painter here from the Twin Cities, whose work is in the same class as the factory painting job.

We have already turned out a number of painting jobs and have a large number of orders ahead.

If Your Car Needs Painting

Make arrangements for the work now. Take a look at some of the cars painted here the last week or two. The work speaks for itself. It will PAY YOU to have your car painted, whether you figure on selling, trading or keeping it.

ONE USED OVERLAND FOR SALE

ROYAL

After making a careful study of the different Electric Cleaners, we have come to the conclusion that The Royal is superior in every way. Therefore we have secured the agency for this cleaner.

The Royal way of cleaning, by air alone is best. The action of air rushing into the nozzle, draws the rug upwards, thus separating the nap and allowing the rushing gale of air to instantly remove every particle of dust and dirt. The Royal needs no mechanically driven brush; this means elimination of wear on rugs and carpets.

A Royal Cleaner preserves your rugs—It cleans clear through. Before purchasing a cleaner have a Royal Demonstration.
