

EASTERN MINNESOTA BASEBALL LEAGUE ORGANIZED

Mora, Rush City, North Branch Hincley, Pine City, Braun

Representatives from the ball clubs of Hincley, Mora, Rush City, Pine City and North Branch, met at Pine City, last Tuesday evening, and organized a league to be known as the Eastern Minnesota Baseball League. Jim Brennan of Hincley was elected president and Win S. Helander, secretary-treasurer, of the new organization.

One representative from each ball club will be elected, these will comprise the board of directors of the association. A general discussion was held, and organization rules adopted. A schedule of ten games will be played, the first scheduled games will be played the first Sunday in June. Each team will play two games with every other team.

The board of directors will meet at Pine City, next Tuesday evening, when rules and schedule will be adopted. All disputes will be arbitrated by the board.

The following articles and by-laws were adopted at the meeting.

ARTICLE 1
That for the purpose of forming a Baseball League of the towns here represented we associate ourselves together and adopt the following articles of organization:

ARTICLE 1
The name of this Baseball League shall be the Eastern Minnesota Baseball League.

The general nature of this league is to perfect a schedule of games between the teams entered and to foster and encourage interest in the National game of baseball in the towns interested in the league.

The league may take in new towns or let out any one entered when ever such action is deemed necessary for the welfare of the league. Any violation of its rules by teams entered shall be punishable by dismissal from the league.

ARTICLE 2, GOVERNMENT
The government of the league shall be vested in a board of Directors as represented by members thereof from each town entered.

ARTICLE 3
The officers of the league shall be a president and secretary-treasurer and the duties of the officers shall be outlined in the rules.

ARTICLE 4, MANNER OF VOTING
At all meetings of the league each director shall vote by ballot, an questioned involved.

BY-LAWS
ARTICLE 1
ELECTION OF DIRECTORS
The Board of Directors of the League shall consist of a representative elected by each Baseball club entered in the League.

ARTICLE 2
ELIGIBILITY OF DIRECTORS
Any one representative from each town in the League shall be eligible for election.

AN INDUSTRY
The factory that never shuts down is a farmer never strikes. He and his eight hour day are strangers. He has his money if ever a man does.

He also saves his money every day.

We value his friendship.

"The Farmers Bank"

5% Interest Paid on Deposits

Interest Paid on Deposits

to the office of Director of the League.

ARTICLE 3, VACANCIES
Vacancies on the Board of Directors shall be filled by a majority selection of the remaining Directors, or a representative from the club from which the vacancy occurs.

ARTICLE 4, MANAGEMENT OF AFFAIRS
The Board of Directors shall manage all affairs of the League and shall act as a board of arbitration in all controversies which may arise between teams in the League.

DUTIES OF OFFICERS
The President shall preside at all meetings of the Directors and shall be official head of the league. He shall keep the official records of each team's standing from week to week and keep the records of the individual players' (batting, fielding records) so far as it is possible for him to do so.

ARTICLE 5, MEETINGS
Meeting of the Board of Directors will be called whenever deemed necessary by the President.

Play Hincley Sunday
The first Pine City-Hincley game of the season will be played at Hincley, next Sunday, May 22. Game called at 2:30 o'clock sharp.

The league schedule opens June 5th and this game will be a pre-season one.

The Pine City lineup has been definitely decided upon, as yet, but the material to choose from will enable Pine City to make a formidable showing. Manager Frank Hurley, of the local team, will have the boys practicing for the balance of the week.

Leaves for Annapolis
Rec. Johnson, son of Mr. and Mrs. Fritz Johnson of Pine City, leaves tomorrow for Annapolis to attend the summer session of the Annapolis naval academy. He will be home on a vacation the past 15th. He leaves June 4th on the summer cruise of the students.

Washington, May 18.—The annual convocation of the 107th Annual session of the U. S. Naval Academy will take place at Annapolis, Md., this year. The convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

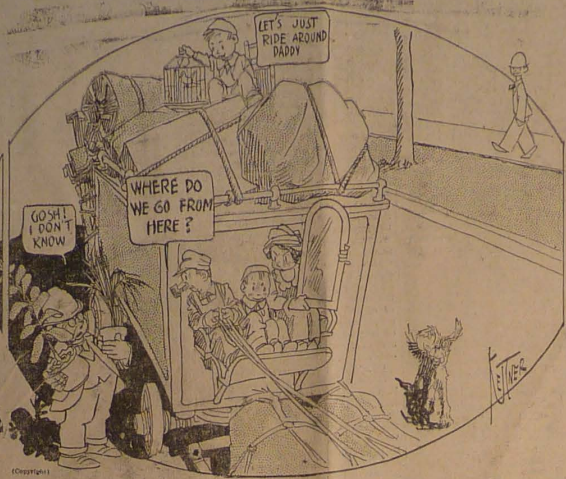

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

On June 1st the convocation will be held at the U. S. Naval Academy, Annapolis, Md., from June 1st to June 10th.

All Packed Up And No Place To Go

JURORS DRAWN

Sheriff Hawley has sent out notices to those drawn for jury duty, for the June term of court. The calendar for this term, is a big one and it is expected, court will be in session three or four weeks. Following is the list of those drawn:

PETIT JURY

Name	Residence
R.M. Larrison,	Wilmu
Fred Norstrom,	Pokegama
Joseph Ouradnik,	Mission Creek
John Poirain,	Nickerson
Hannist Johnson,	Royaton
Frank Appleby,	Clover
Joseph Patske,	Pine City vill.
Dwight Armstrong,	Kerrick
G. C. Handricks,	Alma
Carl Miller,	Danfory
Oscar Nelson,	Windemere
Charles Hokanson,	Dell Grove

J. M. Odgaard,	Pine Citytown
H. E. Peterson,	Kerrick
M. R. Brown,	Royalton
Leon Coleman,	Arns
John Currie,	Arlone

Killed at Rock Creek
The body of a man, about 35 years of age, was found on the N. P. right-of-way, just north of Rock Creek, last Friday morning.

The body was discovered by a member of the local freight crew. Station Agent Wallace was notified and he sent for Coroner Götter. The body was brought to the Piper Undertaking parlor, and burial made in the Pine City cemetery yesterday.

The only mark of identification was the name of Joseph Arvola, in a bank book, on a bank at Jarvis, Wis., and it was later found that he had a balance of \$50 on deposit. The only relative located was a nephew living at Thorp, who asked to have burial here.

The man had evidently been walking the line, and it is supposed, he stepped to one side to let a train pass, coming from the rear, as one arm was broken and the back of his skull was fractured. The face and head was all covered with blood.

The body was found at the foot of the grade. He was about 100 feet from the grade. It was not yet 10 o'clock when the body was found.

The body was found at the foot of the grade. It was not yet 10 o'clock when the body was found.

RAIL WAGES TO BE CUT JULY 1

U. S. Labor Board's Decision Says Sweeping Reduction Is Justified.

Revision Downward of Unskilled Workers' Pay Is Decided on by Federal Body—Extent of Cut Not Determined.

MILLION MEN AFFECTED

Chicago—The United States Railroad Labor board announced its intention of revising downward the wages of more than 1,000,000 unskilled rail workers by next July 1. The amount of the decrease was not announced, but will be many per cent on June 1.

At the same time the board announced that it would hold hearings on June 6, regarding proposals by the board to decrease the wages of other classes of employees and also would make its decisions in these cases effective on the same date.

A similar decision in the case of skilled workers would mean a cut in the pay of practically every railway worker in the country on July 1 and would affect approximately 2,000,000 men.

Decision entirely unexpected, the announcement, which said that "prevailing conditions justify to some extent, yet to be determined, a readjustment downward of wages," was entirely unexpected and came only a few hours after the close of the hearings which have been in progress since early in April. Neither the roads nor the representatives of the unions had expected any announcement for several weeks.

On July 20, 1920, the board gave a decision increasing the pay of all classes of railway employees approximately 21 per cent or about \$500,000 a year. Several months ago several roads announced that they could no longer operate under this wage award and announced reductions averaging about 20 per cent in the case of unskilled employees. The workers appealed to the board which decided that the roads could not make summary reductions but must hold conferences with their men and then, if no agreement could be reached, submit the case to the board for decision.

Ninety-eight cases Appaled. Practically every large road in the country time ago, carried the case to the board. Ninety-eight cases in all were thus appaled and the board decided to accept cuts, carried the case to the board. Ninety-eight cases in all were thus appaled and the board decided to accept cuts, carried the case to the board.

The announcement that the board felt that "prevailing conditions" justified a revision downward in wages was the first indication of its attitude on the wage question.

Temporary Designation
County Auditor Edin is in receipt of a "Temporary Order," from Commissioner Babcock, notifying him that the temporary location of the highway no. 23 will be the present state aid road no. 7.—Mora to Henriette and over to the Pokegama road to route no. 1, joining route one about 1 mile north of Pine City.

A short time ago, the county board passed a resolution recommending that Route 23 run from Mora to Henriette, Brook Park and join the Federal road. This side of Hincley.

While the above designation is but a temporary one, there is good chance of the above route being permanent. It was not yet 10 o'clock when the body was found.

Will Attend Field Meet
The Pine City track team, leave tomorrow, for St. Paul, and will compete in the state meet at the University of Minnesota, Saturday.

The boys who will make the trip are: Bob Wochlo, Al Herdus, Lawrence Threlton, Harry Potteloh, John Forrester, Wm. Johnson and George Holberts. They will compete in every event except the javelin-throw and the polevaul.

The trip is made possible through the liberal contributions of some of the business men and others interested in high school athletics. Close to \$150 has been raised. New track suits will be purchased for the team to wear at the meet.

Kills Self and Daughter

One of the most gruesome and horrible homicide and suicide cases in the history of Moose Lake, was committed last Saturday morning. Mrs. Albert, wife of John Albert, residing two and one-half miles east of town, saw her only daughter, aged nine, by cutting her throat with a butcher knife and afterward used the same weapon on herself with like results. It is said the woman was insane.

The Alberts have resided at Moose Lake for many years, occupying a two-year season in Florida after selling their farm here. They did not like Florida, however, and returned to Moose Lake after a short time.

No motive has been advanced for the crime, excepting that the woman was insane.

Funeral services were held Sunday afternoon at 2 o'clock. Rev. G. Gustafson officiating and interment made in Riverside cemetery at Moose Lake, the bodies of mother and daughter being placed side by side—Moose Lake Gazette.

Fifteen Miles Per Hour

Marshall Biederman circulated hand bills, in the village, last evening, which warn folks, that the village ordinance prohibits automobiles traveling in excess of 15 miles per hour and stating, that anyone exceeding that speed, on and after May 21st, will be prosecuted.

While the bills are headed, "Warning to Joy Riders," it should include the occupant is bent on "joy" or business, whether they live in this village or some place else.

It is also rumored that a motor-vehicle "sweep" will be on hand, Sunday, to arrest any speed violator on the public highway. So folks had best be careful.

There are bargains advertised in the adds of The Pine Poker this week.

THREE YEAR OLD WASHED ASHORE

Mrs. Dingman Tells of Adventure of Childhood When Father's Ship Was Wrecked.

RELATES LATER EXPERIENCE

Declares That the Way Tanica Restored Her Health is More Remarkable Than Anything She Has Ever Had Happen to Her.

"I've had some remarkable experiences in my life, but none more wonderful than the way Tanica overcame my troubles and made me gain twenty pounds," says the statement of Mrs. Christina K. Dingman, 1210 Alca Street, Oakland, Calif. One of the experiences to which Mrs. Dingman refers is well known to her friends. When a child of three years, accompanying her father, a naval sea captain, on an ocean trip, the vessel was wrecked, but she was almost miraculously saved, the boat luffing into which was put being washed ashore.

"Nobody knows how I suffered for the past three years. No matter how excitedly I ate I would vomit and ages afterwards from another and striking spells. Sometimes they were so severe I would fall to the floor and would have to be carried to bed. I went for days at a time without eating, as I dreaded the misery I knew would follow, no matter how small the amount of food I ate. Then I was told to take Tanica and sure enough I was breaking it down."

"I was almost in the depths of despair when I began on Tanica, but this grand medicine has made me a well and happy woman. I'm not even troubled with constipation now, thanks to the laxative Tablets, which are far superior to anything of the kind I ever tried. It seems almost too good to be true, but I'm all in the best of health and spirits after I had given up hope, and I'll always praise Tanica for it."

Tanica is sold by leading druggists everywhere.—Advertisement.

Approval. It was a schooling romance, and though we went to different schools, we always managed to go home together. Before long it was well known that Alice and Jim were together, and our names were often linked together. One day Jim visited our school and came into our Spanish class. He was asked to read, and there were loud, gleeful exclamations when I innocently translated the sentence "I go to visit my friend Jim, who greets me affectionately."—Exchange.

Cataract. Cataract is a lens which greatly interferes with the normal condition of the eye. It is caused by the accumulation of a substance called CATARACT. It is cured by the use of the HALL'S CATARACT MEDICINE. It restores normal conditions and allows you to see as of your own eyes.

With the Best Intentions. "Willie, what are you doing with that oil can?" "The oil?" "Baby's tongue so he can talk."—Laff.

Keep your friendships in constant repair by practicing the golden rule.

50 good cigarettes for 10c from one sack of GENUINE "BULL" DURHAM TOBACCO.

ALLEN'S FOOT-EASE The Knickerbocker for Itch and Itch (Shoes) Itching feet are the result of the accumulation of acids in the pores of the feet. Allen's Foot-Ease is a powerful antiseptic and disinfectant. It kills the acids and restores the feet to their normal condition. It is sold by all druggists.

NEURITIS? For relief use Allen's Foot-Ease. It is sold by all druggists.

St. Paul—State Trunk Highway No. 18 between Princeton and Elk River will be on the route of the state trunk highway through Zimmerman, according to a temporary location order issued by the state highway commission.

HAPPENINGS IN GOPHER STATE

News From All Parts of Minnesota Given in Condensed Form.

EVENTS BRIEFLY TOLD

Where Busy Readers Will Find News From All Parts of State Thoroughly Chronicled for Their Benefit.

Parliament—Business women of the state will have their annual convention at the Shattuck school here next week. The convention will be held on Tuesday and Wednesday.

Winnona—A company of the National Guard has been organized here and will enter into service as the headquarters company.

Brookston—More than 100 delegates from 27 towns attended the annual convention of the district Federation of Women's clubs.

St. Paul—The Farmers' State Bank of Deer Creek has increased its capital from \$10,000 to \$25,000. S. B. Dusa, state superintendent of banks, said.

Fairmont—S. W. Sowell, of the Minnesota Highway department has been stationed here as district maintenance superintendent. Mr. Sowell will have charge of the fifth Minnesota highway district.

Thief River Falls—The contract for the new school building to be erected here is to be let to the lowest bidder. The estimated cost of the building is \$14,000.

Fergus Falls—This city has run about \$20,000 behind on current school taxes. The school board has decided to vote bonds in that amount to make good the deficit has been decided by the board of education.

Marshall—Marshall capitalists may decide to back a proposition to establish a big \$200,000 milk condensing plant here. The establishment of the plant, it is said, would give new life to the dairy industry in this section.

St. Cloud—The St. Cloud Kiwanis club, organized Jan. 27 this year, officially was presented with its charter at a gathering of 250 Kiwanians, which included delegations from Minneapolis, St. Paul, Red Wing, Bemidji and Fargo.

Winnona—A gift of \$60,000 to the general fund of the Winona General Hospital was announced in connection with the graduation of a class of nurses from the hospital training school. A contribution of \$1,000 also from an unnamed donor for the building fund, also was announced.

St. Paul—Oscar Amos, chief clerk of the House of Representatives, is mailing out a collation of the highest laws of the state. Printers have delivered \$500 of these booklets, in which there was an error, stating that the motor license tax would be 1.45 per cent instead of 2 per cent.

St. Paul—Charles M. Babcock, state highway commissioner, and John H. Mullen, assistant commissioner and chief engineer, left St. Paul on a 750 mile automobile trip to make field investigations and give public hearings on numerous trunk highway improvement projects in central and western Minnesota.

Laverne—To robost of variables and later located. In an effort to solve their own escape was the fate of Kenneth Roberts, John Parney and J. P. Roberts of this place, who were taken to a hospital by a holdup man in the Omaha yards here. The three victims were released after their wrists were washed and locked separately in boxes.

Bemidji—Rev. L. J. Jordan, pastor of the First Scandinavian Lutheran church here, has been selected by the board of directors of the North Central Minnesota Hospital association as its campaign manager. The hospital association is authorized for \$100,000 to build a new hospital building.

St. Paul—Ninety-five men, 40 of whom were Democrats in name, were American, following their admission to citizenship and the granting of citizenship papers by Judge William Kelly in Ramsey county district court.

St. Paul—State Trunk Highway No. 18 between Princeton and Elk River will be on the route of the state trunk highway through Zimmerman, according to a temporary location order issued by the state highway commission.

WORKING-GUN SWABBER, FOR A NUMBER OF YEARS COUNTY AUDITOR IN NOBLE COUNTY, HAS RESIGNED.

Earl E. Fisher, Dunlap farmer, lost the sight of one eye lost his hearing and was badly bruised while whitening stumps.

Maakato—Selecting Duluth as the next convention city the members of the Knights of Columbus closed their annual convention here.

Shelly—One man narrowly escaped death and two horses were killed when the trestle bridge over the Red river leading to town broke down.

Winnona—Winnona county has joined the National Tuberculosis association. A company of the National Guard has been organized here and will enter into service as the headquarters company.

Montevideo—Members of Company D, Minnesota National Guard will take part in a military review at the army camp at Montevideo according to an announcement.

Redwood Falls—The city council has authorized a bond issue of \$5,000 for the installation of a white city lighting system. The total cost will be \$14,000.

Fairmont—Ferdinand Water farmer, who was thrown from his wagon and injured by a runaway horse, was given a verdict of \$8,000 in district court here against the Fairmont Telephone company of Madelia.

Albert Lea—Mrs. John Cusin, of Stewartville, was elected president of the first district convention of the Minnesota Federation of Women's clubs at the close of the annual convention here held at the Hotel Du Bois.

Minneapolis—George Augustus Brae, 85 years old, resident of Minneapolis for 54 years, died here.

Brookston—Because May 20 falls in the middle of the potato planting season, the donation day livestock sale, scheduled to be conducted here on that day, will now be held on May 21.

Duluth—Hent on escaping heavy duties by the use of a false name, was arrested by President Harding's signature.

St. Paul—Problems of vital importance to the state, including taxation, food and fuel, and drainage, will be subjects of research during the coming year by committees of the Minnesota legislature.

St. Paul—The state highway commission has issued a temporary location order for the state trunk highway between Princeton and Elk River.

CULTIVATE CORN TO HELP YIELD

Thorough, Early Plowing Encourages Plant Growth and Prevents Soil Crusting.

DESTROYS ALL YOUNG WEEDS

Successful Growers Favor Shallow Cultivation, Except Where Excessive Rains Have Packed Soil.—Maintain Dust Mulch.

Well-ground spinich is one of the best early spring and late fall greens that can be raised in the garden. Spinich is adapted for growing in practically every locality, requires a rich sandy soil, and will grow better than does lettuce, but does not do well during the hot part of the summer.

For growing spinich in the home garden a bed 5 feet in width and 30 or 40 feet in length should be prepared and a quantity of well-rotted manure worked into the top 3 inches of soil. Three pounds of commercial fertilizer should also be scattered over the surface and well worked into the soil.

Spinach grows quickly and requires very little cultivation, except to loosen the soil a trifle between the rows and keep weeds from getting a start. If the weeds are not in a weedy condition, they may be pulled out when they are small.

Spinach should be planted in October and remain in the open ground all winter. Spinach should be planted in the home garden a bed 5 feet in width and 30 or 40 feet in length should be prepared.

For growing spinich in the home garden a bed 5 feet in width and 30 or 40 feet in length should be prepared and a quantity of well-rotted manure worked into the top 3 inches of soil.

THE TRIALS OF A HOUSEWIFE

How They Have Been Endured and How Overcome by Lydia E. Pinkham's Vegetable Compound

Experience of a Providence Woman

Providence, R. I.—"I took Lydia E. Pinkham's Vegetable Compound for a female trouble and backache. I had just after my baby was born, and I did the best I could about getting my work done, but I had awful standing on my feet. In the papers about Lydia E. Pinkham's Vegetable Compound I read that it was doing other women, and I have got dandy results from it and will always recommend it. You can use these facts as a testimonial if you wish. I am Mrs. L. E. Casner, 18 Men Court, Providence, R. I.

Ohio woman for three years could hardly get about her household work. Made well by Lydia E. Pinkham's Vegetable Compound. I was very nervous and had no appetite at night, and I had awful dizziness. At times I could hardly do my household work. I had just after my baby was born, and I did the best I could about getting my work done, but I had awful standing on my feet. In the papers about Lydia E. Pinkham's Vegetable Compound I read that it was doing other women, and I have got dandy results from it and will always recommend it. You can use these facts as a testimonial if you wish. I am Mrs. L. E. Casner, 18 Men Court, Providence, R. I.

Illinois woman relates her experience: Bloomington, Ill.—"I was never very strong and female trouble kept me weak. I had to rest in bed for several weeks. I had just after my baby was born, and I did the best I could about getting my work done, but I had awful standing on my feet. In the papers about Lydia E. Pinkham's Vegetable Compound I read that it was doing other women, and I have got dandy results from it and will always recommend it. You can use these facts as a testimonial if you wish. I am Mrs. L. E. Casner, 18 Men Court, Providence, R. I.

Many said for a simple habit to eat what Swamp Root, the great kidney and bladder medicine, will do for you. By enclosing ten cents to Dr. Kline & Co., Philadelphia, Pa., you may receive sample size bottles of Swamp Root. You can purchase medium and large size bottles at all drug stores.—Advt.

In a new size package. 10 cigarettes for 10c. Handy and convenient for them. Dealers now carry sizes: 10 for 10c; 20 for 20c. It's Toasted.

Half Mad With Itching? Clean Out Your Blood. That flaming, torturous itch that drives you to scratch yourself raw and bleeding is generally caused by impure blood. You can relieve it thoroughly only by getting the impurities out with S.S.S. and a few bottles of S.S.S. will write you a history of your trouble, and you will get a full list of S.S.S. Medical Advertisements Laboratory, 341 South Georgia.

Long Distance
Is at Your Service

To congratulate or extend sympathy to friends—to get information quickly and correctly—to promote sales—to avoid making needless trips—for any business or social purpose—Long Distance is always the quickest and best way. Here are a few representative rates:

TO	DAY	PERSON-TO-PERSON	PERSON-TO-PERSON
		Day, 10¢	Night, 15¢
Minneapolis	Day	25¢	35¢
Duluth	Day	25¢	35¢
St. Paul	Day	25¢	35¢
Wadena	Day	25¢	35¢
Rock City	Day	25¢	35¢
St. Cloud	Day	25¢	35¢
Brainerd	Day	25¢	35¢
Worthington	Day	25¢	35¢
St. James	Day	25¢	35¢
Wadena	Day	25¢	35¢

Evening rates apply from 8:30 p. m. to midnight; night rates from midnight to 4:30 a. m. Station-to-station calls for 25 cents or less are for a 3-minute conversation. All other rates quoted are for a 3-minute conversation.

When you will talk to anyone at the telephone called, it is station-to-station service; if you specify a definite person, or persons, it is person-to-person service.

NORTHWESTERN BELL TELEPHONE COMPANY

Miss Fairchild returned to her home at Bruno, last Saturday, after substituting for Mr. Emmerson in the local schools. Mr. Emmerson returned to his duties Monday after being sick with the mumps for the past two weeks.

The school program at the Meadow Bank school house last Friday evening was well attended. There is some talk of giving it in the hall at Rock Creek sometime in the near future.

Chester Carlson and Adrie Nya returned home last Friday from White Bear, where they have been employed for the past month or more.

The Missionary Society met at the home of Mrs. Frank Stevens on Tuesday afternoon of this week. Clyde VanDyke and Leonard Johnson returned home from Iowa, on Thursday of last week, where they have been working the past month or more. Leonard was taken sick with diphtheria which necessitated his leaving last Saturday and his speedy recovery is hoped for.

Mr. and Mrs. Bertel Erickson arrived here last week, from Dodge, Iowa, for a visit of a couple of weeks or more, at the home of his parents, Mr. and Mrs. Gus Erickson. The young couple were married two weeks ago and are spending part of their wedding trip here. Mrs. Wm. Peterson arrived from Minneapolis, Tuesday, for a visit at the home of his parents, Mr. and Mrs. Matt Peterson, at West Rock. Mr. and Mrs. Walter Erickson returned from Bruno, last Friday and after a day spent at the Gus Erickson home, left for Fort Dodge, Iowa, where they will visit with relatives and friends.

The work on the creamery is progressing nicely and it is hoped to be able to start up some time next week. The machinery is being rearranged and put in place and new sanitary piping is being installed. A new coat of paint will be put on the interior and when finished will be in first class shape when it is opened up. An ice cream social and apron sale will be given in the hall on

BEROUN NEWS DEPARTMENT

Mr. and Mrs. Vencie Starnan of Rock Creek were visitors in town, last Monday.

Mrs. T. S. LeTourneau and son came up from their home at Winthrop, and returned by auto, with Mr. LeTourneau who has been operating the local potato warehouse. Work was started, last Tuesday, on the excavating for the new butcher shop which Frank Chalupnik is building on the lot, just south of the Hotel Comfort.

Work was begun this week, on the new garage, which the Pulkrabek boys are building north of the Prochaska building. It will be a one story frame building with a concrete floor.

The ball club will give another dance, Saturday evening, May 23, in Prochaska's hall. There's orchestra will furnish the music. The ball team had a practice game, last Sunday, playing the married men of the village. They will play Pogramma on the local diamond, next Sunday afternoon.

There will be a dance in Prochaska's hall, Saturday evening of this week. Dufese orchestra will furnish the music, and supper will be served at the hotel.

Geo. Trotter of Brook Park, is moving the old Strohkireh house on to the Villa lot, this week.

The construction for the power lines is about completed. The poles are in and the wires strung. Five

are lights will be put in. It will only be a short time until the village will be electric lighted. Most of the business places and residences are installing electric fixtures and most of this work will be completed in the near future. With the new light poles and the building being done in the village, this spring, Beroun has taken on a very prosperous appearance, which cannot help but impress visitors in the town.

Matt Neuman Laid to Rest

Matt Neuman passed away at his home, north of Beroun, last Friday, after a lingering illness. He had returned from Duluth, but a short time ago, where he was in a hospital.

Funeral services were conducted by Rev. Barnes of Meadow Lawn from the Methodist church at Pine City, Tuesday afternoon, and the remains laid to rest in the Pine City cemetery. The pall bearers were, Mr. Hill and Mr. Mattson of Duluth, A. B. Reese, Wm. Gappil, Albert Henderson and Mike Cahak of Beroun.

The deceased was born in Finland, 50 years ago, coming to America in 1888, and to this community 4 years ago. Besides his wife, six children are left to mourn his loss; Jennie, Sennie, Mayme, Ellen, Vester and Harvey. The sympathy of all is extended to the bereaved family.

Making Farm Homes Modern

As long as farmers' wives are doomed to the drudgery of pumping water—to long walks and from the well for heavy buckets—just so long will farm and city homes remain subject to the danger of diseases and illness due to impure water supply.

A "PAUL WATER SYSTEM"

does away with this drudgery. It also opens the way to sanitary sewage disposal, which safeguards the health of your family.

Costs little compared to the comfort and convenience of your family.

We make a specialty of designing septic tanks. No charge made for this service.

JUST AS IMPORTANT

Waiting until the real hot weather is here before starting to take ice may be false economy. Food which you may think absolutely untainted but which in reality is unfit for the human system, is very common at this season of the year. Food kept ice-cold is more pleasing to the palate and keeps appetites whetted for every meal. Phone us today—our wagon will call.

LOUIS VOLENEC

Local News

Frank Ling is home for a visit at the home of his parents, Mr. and Mrs. Thomas Ling.

Rev. and Mrs. Herb Parrish, arrived last week for a visit at the home of her parents, Mr. and Mrs. A. H. Daniels.

Miss Nora Wilson drove up from St. Paul, last Friday, with her brother, Dewey, and spent the week end with her folks here.

Mr. and Mrs. Howard Folsom drove up from Taylors Falls, last Sunday, returning the following day.

Wm. Corrigan, auto painter at the Petzel garage, left for the Twin cities last Monday, after about two months of painting autos at the garage.

F. A. Jorling has completed fixing his lawn, and is anxiously watching for the grass to grow. He had the lot filled in, level with the street, and it makes a fine appearance.

Mr. and Mrs. Syboda arrived from Mrs. Vernon, S. D., last Sunday and will make their home here. They recently went to Mt. Vernon after selling their farm here.

Mrs. Fred Blostein expects to leave tomorrow for the cities, and from there she will go to Des Moines, Iowa, for an extended visit with her sister.

Miss Jessie Kilgore came home from St. Paul, last Saturday, and spent Sunday with her folks. She is operating a linotype at the West Publishing Co. in St. Paul.

Mr. and Mrs. J. O. Petchel, his father, and Mrs. Louis Ertart drove to St. Paul, last Tuesday, to attend the funeral of a cousin of Mr. Petchel.

Mrs. O. H. Ingran and Mrs. G. F. Walter attended the Grand Chapter meeting of the Eastern Star, in St. Paul, last week. They made the trip by auto with Dr. Walter.

Wm. Bandlow is having a full basement put under his house. The excavating has been completed and the work on the foundation is well under way.

Mr. Kodym spent last Sunday at the home of his brother here, Mr. John Kodym. They were accompanied by friends and spent the day fishing, having a nice "string" to take back to St. Paul.

A cement sidewalk is being put in this week, on the block in front of the Frank Bukachek home, running west. A curb, outside the parking strip, will also be put in the block in front of the Granton and the Sobotka homes.

Mr. Isaac Wickstrom returned to this place last Thursday, from Denver, Colo., where he has spent the last few years. Mr. Wickstrom was formerly in the shoe repair business in this place. He expects to locate in Rush City.

A farewell party was held for the Becken children, last Monday evening. They will leave with their mother, as soon as school is out, to join their father, who is bank director at Buhl. The little folks had a very enjoyable time at the party. Games were played and refreshments were served.

Frances Cassidy entertained a number of playmates at a birthday party, last Thursday evening. Games and lots of good things to eat were enjoyed by the youngsters. The little lady was celebrating her sixth birthday and received the usual birthday "spunkings" applied vigorously by her little friends.

Mr. and Mrs. T. Lund of Hampton, Iowa, left for California, the latter part of last week, after a week's visit at the home of her brother here, J. P. Miller. They are making the trip from Iowa to California and return, by auto. They spent Tuesday and Wednesday, of last week, with the Millers, visiting at the L. C. Polemen, home at Aikow.

Mrs. Andrew Asplund arrived from Denver, Col., last Saturday. Mr. Asplund is traveling on the range, at present, and they will make their home here. He is a former merchant of Pine City, selling out to Wm. S. Reacher a few years ago. Since then they have spent most of the time in Denver. Their son, Harold, remained there until the school term is out.

Over 25 members of the Masonic lodge of Moose Lake, attended the meeting of the local lodge, last Monday evening. They made the trip by auto. There were visitors from the Hinckley and North Branch lodges in attendance also. The Moose Lake lodge has started work on a Masonic temple, which will cost about \$10,000 to construct. They

expect to lay the corner stone, the forepart of June, and have invited the local lodge to attend.

Miss Alice Daley accompanied Rev. and Mrs. Parish to their home at Wadena. They leave today by auto.

Mrs. Korbel has installed a new cement walk, running from the front porch to the sidewalk at their home.

Miss Lulu Beje spent last Monday and Tuesday, visiting with her sister, in St. Paul.

Joe Kuback spent the week end at home. He was up on the range last week, and was on his way back to St. Paul.

Dr. and Mrs. Johnson and Mr. Callahan and Miss Keane came up from the cities, spending the week end at the Dr. Walter home.

Mrs. Bentley arrived from Osage, Ia., last week, for a visit at the home of her parents, Mr. and Mrs. W. P. Gottry.

Miss Lillian Basson and Oscar Johnson of Pinlayton were married by Rev. Buckton, at the Presbyterian manse, yesterday morning.

Mrs. Peter Engel accompanied her son, Jim, and Rich Kowalke to the cities last Monday. The boys returned the same day, while Mrs. Engel came back Tuesday on the limited.

Mrs. F. P. Gottry and two little sons, left for Edon, Ohio, last Friday, where she will visit for a month or so at the home of her parents. Frank accompanied them as far as St. Paul, making the trip by auto.

Allen Spindle, Bronson Bean, George and Ada, Jess and Frances Arault, of Stillwater, drove up last Saturday, to spend the week end with Clint and Ben Boo, and to take in the dance, last Saturday evening.

Mrs. Walker, sister of Mrs. Emma Fisher, is expected this week, for a visit at her sister's home here. She has been living in Colorado, and is coming from Chicago, where she has been visiting.

Miss Catherine Hurley, accompanied by Miss Clark of Cloquet, spent the week end at the home of her father, Ed Vaughn and his sister, Miss Alice Vaughn, who was also up from St. Paul, to spend Sunday, with their cousins, the Harleys.

Angelo Yottie drew a large crowd at the armory, last Saturday evening. This was the second of the bath house dances. Wm. Chalick, and Clint Boo, the committee in charge are to be congratulated on the financial success of the affair, as they cleared \$113 for the bath house fund.

The Presbyterian ladies aid, will meet at the home of Mrs. Ed Hakes Thursday afternoon of next week. The ladies are asked to meet at the Breckenridge pharmacy. A covered lunch will be served. The aid served a supper at the home of Mrs. Robt. Wilcox, last Thursday evening. The price was fifty cents, and if they all ate like the editor of The Piker they carried home about a dollars worth of food. It was sure some feed.

Andrew Gallik Laid to Rest

Andrew Gallik passed away, at his home 6 1/2 miles east of Pine City, last Friday, May 13th, death being caused by cancer.

Funeral services were conducted by Pastor Leo, from the Catholic church and interment made in the local cemetery on Monday of this week. The pall bearers were: F. J. Rybak, J. J. Madden, W. A. Sausser, Barney Walker, Valentine Minar and Edmund Minar.

The deceased was born in Lukka, Czechoslovakia, Feb. 14, 1865 and came to this country at the age of 17 years, settling at Streator, Ill., where he lived 17 years. He came to this community in 1902, and has made his home here since.

He married Anna Hudak, 31 years ago, eleven children being born, 8 of whom are living—Andrew, Susie, Mary, George, John, Leo and Cecilia—all being home for the funeral, also a sister, Mrs. Mary Gordon, of Lakfield, Minn.

His illness, caused from cancer, extended over a year and an operation was performed last fall. The deceased had many friends in this region, who extend their sympathy to the bereaved family.

Card of Thanks

To the relatives, friends and neighbors, we wish to extend our words of appreciation and grateful thanks for their assistance, kindness and sympathy in our grief, shown to us during the illness and death of our beloved husband and father.

Mrs. Anna Gallik and children

FARM DEPARTMENT

e Add 50 Cents to Each Dollar Invested by An Employee

RECENTLY the Standard Oil Company (Indiana) announced a plan under which it is possible for its 25,000 employees to become partners in the business on a very attractive basis.

The publisher of a small newspaper, unacquainted with the motives which animate the seven men who direct the operation of the Standard Oil Company (Indiana), wrote an editorial in which he questioned the motives of this Company, and intimated that the plan was a scheme whereby the Company aimed to benefit by getting in this additional capital.

To set right this publisher, and any one else interested, the Company deems it advisable to direct attention to two outstanding features of this plan which are illuminating in this instance.

First, that to every dollar paid by the employee for the purchase of stock, the Company adds, as a gift, 50c.

Second, that participation in the plan is not obligatory, and that in no case is an employee permitted to pay in more than twenty percent of his earnings.

In formulating the employee partnership plan, the Board of Directors of the Standard Oil Company (Indiana) was inspired solely by the idea of benefiting those employees who wish, through systematic saving, to become partners in the business. It believes that the man who works and saves is climbing upward, but that the man who invests his savings wisely is climbing faster. It believes that the employee who has money invested in the business is freer of mind, more contented, and more productive than if this anchor to windward did not exist.

The idea of employee ownership of industry is in line with modern tendencies. The Standard Oil Company (Indiana) has always been a progressive organization, and its willingness to receive new ideas has put it in the lead in the petroleum industry.

The Standard Oil Company (Indiana) has developed an efficient, enthusiastic body of workers. Every employee, from the Chairman of the Board of Directors to the man who drives a tank wagon, is working steadfastly to serve the public to the best of his ability.

It is the recognition of this fact that prompted the Board of Directors to inaugurate the plan which enables the employee—whatever his position may be—to become a partner—a factor in the business.

Monday's Closing.—Cattle 1,500, market closing steady, few spots on beef steers strong to slightly higher. Top steers \$8.25. Calves 400. Market steady. Top to packers \$7.00. Hogs 7,500. Market weak to 25c lower, bulk \$7.75 to \$8.00 top \$8.25. Sheep 900. Market strong to 25c higher.

South St. Paul, Minn., May 18, 1921: Although some weakness was noticeable on mid-week sessions last week, the cattle market still held a part of the early gain at the close. The market opened this week steady with last Friday, although some weakness was noted at points having increased supplies, and the opinion of the local trade is that any considerable increase here or in general marketings would result in lower prices. Beef steers of good grade are selling from \$8.00 to \$8.50, last week's extreme top \$8.50. This grade steers sold strong on Monday with best in load lots at \$8.25. Common and medium beef steers are going from \$6.50 to \$8.00, bulk \$7.00 to \$7.75. Strictly choice fed heifers are quotable up to \$8.25, small lots of good grade selling up to \$7.50 with bulk of butcher she stock \$6.50 to \$7.00. Bologna bulls are mostly \$4.75 to \$5.00, extreme top \$5.25. Packers are paying \$7.00 for top veal calves. Desirable heavy feeder steers sell largely from \$7.50 to \$8.00, stockers under 750 pounds from \$6.00 to \$7.00.

Hog marketing is running a long fairly stable, range \$7.00 to \$8.25, bulk \$7.75 to \$8.00. Good choice \$9.00. Sheep and lamb prices are climbing, best clipped lambs Monday \$10.85, woolled ewes up to \$7.00, woolled yearlings to \$9.50.

Staff men of the land clearing section of the agricultural engineering division of the state university are cooperating with six cut-over land farmers of northern Minnesota to determine the cost of clearing land, the best methods of preparing newly cleared land for cultivation and the kind of crops that can be raised first to the best advantage on the types of soil encountered in the north.

The trials are to be made this year and next on acre lots near Biidji, Walker, Little Fork, Boy River, McGrath and Blackduck. The Biidji is a jackpine sand, the Walker acre a heavy sandy loam soil with light clay sub-soil; the Little Fork, a clay loam soil with heavy clay sub-soil; the Boy River acre, mixed sand and clay with heavy sub-soil; the McGrath acre a clay loam soil with heavy sub-soil, and the Black Duck acre a straight clay sub-soil. Minnesota Geographical Survey data go to show that combined the six acres are representative of soil constituents of 90.5 per cent of the tillable portion of northern Minnesota.

One-third of every acre is to be disked only, one-third plowed superficially, and the remaining third plowed deeply. Oats and barley are to be planted; two plots of each on the disked and plowed tracts so that the plots may be checked a gainst each other when the crops have matured. In addition, cultivated crops, such as potatoes, ruta bagas and sunflowers, are to be grown on two plots on each of the disked and plowed tracts.

Under the cooperative plan agreed upon the farmers furnished the dynamite, caps and fuses for blowing out the stumps. They must also pile and burn the debris, prepare the land for the reception of the seed and attend to the cultivated crops and harvest at the end of the season. The university men contracted to blast the stumps and to keep correct records of the labor and amount of material used. The state is to furnish all seed and do all the planting. At the end of the season the state is to have the products raised on six square yards of each plot from which to compute the yield per acre, the remaining produce to go to the farmers.

On April 27, A. J. Schwantes of the land clearing section of the university and a single helper began

blasting the stumps and on Saturday May 7, this task had been completed. Mr. Schwantes is now supervising the seeding and planting of the various tracts. Winter crops to be laid down this fall on those parts of each acre devoted to cultivated crops. Prof. William Doss, chief of the agricultural engineering division, and M. J. Thompson, superintendent of the northeast adaptation and professor of land clearing, are directing the project.

The Minnesota dairy council has employed Fred Warbur, a former Minnesota, as field manager in an effort to improve marketing conditions and save money for producers by working out economical shipping routes and arranging for shipment in large quantities. Lack of means to command best prices through uniform grades, quantity shipment and advertising, and to effect freight rate savings, cost Minnesota farmers \$10,000,000 last year, members of the dairy council estimate.

Every township in 55 Minnesota counties has a farm bureau organization, the state farm bureau federation announced today. Two counties which have just completed the organization work has recorded a total of 2,388 farm bureau members last night, with many townships reporting every farmer on the member ship list.

SATURDAY EVE., MAY 21

AT WM. CORT'S NEW GARAGE
Floor Space 28x80
4 1-2 miles west of Pine City on Brunswick Road
Music by Angelo Yotti

You'll enjoy the sport of rolling 'em with P. A.!

FIRST thing you do next F—go get some makin's papers and some Prince Albert tobacco and puff away on a home made cigarette that will hit on all your smoke cylinders!

And, besides Prince Albert's delightful flavor, there's its freedom from bite and parch which is cut out by our exclusive patented process! Certainly—you smoke P. A. from sun up till you slip between the sheets without a comback.

No use sitting-by and saying maybe you'll cash this hunch tomorrow. Do it while the going's good, for man-o-man, you can't figure out what you're passing by! Such flavor, such coolness, such more-ish-ness—well, the only way to get the words emphatic enough is to go to it and know yourself!

Prince Albert is the tobacco that revolutionized pipe smoking. If you never could smoke a pipe—forget it! You can—AND YOU WILL—if you use Prince Albert—for packing! It's a smoke revelation in a jimmy pipe or a cigarette!

Prince Albert is sold in easy red bags, 10c and 25c, 50c and 1.00, 1.50 and 2.00, and in the special glass tin with sponge moisture.

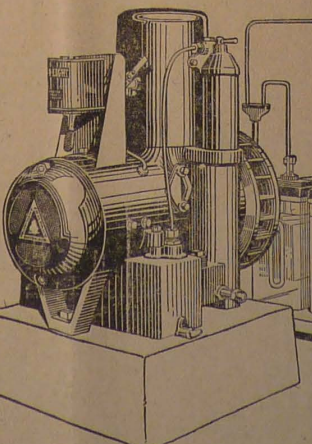

PRINCE ALBERT

DELCO-LIGHT

The Complete Electric Light and Power Plant for \$295

f.o.b. Dayton, O.

LIKE all other Delco-Light plants, this model at \$295 has the famous valve-in-head, four-cycle, air-cooled motor. It is self-energizing. There is only one place to oil. It runs on kerosene, is economical and easy to operate. Years of Delco-Light engineering development, together with the experience gained from over 135,000 users have combined to produce the value that is represented in all Delco-Light Products. There are twenty-five styles and sizes of Delco-Light plants, to meet every need of farms, stores, country homes and all those places where individual lighting plants are a necessity.

Write for catalog or come in and let us tell you what Delco-Light can do for you. Delco-Light betters living conditions and pays for itself.

Treating Seed Potatoes

The following method of treating seed potatoes with corrosive sublimate (commercial) is recommended for use, where the growers are planting from two to twenty acres. If the acreage is larger than twenty, it would be advisable to secure a tank that will hold a large amount of potatoes at one time.

TREATING

1. Fill the barrel with screened potatoes, so that the solution will weaken the solution.
2. Add enough of the solution from the tub to cover the potatoes. It will require about 23 gallons. About one gallon will be lost with each batch treated.
3. The tubers should soak in the solution for 1-1 1/2 hours. Then, put the plug and let the solution drain into the tub.
4. The potatoes should be removed from the barrel and spread out in the sun. A good method would be to have a low wagon next to the platform so that the potatoes could be dumped into the wagon box and then spread out.
5. Six batches can be treated in this way, after which the solution should be thrown away. These six batches can usually be run through in a day and there will be just about enough potatoes to plant 2-1/4 to 2-1/2 acres.

If one desires to treat only enough potatoes for one acre the same directions as above should be followed, except that the proportions should be cut in half.

RENEWING THE SOLUTION

The solution decreases in strength with use, so that it will be necessary to add two more ounces of the corrosive sublimate. Pour two gallons of hot water into the tub, add two ounces of corrosive sublimate and stir until dissolved. Pour this solution into the tub. It will mix with the solution that drains from the third batch so that the 5th and 6th batches will be renewed.

CAUTIONS AND PRECAUTIONS

Corrosive sublimate is a poison. It is colorless, tasteless, and odorless and is sold in either a crystal or powder form.

Keep all livestock away from the treating equipment and the solution. It does not injure the hands, but the solution can be handled, but not taken internally.

If carried postal, so therefore must be put into wooden, granite stone, or metal containers.

Bury the solution and the waste potato pieces in a pit as soon as the treating and washing is complete.

County Fair Next Week

An old-fashioned county fair is one of the big features of the "Toureaux" Tourneaux, which opens at the Family Ice Cream Parlor, Friday, May 27th.

"The County Fair" is the screen version of Neil Blomfeldt's well known stage play of the same name and it has given his best photoplay.

Little freckle-faced Wesley Barry furnishes the comedy. Wednesday evening the scenes showing the play, accompanied by his best girl, endeavor to make an impression. His first suggestion is a lemonade stand where he happily order two lemonades, only to discover that he has lost his money; whereupon the young miss gives him a flat. He finds a way to earn some easy money. Dabbling his hands with molasses he joins in the hands of the greased pig. And the laughs come a plenty when Prekles wins. A thrilling horse race is another feature of this wonderful photoplay.

The company's own orchestra and Rubenville band provide both music for the picture and the daily street parade.

Twenty-Five Dollars Reward

for information leading to the arrest and conviction of party who stole pair of oars from east side of Cross Lake on night of May 18th. Address "Z," care of Pine Poker.

Boys and Girls Clubs

In 18 states of Minnesota, comprising 40 counties, we find there are 30,000 boys and girls who are actively engaged in club work, rising from two to twenty acres. If the acreage is larger than twenty, it would be advisable to secure a tank that will hold a large amount of potatoes at one time.

TREATING

1. Fill the barrel with screened potatoes, so that the solution will weaken the solution.
2. Add enough of the solution from the tub to cover the potatoes. It will require about 23 gallons. About one gallon will be lost with each batch treated.
3. The tubers should soak in the solution for 1-1 1/2 hours. Then, put the plug and let the solution drain into the tub.
4. The potatoes should be removed from the barrel and spread out in the sun. A good method would be to have a low wagon next to the platform so that the potatoes could be dumped into the wagon box and then spread out.
5. Six batches can be treated in this way, after which the solution should be thrown away. These six batches can usually be run through in a day and there will be just about enough potatoes to plant 2-1/4 to 2-1/2 acres.

If one desires to treat only enough potatoes for one acre the same directions as above should be followed, except that the proportions should be cut in half.

RENEWING THE SOLUTION

The solution decreases in strength with use, so that it will be necessary to add two more ounces of the corrosive sublimate. Pour two gallons of hot water into the tub, add two ounces of corrosive sublimate and stir until dissolved. Pour this solution into the tub. WASHRITE Finish-Brite

To the People of Pine City and Vicinity:
I wish to introduce to you the Two Great Labor Savers
Washrite Laundry Squares and FIN SH-BRITE

WASHRITE is a combination of the world's greatest cleansing elements, put up in tablets one inch square by one-half inch thick—no waste—and superior to washing powders. Equally efficient for use in boiler and washing machine. Washrite is harmless to everything except dirt, and does not contain any live lime, wax or injurious chemical, and positively will not injure the finest fabrics. Washrite is packed in 15 cent and 25 cent cartons, containing 10 and 18 tablets respectively. Full directions with each package.

FINISH-BRITE is the highest grade auto and furniture polish made, composed only of the best materials, and does not contain any live lime, wax or injurious chemical. Put up in three sizes—4 oz. bottle, 25 cents; pint size, 75c and One Quart for \$1.25. Free samples of both Washrite Tablets and Polish gladly given upon request to A. W. PIPER, Exclusive Sales Representative for Pine City.

Manufactured by
The Washrite Mfg. Co., Minneapolis, Minn.
For Sale by **A. W. PIPER, Pine City, Minn.**
