

THE PINE POKER.

Vol. XXIII

PINE CITY WINS CUP AT FIELD AND TRACK MEET

Herdina of Pine City Wins

Most Individual Points

The Pine City high school took first place in number of points scored at the "little eight" at Mora last Saturday, scoring a total of 170 points. Mora was second with 153 and Rush City third with 35 points.

Al Herdina of Pine City was an easy winner in the individual points scored, getting 29 points, and receiving a silver medal. Frank Moulton of Rush City was next with 20 points, getting a bronze medal.

The first event of the day was the ball game, between Mora and Pine City, which was won by Pine City by a score of 3 to 4.

The locals started the scoring in the second inning due to misplays by the Mora team and a few well placed hits. This lead was increased until nine scores had been kept across home plate. Mora was unable to get a man past 1st base until the sixth inning, due to the masterful pitching of Woehrle and glib edge support of his teammates. Woehrle was on the mound for Mora and was quite freely pitched a good game considering the support he received.

10 Yd. Dash—
1st, Moulton, Rush City.
2nd, Herdina, Pine City.
3rd, Wygant, Mora.

Running High Jump—
1st, Moulton, Rush City.

2nd, Johnson, Pine City, and Fenn.

3rd, Herdina, Pine City.

Shot Put—
1st, Herdina, Pine City.

The judges in judging the girls

2nd, Klicker, Pine City.
3rd, Penney, Mora.
100 Yard Dash—
1st, Moulton, Rush City.
2nd, Herdina, Pine City.
3rd, Wygant, Mora.

Discus Throw—
1st, Herdina Pine City.
2nd, Johnson, Pine City.
3rd, Hakes, North Branch.

1/2 Mile Run—
1st, Flygate, North Branch.
2nd, Roberts, Pine City.
3rd, Nygren, Mora.

120 Yard Hurdles—
1st, Herdina Pine City.
2nd, Penney, Mora.

200 Yard Hurdles—
1st, Herdina, Pine City.
2nd, Wygant, Mora.

Relay Vault—
1st, Peterson, Rush City.
2nd, Penney, Mora.

Running Broad Jump—
1st, Moulton, Rush City.
2nd, Wygant, Mora.

3rd, Johnson, Pine City.

1/2 Mile Relay Race—
1st, Pine City.

2nd, North Branch.

3rd, Mora.

The Pine City team was Herdina, Woehrle, Therrien, and Petschel.

Results of Meet by Points—
1st, Pine City, 170 points.

2nd, Rush City, 153 points.

3rd, Mora, 35 1/2 points.

Individual High Points—
All Herdina, Pine City, 26 points.

Declaratory—
1st, Boys, Stanley Bines, Mora.
2nd, Bob Woehrle, Pine City.
3rd, D. Anderson, North Branch.

1st, Girls, Alice Frost, Mora.

2nd, Linelle Gottry, Pine City.

3rd, Willette Brandt, Cambridge.

The judges in judging the girls

contest all gave Alice Frost first place. Two of them gave Lucille Gottry second place and two gave Willette Brandt third. One judge gave Lucille Gottry 3rd place and one gave Almina Ertens of Sandstone 2nd place.

In the boys contest the three judges gave each one of the three high boys first, second and third places. To determine the exact percentages each had received by the judges which gave the above results. The averages gave Rines 88 2/3 per cent, Woehrle 86 2/3 and Anderson 86 2/3 per cent.

Harold Jorgenson, who has been

assistant engineer of a Alaska

country, was hired at a salary of \$200

per month, as engineer of Pine county.

Bids were opened for the grad-

ing of state road No. 8—running

east from Hinckley to the Kettle

river as follows: Peterson and He-

nness—\$14,453.56; Stoen-

and Wolcott \$14,390.21; Henry Cal-

man \$13,585; Peterson & Co. \$512

1400. The contractors, were ap-

pointed.

The parade formed at the hotel

and moved to the bridge, where

services were held and flowers

thrown on the water; a stonewall

was made at the monument, where ser-

vices were held, a volley by the

firing squad and taps was sounded.

Hon. Adam Bede gave the

principal address at the cemetery,

and his talk was one well worth hear-

ing. One of tribute to the dead,

and of real benefit to the living. He

showed where the United States was

not only the father of Democracy

and Freedom, but was also the pivot

around which revolved and was par-

ticular after, by the Republics of

the world.

Dorothy Carlson, daughter of Mr.

and Mrs. R. E. Carlson, gave the

Gettyburg address. She delivered it

in a clear ringing voice, that was

distinctly heard by the large crowd

assembled to honor the departed

soldiers.

Bob Woehrle spoke on "The

Flag." The children sang the na-

tional anthem and Commander

Greg sang "Logan's Order." A

prayer by Father Leo and benedic-

tion by Rev. Buckton closed the

exercises.

Everyone took place promptly

on time due to the efficiency of Mike

Hurley, chairman of arrangements,

and his aides.

It June 1st.

PINE CITY, MINN., JUNE 2, 1921.

No. 38

The Reclamation Committee

Co. Board Meets

Bruno Folks Want New Town

the local line-up and promises good fast game.

Pine City News

The ladies aid of the Presbyterian church will meet in the church next Thursday afternoon. Lunch will be served.

Twin baby girls were born to Mr. and Mrs. Valvoda, living north of town, last Sunday. The combined weight of the new arrivals was 17 pounds. The Poker joins in a welcome to the two little ladies.

"Pinched" at Moose Lake

Four men accused of selling moonshine in the town of Windemere were arrested at Moose Lake, last Monday. Sheriff Hawley was notified and he and French Studebaker, who was made a new township board, will meet July 12th to consider the petition.

Three men brought back were Carl Larson, Oscar Larson and Ivey Magnusson, who gave their residence as Cloquet. The fourth man was arrested, was released as those making the complaint were unable to identify him. There was no "firewater" in their possession when they were gathered in by the strong arm of the law.

They were given a hearing before Justice Atkinson, yesterday morning, but were released for lack of evidence. Many claimed they had purchased from them, brought some of the liquor to Pine City with them Tuesday. One of the men who had purchased liquor said they had taken \$70 from him. Magnusson had \$76 on him when arrested. Carl Larson \$15.20 and Oscar Larson \$13.20. The accused men said they had gone to Windemere town on a fishing trip.

Kohls Grocery Store Sold

J. J. Mulligan of Minneapolis has purchased the stock and lease of the Kohl grocery store. He took possession last Saturday morning, but is undecided as to his future policy. He may possibly sell, but if he does not, will move his family here from Minneapolis and make this their home.

Mr. Kohl and family expect to leave in a few days for Redwood Falls vicinity, where they will stay for awhile. He bought the store from Wm. Schumacher about a year ago.

Two Die From Auto Accident

Another auto accident occurred near North Branch, last Friday, which resulted in the death of two of the occupants of the car.

Four men who gave their names as Joe Neubauer, Geo. Young, Sam Spilman and John Curvis, were in a car which came from the cities to Pine City, last Friday morning. As reported, the car was traveling at a high rate of speed, just south of North Branch. The two men in the back seat got into an argument and the driver turned around. The car turned turtle in the middle of the road, rolled over two or three times, and was practically disintegrated.

Geo. Young died before evening, that day, and Sam Spilman died since then. Both men had been drinking excessively. The man giving his name as Joe Neubauer, stated he was en route to Pine City to get married. He is not related to any of the Neubauers of this community.

Just a week previous, at nearly the same hour, Mr. Ruggs was killed, when his car upset north of North

Celebrate at Moose Lake

June 4th and 5th, Saturday and Sunday, are dates set for Moose Lake's flying circus. The Star Gazette in last week's issue of the Star Gazette, the "Moose Lake Flying circus" will be put on here under the auspices of the local Pedersen-Mannion post of the American Legion, and a big time is looked forward to. There will be thrilling aeroplane stunts, red hot baseball games, a canoe race and many other interesting things to entertain the spectators. And, if you wish, you may take a ride in one of the aeroplanes by paying the necessary fee. That will be quite a thrill in itself.

The "flying Fox," the world's most daring aerial aircraft, will be here to perform in the big aeroplane.

The performance of the "flying Fox" on a rope ladder, will cause the large crowd of people to gaze in silent amazement at big reckless and death-defying stunts. He walks from end to end of the top wing of the aeroplane when it is thousands of feet in the air. He descends to the very lowest rung of a long swinging rope ladder suspended from the landing gear of the plane and there hangs by his knees and teeth, while the machine is racing 75 miles an hour. Here is an opportunity to see an honest-to-goodness aeroplane operation and the expert perform the death-defying stunts. Do not fail to attend both days.—Star Gazette.

The Pine City band will play the Pine City team on Saturday, the first day of the celebration.

Richards Hardware Company sells the Hudson guaranteed born, and hay equipment.

ROYALTON WILL PICNIC

Pine City Band Will Play
Baseball Speaking Sports

The first annual picnic to be given by the farm clubs of Royalton township, will be held on the Oscar Erickson farm, 2 miles east of Greenley, Sunday June 12th. The program begins at eleven o'clock.

Hon. J. Adam Bede of Pine City, Senator Larson of Sandstone and J. H. Hay, deputy commissioner of agriculture, will be the principal speakers.

The Pine City band, the Grasson male chorus, the Ibrahim Gies club, the Ibrahim Mission church choir and the Grasson male quartet will furnish entertainment.

The Grasson and Isanti bands

team will play for a prize of \$75 in baseball and sports. The band provided and the amateur stars guaranteed a very jolly day. Refreshments, lunch and coffee will be served all day.

The grove where the picnic is to be held is one of the finest in Pine County.

NOTICE

The Farmers Terminal Shipping Assn. will mix a meal car—cattle and hogs—next Tuesday, June 5th. For space, see Oscar Westrom, Mgr.

Miss Dorothy Carlson, daughter of Mr. and Mrs. R. E. Carlson, left for Northfield, today, to attend the recital of her cousin, Miss Alice Meyer of Rush City. Miss Meyer graduates from Carlton this year.

ROCK CREEK NEWS DEP.

Ray Gould of Dodge Center, visited at the Berglund home over Sunday.

O. W. Barringer transacted business at Beroun on Tuesday of this week.

Barney Greenspan spent Memorial day at the home of his family in Duluth.

Mr. and Mrs. Albert Schuler visited at the Victor Pepin home over Saturday and Sunday.

Mr. and Mrs. Frank Stevens and children visited at the home of his parents in Fredric, Wis., last Saturday.

Chas. Peterson, living west of town, went to Sturgeon Lake Tuesday where he expects to remain for a time.

Roger Pearson, assistant cashier at the bank, spent Memorial day at the home of his parents in Winthrop.

Mr. and Mrs. Joe Dugan of Dodge Center, visited at the J. M. Morrow home over Sunday. They made the trip by car.

Miss Delila Erickson spent the weekend and memorial day at the home of her parents here. Mr. and Mrs. A. J. Erickson.

Miss Irene Swank returned to Minneapolis Tuesday after a week's stay at the home of her sister, Mrs. Fred Alcock.

Axel Dallstrom arrived from the St. Paul, last Wednesday and expects to remain at the Wm. Olson home during the summer.

Miss Amelia Berglund was up from the Twin cities and spent memorial day at the home of her mother, Mrs. Anna Berglund.

Miss Lillian and Hilma Carlson of Minneapolis, spent from Saturday to Monday at the home of her father Mr. C. W. Carlson of West Rock.

Mrs. C. E. Anderson of West Rock, was called to the cities last Saturday, by the serious illness of her daughter, Esther who is sick with scrofulous fever.

Miss Alice Tate, who is employed at the state sanatorium at Fergus Falls, arrived Sunday for two weeks' visit at the home of her parents, Mr. and Mrs. Alex Tate.

Miss Emily Dahl, Clarence Lindquist and Mr. and Mrs. Robert Anderson, all of Minneapolis, visited at the Fred Hartman home over the weekend.

Mr. and Mrs. Andrew Hansen, Miss Hilma Lindstrom and Wm. Peterson, all of St. Paul, spent from Saturday until Monday at the Geo. Lindstrom.

The local schools closed tomorrow. After a very successful school term, Miss Williams will leave for her home at Hinckley and Mr. Emmerson for his home at Superior.

Miss Jessie Tate arrived from International Falls, Wednesday morning. She is employed in a hospital there and will be home for a two weeks' vacation.

Pete Carlson started work yesterday morning on a new porch which Argent Wallace is having put on the depot. It will be screened in first class shape and the board of directors and all others who assist, are to be congratulated on the work that they have done.

A large crowd attended the

and will add to the appearance.

The base ball team will give a dance at the hall on Saturday evening. June 11th. Rock Creek wants a good ball team and if you are a booster you will buy a ticket to this.

Hildegard Lindgren of Minneapolis, Mr. and Mrs. John Soderlund of Cotton, Minn., and Mr. and Mrs. Johnson of Duluth spent from Saturday until Monday at the John Lindgren's home.

Mrs. A. J. Anderson, living at West Rock, passed away last Saturday morning, while being taken to the city by Dr. C. L. Johnson.

The funeral was held from the West Rock church on Wednesday afternoon. Full services next week.

Miss Mabel Johnson arrived from Fergus Falls, Wednesday morning for a visit at the home of her mother, Mrs. Gerte Johnson. Leonard Johnson left for Minneapolis Wednesday, where he will receive medical attention at the University hospital.

Mrs. D. L. Pepin returned from the hospital at St. Paul, last Sunday. She recently had an operation there and comes home much improved in health we understand.

Miss Madie Pepin arrived Sunday from Fort Scott, Kan., for a two weeks' visit at the home of her parents.

Full details will be given next Sunday with Rock Creek playing the Brainerd aggregation at Brainerd. A good game can be expected and fans from this place are planning on making the trip over to see the locals clean them up.

Rock Creek again met defeat at the hands of Rush City, last Sunday afternoon, at the Rush City grounds by a score of 5 to 4 in seven innings.

The game was hard fought throughout and the locals say it is

had gone the full nine innings a different outcome would have been the result.

Several errors, however, which were particularly due to the weakness of the arms and bats, Adel Carlson won the full seven innings and it is hoped that his arm will be in shape for the remainder of the summer.

The league season opens next Sunday with Rock Creek playing the Brainerd aggregation at Brainerd. A good game can be expected and fans from this place are planning on making the trip over to see the locals clean them up.

The Rock Creek Cooperative Creamery has been doing business here last Monday morning. One

soon after cream was taken in the first day and between 75 and 80 patrons are hauling their milk and cream to the local plant. This

is the first that the creamery has opened since it was closed last fall. The creamery has been put in first class shape and the board of directors and all others who assist, are to be congratulated on the work that they have done.

The board has worked hard to get things in shape and if the farmer will follow it up by bringing good fresh cream and milk, the success of the creamery is assured.

Now that the creamery has again started up, let's keep it going by all pulling together and patronizing your own creamery.

Making Farm Homes Modern

As long as farmers' wives are doomed to the drudgery of pumping water to long walks and from the well for heavy buckets—just so long will farm and city homes remain subject to the danger of diseases and illness due to impure water supply.

A "PAUL WATER SYSTEM" does away with this drudgery. It also opens the way to sanitary sewage disposal, which safeguards the health of your family. Costs little compared to the comfort and convenience of your family. We make a specialty of designing septic tanks. No charge made for this service.

Leon Lohnbalken of St. Cloud spent Sunday and Monday with his family here. Miss "Sammie" Lohnbalken was also up from the cities for a visit with her folks.

Miss Sigurd spent Saturday

Sunday and Monday at the home of her parents near Pelican Rapids.

Mass Spink spent the week-end in the cities.

Mr. and Mrs. Geo. White spent Monday at the home of their parents, Mr. and Mrs. Clark Erickson.

Mr. White is traveling auditor on this line of the N. P. railway.

Dr. Tufts arrived, Wednesday of

last week, for a visit at the F. A. Hodge home. Mrs. Hodge left Thursday for a visit at her old home in Iowa.

Miss Bessie Kilgore spent Sunday and Monday at the home of her mother, Mrs. Joslin. She is a line typist operating at the West Publishing Co. in St. Paul.

Miss Louise Cort spent from Wednesday to last Friday at the home of her parents, Mr. and Mrs. Frank Cort. She is in charge of the usherettes at the New Capital site in St. Paul.

Mrs. W. S. Williams and children of St. Paul spent Monday at the F. A. Wiley home. They were on their home from Sandstone where Mrs. Williams had visited with her sister.

Joseph Harman Christner and Margaret Helen Kimball were married by Judge Wilcox, at the court house, last Tuesday. The newlyweds live in Burnett county, Wisconsin.

Mrs. Miller and daughter, Mrs. Ellstrom of Grantsburg, visited friends here memorial day. Mrs. Miller will visit the home of her son, Mary, in Duluth, Saturday for a few days.

Miss Catherine Fisher came up

from St. Paul and visited on Sunday at the home of her mother, Mrs. Emma Fisher. Mr. and Mrs. Stanley Walker left for the northern part of the state, after visiting at the Fisher home.

Mr. and Mrs. Holstrom from the Twin cities, spent Sunday at the home of her brother-in-law, James Stuck. He plays first base with the Indians and got into the game for Pine City, last Sunday, playing left field.

Mr. and Mrs. J. D. Schulman, accompanied by his father of Minneapolis, spent Sunday and Monday visiting the Phil Slesky. Mr. and Mrs. Goldstein of St. Paul were also here. Mrs. Slesky is a daughter of Mr. Schulman sr. They spent

Decoration Day at Inglenook Inn.

A. J. Totzak, brother of E. F. Nuwash, cousin of Mr. Solothorn, drove up from Silver Lake and Mahtomah Woods and Ware of Minneapolis, spent Sunday at the Otto Soberg home. They drove to Moose Lake Monday, where they spent the day fishing.

The children have a great time

at school, these days, sliding down a slide on the school grounds.

The slide was purchased with money received from the grade program given in the Family theatre a short time ago.

It is a great improvement

for children to get to school early

for a few "shoot the shoots" before the bell rings.

People of Our Town

Schools Are Making Filipinos An English Speaking Race

This is the type of school that is rapidly making an English speaking nation out of the 10,000,000 inhabitants of the Philippines.

If a teacher in a public school in the Philippines desires to punish a child she doesn't have to apply the rod; she simply seizes the offending pupil to remain away from school a few days!

This is the most severe punishment she can inflict, for Filipino children take an almost abnormal pleasure in going to school and acquiring education. The all-powerful demand for education is the popular demand for schools, and still more schools is constantly increasing its appropriations for education, but the schools can scarcely be construed fast enough to care for the ever-increasing crowds. The school enrollment is now 820,000 and is continually attendance bives. When Dewey sailed into Manila Bay there were 2,100 private schools in the islands. Today there are 500 schools, 2,000 public schools with 3,000 full-time teachers, and about 1,000 other teachers, 341 of whom are Americans.

The University of the Philippines is the center of learning of the entire Orient, and is the pride of the nation. It has an enrollment of 4,500 students. Santa Tomas university of Manila, older than Harvard, is another famous seat of learning.

The school system includes normal schools, agricultural schools, secondary schools, a medical school and a school for the deaf and blind.

The Filipino pupil, in addition to learning English and in addition to regular studies, learns how to weave, the crafts peculiar to the islands, as well as the domestic sciences and pedagogy. There are more students than can be filled by the trade school and the technical schools. The total number of trade and agricultural schools produced \$1,176,830 worth of goods in 1919.

There is nothing that the Filipino people take more pride in and that

University of the Philippines which has an enrollment of 3,500 students. "To attend school is a privilege to a Filipino child or young man, not an unwelcome duty. In the cities those who work day to day to school at night, and at night have weaving, the trades peculiar to the islands, as well as the domestic sciences and pedagogy. There are more students than can be filled by the trade school and the technical schools. The total number of trade and agricultural schools produced \$1,176,830 worth of goods in 1919."

There is nothing that the Filipino people take more pride in and that

Three Motors to a Mile of Road

IN the United States there are three motor vehicles for every mile of highway, and this includes all our unimproved roads.

The Federal Bureau of Public Roads estimates that the vehicle use of the public roads in the agricultural districts has increased 500 percent during the past 5 years; also that 15 percent of the main highway traffic is carried by motor truck.

Roads built 10 years ago were not intended to withstand the impact of modern motor vehicles passing in a steady stream. The modern road must be built to withstand this tremendous shock.

For years the Standard Oil Company (Indiana) has been producing mineral which has been used to provide miles of road throughout the Middle West with cushion top of paving asphalt—protecting the highways of town and country against the mighty shocks of modern traffic.

Good roads are a prime essential to national prosperity. The Standard Oil Company (Indiana) in creating a road covering of proved quality, is playing a vital part in the development of the Middle West.

In working out problems of highway construction to meet modern conditions, the Company is prepared to cooperate with any corporation, or engineer, engaged in road construction.

In the production of Standard Paving Asphalt, the Standard Oil Company (Indiana) has added one more useful product to the long list of its achievements.

Standard Paving Asphalt is refined from petroleum by distillation with steam agitation. It is an asphaltic cement of the very highest quality. It was developed to conform to the needs of the modern highway as determined by highway engineers working under actual road conditions in the Middle West.

In the production of Standard Paving Asphalt, the Standard Oil Company (Indiana) has added one more useful product to the long list of its achievements.

Standard Paving Asphalt in itself is essentially useful, and by reason of its manufacture as a by-product of petroleum, the Company has been able to hold down the cost of manufacture of Red Crown Gasoline, Perfection Kerosene, Polarine Lubricating Oils, and other major products, without disturbing their high quality thereby exerting a deterrent influence on increasing the selling price of these products, which accrues directly to your individual benefit.

FARM DEPARTMENT

The date of the creamery conference to be held at St. Paul, has been changed from June 6th to June 7th. The meeting will be called at 10 a.m. at the House of Representatives Chamber, New Capital Building.

This conference is called for the purpose of considering the recommendations of the committee appointed at the preliminary conference held April 23rd. At that time only a few representatives of creameries were represented but at this meeting every cooperative creamery is asked and should feel it duty to send one representative of their creamery to this conference.

Plans are being made for a state marketing organization will undoubtedly be formulated at this meeting. Already creameries in some of the counties have formed a local organization for the purpose of standardizing the butter manufactured, shipping in equal load lots and their creameries and their business are making a notable success.

The local or district units must be the first step in the organization of the successful state organization. A start has been made to organize a local or district unit of the creameries in Pine County the following cooperative creameries have signed their readiness to cooperate in forming a local organization. Aska, Kon, Sandstone, Hinckley, Brook Park, Bourne and Pin City. It is hoped that all the creameries will have a representative at the conference June 7th. Then after the definite plans of organization have been formulated, the formation of a local or district unit should be completed for Pine and surrounding counties.

After the opening of the new market party

the topic of cooperation was the condition we found our flat in when we moved. My husband told a long comical story of how he spent his whole Saturday afternoon trying to get the kitchen door open. I told him I had heard the suggestion of one woman who said: "We just moved from that flat."

It is needless to say the color of my husband's face turned—Exchange.

Milk and Meat Prevent Pellagra.

The most recent researches in pellagra. Just published in the form of a report from the U. S. Department of Agriculture, it clearly shows that deficiency of milk and fresh meat in the diet is the principal cause of the disease.

Joseph Goedelberger, to whom the world owes most of his knowledge of pellagra, urges that more cows be introduced into those regions of our southern states in which pellagra is most prevalent, and that all-year-round fresh meat markets be established.

In an Awful State.

After the opening of the new market party the topic of cooperation was the condition we found our flat in when we moved. My husband told a long comical story of how he spent his whole Saturday afternoon trying to get the kitchen door open. I told him I had heard the suggestion of one woman who said: "We just moved from that flat."

It is needless to say the color of my husband's face turned—Exchange.

Eggs Miraculously Saved.

A young man at Meredith, N. H., marking an evening call, in going through the hall opened the cedar door by mistake and found a dozen eggs broken. He brought down a number of jars of preserved blueberries and landing in a jar containing 18 dozen eggs. He emerged scratched and covered with blueberries but although he weighed 20 pounds not an egg was broken.

Corresponded With 335 Girls.

The mess sergeant at Camp Kelly living field in Texas, corresponds with 335 girls, mostly young women, serving in the war. The sergeant kept a ledger, showing postage costs, retained copies of all letters and used carbon copies to help out.

"You Save Money"

says the Good Judge

And get more genuine chewing satisfaction, when you use this class of tobacco.

This is because the full, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often.

And a small chew gives more real satisfaction than a big chew of the ordinary kind ever did.

Any man who uses the Real Tobacco Chew will tell you that.

FARM BUREAU NOTES

Minnesota Federation offers its whole strength to centralize cooperative marketing.

Centralized marketing, with the railroads in charge, will put the hands of the farmers into one cooperative agency in the terminal markets; the best and probably the only means of obtaining fair prices based consistently on the cost of production, the Minnesota Farm Bureau Federation said today in a message to all county farm bureaus.

The movement marks the beginning of an intensive drive to realize a cooperative livestock market through the new farmers' agency at South St. Paul. The state federation is directing the drive.

"The Minnesota Farm Bureau Federation believes it can do great service for the farmers and for the consumers that by uniting in strength to the centralization of cooperative marketing," the director said.

"It offers, all its facilities to promote the organization of central selling agencies; it will encourage and assist its county and township units to carry on this work throughout the state, in connection with the livestock, grain and dairy marketing projects now under way. It stands ready to lead the way in finding local markets to generate the local crop as well, whenever the demand comes from the farmers."

The county farm bureaus, reaching to every community, controlled absolutely by the farmers themselves and responsive to their wishes, constitute a machine perfectly equipped to launch and direct these enterprises.

"For the last 25 years Minnesota farmers have developed a network of organizations in their own communities; they have put Minnesota in the lead in this work. Now they have discovered that local marketing associations have their limitations, and that in order to affect the large markets, farmers must unite to handle their crops in quantity and in kind to the terminal markets themselves."

Local cooperative have really been assembling bodies that have turned it over to somebody else to sell for them. The time has come when they must sell for themselves.

The Woman in His House

One of the greatest motion pictures of the year will be the screen attraction at the Family theatre on Sunday and Monday, June 5 and 6. It is "The Woman in His House," in which Mildred Harris heads an all-star cast. The production, which was six months in the making, is described by many who have seen it to be a masterpiece. It features tanking with such photoplays as the "Miracle Man," "Daddy Long Legs," and others. The photoplay is founded on an original story by Irene Reeh. The age-old theme emphasizing the divine power of the mother love is effectively employed in this powerful and moving screen drama.

It is the story of a neglected wife, a too busy and ambitious husband, a physician, a friend.

The work of Alfred Hitchcock in portraying the role of a youngster who is stricken with infantile paralysis is one of the outstanding points of this compelling photoplay. How mother love triumphs where science fails and straightens out the crooked limbs of the child is revealed in a fascinating story. In this production Mildred Harris has achieved her greatest fame.

Construction of Coral Reefs

The greatest depth at which the reef-building corals can work is between twenty and thirty fathoms. Corals have to live in the sun, and section fountains are reduced to 10 centimeters in diameter.

Cutting the coral reefs to the right size

Passenger and freight conductors who received increases of 12½ cents and 13 cents in their pay were given a raise respectively by the new schedule.

Train dispatchers and yardmen whose monthly earnings at present average \$260 to \$270 are cut 8 cents an hour.

TROOPS KILLED IN AMBUSH

4 Dead, 2 Mortally Hurt in Early Morning Attack

Cork, Ireland.—Four soldiers were killed, two mortally wounded and 12 slightly wounded when they were attacked while marching from the Youghal barracks to the rifle range.

Now the government of the range had been mined and an intense fire was opened on the soldiers. Bombs also were used. The uninjured soldiers repelled to the fire of the attacking party.

A carabao who was driving to a certain mass went into the line of fire and was wounded. His driver was killed.

Wilson Treaty Ship Fired Damaged

Hoboken, N. J.—A small fire of undetermined origin slightly damaged the steamship George Washington, which twice carried former President Wilson to France and back. The steamer is in drydock here undergoing repairs.
