In a closely played game, Pine City defeated Hinckley in the first league game of the season last Sunday, at Hinckley, by a score of 16 to 13. Both teams played erratic ball at times, although some good play was done. The contest was featured by the heavy hitting of both teams, Pine City knocking 10 hits off from Johnson and Hinckley 13 off from Decker.

Decker, who pitched for Pine

City, showed up well and with any kind of support back of him will hold his own. Pine City has the makings of a good team and will make a strong bid for the league leadership.

The box score—

DAIRYMEN FORM MARKET AGENCY

Over 300 Minnesota Creameries Form Organization to Promote Sales.

Directors are chosen.

Plan for Service is Modeled After California Fruit Growers—Large Saving Seen in Handling Out-put in Carload Lots.

St. Paul—Three hundred twenty accredited delegates representing approximately half of the 500 cooperative creameries of Minnesota met in the State Capitol and launched a state organization of co-operative creameries to extend service to their members and aid in the establishment of sales agencies. It was declared that this probably is the first organization of its kind in the world.

A board of fifteen directors was chosen at the meeting which was held in the House chamber.

The plan for service—not primarily a sales agency—is modeled along the plan of the California Fruit growers, which has met with remarkable success.

Plan Carload Shipments.

The tentative plan is to have a car lot shipping point in each district. The principal aims of the state association are:

First—To have the state divided into districts so that car lot assembling of butter for shipment can be made.

Second—To standardize grades and improve quality. That is so the consumer will know what kind of butter he will receive.

Third—Service would be given in the sale of products. Later it is planned to have sales agencies in Chicago, Philadelphia and New York, consuming centers where the products of Minnesota creameries would be sold in car load lots and the expense of middle men would be reduced to a minimum.

Fourth—Co-operative purchase of car lots of milk and other supplies to have expense for the individual creameries.

The board of directors, composed solely of butter producers, elected are: John Brandt of Litchfield, first district; Herman Berg of Rush City, second district; William Harpel of Glenwood, third district; Frank Farley of Spring Grove, fourth district; Charles Markyan of Owatonna, fifth district; Isaac Emerson of Slayton, sixth district; W. R. Lindville of Long Prairie, seventh district; A. L. Beigel of Mankato, eighth district; H. B. Nickerson of Elk River, ninth district; C. J. Rath of Eton, tenth district; J. O. Brocklund of Henning, eleventh district; G. O. Baker of Slayton, twelfth district; C. T. Kirkvold of Starbuck, thirteenth district; E. O. Melness of Erskine, fourteenth district; and V. Lockwood of Moleky, fifteenth district.

Paul Darow, member of the Pine City creamery board of directors, attended the meeting as a delegate from the local association. He submitted a report to the board at the meeting yesterday afternoon.

Will Institute Eastern Star

The institution of the lodge, and installation of officers of the local chapter of the Eastern Star, will be held in the Masonic hall, Saturday evening of the week.

Nessel Co. Meets June 14th

The annual fire insurance meeting of the Nessel Farmers Mutual Fire Insurance Company, for the year of 1920, and the transaction of such other business as may regularly come before it, will be held at Braham on June 14th, 1921, at 10 o'clock a. m.

Chengwatana Club to Meet

The Chengwatana Farm Bureau will hold a meeting at the town hall, Saturday evening, June 11th. This is a very important meeting and every Bureau member should be present.

Boys and Girls Club Work

The bread making contest, for Pine county was held at Sandstone on May 26th and met with great success.

MILLION DOLLAR BAND PLAYS AT PINE CITY NEXT THURSDAY

Leon Heath Post Engages Famous Band for Concerts

The Leon Heath post, of the American Legion, has engaged the "Million Dollar" band to give a concert at the fair grounds, Pine City, next Thursday, June 16th.

The band played at Sandstone and Mora, last summer, and was the hit of the season. The band will give two concerts, in the afternoon at 2:30 and evening at 8 o'clock. Following the evening concert, the band orchestra will play for a dance in the armory.

The Million Dollar band is considered one of the best in America. Under the leadership of Harold Bachman, the personal consists of an aggregation of real musicians. Three of the stars are Robert Brunet, cornet soloist, Graydon Lower, euphonium soloist and Walter Kelly, the boy soprano.

Miss Ida Koch Married

Miss Ida Koch of Pine City was married to Paul Mahke of Shaska, Minn., June 19, 1921. By Rev. Fletcher of the St. John Lutheran church.

Miss Bertha Koch, the bride's sister, acted as bridesmaid and Oscar Mahke, the groom's brother, was the best man. The young couple are motoring to the Pacific coast for their honeymoon, and after they come back they will make their home in Shaska, Minn.

A FEW DOLLARS MAY SAVE YOU THOUSANDS

The new Compensation Law which became effective June 1st increases the minimum weekly indemnity from \$6.50 to \$8.00, and the maximum from \$15.00 to \$18.00.

The maximum liability for a fatal injury to \$7,500, and \$10,000 for total permanent disability such as blindness, paralysis, loss of both arms, etc.

The terms of this law involve a sacred trust covering long periods and should be undertaken only by institutions whose permanency is assured by ample capital. We represent a company who can worthily qualify with capital and surplus of \$18,000,000.

Take no chances in placing this insurance with so-called MUTUALS and RECIPROALS operating on a Cash and Carry basis.

Mrs. A. J. Anderson

Funeral services were held at the West Rock Methodist church, by Rev. Johnson, Wednesday of last week, for Mrs. Andrew J. Anderson and burial was made in the West Rock cemetery.

The pall bearers were: Chas. Lindstrom, P. O. Johnson, Matt Peterson, P. O. Blot, Joe Olson and Erick Marklund.

The deceased was taken sick Friday and was being taken to the Rush City hospital, Saturday, dying before reaching the hospital, from an attack of brain disease.

Mrs. Anderson was born in Sweden in 1866. She came to America in 1887, and was married in Minneapolis in 1892. She and her husband moved to West Rock in 1894, settling on a farm and have made their home there since that time. Besides her husband, 6 children are left, 4 boys and 1 girl, all of whom were at home. The youngest is 14 years of age. The sympathy of the community is extended to the bereaved family.

Card of Thanks

We wish to thank our many friends and neighbors for their kind assistance and sympathy and for the many beautiful floral offerings at the death and funeral of our beloved wife and mother—Andrew J. Anderson and children.

Mrs. E. W. Lynd Laid to Rest

Mrs. E. W. Lynd, mother of Mrs. Anna Berglund, died at the home of her daughter, las, Monday morning, death resulting from old age.

The funeral was held Wednesday from the Pine Grove church, Rev. Johnson officiating. S. Johnson, Swan Peterson, Gus Johnson, C. F. Carlson, John Dahlstrom and Neils Peterson acted as pall bearers.

Mrs. Lynd was born in Sweden 27 years ago, coming to this country about 40 years ago. Mr. and Mrs. Lynds settled in this region about twenty years ago and have made this their home since that time. Mr. Lynds passed away six years ago. Besides Mrs. Berglund and Mrs. Anderson of this place, a daughter Mrs. Halvorson, of Duluth and a son, Peter Erickson, of California survive, there are other children living in Sweden also.

The sympathy of the entire community is extended to the bereaved family.

Card of Thanks

We take this means of expressing our sincere thanks to all those who assisted us at the sickness and death of our beloved mother and grand mother. We also wish to extend thanks to those who gave floral offerings and those who sang special numbers at the services.—Mrs. Anna Berglund and children.

Factory Efficiency on the Farm

A farm is a food factory. Like the commercial factory, the farm that profits most is the one operates smoothly--that saves the most time and effort.

Business efficiency is possible on the farm by erecting new buildings and remodeling old ones. A concrete barn floor saves its cost in labor because it can be cleaned in half the time needed for a poor floor. Corn that would be buried in a muddy feed lot can be saved when fed to hogs on a concrete dining table. More young pigs get to market when the hog house is dry and draft-free. Poultry will do best in a dry, sunny, verim-proof chicken house. Stable manures can be protected against rain and sun in a tight concrete pit.

Now, while materials and transportation are available, is a good time to build. We can help you with plans that will put factory efficiency in your farm

The ladies of G. A. R. and friends met at the home of Mrs. Wm. Albrecht on Cross Lake, Tuesday afternoon. There was a large gathering of ladies present, and a fine time was enjoyed.

Mrs. Emma Fisher went to St. Paul, Tuesday, and will visit at the home of her son, Henry Fisher. Miss Anna Fisher is home from Cannon Falls and will spend the summer with her mother here.

School closed, last Friday, and practically all of the teachers have left town. A few of them have accepted contracts to teach here again next year. The list for fall will be announced in a week or two.

Miss Elizabeth Stephan drove to Stillwater, last Tuesday evening, with Warren Mansell, and will visit with Mrs. Mansell for a few days. Mr. Mansell is court reporter and is attending district court in session here.

Mrs. James Wandel sr. returned from the cities, last Saturday, where she was in a hospital, and is still confined to bed. Miss Sylvia Wandel arrived from Mt. Vernon, Ia., last week, and will remain for a while with her parents.

Mr. and Mrs. James Stuck drove to Menominee and spent last Sun. with Mr. and Mrs. Arthur Chase. Mr. Chase was in the real estate business here, last year, and is now operating a 180-acre farm which he purchased near Menominee.

Mrs. Lohnbakken and children left for St. Cloud, last Friday, where they will make their future home. He has been there for some time, where he and Walt Peterson own a creamery. Their many friends in Pine City, regret the departure of the Lohnbakkens.

Dr. and Mrs. J. J. Sculley, left yesterday for Duluth, where he will attend a clinic of the Duluth dental society. They expect to return Saturday. Dr. Knapp, former Pine City dentist, now living in Des Moines, Ia., will be one of the speakers at the clinic.

Quite a number of local folks drove to Moose Lake to take in the Legion celebration held there, last Saturday and Sunday. The Pine City ball team played Moose Lake Saturday and were defeated 11 to 5. Moose Lake shut out the Clouet team Sunday by a score of 5 to 0.

The old G. A. R. building, owned by A. M. Challeen, has been moved into the lot formerly occupied by the Kubat jewelry store building. The Kubat building was moved to the lot north of the Biederman blacksmith shop about 3 weeks ago. We understand, the former building will be remodeled and a restaurant opened.

The children and teachers of the third and fourth grades of the local school, held a joint picnic, west of town, last Friday afternoon. Games and a big picnic lunch were enjoyed.

Mrs. Lones sr. left for Fairbault where she will visit for awhile with her daughter, Miss Ruth Lones, who is employed in the internal revenue department.

There will be a dance at Beroun, Saturday evening, June 11th. Du. fees orchestra will furnish the music. Supper will be served at the hotel. Angelo Yetti will play for a dance at the Cort bowery, west

of town, Saturday evening, and the Rock Creek ball club will give a dance at Rock Creek, Saturday night of this week.

Miss Loretta Bude, who has been teaching at Kewatin, arrived last week and will spend the summer vacation with her parents, Mr. and Mrs. J. Adam Bude. She was accompanied by Miss Florence Jones and Loretta Anderson, who are at Kewatin, and Miss Anderson's sister, Miss Lillian, of Grantsburg, a visitor also. Miss Jones left for her home at Manly Tuesday, and the Misses Anderson returned to Grantsburg, Sunday.

Mrs. L. E. Brockenridge received word, the first of the week, announcing the death of Chas. H. Lang at Portland Ore., on May 20th. He had been sick about 8 months with cancer, which resulted in death. The Langs were residents of Pine City about 25 years. Mr. Lang has long run a grocery store here, leaving about 3 years ago for Portland, and have lived there since. His wife, and a daughter, Mrs. Steyer, living in Vancouver, B. C., are left to mourn his loss.

Ray Hoefler, son of Mr. and Mrs. Emil Hoefler, is playing "big league" ball at Beulah, again this year. Owing to an injured ankle, received playing basketball last winter, he was unable to join the Chicago White Sox this spring, so he decided to remain with Beulah another year. The Eveleth News writing up a last weeks game, when Eveleth defeated Virginia 6 to 2 said, "Hoefler of Eveleth, opened up in the 3rd with a home run over the fence, after 2 men were down. He is the only man to pull this stunt on the Eveleth field before and that was in a 1920 game." Ray also made another home run, the following day.

Miss Dahl, local high school teacher, held the lucky number, and received the diamond ring, given by the bath house committee, at the dance, last Saturday evening. Miss Lillian Cherrier was blindfolded and drew five numbers, it having been announced the fifth number drawn would be the lucky one. It was number 76 and bore the name of Miss Dahl. The dance drew a big crowd, and the orchestra—Dickies—was one of the best heard here for some time.

Clint Boo went to Fairbault, yesterday, to attend the graduation exercises of the Shattuck Military academy. Friends of his receive their diplomas from that school this year.

FARM DEPARTMENT

Monday's closing.—Cattle 1,300 market, dull, steady to 25c lower. Good 700 pound yearlings \$3.25. Cows, 600, market steady. Packer top \$7.50. Hogs, 6,000. Market steady to the lower, range \$6.50 to \$7.75, bulk \$7.25 to \$7.65. Top pigs \$8.50. Sheep 2,700, market steady to strong.

South St. Paul, Minn., June 6, 1921. Live stock receipts were of about normal size again at the week's opening following last week's rather light supplies. Packer buyers continued their bearish attitude toward cattle market and purchased their stock at weak to 25c lower prices, although city butchers bought some early at about steady rates. Good 700 to 750-pound yearlings sold Monday at \$8.00 to \$9.25 and the best heavy steers went at \$7.75 to \$7.85, with the bulk of the beef steers at \$6.50 to \$7.50. A range of \$4.00 to \$6.25 caught most sales of butcher cows and heifers, with best cows selling from \$6.50 to \$7.50, or slightly higher. With packers still indifferent buyers and with slowing up in country demand, canners and cutters still weak to 25c lower. Hogs, bulk going at \$2.00 to \$3.75, and a few old shells at \$1.50. A range of \$3.50 to \$4.50 included most sales of hologna hogs. Veal calves remained quiet, although the understone was weak. Best light werg to packers at \$7.50. Stocker and feeder trade was sluggish, sales ranging largely from \$5.50 to \$7.25 being rarely weak to 25c lower. The hog market opened steady to 15c lower, range \$6.50 to \$7.75, but \$7.25 to \$7.65, best pigs \$8.85. Lambs advanced 50 to 75c last week, holding steady to strong at this week's opening. Best spring lambs \$12.00, choice fed shorn lambs \$11, top ewes \$4.00, top wethers \$5.00.

Minnesota farmers have played an important part in the formation of a \$100,000,000 farmers finance corporation, just organized as a subsidiary of the United States Grain Growers, Inc.

The new corporation, which will be the second largest finance company in the United States when it is fully organized, was incorporated last week in Delaware. It is designed to furnish the money to conduct the marketing of grain on a cooperative basis and in an orderly manner, through the new national grain sales agency, Minnesota farm bureau leaders said today.

The \$100,000,000 finance corporation is an outgrowth of the investigations of the Committee of Seventeen, which the farm bureau federation financed. W. F. Schilling of Northfield, representing the Minnesota Farm Federation on the board of directors of the U. S. Grain Growers, Inc., and vice president of the Grain Growers, took part in launching the finance corporation.

According to present plans, farm bureau officers said, the finance corporation is to loan funds to the U. S. Grain Growers to finance the marketing of each grain crop. It will take bonded warehouse receipts as security, and raise money by issuing warehouse receipts, which the bonded warehouse receipts, will be sold in open market.

Minnesota farmers are voting boldly against construction of transcontinental "backbone" highways before the country is provided with good farm-to-market roads.

The first returns from allotment in the nationwide farm bureau referendum show a unanimous demand for developing market roads rather than a few interstate boulevards, the Minnesota Farm Bureau federation announced today.

The vote is upholding the farm bureau federation in its defense of the Dowell bill, now before Congress, and its opposition to the Townsend bill, federation officers said. The Dowell bill corresponds to a national scale, to the road policy adopted in Minnesota, according to C. M. Babeok, highway commissioner. The Townsend bill, on the other hand, provides for the creation of another federal commission and would give this commission dictatorial powers over state road construction farm bureau officials believe.

In order to provide beekeepers with queen bees for re-queening their colonies several weeks earlier than would be possible if the queens were reared in Minnesota, the divi-

son of bee culture at University Farm received its first lot of 200 queen bees from the south recently and will continue to receive shipments in lots of 50 queens each for the next few weeks, or until the University Farm queen yard is in operation about July 1st. The orders from state bee men run into the thousands each year, the demand exceeding the supply. These queens are of the best Italian strains. A uniform charge of \$1.50 each is made. After July 1 University Farm reared queens will be ready for filling orders at rates of \$1 each for untested and \$1.50 each for tested queens. By September (1st the University output will be so great that the queens can be sold in large numbers. Twenty-four three-frame nuclei were also received recently by the division. These are small colonies occupying three frames of combs instead of the standard number of ten. They may be built up to full size colonies by fall. This shipment of nuclei will be used by the university men to determine whether or not it is profitable to buy bees from the south in this form every spring rather than to follow the usual method of wintering the bees in cellars here and running the risk of heavy losses.

U. S. TUBES

The same standard of quality built into U. S. Tires is put into U. S. Tubes.

Why some men seem to have all the tire luck —

YOU probably know a man whose car is a hobby with him. He knows just why it's the best little old car there is of its class.

And he'll stand up for that car against the world in any kind of an argument.

Year by year an increasing number of men feel the same way about U. S. Tires.

For a while they may try "job lot" stuff, "bargains," "big discounts" and "rebates."

But usually it doesn't take long for a man to sense the economy of the standard quality tire.

For years U. S. Tire makers have been building quality tires for sane tire users—for the car of medium or light weight no less than for the heavy car.

The tire buyers of the land have responded with a mighty U. S. Tire following.

The U. S. Tire makers meet the responsibility for supplying this nationwide following with characteristic energy.

Ninety-two U. S. Tire Factory Branches are established, covering the entire country.

Find the U. S. Tire dealer who has the intention of serving you. You will know him by his full, completely sized line of fresh, live U. S. Tires—quality first, and the same choice of size, tread and type as in the biggest cities of the land.

"Find the U. S. Tire dealer with the full, completely sized line of fresh, live U. S. Tires."

St. Paul—The Citizens' Building & Loan association of Grand Rapids boosted its capital stock from \$100,000 to \$200,000, according to an announcement by S. B. Dusa, superintendent of banks.

Slayton—A proposition to bond the village for the purpose of paving the streets was voted upon by the voters at a special election here. The majority in favor of the measure was 60.

Hibbing—The Eveleveth Commercial club is again starting an agitation for a new city service from the abatement of the twin cities. The proposition is being supported by the Hibbing Commercial club.

Winnabago—Fred B. Otis, jeweler, with his wife and son were in the vault in his store here, a daughter was playing about the store, unattended by the parents, closed the vault door and trend the combination.

East Grand Forks—A campaign has been launched in Polk county to rid the county of harmful plants. It has been led by J. Boyd, district superintendent for the barberry eradication in the Red River valley.

Minneapolis—Crop conditions in southern Minnesota are at the very best and farmers are thoroughly satisfied with the prospects. J. H. Hay, deputy commissioner of agriculture, announced on his return from a trip.

Pipestone—Safe blowers made their first appearance in several years in Pipestone when they blew the safe at the general office of the Westbook Talk-Line company and secured only a few dollars worth of stamps as their loot.

Rochester—Henry Brandt, who married the widow of Hermann Brandt, murdered March 31 while driving on the Jefferson highway near Rosemount last August, was sentenced to 10 years in prison for the crime.

Duluth—The cornerstone of the new \$100,000 consolidated school building at Medford, a village six miles north of here, was laid by the Minnesota grand judge, Messrs. Grand Master F. E. Jenkins of Faribault, presiding.

Pipestone—Pipstone's new water works system has been placed in operation. A new building and full equipment has been constructed, including a concrete reservoir, 160 feet of concrete water tower is being erected.

New Richmond—Four high school students were drowned in St. Olaf lake four miles from here when an overloaded row boat capsized. Florence and Gustavus, Raymond and Kenneth Knutson and Raymond Martin were drowned.

Winnabago—The village officials from all parts of the state will be here June 15 and 16 for the annual convention of the League of Municipalities. Sessions of the two days business program will be given to topics bearing on city government.

Cloud—A permanent injunction was issued by Judge John A. Roser, restraining the board of education of Saak Center from permitting the attendance of inmates of the state school for girls in the high and grade schools of Saak Center.

Albert Lea—Geo. H. 12 year old son of Mrs. Kate Winters Albert Lea was drowned in Fountain Lake while in swimming. His 9 year old brother was killed about the same time. They were in a boat and his father was killed when a sewer caved in on him as he was connecting a pipe.

Hastings—Miss Weisman was convicted here of conducting a vice resort at 129 Second St. S., Minneapolis. His conviction followed a legal contest between the state of Minnesota and Weisman which was begun two years ago and which has extended to the regions of three county attorneys.

Fergus Falls—Anders Gustaf Nelson, charged with the shooting of Dr. Joseph Middleton, employed on the farm of Oscar Jacobson, near Alexandria, was found guilty of manslaughter in the first degree by a jury in district court here. The state was given the jury shortly before midnight Saturday, and a verdict was reached after deliberating for 10 hours.

Hibbing—A plan which will enable people of the range to travel straight through to St. Paul by motorbus is now under consideration by a St. Paul bus company. The Measha Transportation company is starting a bus service from Hibbing to Duluth, a distance of 76 miles.

Minneapolis—The Twin Cities Chicago-Louis rail route began last August will be discontinued June 30, according to definite word received by the Civic & Commerce association from Senators Knute Nelson and Frank Kellogg, who have been fighting to save the service for the Northwest.

Duluth—The annual county picnic of the Steele county farm bureau will be conducted Tuesday, June 21, directors of the division decided. A. D. Wilson, former head of the Duluth City Farm extension division, W. A. McKerrow of the farm school, and W. F. Schilling, of Northfield have been selected as speakers.

Bemidji—A coroner's jury returned a verdict that James Harvey Brady, who died at St. Anthony's hospital as a result of a heart attack, was killed by a blunt instrument in the hands of H. M. Merryman or Edward Merryman, in self-defense.

FELLS TAKE A BATH IN RAIN OR LEAD

Mrs. Osborne Says She Shudders When She Thinks How She Suffered.

"For years," said Mrs. V. V. Osborne, of 718 Lancaster Ave., Lexington, Ky., "I have been in a run-down condition, nervous, weak and dizzy. I was usually so nervous that any sudden noise or excitement would produce a palpitation of my heart that frightened me. I absolutely could not climb stairs, for to attempt such would thoroughly exhaust me."

"I had nervous headaches and when they came on it seemed that an iron band was drawn tight around my head. I now shudder when I think of those headaches. My stomach was weak and I could not digest the lightest food. Any kind of a solid nature caused nausea and the sickening sensation remained for hours."

"I began improving at once and soon felt my nervous and dizzy feelings disappearing. Then my headaches left and I realized my strength had returned. My appetite and digestion improved and I am now so much better in every way. This medicine is a wonderful medicine and the only one that I have used which has cured me. I had tried many other medicines but nothing helped me one particle. I was on the verge of giving up when I finally sought treatment in Glaxo Tablets with me to try Tanlac. I obtained a bottle of the medicine and began its use."

SEASONABLE GOOD THINGS.

Some time for a luncheon or supper dish, try this tempting combination.

Tomato Rarefry—Put one cup of tomatoes, two tablespoons of flour, one egg, and a dash of salt in a saucepan and cook for five minutes. Add two tablespoons of butter and cook for five minutes. Add a cup of cream and cook for five minutes. Add a dash of salt and a dash of pepper and cook for five minutes.

Ham and Noodles—Butter an earthen baking dish, put into the bottom a layer of cold boiled ham cut in bits, then another layer of noodles, repeating the dish is filled over with buttered crumbs, dot with butter and bake in a moderate oven.

Fricateel—Trim pork tenderloin very fine through a meat chopper. Season with salt, pepper, grated onion, and a bit of powdered sage. Take a cup of hot bread crumb, soak the crumbs until soft, squeeze dry and mix with the meat. Add one or two unbroken eggs to bind. Shape into small flat cakes, dredge with flour and fry.

Proud of Her Daddy.
Helen was playing out in front of her home flag day and evidently had noticed the flag that were out in many of the houses. This news day happened to be her daddy's birthday but she was not aware of it until she had been let in on the big secret of a surprise that was in store for her dad when he came home for the evening meal and she was not to tell any one about it.

"When given this information she exclaimed, 'Is today daddy's birthday?'"

"When told that it was she remarked quite excitedly, her big eyes getting larger, 'Oh now I know why all the flags are out!'"

As a taxpayer your money has helped to build this institution and as a Minnesota farmer you can get your money back many fold. Farmers are saving hundreds of thousands of dollars on agricultural implements manufactured here. If you have not benefited, here is your chance to share in the profits. Savings have been effected by keeping prices of competing machinery built outside the state down and still selling way under any other manufacturer.

Get Your Share Of This

A saving of at least \$800,000 has been made to the farmers of Minnesota on the famous Minnesota Binder Twine. Our wholesale price of this twine is 2 1/2c per pound lower than any other, and there is another 2 1/2c for freight and jobbers' profit which must be added. Therefore, on the 16,000,000 which we will make this year there will be more than three quarter million dollars saved to the farmers of this state.

Years of Reputation

The MINNESOTA LINE

Guaranteed by the State

of agricultural machinery is guaranteed by the state. It is all made of the best materials obtainable and throughout its production is constantly under the supervision of state employed experts.

Minnesota Binders as good as the best—show price and quality with any other. For example, the 7 foot binder is exactly \$26.01 lower than its competitor. These binders compare as favorably as the twine and this economy is well worth while.

Minnesota Mowers with years of reputation behind them, are \$214.50 foot length, for \$13.00 less than any other. When you consider the many points of superiority and long wearing qualities of this line you will see that these are the implements to buy.

Minnesota Rakes are just \$8.44 lower than any other good line sold in this state. This difference in price on the 12 foot, 36 tooth size,

This Is Your Opportunity

Thousands of farmers throughout the Northwest have benefited through the saving on Minnesota Machinery. Do likewise. You are financially interested in this institution and it is financially interested in you. Insist upon the Minnesota Line from your dealer.

WEEKLY MARKETGRAM.

U. S. Bureau of Markets, Washington, D. C., this week ended June 15, 1919.

GRAIN. Market made good gains Best and second account bullock crop reports and removal of uncertainty in May future which had restricted trading in July. Market became unsettled on the 1st with improvement in crop conditions and prices eased off during the remainder of the week. Export business checked by break in foreign exchange. Country offerings wheat only fair; receipts not large; demand slow. Visible supply wheat \$234,000 bus., a decrease of 20,000 bus. for week. Kansas yield estimated 115,000,000 bus. Corn receipts large but readily absorbed, country offerings to arrive very small; export demand slow. Visible supply corn 15,848,000 bus., an increase of 3,745,000 bus. for week. In Chicago cash market No. 2 red winter wheat \$1.28; No. 2 hard \$1.50; No. 3 mixed corn 44c; No. 3 yellow corn 44c; No. 3 white oats 35c. For the week Chicago July wheat up 1 1/2c at \$1.30 1/2; July corn 1/2c at 60c; Minneapolis July wheat up 1/2c at \$1.27 1/2; Kansas City July 1c at \$1.23 1/2; Winnipeg July 5/8c at \$1.17 1/2; Chicago Sept. wheat \$1.16 1/2; Sept. corn 46c.

FEED. Offerings of most feedstuffs exceeding demand causing further price declines. Alfalfa meal strong because of continued light production. New crop No. 1 meal quoted Kansas City around \$18. Inquiry slight on expectation that raised freight rates effective June 10 will cause lower prices. Export and fertilizer demand for cottonseed meal has dropped off; market stagnant. Wheat feeds of 50c Kansas City and St. Louis markets weak. Demand for most feeds light. Linseed and cottonseed meal less in demand in many markets than at any time this year. Quoted: Bran \$15 middlings \$15; Minneapolis; linseed meal \$22.50 Buffalo, \$29.50 Minneapolis; 35 per cent cottonseed meal \$20.50; Atlanta; beet pulp \$22; Sashboard markets white hominy feed \$23 St. Louis, \$24.50 Chicago; gluten feed \$33.95 Philadelphia, \$26.50 Chicago.

Dairy Products. Active storing demand has kept butter markets firm with price tendency upward. The week's into storage movement exceeded 5,000,000 lbs. Receipts continue heavy. Fancy grades, especially in demand. Today's prices average 25c higher than a week ago, 32 score closing: New York 31c; Chicago 30c; Philadelphia 29c; Boston 31 1/2c.

Cheese markets steady to firm. Current production not yet showing quality necessary for active storing demand and movement of medium grade goods into consumptive channels has had some tendency to keep prices down. Prices at Wisconsin primary markets average: Twins 14 1/2c; Daisies 15c; Double Daisies 14c; Longhorns and Young Americas 15c.

Live Stock and Hides. Chicago hog prices practically unchanged from those of a week ago. Beef steers declined 15 to 35c; butcher cows and heifers 35 to 40c per 100 lbs. GIRL KILLED IN FARGO HOTEL

Body Found Gagged With Pillow Slip, Wrists Bound to Bedpost.

Fargo, D.—The murdered body of a 20-year-old girl was found in a room of a hotel here. She had been gagged with a pillowslip, her wrists had been tied to a bedpost and she had been beaten over the head. One hand gripped a wisp of blonde hair.

The girl came into the hotel with a young man and registered as Marie Wick of Grygja, Minn., hotel employes said.

Whereabouts of the man are unknown to the police.

DENOUNCE UNIFORM WAGE

Roads Would Also Abolish Extra Pay For Overtime.

Chicago—Extra pay for overtime and uniform wages for the same classes of railroad employes over the entire country were denounced and their abolition demanded by railroad representatives appearing before the United States Railroad Labor board. About 175 roads appeared before the board in the second wage reduction drive this spring, by which the roads are attempting to cut their labor bill.

French Issue Ultimatum in Silesia.

Oppeln, Silesia—An ultimatum has been issued by the French to General Von Hofer, saying that unless within twenty-four hours he withdraws the German forces which advanced several kilometers on the Annaberg sector in Upper Silesia following the insurgent attacks Friday and Saturday, French troops in the industrial sections will be withdrawn. An appointment has been made for a meeting at Oppeln between Von Hofer and General Hanseler.
