THREE BIG DAYS OF FAIR

There will be three big days at the Pine County fair, which opens a week from next Wednesday. Thursday will be the opening show day. There will be a ball game at 11 a. m. between the N. P. team of Pine City and Beroun. The free attractions and horse races will start at 2 o'clock and Pine City will play the Mora team, game called at 3 o'clock. The Hincley orchestra will furnish the music for the dance at the arena in the evening at 10 o'clock, following the attractions on the midway at the fair grounds.

Friday will be Sandstone day. The Hincley and Pine City teams will battle in the afternoon. The Hincley band will be in attendance and will furnish the music for the day. There will be special entertainment.

County Treasurer Pofert, who is president of the state treasurers' association, has called a meeting of that organization to be held at Pine City, Friday and Saturday during the fair. They will hold their business meetings in the morning and will attend the fair in the afternoon and evening. Letters being received by Mr. Pofert indicate there will be a large attendance of county treasurers present, and most of them plan on bringing their families.

Present indications are that there will be a big exhibit in the livestock and poultry departments and good displays in the other lines. The boys and girls club exhibits will be a big attraction this year.

Boys and Girls club exhibits will be a big attraction this year.

Fire Destroys Larkin Home

The Larkin home, in the south-west part of town, was completely gutted out by fire, this morning about 10 o'clock. Nothing but a badly burned shell of the building remains. The place is practically a total loss.

Mrs. Larkin and the children were in the yard, and didn't notice the fire until they saw the smoke pouring out of the upstairs windows. The fire department made a quick run and soon had the fire under control, but it was discovered too late to save anything.

The furniture and all the belongings were completely destroyed, the only wearing apparel saved was what the family wore. It is thought the fire started from the chimney. The Larkins bought the home from Mr. Ives about a year ago.

Auto Accident at Rock Creek
A serious auto accident occurred last Friday evening, when a car occupied by Jack Darge, Arnold Kowalko, Clarence Kalb and Ahlie Kicker crashed into the bridge at Rock Creek, turned a somersault and landed in the creek below.

The boys were on their way home from the dance at Rush City. Darge was driving, Web Hodge's roadster, Kalb was sitting on Kicker's lap and Kowalko was riding on the running board. There was a heavy fog that night, and the driver, who was not very familiar with the road, thought he had reached the turn for the village, when he came to the road leading up a Rock Creek. Figuring on the wide turn, he hit the corner of the bridge.

Kowalko jumped before he hit the bridge and braked up against a telephone pole and was badly bruised, especially around his knees. The other boys were thrown from the car, Kicker receiving the most serious injuries. The left side of his nose and cheek was badly cut and his right wrist sprained. It was necessary for the doctor to take a couple of stitches in the cuts on his face. He was severely cut and bruised about the body also.

Kalb got a couple of swollen ankles and Darge got off with a few minor scratches. Kicker was taken to the Wallace home at the depot where he was given medical treatment and was brought to his home at Pine City the following morning.

Council Proceedings

CARUSO'S VOICE STILLED BY DEATH

Greatest Tenor of Age Succumbs Following Operation for An Abscess on Lung.

KNOWN END WAS NEAR

After Consultation Specialists Diagnosed Case as Acute Peritonitis With Tendency to Spread—Dies in Great Pain.

Naples—Enrico Caruso, the world's greatest tenor, died here at 4 a. m. Tuesday.

His golden voice was stilled forever when he failed to rally from a relapse following an operation for an abscess. Caruso's death was expected several hours before the end came.

He never had recovered completely from the effects of an operation for pleurisy which he underwent in New York last winter.

On Saturday he felt pains in his abdomen. Those were the first warnings that the final illness was at hand. He called a physician, who advised him to go to Naples and consult specialists.

Arriving in Naples on Sunday night, Caruso called Professors Isorg, Caranzano and Noscali.

After a long consultation these specialists diagnosed his case as acute peritonitis with a tendency to spread. They decided to operate.

Caruso's prime fortitude when suffering great pain was considered remarkable, continued to keep up his good spirits, however. He sang readily. His agony increased. His strength waned.

Injection of camphor were required every two hours to stimulate his fluttering heart.

His breathing was difficult and became increasingly labored.

His wife, who also maintained her courage, remained at the bedside for hours.

She saw her husband steadily drawing nearer to the gates of death, but remembering the successful fight he made against what were considered overwhelming odds during his previous illness in New York, she maintained her composure and confidence that he would again weather the storm.

JURY ACQUITS EX-WHITE SOX
Verdict Reached After 7 Hours and 47 Minutes Deliberation.

Chicago—The seven former Chicago White Sox baseball players and two others on trial for federal conspiracy to defraud the public through signing of the 1919 world's series games, were found not guilty by a jury. The jury took only one ballot.

The verdict was reached after two hours and 47 minutes of deliberation, but was not returned until 40 minutes later. Judge Hugo M. Friend being out of court when the decision was reached.

The defendants were Dick Weaver, third baseman; Frank Pateh, outfielder; Charles Huberg, shortstop; Arnold Gansel, first baseman; Claudio Williams and Billie Glantz, pitchers; White Sox players and Carl Zerk of St. Louis, and David Selzer of Des Moines.

Announcement of the verdict was greeted by cheers from the several hundred persons who remained in court for the final decisions and shouts of "honors for the clean Sox."

The boys were discovered asleep in a car in a man's pasture near Rush City. The marshal at that place was notified and he went out and made the arrest. They were brought to Pine City by Sheriff Hawley.

Frank Hlavak

On July 20th occurred the death of Frann Hlavak of Mission Creek

It was almost unexpected as deceased had been in the prime of life and manhood up almost to the time of his death. On the 14th, while overworked he drank some ice water. Pneumonia set in and he lived but six days.

Fank Hlavak was born in Germany in 1879 and came to this country when but a mere lad. He lived for a time in Pennsylvania, coming to this section in 1896, and for a number of years resided on his farm near Mission Creek. He was unmarried.

The surviving relatives are his father, his mother having died about six months ago, two brothers, Tom of St. Paul and Wenzel of Kimberly; and three sisters, Mrs. Fred Helvins of St. Paul, Mrs. Anton Spindler and Mrs. Rose Robar of Hinckley.

Deceased was an honest upright man of good Christian character and his friends are numbered only by those who knew him. The sympathy of all goes out to the sorrowing relatives.

THE U. S. NOBBY TREAD

Where the going is specially heavy with snow, mud or sand, in hilly country where maximum traction on the road is a factor, no other tire tread yet devised is quite so effective, or so widely approved by motoring opinion, as the U. S. Nobby Tread.

Its very simplicity—three rows of diagonal knobs, gripping the road—is the result of all the years of U. S. Rubber experience with every type of road the world over.

If every one listened to experience, how much they'd save

STOP and talk to the next man you see with U. S. Tires on his car. Ask him why.

Most likely you'll hear an interesting story about his tire experiments—before the answer was found. Money wasted. Promises unkept. Trouble on the road—humorous to every one except the man who went through it.

Finally U. S. Tires. And U. S. Tires ever since.

Perhaps it's the experience of U. S. Tire buyers that makes them more emphatic in their preference than ever this year.

When these men have tried most

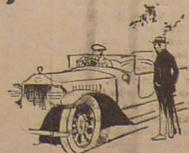

everything by the way of "staggering bargains", "hurray discounts", "discontinued lines at less" and so forth they know what not to get.

They want a fresh, live tire. With a good reputation. That's everything it says it is. With the people behind it who back it up.

There are 92 U. S. Factory Branches. Your local U. S. Dealer is drawing upon them continually to keep his stocks sized up, complete—to give you service.

Whenever he gets one or a hundred tires from a U. S. Factory Branch, they are newly made this season's tires.

Sold to you at a net price. Full values. Square-dealing. A reputable maker. A reputable dealer. The whole transaction as befits the leadership of the oldest and largest rubber organization in the world.

FARM DEPARTMENT

Monday's Closing—Cattle 5,500, Dryfeds nominally steady, grass cattle unevenly 25c or more lower. Calves 1,500. Market 50c lower, packer tops \$8.00. Hogs 5,000. Market steady to 25c lower, bulk \$3.50 to \$4.00, good and choice pigs \$10.25. Sheep 1,900, market steady to strong.

South St. Paul Aug. 3: August opened with an increased supply of cattle here and at leading outside markets, seven large centers showing a gain of 18,000 over last Monday. Practically no dryfeds arrived here these being nominally steady. Grass cattle met generally slow sale at prices averaging 70 to 25c or more lower than at last week close. Best Dakota grass fat steer topped to city butchers at \$7.75, with best load for rowing to outsiders at \$7.50. Bulk of grass steers suitable for beef purposes cashed at \$7.00 to \$5.50. Best grass cows and heifers sold from \$6.00 to around \$7.00, with the bulk cashing from \$3.50 to \$5.50. Cannons and cutters sustained relatively little loss, selling from \$2.00 to \$3.50. Boerama bulls sold from \$3.25 to \$4.50. A 50-cent cut in veals placed packer tops at \$8.00, seconds mostly \$5.00. Desirable heavy feeders went mostly from \$4.00 to \$6.00, stock steers largely \$3.00 to \$5.00, with 'dogs' down to \$2.50.

Hogs opened steady to lower, range \$8.00 to \$10.90, bulk \$8.50 to \$10.50. Good and choice pig \$10.25. Bulk good native lambs \$8.50 to \$9.75, good and choice ewes \$3.50 to \$4.00, fairly good Montana yearling and two-year-old wethers averaging 39 pounds at \$6.00.

The wool pool by the Pine County Wool Growers Association was not as largely patronized by the wool growers of the county as was hoped for. The total amount of wool pooled being 7529 pounds. With the total amount of wool produced in the county will run up toward 20,000 pounds. The wool this year was received and graded at Hinckley, giving all those who wished an opportunity to watch their own wool graded. Those who were present at the time the grading was being done, felt the time well spent and felt better able to select their breeding ewes and rams in the future as they would look both to the character of the wool as well as to the mutton qualities of the animals.

The wool this year is being sent to the Woolen Mills at Sheboygan Falls, Wis. where those having Merchandise 1-4 or Merchandise 3-8 Good wool can have various woolen goods made up, and the wool which is not manufactured into woolen articles will be sent on to the national wool pool at Chicago.

This gives the grower a chance to exchange all or a part of his wool for finished articles and the balance will be sent to the national pool where it will be sold to the best possible advantage.

The pooling of the wool is at present the best possible means of getting the most out of our wool and it will continue to become stronger and more effective as more of the wool growers' pool their wool. Every pound of wool that is not pooled and is sold individually is weakening the strength of

the pool just that much; and is helping to keep the price levels on wool down.

It is to the best interest of every wool grower to be loyal to his own organization and help build up a good, effective marketing system for his wool.

The orders for Picric Acid are not coming in as rapidly as was anticipated to date orders have been filed to the total of 17,600 pounds and this is from the entire county. There are undoubtedly a large number of men who expect to send in their orders but this means that we will be just that much longer and later in getting our orders filled; and reduces our chances of getting an extra allotment should enough orders be placed to necessitate the request for an extra car.

The Picric Acid is handled just as dynamite and will do just the same work; but 2 1/2% cost of Picric Acid is less than half that of dynamite. With this cheap explosive there should be more land cleared in Pine County this year than any other year. And with more cleared land will come more feed and cash crops, more cows and increased prosperity.

Order your Picric Acid at your bank or drop in at the Farm Bureau office.

The no. 8 cap is recommended as giving most satisfactory results with Picric Acid. In order to reduce the cost as much as possible, it is advisable to use pool orders for caps and obtain them at the same time as getting the Picric Acid. If orders are placed for 9,000 caps the price of \$23.00 per 1000 can be obtained. If 5,000 or more the cost will be \$23.50 a 1000.

The orders for caps should be sent to the Farm Bureau office at Hinckley.

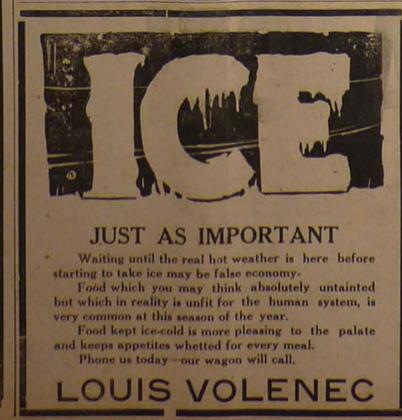

Pine City Man's Lucky Find

Will interest readers of the Pine Packer. Those having the misfortune to suffer from backache, urinary disorders, gravel, dropsical swellings, rheumatic pains, or other kidney or bladder disorders, will read with gratification this encouraging statement by a Pine City man.

Peter Holms, box no. 6, Pine City, says: "Doan's Kidney Pills have been used in our family and have been so satisfactory that we cheerfully recommend them. Doan's are particularly good for constant, dull pains across the kidneys and lameness in the small of the back. I got this remedy from the Breckenridge Pharmacy and was pleased to find it so effective in repairing my kidneys and strengthening my back. I couldn't keep anything better than Doan's Kidney Pills for backache. For several years different members of our family have used them and always with good results."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—he same that Mr. Holms had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

The business men who now complain that there is nothing to do may be cursing themselves after the crops are harvested because they can't get goods delivered.

JUST AS IMPORTANT

Waiting until the real hot weather is here before starting to take ice may be false economy. Food which you may think absolutely untainted but which in reality is unfit for the human system, is very common at this season of the year.

Food kept ice-cold is more pleasing to the palate and keeps appetite whetted for every meal.

THAT'S OUR IDEA in making
CAMELS—the Quality Cigarette.

Why, just buy Camels and look at the package! It's the best packing science has devised to keep cigarettes fresh and full flavored for your taste. Heavy paper outside—secure foil wrapping inside and the revenue stamp over the end to seal the package and keep it air-tight.

And note this! There's nothing flashy about the Camel package. No extra wrappings that do not improve the smoke. Not a cent of needless expense that must come out of the quality of the tobacco.

Camels wonderful and exclusive Quality wins on merit alone.

Because, men smoke Camels who want the taste and fragrance of the finest tobaccos, expertly blended. Men smoke Camels for Camels smooth, refreshing mildness and their freedom from cigarette aftertaste.

Camels are made for men who think for themselves.

DEMPSEY DRAWS COLOR LINE

Omaha—Jack Dempsey, world's heavyweight champion pugilist, who passed through here on his way to Lake City, in a statement denied that he is willing to fight Jack Johnson, "or any other Negro fighter."
"I will never fight a colored man," Dempsey said. "There is nothing to this talk of me meeting Jack Johnson. I am confident the public don't want this fight and while I will govern myself to a large extent according to the public wishes, I can't see my way clear to fight Johnson or any other colored man."
