PINE COUNTY FAIR OPENS WEDNESDAY

Three Big Days of Show All Ready for Opening

Final arrangements are being made and the details are being completed for the Pine county fair, which opens at the fair grounds next Wednesday, August 17th. The interest taken in the exhibits this week makes certain a fine livestock and poultry department. While the vegetables are in a poor condition this year, there will be a good exhibit in that department however.

Entertainment.

The complete program for the entire three days of show, is given on another page of this issue. Every effort has been made by the management to have something doing every minute, afternoon and evening, in the amusement line.

The free acts to be put on in front of the grandstand, are a whole show in themselves. These with the ball games and races will give a variety of first class entertainment.

President Stuck, who is handling the concessions and shows in the midway, announces that department will be one of the largest had here for some time. It includes a number of high class side shows that are better than the ordinary. There will be a number of eating places and quick-lunch stands, and concessions that take in novelties, games, soft drinks, balloons, pop-corn, etc. All money games have been barred by the fair management this year. Any one wishing space in this department, should see Mr. Stuck at once, as there is very little room left.

Boys and Girls Clubs.

Representatives from the Boy and Girl clubs from all parts of the county will be here with exhibits from their clubs. Under the supervision of Club Leader Prince, wonderful work has been done by the clubs of the county, and the members are all keenly interested in the fair. The exhibitors will stay at

Insignia Inn during the fair.

The Hinchey club, under the leadership of Fred Holger, will hold a livestock judging contest and the winners will get a trip to the state fair with all expenses paid.

Plan Health Booth.

The Pine county health association plan on having a booth on the grounds, the same as they did last year. Miss Nicoll, county nurse, will be there to answer health questions and to give any advice possible. There will be a sanitary drinking fountain at the booth, and a rest room will be fixed up. The association will also conduct a lost and found department for the convenience of fair patrons. All fair visitors are cordially invited to make every use possible of the health booth, as assistance will be gladly given.

Entry Day.

Wednesday is entry day and all exhibitors are urged to bring their exhibits before six o'clock that evening, as the management is anxious to have everything in place when the fair opens the next morning. The superintendents of the various departments will be on hand at 9 o'clock Wednesday morning to receive the exhibits.

Following is a list of the superintendents: H. W. Daley, horses; G. H. Woytke, cattle; H. H. Grapitt, swine; L. P. Appleby, poultry; Oscar Westrom, grain, seeds and potatoes; Mrs. Math Prochaska, flowers and cuttings; Mrs. Jim Bantleon, ladies work and fine arts; E. B. Prince, Boys and Girls clubs; and Frank Drimmel, vegetables.

For information, call any of the above superintendents or Frank Stuck, president, or Secretary McEachern.

For Sale

Guernsey bull, (Roselev's King, 44648) backed by some of the best blood lines of the breed. Come and look him over and get information. —L. E. Appleby, Pine City. 45-1.

Will Join State Association

At a meeting held at Hinckley on August 8th of the representatives of the co-operative creameries of Pine County, Hinckley, Askov, Pine City, Brook Park and Sandstone being represented, a resolution was passed endorsing the Minnesota Co-operative Creameries Association, Inc.

John Brandt of Hinckley, secretary of the state association, was present and explained the articles of incorporation and the by-laws of the association, also giving a talk enlarging upon the work that can be accomplished by an association of this kind.

Pine City and Hinckley being the only two creameries represented with a full board of directors signed the contracts with the state association. The representatives from Brook Park, Askov and Sandstone were well satisfied with the plans of organization and expressed the opinion that their creameries would be anxious to join the association.

The support of this association means carrying the co-operative spirit started in the local creamery one step further and the creameries themselves co-operating to work for the development of the markets for dairy products. It is hoped that every co-operative creamery in the county will join the association.

Pine City Wins Again.

The Pine City ball team won another game last Sunday when they defeated Rock Creek, by a score of 11 to 2. Spickler pitched a fine game for the locals, and was entitled to a star in the game, but for a couple of misplays in the last inning, resulted in the two scores for the visitors. Pine scored 11 runs in the first inning and it was a tight game from then until the sixth, when the Creek balloon went up, giving the local team 5 runs. The visiting pitcher's slow ball was good for the first half of the game, but after the Pine City players batted a few times, they had no trouble "riding" the ball.

Pine City plays Rush City, at that place next Sunday. Rush City has been winning pretty steady, but the local team is playing fine ball now and the creek Rock City team will have to fight hard for every score they get.

BOX SCORE

Rock Creek

AUGUST 14.
Pine City at Rush City.
Rock Creek at Pine Lake.
Schulze at Mora.
North Branch at Braham.
Mora at Hinckley.

To Resume Post Meetings

Aug. 11th, 1921.

Dear Comrade:
This Post will resume activities for the coming fall and winter season, at once. A meeting has been called by the commander for next Sunday evening, August 16th, at the Development Association Club rooms. The meeting will be called to order at 8:15 P. M. sharp. Kindly plan to be there on time. This is for a membership drive will be discussed at this meeting as well as other activities in which you are to participate this winter. Post will be re-commenced at the beginning of the month of August, 1921. We will be at this meeting to give you a detailed report of what was done during the year. This will be a worth while report and we want every member there to hear it.

In order to raise money to carry on our work, the Post has contracted for a live number Lyons, Co. which will be given. If this is going to be a success, we must all get behind it. Come to the meeting and learn all about it.

Do you know of any service man who has not gotten his bonus? Or who has a claim in for disability and is getting no action on it? If you have any complaint against the way this Post is being conducted, if you are not getting your Logon Weekly every week, if you have any suggestions for the betterment of the Post or the Legion, be sure to attend the meeting, Tuesday evening, August 16th, at 8:15 P. M., and tell us about it.

Sincerely yours,
C. R. Boo,
Post Commander.

Isde Urges Exhibits

Next week is the time for the big annual Pine County Fair to be held on the fair grounds at Pine City. It is expected the fair will be bigger and better this year than ever before. From the standpoint of exhibitors, it is in all lines. In addition to the displays, exhibitions and sports have been arranged as will be seen by the full program on page 2 of this paper. Saturday has been set as "Hinckley Day" when the Hinckley band and all team will be in attendance. The good entertainment features to help Pine City team will be our opponents and it should prove a good game.

From the standpoint of exhibitors the following communication from County Agent F. S. Isde will be of interest:

"I wish to take this opportunity to all the attention of the farmers of the county to the County Fair to be held at Pine City Aug. 17-19-20 and urge every farmer to select some of his best livestock, poultry or farm produce and send them down to be exhibited at the fair."

The fair management has worked out an unusually good and attractive list of premiums and also secured good entertainment features to help make the fair a success. But the ultimate success of the fair does not depend upon the entertainment features but upon the agricultural products and livestock exhibited, and this in turn depends upon the co-operation of the farmers in the county in seeing that their good produce poultry, etc., etc., is brought to the fair.

The County Fair is of both educational and advertising value. Those exhibiting at the fair can gain much valuable information by comparing the produce from their farms and their livestock with that of other farmers. And watching the products and livestock judging many points of value are brought out.

The people from outside the county attending the fair will form their opinions of the fair by the class of exhibits made. Those who are selling high grade and pure bred livestock will find it well worth while to send their best individuals to the fair. A good strong exhibit of the various breeds of live stock will do a great deal to bring buyers for such livestock into the county and it will also be an incentive for others in the county who are not specializing in any one breed to get into the game and build up their own herd.

I hope that every farmer with good livestock, poultry or farm products will do his part to boost the county and to help stimulate better agriculture in the county by exhibiting at the fair.

Arrested for Assault.

Joseph Schultz of Denham, was arrested and brought to Pine City, last Friday, by Sheriff Hawley. He was arrested on a complaint, sworn to by his wife, who charged him with attacking her. She alleged he attacked her with an axe. She put her hand to her head to ward off the blow, the axe cutting her hand and bruising her head.

Women's Rights in China.

A paternal government in the province of Hungh, China, is endeavoring by official action to bring the women to order and reason, in the matter of clothes. "Women and girls are forbidden to wear extraordinary clothes," reads the official order which the police have been instructed to enforce. The women's dresses, which were generally adopted by the Chinese gentle sex previous to the first revolution, are better suited to the women because they are not too short or too narrow, and they should be made against the official order gives further particulars of the abuses which it alleges have taken place by which, in the matter of clothes, it is impossible to distinguish the Chinese women of "respectable and good families from those who are not." But the spirit of the police's government of Hungh is found in the order of the order which gives that the importance of bearing and clothes is to be recognized. "In view of the fact that women are usually in prominent part in modern politics in western countries, and there is sufficient reason to believe that this weakening of the gentile will soon be extended to the far East."

GOVERNOR SMALL FINALLY ARRESTED

Illinois Executive Submits to Warrant Service on Charges of Embezzling State Funds.

GIVES \$50,000 BOND

Arrest in Climax of Three Weeks Pursuit to Surrender—Sheriff Serves Page Without Interfering With Official Duties.

Springfield, Ill.—Governor Len Small of Illinois, after raising arrest on small and restrictive terms, has been offered a conspiracy for three weeks on the plea of executive clemency or that "after six months no warrant was issued by his counsel, finally submitted to Sheriff Henry Mester of Sangamon county after the latter had besieged the state capital with deputies for several hours.

The governor protested against his arrest until the last, charging persecution and asserting his innocence, but the sheriff was adamant and insisted on making the governor from the executive mansion to the court house, where Abraham Lincoln used to practice law, before accepting bonds. There the governor gave surety for \$50,000 and went his way to await trial on the charge of defrauding the people of the state of some \$2,000,000, while state treasurer, through alleged failure to turn over to the state the proper interest on state funds.

Dramatic Day at Capital.

It was a dramatic day in the capital of Illinois and the whole city was at white heat for hours as the climax of the long contest between the governor and county officers drew near. After the governor had refused Monday to yield to service of the three warrants held by the sheriff, the latter had told his men would search the papers Tuesday, or as soon thereafter as possible, either quietly or with any necessary coercion.

When the sheriff went to the capitol to perform his duty as directed by Judge Smith of the county court, Governor Small, attended by several advisers, was in his office and refused to come out at the sheriff's request. The sheriff then ordered his men around the building to block any undeterred egress of the governor and set down in the lobby to smoke until the chief officer of the commonwealth should decide to emerge.

He announced that had the advantage of the bestered man because he had taken precaution to eat his luncheon before the sheriff and his men and laughingly remarked that he had little else except the arrest of the governor to occupy his time.

No Arrest in Office.

The governor finally sent out word, a couple of hours after the luncheon hour, that the sheriff might come into his office and serve the warrants, but the sheriff declined, saying he was in no hurry and would prefer to make his arrest outside. Any technicalities or charges of interrupting executive business. This tact of the sheriff was in pursuance of the attitude adopted from time to time by the deputies were returned on July 20.

Crowds gathered around the state house as the afternoon wore on, and there was a holiday appearance within the structure, as flashlights boomed and the high rotunda filled with smoke. But the governor kept at work in his office, sending out two lists of appointments during the afternoon.

As the shadow of Lincoln's monument in the capitol yard grew long under the declining sun, the chief executive finally sent out word that he would surrender to the county of the sheriff the executive mansion at 5 P. M., if it could be arranged to give bond at once. The capitulation was accepted by Sheriff Mester, who withdrew under the trace, with his troop of deputies.

ALLIES REACH COMPROMISE

Britain and France Settle Silesian Boundary Dispute.

Paris—Premier Briand of France and Premier Lloyd George of England have decided at a private meeting upon a compromise partition of upper Silesia, it was declared here on good authority.

The compromise boundary line is understood to pass on the Vistula river and running west of Olchiv, west of Post and Gross-Stallitz, north to between Rosengarten and Grewing, and thence to the frontier of northern upper Silesia.

The Allied supreme council decided not to send reinforcements for the Allied troops in upper Silesia.

Six Hurt in Prison Race Riot.

Syracuse—Six inmates of the state prison at Auburn are in a hospital and 20 others in isolation cells, as a result of a fight between Negroes and whites in the exercise yard. In beating over a ball game Saturday the inmates estimated an attack on the Negroes.

Kills Brother—in Phone Bill Brawl. Philadelphia—A quarrel over responsibility for a telephone bill of \$4.11 resulted in the killing of Frank Pate, aged 30, by his brother, Norman, aged 26, according to police.

THE GREATEST FAIR OF ALL

Every year you are told that The Pine County Fair is the "Greatest Fair of All."

And every year the statement is true, because Pine County can truthfully say that its Fair is growing steadily in number of exhibits, equipment, and in the general excellence of the program offered.

This year is no exception. The dates are 17 to 20. Plan now to come. Bring the family. Pine County welcomes you!

HAPPENINGS IN GOPHER STATE

News From All Parts of Minnesota Given in Condensed Form.

EVENTS BRIEFLY TOLD

Where Busy Readers Will Find News From All Parts of State Thoroughly Chronicled for Their Benefit.

Fertilizer—Prospects for a good potato crop are favorable here this year if the cool weather continues.

Bank Center—John G. West, superintendent of the city schools here, has been elected superintendent of the city schools of Mendota.

Beneficial—Advance reservations in excess of the state quota for the summer attendance will break all records this year when the school opens Sept. 6.

Warren—Hazel Metzger, aged 14, is in a hospital here recovering from injuries received when attacked by a bull on the farm here.

Lovers—A three days' school of instruction in livestock judging will be conducted here this month according to an announcement by Rock County Agricultural Teacher.

Beard—Harry Hasty, aged 17, escaped from the reformatory at the end of the reformatory in July, but was caught here by Chief of Police Warner, who recognized him from descriptions sent out.

Minnesota—Frank L. Randall, former superintendent of the Minnesota State reformatory at St. Cloud, and for a number of years among the foremost penologists of the country, is dead.

Marshall—Fire of undetermined origin destroyed the Du Bois candy store in the heart of the business district.

By hard work the firemen kept the flames from spreading to adjoining buildings.

Ellsworth—J. W. Byers, a former resident of this section, was killed while at work cutting hay on his farm near Hartley, Iowa.

Police—Police authorities in this vicinity have been asked to watch for three men who broke into the barn here and escaped with \$500 in Liberty bonds and saw savings stamps.

Acquainted—An agriculturist from the University of Minnesota, has told city officials that an underground hole lies under the city streets.

There is no danger of exhausting the water supply by tapping for additional artesian wells.

Montevideo—Threshing operations are becoming general in this vicinity. The yield of small grain is comparatively to the average.

Minnesota—Minnesota was second in the production of potatoes in 1912, according to a federal bulletin.

Minnesota—Minnesota was second in the production of potatoes in 1912, according to a federal bulletin.

Hastings—Maurice O'Brien, county treasurer of Dakota, has been called upon at a hearing before J. P. McCombs of Minnesota, referee, appointed by Governor S. A. Benson.

Canby—Harvey Harvick, a market electrician, badly burned by receiving 2,800 volt electricity when a short circuit occurred on a switchboard of the Canby electric light plant.

Ad—Carlton Avery, a game and fish commissioner, after hearing a petition for a game and fish preserve, which will include the section of Green Meadow, Spring Creek and the west half of Winchester township.

Wisnau—Mixing three patrolmen in the dark for prospective customers, John Maxwell attempted to sell them insurance and was placed in the police station.

Minnesota—Roy L. Bow who has been chief production officer for Minnesota under State Prohibition.

Wisnau—Fallon to keep the safe hidden in the trunk of a Buick.

Worthington—Old Dobbin was left in the city in company with the executive.

ESTIMATE OF LUMBER WASTE

By Careful Cutting Much Can Be Saved—Sawdust Pieces Can Be Used in Odd Places.

Don't forget to estimate the waste in buying your lumber for building a poultry house, barn or other structure.

In figuring on common sheathing add an allowance of 70 percent for waste for matched flooring and all kinds of siding.

By careful cutting you can save 10 percent of the waste and 20 percent of the lumber.

Don't forget to estimate the waste in buying your lumber for building a poultry house, barn or other structure.

After Thorough Trial a Detroit, Mich., Man Endorses Pe-ru-na

The following letter written from Detroit, Michigan, is a strong judgment expressed on the merits of Pe-ru-na.

STeady Young Fellow.

"They tell me that your boy, Josh, has grown to be a splendid young fellow."

"I've and I recommend to my friends who are troubled with indigestion."

"Nothing can be more convincing than an experience of this nature from an actual user. There are many people in every community who experience indigestion, namely those who experience indigestion, namely those who experience indigestion."

"I have found it a very good medicine for indigestion. It gives relief to a very gross case and I am now very well satisfied."

"I have found it a very good medicine for indigestion. It gives relief to a very gross case and I am now very well satisfied."

"I have found it a very good medicine for indigestion. It gives relief to a very gross case and I am now very well satisfied."

MINNESOTA STATE FAIR September 3 to 10

Why Telephone Bills Are Paid in Advance

Suppose we charged your account this month with 10 cents more than your regular telephone rent.

Then, when you asked about it, we told it was a part of the telephone bill Mr. Somebody did not pay.

If we did not collect telephone rent from every one in advance, some people never would pay. Yet the cost of having furnished service, and the expense of installing and removing the telephones, would have to be paid by someone.

In order that one subscriber will not have to pay indirectly a part of the telephone bill of another, we require advance payment for local telephone service.

NORTHWESTERN BELL TELEPHONE CO.

The Art of Industry

A prominent editorial writer says that the records of Caruso's wonderful voice will be enjoyed for a thousand years, and that this is close to immortality.

This wonderful heritage for posterity is made possible by the art of industry.

But the art of industry has accomplished other things as well.

Sixty years ago men found oil in quantities, from which they produced light.

The Standard Oil Company took that oil and, in addition to light, produced from it, power, and lubricants for the parts which transmit the power—not to mention hundreds of other useful products.

Fifty years ago people were delighted with the oil which gave them abundant light; but none could foresee the development which this "Rock Oil" would make possible.

It was the vision and courage of the men who founded the Standard Oil Company that made it possible for the automotive industry to come into being.

It is the ability of the men who manage the Standard Oil Company (Indiana) of today that has made it possible for the automobile to develop from the clumsy vehicle of twenty years ago to the smoothly-driven machine of today.

For the Standard Oil Company (Indiana) constantly anticipated demand and produced gasoline of such quality, and in such quantity, and distributed it in a manner so thorough, that the automotive manufacturer could produce in large enough quantities to keep his product within the range of the modest purse.

The art of industry is exemplified in the achievements of the Standard Oil Company (Indiana), which will live for centuries and benefit posterity in a practical way, as the perpetuation of Caruso's voice will benefit in an aesthetic way.

2533

ROCK CREEK NEWS DEP.

Barney Greenspan left for Duluth on Wednesday to visit with his family until next Monday.

Rock Creek was defeated by Pine City last Sunday by a score of 11 to 2. Full version on the front page.

Miss Della Ericson came home from Minneapolis Saturday for a week's visit of the home of her parents here.

Mrs. Carl Hedburg of Chicago arrived Saturday for a three week visit at the home of her cousin, Mr. Andrew Johnson.

Mrs. Roberts and 4 children arrived from St. Paul today for a visit at the home of her parents, Mr. and Mrs. Bruce.

Erickson Bros. are putting in a new cement walk in front of their store which will add greatly to the appearance of the place.

Walt Barstow shipped in a car load of oats the first of the week which he has distributed to the farmers of this community.

Merle Chadwick left for California on Monday, where he will enter the garage business with Art Van Dyke, formerly of this place.

Mr. and Mrs. O. W. Harringer took their son, Russell, to Minneapolis and had his tonsils removed. They returned home Sunday.

The Royal Neighbors held their regular meeting at the hall on Wednesday evening. It was decided not to hold anymore meetings until the second Wednesday in September, the 14th.

GRAIN PRICES DECLINE

Heavy Movement Force Wheat and Corn to New Low Levels.

Large Receipts and Low Foreign Demands Factors—Livestock Recovering Earlier Slump—Dairy Products Show Weakness.

U. S. Bureau of Markets, Washington, D. C. for week ended August 3, 1921.

GRAIN: Wheat prices were under selling pressure most of the week but export buying kept markets fairly firm first two days. Declines then set in and wheat prices dropped to new low levels. On August 3th, however, good undertone developed and fair advances took place. Good export buying was main bullish factor. Heavy receipts and lack of public buying were main depressing factors. Corn was also weak during the week though export buying continued fair. Visible supply of corn placed at 12,360,000 bu. during the week in Chicago cash market No. 1 red winter wheat closed at \$1.22, No. 2 hard at \$1.22, No. 3 mixed corn at \$1.07, No. 3 yellow corn at \$1.06, No. 3 new white oats at \$1.06. For the week Chicago September wheat dropped 2 1/2¢ closing at \$1.22 1/2; September corn down 2 1/2¢ closing at \$1.06; Minneapolis September wheat down 3 1/2¢ closing at \$1.27 1/2; Kansas City September wheat down 3 1/2¢ closing at \$1.13 1/2; Chicago December wheat closed at \$1.25 1/2; December corn at \$1.06; Minneapolis December wheat closed at \$1.25; Kansas City December wheat closed at \$1.16 1/2.

HAY: Eastern hay markets inactive. Receipts light. Quoted August 3th: No. 1 timothy, Minneapolis, \$19; No. 1 alfalfa, Minneapolis, \$20; No. 1 alfalfa, Minneapolis, \$20; No. 1 alfalfa, Minneapolis, \$20.

RECEIVED: Recent heavy rains in most important dairying sections have materially reduced the demand for feedstuffs of every description. Severe decline in grain markets and prospective freight reduction also served the check demand. Quoted August 3th: Bran \$13.50, middlings \$14.50; Minneapolis, Red Dog \$21.34; Chicago, linseed meal \$32; Minneapolis, \$45; Chicago, new 26 per cent cotton seed meal \$42; northeastern markets; gluten feed \$20.50; Chicago, white hominy feed \$24; St. Louis, \$25; Chicago, No. 1 alfalfa meal \$18.75; Kansas City.

A party, in honor of the Misses Violet and Ebbel Nicholson, was held at the hall on Tuesday evening. A large crowd was present, and all report a good time. Refreshments were served.

Mr. and Mrs. Emanuel Carlson cousins of Mrs. Andrew Johnson arrived Wednesday of last week for a week's visit. They are touring and sight seeing having come in their car from Waverly, Nebr., thru Iowa.

Mrs. Barstow, who recently underwent an operation at the Graham hospital getting along very nicely, we understand, Fred Barstow returned to his home at Watertown, So. Dak., after spending a week at the home of his parents here.

Miss Jennie New and Mrs. Ellen Beavers, who have been visiting at the Chas. Beavers home, returned to their home at Manchester, Iowa, Tuesday. Mrs. Frank Parr and children who have been visiting at the Beavers home leave the latter part of the week for their home in Iowa.

Fire of an unknown origin completely destroyed the blacksmith shop, owned by John Nelson, Wednesday night, about 1:30. The fire was discovered by the night operator at Pine City who was passing by. A call was sent into the department at Pine City but the local department had it under control before they arrived. The Nelsons were spending the evening with friends east of Rush City and were not at home at the time of the fire. The building and machinery are a total loss as no insurance was carried.

FRUITS AND VEGETABLES: Virginia eastern shore Irish Cobble potatoes continued to advance closing 50¢ higher in New York at a range of \$4.75 per bushel, with a report of \$4.75 in Kansas. Marketed Early Ohio up 50¢ per 100 lbs. in Kansas City closing \$1.76 firm in Chicago with good demand at \$2.25-2.50 an advance of 50-60¢.

DAIRY PRODUCTS: Butter markets slightly weaker with prices about half cent lower than early part of week. Receipts running light and dealers making efforts to avoid accumulation of stocks. Small shipments of Danish arrived at New York last week. Prices of 92 score New York 44; Chicago 42 1/2; Philadelphia 43 1/2; Boston 44 1/2.

Recent price advances on cheese tended to check buying demand. Markets are weaker with many dealers shading prices to make sales. Recent rains increased production and cooler weather helped to improve quality. Wisconsin primary market prices on August 3th: Twins 19 1/2, Daisies 20 1/2; Dubs Daisies 20 1/2; Young America 22; Longhorns 22 1/2.

LIVESTOCK AND MEATS: A good rally following early declines brought the hog market top 10¢ above a week ago, but left the bulk of sales 50-150 lower. Heavy hogs suffered the greatest loss in value. Feed steers advanced 40-60¢, demand for light weights being strong. August 3th, Chicago prices: Hogs (on \$12.00; bulk of sales \$9.25-11.45; medium and good beef steers \$7.25-10; butcher cows and heifers \$2.75-5; feeder steers \$5.75-6; light and medium weight veal calves \$8.75; fat lambs \$8.50-10.75; feeding lambs \$6.97-7.75; yearlings \$6-6.50; fat ewes \$3-5.25.

Stocker and feeder shipments from 11 important markets during the week ending July 29th, were: Cattle and calves 28,747; hogs 2,161; sheep 41,692.

Western dressed beef at eastern markets steady with 1¢ off on lower grades. Veal unevenly steady. Lamb up 1 1/4¢, mutton off 1 1/2¢; light pork loins up \$1, heavy loins steady. August 3th prices, good grade meats: Beef \$15.50-17; veal \$15-17; lamb \$25-28; mutton \$12-16; light pork loins \$26-29; heavy loins \$18-23.

Boys, Injured Two. New York—Twelve year old Frank Cafaro of Brooklyn, is dead and his two brothers are injured from the explosion of a bomb they found on Staten Island and carried home. One of them banged a hammer against their new toy.

30x3 1/2 STANDARD NON-SKID

The Fastest Selling Tire In America

The increasing popular demand for the Firestone Standard 30x3 1/2 inch tire over a period of years has given us big volume. Our Plant No. 2 devoted wholly to this size tire with a capacity of 16,000 tires and 20,000 tubes per day cuts costs on every operation. On May 2, we dropped our price to 313.95 passing on to the car owner the full benefits of this big sales volume and this labor-saving plant. This tire has been our standard for years—four plies, long staple fabric—extra gum between plies—heavy non-skid tread. The greatest value ever offered car owners. Insist on Firestone.

Our Cord Tire Values

Firestone Cord tires are made exclusively in Plant No. 1. Our process of double gum-dipping each ply of cord gives thicker insulation. The massive non-skid tread, with extra thickness where wear is most severe, gives real effectiveness in holding the car against slipping and adds many extra miles of service.

Firestone Cord tires are sold at the lowest prices in cord tire history: 30x3 1/2, \$24.50; 32x4, \$46.30; 34x4 1/2, \$54.90.

Local News

Mrs. Chas. Lang of Oregon arrived Monday and will visit with friends here.

Mr. Oldenberg of Einlayson was a business caller in the village last Thursday.

Mrs. Carl Holmberg and sons returned from Brainerd, last Friday where they visited with relatives.

Mr. Allen sr. came up from the cities for a visit at the home of his son, R. P. Allen.

Miss Winifred Daley went to the Twin cities last Saturday for a few days visit there.

Darby Gray came down from Duluth, last Saturday, and spent the week end visiting his folks here.

Mrs. Catherine Bele returned home last Saturday after a ten day visit with friends and relatives in the Twin cities.

Carl Holmberg of the Pine City Mercantile Co. went to the Twin Cities Tuesday afternoon on an couple of days buying trip.

Miss Hazel Johnson, daughter of Mr. and Mrs. C. L. Johnson, left for Minneapolis Monday where she will visit for a few days.

Mr. and Mrs. Fred Wiley left for Buhl last Saturday where they will spend a week or two at the Bastien home. They made the trip by auto.

Mrs. Paul KirkPins entertained last Friday afternoon, in honor of Mrs. Harrison and Miss Charlotte Roberts who left Monday for California.

Ole Brekke drove to Glenwood City, Wis. last Sunday and returned with Mrs. Brekke and the children who were visiting with relatives there.

Miss Lorena Bede, daughter of Mr. and Mrs. J. Adam Bede came home from Tower, last Thursday where she has been attending a missionary school.

Mr. and Mrs. J. P. Miller and children arrived home by auto last Thursday. Mrs. Miller and the children spent a couple of months with her folks there.

Miss Zedda Daily who has been employed at the Pokegama Sanatorium has gone to the hospital at Minneapolis to undergo an operation for appendicitis.

Miss Mary Prochaska, daughter of Mr. and Mrs. Math Prochaska, arrived home from Nebraska last week, where she visited a month or more with her sister there.

Mr. and Mrs. Albert Hondek returned home the first of the week from Nebraska, where she and the children visited the past five or six weeks at the home of her parents.

Frank Roubinek arrived from Narka, Kans. last Thursday for a visit with his father, Joe Roubinek and other relatives. Mr. Roubinek sr. is recovering nicely from his recent illness.

Mrs. Frank Stueck and Mrs. Jim Stueck visited at the home of their brother-in-law, L. E. Stueck at North Branch, last Sunday. Frank and Jim drove down after the ball game and returned with the ladies.

Fritz McKusick came back from the Twin Cities last Monday. Mrs. McKusick has been there the past couple of weeks and a baby boy was born 12 days ago.

Mark J. Ross and Miss Violet Goodwin Mahanmen were married at the Court house by Justice Chas. Stephan last Monday. They are from the Indian reservation and were on their way to Markville for a visit there.

Earl Gray is expected home Saturday from Fairmont, where he has been employed in a garage since last spring. His health is not of the best and the doctor has ordered him to take a rest.

Miss Olga Holetz, daughter of Mr. and Mrs. Richard Holetz celebrated her 11th birthday at the home of her parents, last Monday afternoon. There was a large number of little folks present to enjoy the party and Miss Olga received many nice presents. A birthday cake and

lunch wound up the days festivities.

Mrs. Fred Jepsen and son left for their home in Ironwood, Mich. They visited the last couple of months at the home of her father here, Mr. Julius Dosey.

Mr. and Mrs. Otto Sobotka and the children went to Silver Lake the latter part of last week for a visit at the home of Mrs. Sobotka's folks; they expect to return the last of this week.

Ray Hoefler came down from Eveleth Monday for a couple days visit at the home of his parents, Mr. and Mrs. Emil Hoefler. Ray is still playing his usual good game of ball this season.

Mr. G. F. Walter and daughter returned home last week from a visit with relatives in Minneapolis. Mr. and Mrs. Berg and daughter of Wilder River visited at the Dr. Walter home last week.

Dr. Lucian and Banker John Gregor of Red Lake Falls visited at the J. Collins home last Saturday and Sunday when they left for Duluth. Dr. Lucian is a nephew of Mr. Collins and lived here a few years ago at the Collins home.

The Presbyterian ladies will hold a picnic at the Wiseman cottage at Cross Lake this afternoon. Cars will be at the Breckenridge pharmacy at 2:30 today to take them out. The men are invited out to a weiner roast at supper time.

The Junior baseball team played the Rush City juniors on the local diamond, last Sunday, winning by a 10 to 9 score. It was only possible to play a seven inning game, owing to the big game that followed.

Mr. and Mrs. Wm. Bantleon returned from near Bruce, Wis. last Thursday. Mrs. Bantleon visited her folks there the past two months and Bill drove over a week ago last Sunday. Bill did a little fishing while gone and reports a big catch of trout.

Judge Long went to the Twin cities, last Monday, where he attended the state bar association meeting being held there the forepart of this week.

Mrs. Kelley and son of Georgia, who are visiting at the home of her sister, Mrs. Nick Perkins went to Sandstone, last Sunday, for a couple of days visit there.

Dr. and Mrs. Wiseman and the children left for Mille Laes lake, last week where they will spend a few days camping. Rev. and Mrs. Buckton are staying at the Wiseman cottage on Cross Lake during their absence.

Dick Lawrence has purchased the J. Y. Breckenridge house, closing the deal the first of the week. The Lawrences will take possession September 5th. The Breckenridges may possibly build in the near future and intend to rent until their plans are completed.

Mrs. McEachern and daughter came home from Taylors Falls last Saturday. She was accompanied by Mr. and Mrs. Howard Folsom and Mrs. W. A. McEachern and children of Superior, Wis. The Folsoms returned Monday and Mrs. Walter McEachern and children left for her home in Superior Tuesday.

Frank T. Wilson, community advisor at the University Farm, who was one of the speakers at the Pokegama picnic, last week, visited at the Garbush home. Mr. Garbush had him as the director of the development association and Mr. Wilson made a very interesting talk on community extension work.

Rev. and Mrs. Herb Parish arrived from Wadena last Saturday. His church has been closed there owing to an epidemic of spinal meningitis in the county there. He left Sunday to resume his former work in the century department, going to Illinois. Mrs. Parish will remain at the home of her parents, Mr. and Mrs. A. H. Daniels, during his absence.

Come on along!

Fill up your makin's papers with P. A.

Greatest sport you know to pull out your makin's papers and some Prince Albert and roll up a cigarette! That's because P. A. is so delightfully good and refreshing in a cigarette—just like it is in a jimmy pipe!

You never seem to get your fill—P. A.'s so joy'usly friendly and appetizing.

easily because it's crimp cut and it stays put.

It's the best bet you ever laid that you'll like Prince Albert better than any cigarette you ever rolled!

And listen! If you have a jimmy pipe hankering—by all means know what Prince Albert can do for you! It's a revelation in a pipe as well as in a cigarette! P. A. can't bite or parch. Both are cut out by our exclusive patented process.

Prince Albert is made in crimp cut bags, 100 and 200 cigarettes per bag. The crimp cut bags are made of the finest quality paper and are made in a crimp cut bag, with a special moisture top.

Petschel's Garage

FARM DEPARTMENT

Monday's Closing—Cattle 5,600. Market closing steady to 25c higher. calves 1,000. Market steady, packer tops \$7.50. Hogs 4,800. Market unevenly 25c to 75c higher, top \$10.85. Sheep 1,600. Market steady. Montana wethers \$6.00. Native lambs \$9.00.

South St. Paul, Aug. 8.—Influences for betterment in the cattle market at the week's opening including generally light receipts especially at Chicago, a higher market at that point and a continued demand for stockers and feeders. Better grades of steers and sheep stock ruled strong to 25c higher, with steers showing most gain. Best steers here were 56 head of Dakota rangeers showing a little grain feeding, that averaged 1,300 pounds and sold to packers at \$8.35. Bulk of the steer sales ranged from \$5.75 to \$7.50. Packers were bearish on in-between grades of cows and heifers selling from \$3.50 to \$5.00 and much kind held only steady to strong, but better grades showed strong to higher spots. Bulk of sales \$3.50 to \$5.50, with a few good cows up to \$6.00 and a few heifers at \$6.50 to \$7.00. Canners and cutters steady at \$2.40 to \$3.25. Bulls were slow, about steady at \$3.25 to \$4.25 for bulk of boogmas. Veals were unchanged packer tops at \$7.50. Stockers and feeders mostly 25c higher, spots more, with quite a few stockers up to \$5.00, and a fair showing of feeders up to \$6.00. Best feeders here today and for some time were 26 very good fleshy steers averaging about 1,000 pounds that went to outsiders at \$7.40.

Hogs made up a good share of last week's late losses today when uneven advances of 25 to 75c were scored. Range \$8.00 to \$10.85 bulk \$8.25 to \$10.50. A few choice pigs \$10.85. Choice 125 pound Montana wethers \$6.00, choice native lambs \$9.00, best light ewes \$4.00 to \$4.50.

The following letter from the secretary of Minnesota Holstein Praisers Association will undoubtedly be of interest to a great many of the farmers of the county, as it affords an unusual opportunity to get a GOOD herd sire at extremely low prices and good terms. Those who are today using grade or scrub herd sires, cannot afford to let this opportunity pass.

Those wishing to avail themselves of this opportunity should notify the Farm Bureau office.

Dear Sir: There are undoubtedly quite a number of farmers in your county who are now using grade or scrub bulls at the heads of their dairy herds that should be using purebred sires. I have found a great many who would be only too glad at this time to purchase a purebred sire if they were able to raise the money, but the banks at this time are loaned out and few of them can extend further credit with their patrons, nor are many of their patrons in shape to take care of the short time loans.

Immediately after the big fire in northern Minnesota two or three years ago, Holstein breeders thru his Association distributed a considerable number of purebred bulls among the settlers of the burned over districts. These bulls were furnished at very low figures and two years time was given to pay for them.

At the present time we are suffering from a money famine. We believe that there never was a better time for dairy extension work than now and as the banks are unable to help, this Association will undertake to furnish your farmers with purebred bulls on practically the same terms as were given to the farmers of the burned over districts. We will furnish good sires ready for service at \$150.00 each with two years time to pay at six per cent interest with the understanding that the grade or scrub bull now in use will first be shipped to the slaughter house and not return received from his sale be turned in as first payment on the purebred bull. The executive committee of this Association will see that every bull offered in will worth its money, of good type, good pedigree and in good condition. In fact, we have a number already offered in the interest of this extension work that are worth two or three times the \$150. All the bulls spoken for will be assembled

at the State Fair grounds at the time of the National Dairy show in October and they will be distributed impartially through the drawing of numbers. The bulls will be delivered to their new owners at the Fair grounds.

I trust that you will give this plan as much publicity as possible in your county and will call it particularly to the attention of your bankers. We believe that the terms have been so arranged that any farmer can meet them and the results should be a great benefit to every county where dairying is practiced. It is the best way we know of hoping to eliminate the greatest loss on the majority of our farms, namely, the scrub sire. Very truly yours,
 Sec'y ary.

P. S. If you have in your community a man that is breeding Holsteins and who needs a better sire than the one he is now using, we should be glad to assist him in arranging credit with a member of this Association should he so desire.

A "picric acid" week in Minnesota is the newest application of the intensive campaign idea. The United States Department of Agriculture has allotted 744,000 pounds of this war-salvaged explosive as the proportionate share of Minnesota for land-clearing purposes, to be distributed under the direction of the agricultural engineering and agricultural extension division of the University of Minnesota. The week of July 18 to 23 was designated as "picric acid campaign week" during which meetings were held in each county to acquaint farmers, bankers and business men with this opportunity to obtain explosive material free, except for the cost of carting and distribution. At these meetings were discussed ways and means of financing and distributing the quota in each county in the shortest time and the best way possible.

The University of Minnesota is sending circulars and posters calling attention to the fact that there is only a limited amount of the material and only a limited time to take up the State quota. The farmers were intored particularly that the government was giving the material free and that the charge for carting and distributing—7 cents a pound, and the freight costs approximately 2 cents a point from St. Louis, Wis., where the picric acid supply is located—made picric acid available for about one-half the price of dynamite.

One poster reads conspicuously: "There is no money in this for anyone—but the farmer." In its circular the university states that the use of picric acid is recommended for agricultural purposes in this instance only because it is a war-salvaged material that would otherwise be wasted.

It is not intended that picric acid should compete with dynamite which, in spite of its lower grades has certain superior features.

As the material is to be shipped only in carload lots, the university recommends the pooling of orders in each county, or, where necessary, to make up a carload, the pooling of one county's orders with those in a neighboring county. The allotments of picric acid for the various States will be held by the Bureau of Public Roads, United States Department of Agriculture, until May 1, 1922, at which time any allotments that have not been taken up will be canceled and the most equitable distribution possible will be made of that remaining.

The necessity of keeping the country roads in good condition is shown by a report recently compiled by the Bureau of Markets and Crop Estimates, United States Department of Agriculture, showing the extent to which they are used in hauling farm products to market. It shows the tonnage of 11 products hauled on country roads, during the yearly average for the period from 1915 to 1919. There were 27 tons of these 11 crops hauled for every 100 acres of land. The average tonnage of the 11 crops hauled on country roads each year for the period mentioned amounted to 46,550,000 tons. The 12 crops referred to in the report are corn, wheat, oats, hay, rye, rice, flax, seed, cotton (including seed), tobacco, potatoes, and cultivated hay.

Complimenting the Boston. Bostonian on the purchase of a new printing plant and its installation in a new location, the Tifton Gazette says: "That is the way with these newspaper men; as soon as they lay their hands on a little money, straightway they spend it in building up the town and developing the community; that's what improving a newspaper means."

A Celebrity Arrives. "Great excitement in the local room." "What's happened?" "A beautiful woman has just shot a married man who wasn't married to her. The city editor has issued orders to get all her photographs available from her babyhood to the one taken yesterday, and two men have been sent to arrange for exclusive publication of her diary. He has also called up a friend who is in the motion-picture business who is on the lookout for new stars."—Birmingham Age-Herald.

Frankincense a Tree Product. In Bible times and long before, the aromatic gum known as frankincense was highly esteemed as a perfume and a medicine, akin to myrrh and balm of Gilead. It was much used in censurers in churches and temples and was also used for anointing the bodies of both living and dead. It was regarded as a valuable remedy for fevers, boils and other diseases and as an antidote for poisoning, as a sedative, a tonic and a stimulant. The ancients obtained frankincense from several species of gum-producing plants, particularly a certain tree indigenous to eastern Africa and southern Arabia. Imitations are sometimes made nowadays from resins obtained from turpentine plants.

LUCKY STRIKE Cigarette. "IT'S TOASTED" Flavor is sealed in by toastage. Cigarette. Flavor is sealed in by toastage. Cigarette. Flavor is sealed in by toastage.

WOMEN OF MIDDLE LIFE. A Dangerous Period Through Which Every Woman Must Pass. Practical Suggestions Given by the Women Whose Letters Follow. Afton, Tenn.—I want other suffering women to know what Lydia E. Pinkham's Vegetable Compound has done for me. During the Change of Life I was in bed most of the time for several months and had two good doctors treating me, but they did me no good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound which I did, and in a short time I felt better. I had all kinds of bad spells, but they all left me. Now when I feel weak and nervous I take the Vegetable Compound and it always does me good. I wish all women would try it during the Change of Life for I know it will do them good. If you think it will induce some one to try the Vegetable Compound, please publish this letter."—Mrs. A. KELLER, Afton, Tenn.

No hot cooking No trouble to serve. For breakfast or lunch, no food is quite so convenient or satisfying as Grape-Nuts. Served from the package, with cream or milk—full of splendid body-building nutrition. Its flavor and crispness charm the taste—a splendid summer food. "There's a Reason" for Grape-Nuts sold by grocers.

Citizen Worth While. "Every man should aspire to serve his country," remarked the perpetual candidate for office. "I quite agree with you," said Mr. Dubuiste, "but he ought not to let ambition get such a strangle hold on him that it interferes with his earning a living. My idea of a patriot is a man who is also a good producer."—Birmingham Age-Herald.

One can say "Don't be in a hurry to say a word that in three minutes the guests is gone."

Legion News

"The American Legion is one of the bulwarks of the world," said Admiral Feuch of France in a special message with an American newspaper correspondent. Referring to the Paris post of the American Legion, the marshal said, "It is the American heart of France."

"With bowed heads, we pause amid our usual avocations of life in silent tribute to our beloved leader, realizing the fact that only thru death may we the living of our beloved country be reborn to peace, democracy and freedom," said Dr. A. A. VanDyke as the hostess of seventy nine comrades went past him in St. Paul Union Depot the morning after his election as State Commander. The bodies were consigned to points throughout the Great Northwest. A blood-red poppy was placed on every casket.

The new Legion state officers are: Commander A. A. Van Dyke, St. Paul; Vice Commander J. A. Gates of Kenyon; Vice Commander H. E. Lamb of Worthington; Vice Commander Amy Robbins Ware of Robbinsdale; National Commander E. A. Rosenberg of Crookston; Historian Samuel Iverson of St. Paul and Chaplain Ezra Lemans of Owatonna. The new state treasurer will be named by the Executive Committee and the Department Adjutant will be selected by the State Commander.

Approximately 1800 delegates attended the conventions of the American Legion and its Auxiliary in Winona August 1-2-3, 1921. They came by boat, auto, airplanes on foot and by "box car special".

A Woman's Back

The advice of this Pine City woman is of certain value. Many a woman's back has many aches and pains. Ofttimes 'tis the kidney's fault. That's why Doan's Kidney Pills are so effective. Many Pine City women know this. Read what one woman has to say about it.

Mrs. J. Collins, Pine City, says: "I used Doan's Kidney Pills for backache and other kidney trouble and found them just as represented. I had a dull ache over my kidney and felt run down in general. My kidneys acted irregularly and this was very annoying. A neighbor advised me to try Doan's Kidney Pills and they soon rid me of every bit of kidney trouble. I felt like a different person. Several times since when I have noticed symptoms of kidney trouble coming on, I have used Doan's Kidney Pills and have always had the same good results. Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—he same that Mrs. Collins had. Foster-McBarn Co., Mfrs., Buffalo, N. Y."

NOTICE FOR BIDS

Bids will be received by school district No. 77 for the construction of wood shed, coal shed and outhouse, all in one building and for painting outside of school building. Plans and specifications can be seen at Inter State Lumber Co. Pine City. Bids must be in by August 13th—Mrs. L. F. Appleby, Rt. 4, Pine City.

And they brought with them an unbounded enthusiasm and an unlimited supply of pep, good nature and determination to work as hard as they while at the convention.

"It is the duty and the object of the Legion to help every ex-serviceman who needs help," announced Commander Verout in his convention address. "Service is the watchword of the Legion and that service is for our country and for men who served the colors of our country when the colors needed him. We must investigate the complaint of every serviceman, no matter how trivial. It is our duty to see that every buddy receives a square deal."

Ghosts of Yesterday

In "Ghosts of Yesterday," the Felznick Picture starring Norma Talmadge which will be seen at the Family Theatre on Sunday and Monday, an exquisite painting of the star by James Montgomery Flagg is slashed to pieces and irretrievably ruined. The tale of the slashing is really tragic and has almost cured Miss Talmadge of her well known decision to realize.

The portrait had been ordered as a surprise present for her mother, and was sent to the Talmadge studio to await a chance discovery by Mrs. Talmadge. Simultaneously with its arrival, a cheap picture of the popular star was delivered for use in the studio and "Ghosts of Yesterday." In some inexplicable manner, the two were mixed and when a hurry-up call came for the scene to be "shot," the Flagg portrait was placed upon the easel.

"Scum" Was Valuable

One of the biggest oil fields in America was for two generations occupied by the buildings and fields of an ordinary farm, through which ran a creek which issued from the ground in a remote corner of the estate.

The farmer had always been troubled with what he called the "scum," and had put a plank across the little rivulet to keep it back. An oil prospector, after the farmer's death, found that the scum was petroleum, or mineral oil, and that had become valuable as if it had been a rich gold field.
