Following the installation, three new members were initiated, and a surper was served at the Hotel Agnes

School Notes

The High School basketball team went down to defeat Wednesday night at the hands of the Alumni team.

The Alumni team was composed of former stars of the high school.

From start to finish the game was hotly fought and it was no one's game until the final whistle blew.

The game was featured by many long shots and by the fast work of both teams. For the former stars, Wohlert played a good offensive game, while Pennington did his work well at guard, Hawley and Wm. Johnson were the main point getters for the high school.

Johnson making ten points and Hawley eleven. Wohlert of the Alumni made seventeen points, the high man of the game.

While the H. S. was defeated it showed what they are made of. The H. S. was defeated, but the score was no indication of which team was the superior. The alumni players were more experienced and more mature than the high school players, but did they show it? Can't say they did. Another game between the two teams would be a good drawing card.

The game ended with the Alumni on the long end of a 38 to 32 score.
