

Kellogg, Preus and Linsley Indorsed By Pine Co. Republican Convention

At the Pine county Republican convention, held at Hinckley, last Saturday afternoon, a resolution was passed endorsing the candidacy of Senator Kellogg for re-election, and the delegates to the state convention were instructed to cast their vote for his nomination.

Bert Linsley of Willow River, who has announced his candidacy as clerk of the state supreme court, was also endorsed by the convention, and will receive the support of the local delegates at the state meeting.

The following resolutions were unanimously adopted by the convention:

We affirm our allegiance to the great Republican party which stands today, as it has ever stood, as the party of progress, of purpose, of accomplishment. We adhere to the principles of the platform upon which President Harding was elected and commend his efforts to carry out the pledges of the party. We believe in peace among nations and in the reduction of armaments and urge upon the Senate the prompt ratification of the several treaties drawn at the disarmament conference. We endorse as an economic necessity the prompt authorization and construction of the Great Lakes Waterway. We demand a reduction in the cost of living and particularly in transportation charges, in the cost of fuel and in taxes. We urge the necessity of public and private economy and such a readjustment of values as will insure the farmer as well as the investor and laborer a fair return for his services.

We approve the administration of Governor J. A. O. Preus and pledge our support to his reelection.

We contemplate with pride the brilliant record of Frank B. Kellogg in the United States senate, and particularly his signal services to the farming interests of the Great Northwest, and believe that the experience he has gained and the great influence he has acquired with the president and among his colleagues will enable him to be of still greater service to the people of this state and of the nation during another term. We therefore pledge him our support and instruct the delegates from this county to vote for his nomination.

We recognize in our fellow citizen E. B. Linsley of Willow River, a man pecuniarily well equipped by reason of his experience as a court reporter and a newspaper publisher to perform the duties of the office of Clerk of the Supreme Court of this state, and we hereby endorse his candidacy for that office and instruct our delegates to the state convention to use all honorable means to secure his nomination.

There were about fifty delegates at the meeting, the had varied be-

ing responsible for many being unable to attend. Geo. Emmer was elected chairman and W. S. McEachern secretary of the convention.

The first business transacted was the appointment of a resolutions committee, consisting of Messrs. Lamson, Turvitt, Mrs. Dredge, Gramson and Harry Mills, and a committee on nomination comprised of Otto Sobotta, M. G. Scofield, A. S. Webb, Chas. Olson and J. A. Oldenburg.

While the committees were out, the following counties were elected: Wm. H. Lamson, W. S. McEachern, H. W. Harte, Geo. W. Empey, A. S. Larson, W. P. Hogan, E. B. Linsley, Everett Atkins, Olof Sobotta, Mrs. Jennie Carlson, C. Sandstone, Chas. Olson and A. Marcus.

At a meeting of the committee, held after the convention adjourned, Wm. Lamson was elected committee chairman and W. S. McEachern county secretary.

The resolutions submitted are given above. The committee on nomination of delegates submitted the following names, which were unanimously elected:

Delegates to the Congressional convention are:
W. H. Nobel, Hinckley
O. Sobotta, Pine City
Frank Thomas, Windom
E. B. Linsley, Willow River
W. S. McEachern, Pine City
C. J. Carlson, Kerrick
Frank Stepan, Willow River
Ray Carlson, Pine City

Delegates to the state convention are:
A. S. Larson, Sandstone
Wm. Lamson, Sandstone
E. B. Linsley, Willow River
H. W. Harte, Brook Park
Otto Sobotta, Pine City
J. A. Oldenburg, Enlayson
W. S. McEachern, Pine City
M. G. Scofield, Brook Park
B. H. Keyes, Hinckley

The tenth congressional convention will meet at the West Hotel at Minneapolis at 1 p. m. on Thursday, March 30th.

According to all reports, the tenth district convention will be a lame affair, this year, as there has been no opposition announced to Congressman Schall in the Republican race, and none is looked for to develop between now and the meeting. Mr. Schall will have an opponent at the general election, however, but the fact hasn't caused a ripple among the Schall adherents as the general feeling is that he is stronger in his district than he was two years ago, and his reelection then was a foregone affair.

The Kellogg-Hallam fight has held the center of the Minnesota political stage up to date. The outcome of the fight is practically settled, since the county conven-

Big Home Talent Play April Sixth

April fifth has been set for the first performance of the play "The Last Days of Pompeii" at the Pine City people and country folks in a big play—Rural Drama, in 3 long acts—by Charles R. Angelle, with six male and four female characters.

The cast has been rehearsing for the last six weeks with Rev. Father Leo coaching.

With the cast selected for his play and the hard work put into rehearsals and with an interesting plot of the play the public will receive a real treat for the same old price. Reserve seats at 50c and general admission 35c. Let us keep in mind the fifth of April and be at St. Mary's hall at 8 o'clock sharp.

On Saturday, when there were nearly enough delegates instructed for the Senator to make his nomination practically certain. While the Big Ramsey delegation is sold for Mr. Hanson, it is predicted that Senator Kellogg will be nominated before the roll call reaches the Ramsey votes.

Governor Preus will be the unanimous choice of the delegates for re-election. That will mean the endorsement of practically all of the present officeholders seeking re-election, with the exception of the clerk of the supreme court.

Unless a woman is introduced for that office, there is very good likelihood of Bert Linsley of Willow River being nominated.

Hallam forces have led to bring Gov. Preus into the senatorial fracas but the Governor has been emphatic in announcing his wish to be re-elected governor for a second term.

The fight in the seventh district will attract national attention owing to the fame gained by A. J. Volstead through the eighteenth amendment. It is expected that Theodore Christanson of Dawson will oppose Mr. Volstead. Mr. Christanson is just as ardent a dry man as Volstead, but he is not a bug on the question.

The state convention will be held at the St. Paul auditorium on Friday, March 31st, at 1 p. m.

Sunday Movies For North Branch

North Branch Review—Not since the days of local option when the saloons were ousted out of North Branch, has there been as much interest shown in a village election as was evinced over the outcome last Tuesday. Though the Sunday movie issue was not brought up for a vote it was pretty generally understood what candidates favored it and what didn't. According to a distorted article in yesterday's Pioneer Press it would be inferred that the Sunday movie issue was brought up and settled at the polls. It was not. The Sunday movie issue was not on the ticket and was not brought to a vote. The ordinance prohibiting Sunday movies is still in effect and it remains to be seen what the new council will do with it. There were other issues given more prominence in the campaign as well as matters of personal nature, but were materially effected results. Dr. C. W. Paulson was elected president of the council with a majority of thirty votes over his opponent August Nordstrom.

The person who sent in the report of the election to the Pioneer Press seems to have taken special pains to misrepresent the situation as it stands, that the election was carried by a two to one vote and that the old council had put itself up as a board of censorship of pictures. The latter impression is too absurd to be given serious consideration but it would not be fair to the retiring officials to allow it to go unchallenged. Nothing has ever been more remote from the minds of the council, and never have they proposed to assume the role of censors or suggested that anyone else should do so.

How trivial incidents often influence important happenings is illustrated in one of the situations shown in "The Terrorist" at the Grand Theatre Sunday.

After the author had brought his heroine and the leading man upon the deserted island he was confronted with the problem of how they were to subsist in that barren strip of land. He racked his brains to provide logical weapons for the hero with which to kill animals or sea-birds. He might have had Mack arrive on the island with a gun in his possession, but he knew from experience that aviators in practice flights are not usually armed.

Enchance up and down his garden to grasp an idea his garter broke. That is ordinarily an annoyance, but it proved when a boy named Enchance that he often killed birds with sling shots, made of rubber bands and forked sticks, and he knew that with such a weapon and a good aim birds and small animals might be stumped or killed.

For the hero to use his own garters would hardly do, as measure ment proved them to be short. At a moment's thought he unearthed a fashion magazine from the library table and turned to certain advertisements. One of the feminine persuasion would provide the elastic of the necessary length. His problem was solved, and that it happens that Vera Patton, played by Eva Novak, gives Jack Perrin, in the role of Paul Mack, her garters for his catapult.

Moose Lake Gazette—Tuesday afternoon proved to be exciting in Judge Lynch's court, when six Moose Lake youths were brought in, charged with disturbing the peace, upon a warrant sworn to by Wm. Duvall, proprietor of the New Moose Lake Hotel.

It is charged the boys had thrown some balls the night previous, endangering the large plate glass windows in the hotel, and otherwise creating a disturbance.

Two of the lads were fined \$25 each on 30 days in jail; one was fined \$25 or 20 days in jail; three were fined \$10 or 10 days, while one of the \$10 fines was suspended. Four of those convicted preferred the jail sentence, but one has since been released. They were placed in the county jail at Carlton.

Grasston Man Missing
Grasston Advance—About a month ago Andrew Thoren a young man residing with his parents a short distance from Grasston, left home to go to Minneapolis. He arrived in that city but has never been heard from since. He expressed a wish to make a visit to relatives there but they can shed no light as to his whereabouts. Mr. and Mrs. Thoren have both visited Minneapolis in an endeavor to find the missing son, but have been unsuccessful. There is no trace of his whereabouts. The parents are very much worried as he was a young man that would be sure to communicate with them. Paul play found him. He had a sum of money with him when he left home sufficient to pay his expenses as he expected to be in the city for several days. What has become of Andrew Thoren is a mystery that at present is unsolved.

Boys Local Building
After negotiations lasting about a month, a deal was closed last week, whereby S. H. Ingram became the owner of the Ames building, buying from James Hurley.

Mr. Ingram has recently rearranged and redecorated the building and has taken possession of it. He bought the business from Mr. Hurley about a year ago. His home has become a favorite resort for visiting men seeking more money.

Isaac Wickstrom Called By Death

Friends were shocked, last Monday, to learn of the death of Isaac Wickstrom of Rush City, who passed away at St. Paul. He had come to visit his son, Bruce Wickstrom at Grantsburg, two weeks ago, where he was taken suddenly ill and was taken to a St. Paul hospital a week ago last Saturday. Death was caused by diabetes. He had evidently been suffering from the disease for some time, although his relatives were unaware of the fact, as he has been in apparently good health.

The body was brought to Pine City Tuesday. Services were held at the Presbyterian church this afternoon at 2 o'clock, and the remains laid to rest beside those of his wife and two children who preceded him. The pall bearers were: Carl Holmberg, Eric Lindquist, Peter Holmes, Fritz Johnson, August Borg and Adolf Larson.

Isaac Wickstrom was born in Sweden Sept. 1, 1854 where he married and ten children were born. He came to Pine City with his wife and six children in 1908. Four of the children had preceded them and were residing here at that time. He lived here until the death of his wife, about four years ago when he left for Denver, Colo., where he resided until about a year ago, when he returned and opened a shoe shop at Rush City.

Eight children are left to mourn his loss—Mrs. Andrew Asplund and Miss Anna Wickstrom of Denver, Mrs. Henry Burge and August Wickstrom of Pine City, Mrs. Roden and Mrs. Oscar Larson of Sandstone, Bro. of Grantsburg and Hugo of Enlayson. All of the children, with the exception of Mrs. Asplund, are here for the funeral.

The deceased was well known and respected in this part of the state, and the sympathy of all is extended to the bereaved relatives in the loss of a loving father.

Enlarge Creamery
Chas. Franklin has been awarded a contract for a 17 foot addition to be added on the east side of the local creamery building, across the entire side.

The office will be moved into the new part, the receiving 15000 lbs will be enlarged and a test room and laboratory will be installed. The refrigerating room will also be enlarged. The new room will include a packing room.

The new addition will cost in the neighborhood of \$5,000. The business has grown so extensively in the past couple of years that more space has become an absolute necessity. It is planned to install the new expenditure by the sale of treasury stock, and quite a lot has already been sold.

Bids for the material were received and contracts awarded to local dealers.

Moose Lake Boys Fined
Moose Lake Gazette—Tuesday afternoon proved to be exciting in Judge Lynch's court, when six Moose Lake youths were brought in, charged with disturbing the peace, upon a warrant sworn to by Wm. Duvall, proprietor of the New Moose Lake Hotel.

It is charged the boys had thrown some balls the night previous, endangering the large plate glass windows in the hotel, and otherwise creating a disturbance.

We invite your business on that basis.

Farmers and Merchants State Bank PINE CITY, - MINNESOTA

"The Farmers' Bank"

SPECIAL NOTICE

The Farmers' Meat Market has changed hands and from this time on will be conducted as near up-to-date as is possible for a meat market to be conducted in a town of this size. Same will know as the

EAST SIDE MEAT MARKET

We will at all times have a complete stock of fresh and cured meats, and will buy as near as possible from the farmers. We will pay top prices for Beef, Pork, Veal, Poultry and Hides. We will conduct business on a cash and we deliver basis.

All Phone Calls Promptly Answered and Delivered
East Side Market, near Richards Hardware Store.
Phone 85 KODYM & TATE, Proprs.

There Is a Reason

Twelve farmers have bought Creamery stock since February of this year.

Would you accept \$3.00 for \$1.00 invested? They would.

We are offering the farmers a chance to buy stock at its original value. Since this creamery started more than \$20,000 profits have been put back into the business. We are letting you in on the ground floor because your business has helped build up these profits. For every dollar the farmers have invested in their creamery there is \$3.00 worth of property or equipment.

It is very likely that we might raise our capitalization. If we do it will take more than \$20.00 to buy one share of stock. At the present time it can be bought for \$7.50. Don't pass up this chance.

We will continue our business the same as we have in the past. Any surplus profits will be divided at the end of the year on much the same basis as this year.

Better Than Shillings

The story goes that an English shilling picked up in the highway at Flushing, L. I., in 1847 was so great a curiosity that it attracted public attention.

Today, even a plentiful currency must give way to the growing use of personal checks, which modern business has found still more convenient.

Are You enjoying the convenience of a checking account with this bank?

May Broadard has taken a position in San Francisco, and expects to leave with his family in a couple of weeks. He will hold an auction sale at the old Breckenridge house, on Saturday, April 1st. In the Limelight

Chestertors on Imported Yankee Jokes

Gilbert K. Chesterton, the British essayist and humorist, is talking and writing just now about England's importing American jokes and taking them seriously. It is, he says, a very funny thing to import. It would be easier to import a new sort of American tall building than a certain sort of American tall story. But the toppling and treacherous American joke is carefully brought across the Atlantic, like the Tower of Babel on a little boat, it steered into port, and trailed along by train; only to fall flat in London.

Apparently Mr. Chesterton is working to save the American joke from disaster. Certainly he loves to be American. He says so himself. Listen to this:

"I like the Americans for a great many reasons. I like them because even the modern thing called industrialism has not entirely destroyed in them the very ancient thing called democracy. I like them because they have a respect for work which really curbs the human tendency to slothfulness.

"I like them because they do not think that stupidity is a superiority in business and practical life; and because they do not think that ideas are always insidious.

HAPPENINGS IN COPPER STATE

News From All Parts of Minnesota Given in Condensed Form.

EVENTS BRIEFLY TOLD

Where Busy Readers Will Find News From All Parts of the State Chronically Their Benefit.

Canby—The Canby Women's Relief corps has presented a handsome silk flag to the American Legion post. Treasurers—Hills of \$10,000 were voted at the village election here for first fighting against the construction of a waterworks system.

Redwood Falls—A. C. Dollif of Redwood Falls, was made president of the ninth judicial district bar association at the annual meeting in New Ulm.

Albert Lea—N. S. Nelson, owner of the Albert Lea Ice & Fuel company, and one of the most prominent business men in this action, dropped dead in his city.

Erskine—This town has the distinction of having elected the first woman mayor to serve in Polk county. Mrs. Carolina P. Crispald was elected by a substantial majority.

Virginia—Harry L. Horns, on behalf of himself and others, has filed in Junction proceedings against the city of Eveleth to restrain it from issuing \$300,000 in refunding bonds.

Shelby—Eve—Tramp work on the part of frenzied saved the lives of five persons when flames cut off their only escape down a stairway from the second floor of a store building.

Rochester—Rochester is to have an addition to its post office amounting to one-third of its present size, according to word received here from Dr. Hubert Work, postmaster general.

St. Paul—March 10 was the 22nd to be no more unless the voters rescind their action taken at the spring election Tuesday. This vote was 22 to 64 against the Sunday movie issue.

Gaylord—A. H. Kuehner was re-elected mayor of Gaylord at the annual election. E. H. Gustafson was elected as trustee, and I. M. Nelson as clerk. The voters favored the purchase of a fire boat.

Worthington—F. H. Demore, publisher of the Wilmot Tribune, has received a temporary appointment as Assistant Secretary of War Benedict Hannon has turned the affairs of the office over to him.

St. Paul—March 10 started the closed season on crappie, lake, pickerel, perch, sunfish and bass. For all of the above except lake bass, the season will open again May 15th. The bass season does not open until June 15th.

Wadena—A fire which started from defective wiring in the sheriff's bedroom in the county jail threatened the building with destruction. The prisoners were tilted back by a brigade and kept the fire in check until the department arrived.

Woolwine, Sleuth in the Taylor Case

Here's the latest photograph of Thomas Lee Woolwine. He got out of one spotlight only to step into another. Which is to say that Mr. Woolwine is district attorney of Los Angeles and withdrew from the Ouchan case to devote all his time to the Hollywood mystery.

Evidently Mr. Woolwine, judging from his remarks at the time, felt that he was lacking a tough case in the Taylor murder. If so, he surely was not disappointed. For after he had been working on the case for quite a while and the reporters were still writing columns he was saying:

"Bunk, bunk, bunk! I feel like a dumb fool. I can't see a thing. The case admits of so many plausible theories. There is absolutely no evidence against any one. There is positively not a clue. I never experienced such a thing."

However, Mr. Woolwine had no trouble in finding plenty to do. Every day gave him at least one new "clue" or new theory to investigate.

All Aboard for New York by Airship!

Within a year the projected airship route between Chicago and New York will be a reality, according to former Assistant Secretary of War Benedict Crowell, president of the Aero Club of America and one of the incorporators of a corporation which has been organized to operate airship passenger and freight routes. The corporation plans to put its first line in operation between New York and Chicago with two giant rigid airships inflated with helium gas.

The ships now being built for the Chicago-New York line are being fabricated in Germany, and will each have 1,000,000 cubic feet capacity, providing accommodations for 100 passengers and 30 tons of mail and express matter.

The purpose of the corporation is to extend airship routes all over the United States and to South America and Europe when facilities for construction are available in these countries.

The routes will be operated in the United States, where the first construction work will be done.

The running time contemplated is an all day liner from New York to Chicago will be ten hours, and from New York to San Francisco 40 hours.

Pan-American Conference Important

John Barrett, former director general of the Pan-American union and before that, Argentina, Panama and Colombia, says that the Latin American nations think that it would have been an act of courtesy by the United States to have invited a representative or two of the larger American republics to share in the Washington finalists of arms conference, and he remarks that only their respect for and confidence in President Harding and Secretary Hughes have kept the Latin American newspapers from Mexico and Cuba south to Argentina and Chile from protesting about this matter of the non-inclusion of Latin America.

And then Mr. Barrett adds: "The holding of the fifth Pan-American conference only make for this possibility unavoidable situation. Let us hope for the good of Pan-America and the world."

The 21st international conference of the American republics commonly known as the Pan-American conference will meet at Santiago this summer.

U. S. Senator Charles A. Rawson of Iowa

Charles A. Rawson has been appointed by Governor N. E. Kendall of Iowa to succeed United States Judge William E. Keown, resigned from the bench to become United States judge. He has announced that he will not be a candidate next November, when a regular session will be chosen. Senator Rawson was born in Des Moines, Iowa, in 1857. He got his education in Cornell college and has been a manufacturer of city products since 1896. He has many business interests, being an owner of several corporations and banks. He was president of the Iowa State Bank and Trust company in 1911 and 1912. He was also president of the Iowa State Bank and Trust company in 1913 and 1914. He was also president of the Iowa State Bank and Trust company in 1915 and 1916. He was also president of the Iowa State Bank and Trust company in 1917 and 1918. He was also president of the Iowa State Bank and Trust company in 1919 and 1920. He was also president of the Iowa State Bank and Trust company in 1921 and 1922. He was also president of the Iowa State Bank and Trust company in 1923 and 1924. He was also president of the Iowa State Bank and Trust company in 1925 and 1926. He was also president of the Iowa State Bank and Trust company in 1927 and 1928. He was also president of the Iowa State Bank and Trust company in 1929 and 1930. He was also president of the Iowa State Bank and Trust company in 1931 and 1932. He was also president of the Iowa State Bank and Trust company in 1933 and 1934. He was also president of the Iowa State Bank and Trust company in 1935 and 1936. He was also president of the Iowa State Bank and Trust company in 1937 and 1938. He was also president of the Iowa State Bank and Trust company in 1939 and 1940. He was also president of the Iowa State Bank and Trust company in 1941 and 1942. He was also president of the Iowa State Bank and Trust company in 1943 and 1944. He was also president of the Iowa State Bank and Trust company in 1945 and 1946. He was also president of the Iowa State Bank and Trust company in 1947 and 1948. He was also president of the Iowa State Bank and Trust company in 1949 and 1950. He was also president of the Iowa State Bank and Trust company in 1951 and 1952. He was also president of the Iowa State Bank and Trust company in 1953 and 1954. He was also president of the Iowa State Bank and Trust company in 1955 and 1956. He was also president of the Iowa State Bank and Trust company in 1957 and 1958. He was also president of the Iowa State Bank and Trust company in 1959 and 1960. He was also president of the Iowa State Bank and Trust company in 1961 and 1962. He was also president of the Iowa State Bank and Trust company in 1963 and 1964. He was also president of the Iowa State Bank and Trust company in 1965 and 1966. He was also president of the Iowa State Bank and Trust company in 1967 and 1968. He was also president of the Iowa State Bank and Trust company in 1969 and 1970. He was also president of the Iowa State Bank and Trust company in 1971 and 1972. He was also president of the Iowa State Bank and Trust company in 1973 and 1974. He was also president of the Iowa State Bank and Trust company in 1975 and 1976. He was also president of the Iowa State Bank and Trust company in 1977 and 1978. He was also president of the Iowa State Bank and Trust company in 1979 and 1980. He was also president of the Iowa State Bank and Trust company in 1981 and 1982. He was also president of the Iowa State Bank and Trust company in 1983 and 1984. He was also president of the Iowa State Bank and Trust company in 1985 and 1986. He was also president of the Iowa State Bank and Trust company in 1987 and 1988. He was also president of the Iowa State Bank and Trust company in 1989 and 1990. He was also president of the Iowa State Bank and Trust company in 1991 and 1992. He was also president of the Iowa State Bank and Trust company in 1993 and 1994. He was also president of the Iowa State Bank and Trust company in 1995 and 1996. He was also president of the Iowa State Bank and Trust company in 1997 and 1998. A Short Time Ago I Weighed Only 80 Pounds--I Now Weigh 112 Pounds and

TANLAC

is what built me up so wonderfully, says Mrs. Barbara Weber, 315 Van Ness Ave., San Francisco. She is but one of thousands similarly benefited.

If you are under weight, if you are weak and unable to enjoy life to the fullest measure, you should take Tanlac. At all good druggists.

VICTIMS RESCUED

Kidney, liver, bladder and uric acid troubles are most dangerous because of their insidious attacks. Heed the first warning they give that they need attention by taking

GOLD MEDAL BARLEIN OIL

The world's standard remedy for these disorders will often ward off these diseases and strengthen the body against further attacks. This is the only drug that can do this.

Look for the same Gold Medal on every box and accept no imitation

CASCARA QUININE CURES COLDS IN 24 HOURS

Piles

are usually due to straining when constipated.

Nujol being a lubricant keeps the food waste soft and therefore prevents straining. Doctors prescribe Nujol because it not only softens the stool, but also relieves the irritation, brings comfort and helps to remove them.

Nujol is a lubricant—not a medicine or laxative—cannot grip. Try it today.

Nujol For Constipation

Ramance.

Amundson, discoverer of the south pole, is getting ready for a trip to the north pole.

A wireless telephone will keep him in touch with his family back home.

Polar exploration used to be the province of romance. Some mechanical inventions will furnish information the romance and make the trip about as thrilling as going into the cellar.

DYED HER SKIRT, DRESS, SWEATER AND DRAPERIES WITH "DIAMOND DYES"

Each package of "Diamond Dyes" contains directions so simple and easy to follow that any woman can dye or tint her work, shabby dresses, shirts, waists, coats, stockings, sweaters, coverings, draperies, hangings, everything, even if she has never dyed before. "Diamond Dyes" are guaranteed not to fade, perfect home dyeing is sure because "Diamond Dyes" are guaranteed not to fade, streak or run. Tell your druggist whether the material you wish to dye is wool or silk, or whether it is linen, cotton or mixed goods—advertisement.

Radium Found in the Congo. A Belgian mission sent to the Katanga district of the Congo is said to have found extensive radium-bearing deposits. During the war a Belgian sold in London cotinine rich in radium. He refused to divulge its sources, but the Belgian government immediately instituted a search that led to the Katanga country—Scientific American.

Mrs. Addie Hottell Minneapolis, Minn.—"I want to make this public expression of what Dr. Pierce's medicine has done for me. Some years ago I was in a weak run-down condition with neither strength nor nutrition. My neighbor suggested that I take Dr. Pierce's Golden Medical Discovery. I secured a bottle from the drug store and this was so helpful that I had no need of a second bottle. To those whose condition needs building up I can and do recommend Dr. Pierce's Golden Medical Discovery."—Mrs. Addie Hottell, 711 Buchanan St., N. E.

Gain health and vitality by obtaining Dr. Pierce's discovery at your drug store, in tablet or liquid.

MARKS HELP TO IDENTIFY AUTOS

Looking Devices Are Good Protection Against Deceptions of Meddlesome Boys.

FEW CARS ARE WELL LOCKED

Professional Thief Discloses License Changes Car and Engine Numbers and Obsolete Every Mark.

It is believed that at least one automobile out of every dozen manufactured and sold is stolen. How many stolen machines are ever recovered by their rightful owners is another question.

Lock looking devices or thief signals are not to be despised. They are a sure protection against deceptions by meddlesome boys, and will cause the automobile thief to match probabilities that he will look for a car that is easier to take away. Where several cars are parked and the thief is not sure to find, comparatively few cars are left well locked, and many stand without being looked at all. Owners sometimes forget to take the switch key from them, leaving it in the switch lock.

Work of Professional. Should a professional automobile thief get your car, he will take good care that you will not recognize it. You know it now chiefly by its license plates, car and engine numbers, and a few scratches, dents and slight peculiarities.

He discards the license plates, changes the engine and car numbers and whitewashes every mark by which you might identify your car. Caution is his middle name. He likes to tear down several cars of the same make and assemble them so that no two of their principal parts will be found in any one car together. He has looked everything over with great care to see whether your initials are hidden under a washer, or whether there are rick-punch holes anywhere, concealed. Let you identify some scratch or dent he may use new fenders and repair the car.

Way to Secure Car. If you could make a decisive identification of a body, frame, engine, gear case, rear axle housing or front axle, you would stand the best kind of a chance to take your car away from a crowd of claimants, even if your markings could be found on but one of these parts.

How near can we come to a system of invisible markings, unlikely of chance duplication, and readily discoverable by the owner or someone authorized by him? There is safety in numbers. Several markings on each part make it less likely that all can be obliterated.

Note of Secret Marks. Take, for an example, the following memorandum of a secret mark: "7% in the horizontally to the left of center of the right engine suspension bolt, scrape off the paint and find a drilled hole filled with lead."

If you have several such marks, carefully recorded on different parts of the frame, your identification will become more positive, as it is highly improbable that two or more of these marks would be accidentally duplicated by some other person.

Many other methods of marking the car will suggest themselves to the inventive owner. It must be remembered, however, that secret identification marks are worthless unless they are carefully and exactly recorded and a record of them preserved.—Henry H. Thayer in Popular Science Monthly.

TIRE PATCH IS FIRST AID TREATMENT ONLY

Permanent Repair Should Follow Soon as Possible.

Reckless Driving Over Glass, Into Curbs and Holes and Against Rocks is Largely Responsible for Loss of Mileage.

Trying to make a blowout patch do the job of a permanent repair is a good way to ruin tires. The tire patch is a first-aid treatment to meet emergencies, but as soon after the blowout as a permanent repair made. Unless this is done, the roadway will have one weak spot that is constantly growing weaker.

A blowout patch does not unite it with the rubber stock in a tire. It remains separate, and during the wearing that takes place while the tire is in motion, chafes against the raised edges of the cut in the casing. In time the hole reaches such proportions that it becomes difficult if not impossible to repair.

What is treated as the responsible for the blowout, the result is usually a clean-cut hole. Severe bruises ordinarily produce a ragged hole. Where the fabric is revealed or torn apart, fabric separation is often the cause.

The standard make tires offered the motorist today will not blow out in their prime if they are treated with care. Driving over glass, into curbs, into ruts, holes and against rocks is usually responsible for loss of proper mileage. The safest way is to have your tires replaced regularly by a tire man. He can evaluate the cause of future trouble before it is too late.

SAFETY AUTOMOBILE FENDER

Frame Presents Arcuated Front Members Disposed in Substantially Horizontal Planes.

The Scientific American in illustrating and describing an automobile fender, the invention of B. Kempler, 1007 Simpson street, Bronx, N. Y., says: "The invention relates to a fender comprising a rigid frame presenting

A Fragmentary Side Elevation of an Automobile Equipped With Fender. Arcuated front members disposed in substantially horizontal planes and spaced parallel to each other, rollers being mounted to revolve between the arcuated members, a wheel mounted to revolve in a horizontal plane associated with the frame so as to project ahead of the rollers in proximity to said wheel, and means for adjustably securing the frame.

It is estimated that automobile tourists entering Quebec in 1921 spent no less than \$35,000,000.

In many cars looseness of the engine bolts, those which hold the engine in place, may cause misalignment of the power plant, and serious trouble will be the result.

If upon examination the crankshaft or connecting rod bearings are found to be worn a little more on the ends than in the middle it may be taken as a sure sign that the crankshaft is quite true.

ALL OF CUBA RUN ON ALCOHOL

Transportation is done in Cuba by alcohol, the forbidden fluid being so plentiful that it has been found cheaper to fill one's tank with alcohol instead of gasoline. In fact, 80 per cent of the motor-driven vehicles of Cuba are run by alcohol. Note the price signs they tell the story.

This is a scene from a fuel station in Havana, Cuba.

If Speedometer Indicator Vibrates. Suggestion of speedometer indicator is caused by loose connections, unions of the drive shaft, the flexible housing for shaft bend at too sharp an angle, improper mesh of drive gears, or, most commonly, lack of lubrication.

Wrong Adjustments. To make the motor start easier in cold weather, do not change the adjustment of the carburetor. The mixture will become too rich when the motor heats up.

Ball bearings should be inspected at least once every six months, the rough or worn balls replaced with perfect ones and the ball run filled with graphite.

Three-shafted types of motor taxi cabs are now operated in Paris. The running costs are said to be very small.

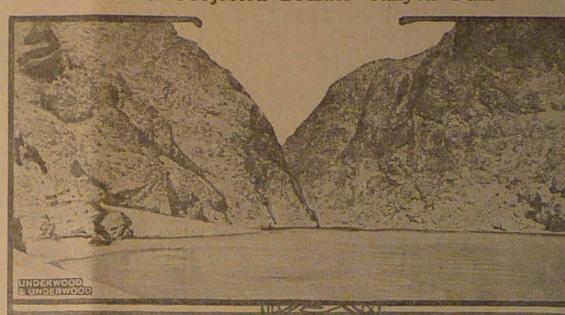

More than 25,000 applications for 1922 automobile licenses have been ready filed in Pennsylvania.

Storm Ruins Thousands of Trees

The picture gives an idea of the destruction caused by the recent snow and sleet storm that swept Wisconsin. Millions of dollars' damage was done and hundreds of orchards ruined. The picture was taken in Baraboo.

Site of Projected Boulder Canyon Dam

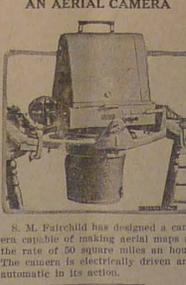

Seven western states touched by the waters of the Colorado river and its tributaries were brought into harmonious support of the Boulder canyon dam reclamation and power project at a hearing conducted by Secretary of the Interior Fall at San Diego, Cal. This picture shows the site of the proposed dam where a great wall would rise 700 feet to impound water for irrigation of half a million acres. It would also protect the lower Colorado basin from flood and yield about one million horsepower electrical energy.

WALKS AROUND WORLD

Franz Emanuel Wetberg walked up the city hall steps in New York recently and completed his trip around the world, which he began January 15, 1914. He still carried his pack and rifle and was in the best of health and spirits. Wetberg is sixty-three and he collects a wage of ten thousand dollars.

AN AERIAL CAMERA

S. M. Fairchild has designed a camera capable of making aerial maps at the rate of 50 square miles an hour. The camera is electrically driven and automatic in its action.

The Early Bird. Rock—Funny, isn't it? Rock—Yes, what is it? Rock—The devil got up pretty early in the morning to get his dues.—Way-side Tales.

Oriental Cyclism. "Annie" says the Times of India, "is now declared to have great curative values. Yet many attribute much of their pain and anguish to Annie's 'Wedding March.'"—Boston Transcript.

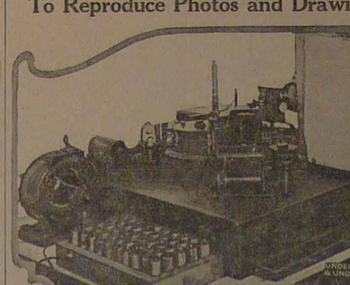

The Air We Breathe. Every time we breathe we draw 60 cubic inches of air into our lungs; supposing that we take 15 breaths in a minute for a 24-hour day, we use 618,000 cubic inches of air, weighing over 30 pounds.

Youngest and Oldest Veteran

Meeting in front of the State House in Boston—Berry McCloskey, who enlisted at the age of fourteen in the One Hundred and First Infantry, Twenty-sixth division, for the World War, and Edwin F. Weyer of Wolfram, Mass., ninety years old, the oldest G. A. R. member in the Bay state and probably the oldest war veteran in the state.

To Reproduce Photos and Drawings

The "Dolichor," a machine to receive and reproduce photographs, handwritings or drawings or anything placed before the receiver, is the latest invention to come out of Europe. It was invented by Denise Mihaly, a young Hungarian telephone engineer in Budapest, Hungary.

ODDS AND ENDS

Cyclones revolve in opposite directions in the two hemispheres. Delhi, India, is famous for its cashmere shawls. Canadian charity has saved the natives of Labrador from death by famine this winter. A micrometer of English invention gives readings in fractions of an inch and metric measurements at the same time.

SPENT HALF HER TIME IN BED

Farmer's Wife Tells How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman

Cartier's Cereals, Tenn.—"Three years ago I was almost an invalid. I spent half of my time in bed, being afflicted with a trouble which women of a certain age are apt to have. I took Lydia E. Pinkham's Vegetable Compound Tablets and used Lydia E. Pinkham's Rhotative Wash. I am a well woman now and have been for two years. I can work as well as any one who is younger and as I am a farmer's wife I have plenty to do. I cultivate my own garden, raise many chickens and do my own housework. You may wish to hear me, I am ready to do anything to help other women who have been so well and happy since my troubles are past."—Mrs. B. V. Galloway, Cartier's Creek, Tenn.

Most women find plenty to do. If they are upset with such symptoms as "You may wish to hear me, I am ready to do anything to help other women who have been so well and happy since my troubles are past."—Mrs. B. V. Galloway, Cartier's Creek, Tenn.

Nothing Dangerous. "Wishing to avoid out a warrant against a man whom she alleged had made menacing threats against her, an elderly negro woman recently appeared at the prosecuting attorney's office and told her troubles to the clerk."

"And did he brandish any weapon in your face?" questioned the clerk. "Oh, no, only" answered the woman. "He didn't have no weapon. He just had an ax."—Kansas City Star.

Outcure for Pimply Faces. To remove pimples and blackheads smear them with Cuticura treatment. Wash off in five minutes with Cuticura Soap and hot water. Once clear keep your skin clear by using Cuticura toilet purposes. Don't fail to include Cuticura Advertiserment.

No Doubt the Doctor is Right. "Quiser, isn't it?" "What?" "The doctor says that my husband is suffering from a lack of exercise."

"What is there quoser about that?" "He has been a member of the athletic club for years."

Does one like a hold man? To the point of impertinence.

"The best tobacco-bargain I've ever found"

Here is the story of a man who wouldn't take something for nothing:

1544 Hillside Road, Cleveland, Ohio Larus & Eric Company Richmond, Virginia

About a year ago, in Richmond on a business trip, I was fortunate enough to be allowed to go through the factory where you manufacture Edgeworth Tobaccos. Until that time I had supposed that tobacco manufacture was a comparatively simple operation, and I was very much impressed by seeing how carefully you chose the best tobacco used in Edgeworth, how exactly you blend and treat the various kinds of leaves, how expensively you do every step in the process.

During my visit I helped travel to a box of Edgeworth from a pile on one of the packing tables. I'm sorry I didn't take any for that case. I know you'd have been glad to give it to me, but I want to pay for it because I consider it the best tobacco-bargain I've ever found.

Until that time I had never used a pipe tobacco that was so good. The taste was so strong—it lit me up. Another brand I had used was much lighter. Still another gave me a sensation like burning. Some tasted quite right, and practically every kind, after ten or two long puffs, left me with a sore tongue and a parched mouth and a dark, dark brown taste.

Well, I noticed that package of Edgeworth from your factory and, to be honest, I got my nose down to the ground. It was a real find. I've smoked Edgeworth ever since and so far I've failed to notice any of the bad qualities that bothered me in other tobaccos. I've tried to get my friends who have smoked Edgeworth on other occasions, but they're as enthusiastic about it as I am.

Yours very truly, Bigard Edward A. Evans

We can add nothing to such a recommendation. Would you like to learn if Edgeworth would suit you as perfectly? It may not—or it may.

Just drop us a post-card bearing your name and address, also those of the store where you buy most of your tobaccos. We will send you samples of Edgeworth in both forms—Plug and Ready-Rubbed.

Edgeworth Plug Slice consists of flat cakes made up of a large number of thin, oblong slices. One slice rubbed between the palms of your hands furnishes an average pipeful.

Edgeworth Ready-Rubbed is the same tobacco already rubbed up for you and in form to pour right into the bowl of your pipe.

Both kinds pack nicely, light quickly, and burn freely and evenly to the very bottom of the pipe.

Edgeworth is sold in various sizes to suit the needs and means of all purchasers. Both Edgeworth Plug Slices and Edgeworth Ready-Rubbed are packed in small, pocket-size packages, in handsome tin tins, in large tins, and also in various handy tins between quantities.

For full tobacco samples which we would like you to judge, address Larus & Eric Co., 41 South 21st Street, Richmond, Va.

To Retail Tobacco Merchants—If you cannot supply you with Edgeworth, Larus & Eric Company will gladly send you prepaid by parcel post a one- or two-ounce carton of any size of Edgeworth Plug Slice or Ready-Rubbed for the same price you would pay the jobber.

THE PINE POKER

Theatre Notes

Friday and Saturday, Frank Mayo in "The Blazing Trail." The non-without-faces were in the saddle for vengeance and only the little mountain girl knew the truth. See which won—braves or fists. Also a comedy "For Sale."

Free admission to occupants of the first 2 cars parked in front of the Family Theatre Saturday night. Sunday, Eva Novak in "The Torment." The story of the young wife of a wealthy squire who finds herself on an uninhabited island with the lover she rejected a year before; of the adventures that befall them and of what transpires when they return to civilization. Also a comedy "Hearts & Flowers" and Fox News.

Tuesday, Alice Calhoun in "Princess Jones"; Joe Ryan in "The Purple Riders."

Catholic Church Notes

Father Leo, pastor

Services at Pine City next Sunday at 10:30, Sunday school at 9:30.

No mass at Beroun, next Sunday but the Stations of the Cross Devotion will be held at 10 o'clock.

Lutheran Church Notes

Paul Heinke, pastor

German services next Sunday at 10:30 a. m. Sunday school 9:30 a. m. English services Wednesday evening at 8:00 p. m.

Methodist Church Notes

James A. Orrock, pastor

"This earth will be ash when all men go about clamoring for their rights." Blessed are the pure in heart for they shall see God! Physical courage will never take the place of a clean heart. Mere human right will never stand unless their basis is a righteous life. If the righteous severely are saved, where shall the ungodly and the sinner appear. For we all must stand before the judgment seat of Christ. When you stand there what good excuse will you be able to give, as to why you have not accepted Christ and made an endeavor to lead a Christian life? Services every evening next week at 8:00. The regular services Sunday at the usual hours.

Presbyterian Church Notes

T. J. Jackson, pastor

There is a Mexican wash woman in Southern California who although she can neither read nor write, deserves to be known through the length and breadth of Presbyterianism. She has been converted only a few years, must depend upon the precarious living of washing clothes and has a boy of 14 years to keep in school—yet she gives a dollar a week to the work of her church, the same church that you support. Not long ago she brought another woman who wanted to go to church and who promised to follow the teachings of Christ. So anxious was she to learn what the Bible has to teach her that she went to night school to learn to read.

Here is the unbiased testimony of a newspaper man traveling in the Far East (Pratt's Herald, December "Good Housekeeping"). "On this trip my missionary friend, Jimmy and I stopped mostly at filthy little, native inns, but several times we were invited into homes. Some of them were not very clean, and

some of them were fairly clean, but one, I remember, was immaculate. That was the home of a Chinese Christian preacher. His home and his home life were exactly what you would expect from a man who had been inspired by the customs and ideas and moral codes of the Americans. There were no bound feet around his house and there was no great lord-and-master man worship, and there was no Wife No. 2 or Concubine No. 2. It was spick and span, clean little home."

School Notes

Bill Johnson has returned to school after a few days of absence on account of his injured knee. He is getting along good but as his knee is slow healing, he still carries quite a limp.

The Pinnacle Staff had a meeting Wednesday after supper to hand in material and talk over matters of importance.

Don't be surprised if you go to the movies some night and when the title "Scenario written by—" is flashed on the screen some familiar name is seen. The reason is that the Seniors have been writing Scenarios in English IV and some find it so easy they intend to make it their life work. Film companies, please call on Winston Becvar for prices.

The program which was to have been given last week but was cancelled on account of sickness will be given either Thursday or Friday of this week. "Spring Fever," the fatal epidemic that comes once a year to most of us for a week or two and for two

Electric Motors the Heart of Industrial Sewing Machines
SILENTLY, efficiently, never seen nor heard, Electricity from the Generator in the Power House to the motor in Shop and Factory, should be the Power behind the Works in modern industrial activity and production.
Electric motors for sectional or for unit drive make for greater efficiency, less overhead, more production, lower costs, more profit, and less hardship on employees, especially women; in clothing manufacturing, tailor shops, dressmaking establishments, in every industry where a sewing machine is requisite.
Motor-equipped sewing machines not only increase speed and accuracy, but tend toward better and more contented help, with less chance of strikes.
We are prepared as electrical engineers with a force of practical workmen to electrically equip the modern way—any industry using sewing machines or in fact any industry needing power to drive machinery.

Stop Hatching Weak Chicks With Cheap Incubators
A QUEEN costs but little more, and the extra chicks that live and grow soon pay the difference.
Remember, it is not how many chicks you HATCH that counts, but how many you RAISE. Chicks that hatch out weak and wobbly, and live but a few days, mean nothing to you but trouble and loss. They make one sick of the poultry business.
Most of the chicks you lose in the first few weeks die because they did not have, when hatched, enough strength or vitality for a good start. Queen Incubators are famous the country over for big batches of strong, healthy chicks that live and grow.
PROPER INSULATION
The Queen is doubly insulated. First we use double walls of California Redwood, forming a dead air space. Second, corrugated strawboard is used between the wooden walls. Proper insulation adds considerable expense to the manufacturing cost. However, it is an absolute requirement of a good incubator.
QUEEN HOT WATER HEATING
The Queen System of hot water heating prevents the drying-out tendencies found in hot air incubators, and provides a soft, uniform heat over every part of the egg chamber—a heat that is most natural for the hatching eggs. The circulation of water through the radiator prevents any moisture being added or taken away from the eggs. When it becomes necessary to remove the hot water circulating through the radiator maintains an even heat in the egg chamber without the slightest variation.

CHAS. BEECHEL, Proprietor

Wm. Tunnell, local telephone manager at Sandstone, spent the week end visiting in Pine City.

F. P. Gottry was a passenger to the Twin cities, last Saturday, returning home Tuesday.

Jack Wolber was laid up at home for a few days with an attack of flu, he is back at his work in his service station again.

Miss Mary Daley who is teaching at Forest Lake, spent the week end at the home of her mother, Mrs. Katherine Daley.

Misses Alvina and Anna Grimes are back at their work in the register of deeds office, after a few days illness with grip and flu.

Mrs. K. Sheehy of North Branch has opened a millinery department at the C. O. Daniels store. She plans on carrying a good stock of millinery.

Nels Hillman returned home last week after a short visit at Two Harbors. He stated there are over 100 cases of flu there but fortunately they are not serious.

Mrs. W. S. McEachern was able to sit up yesterday, after a week's illness in bed with a severe attack of flu. Miss Windelin is recovered from her illness and expects to return to school Monday.

Mrs. Ray Bentley and baby daughter left Saturday after visiting at the home of her parents, Mr. and Mrs. W. P. Gottry. She will join her husband on their farm near Clovelly.

Mr. and Mrs. S. O. Brekke moved onto the Al Jumer farm the forepart of the week, which they have taken a year's lease on. Sig Brekke has rented their home here in town and is subletting the upstairs.

Mr. Erickson of Little Falls started work in the Power Company office the first of the week. He takes the place of Miss Frances Melisa who will be employed at the new store to be opened by Ted Bunselmer.

Mrs. L. E. Breckenridge was taken suddenly ill last Friday evening with an acute attack of indigestion, that caused considerable pain. She was confined to the house for a few days but is able to return to the store the first of the week.

Mr. and Mrs. R. E. Carlson left for Minneapolis, last Tuesday, where they will spend a few days attending the Builders Show, which is being held there this week. They will look over materials and fixtures for their new home, which they plan to start building when the weather warms up.

Warren Maunell of Stillwater, court reporter of this district, was in the village with Judge Serfies Tuesday and Wednesday. The Judge heard some court cases of minor importance.

Wm. Lamson and Attorney Birchfield of Hinckley were in town last Tuesday attending court here. Fred Lacy won the gold watch, given away by the Pine City Mercantile Co. for the closest guess to the correct number of candy beans contained in a glass jar. His guess was 3551. The correct number in the jar was 3544. Frank Koski made the second best guess with 3555.

A class for beginning primary children, five years or over, will be conducted by the Teacher's Training Dept. of the Pine City High school from March 27th until the end of the school term. Parents who wish children to enter are requested to send in names to the department this week.

The Pine City Development Association held a meeting in the club rooms last Thursday evening with a good representation of members present. Plans for the opening of the tourist camping grounds on the Bede place were discussed and a general discussion of club activities for spring were considered.

Mr. and Mrs. Henry Daley returned home the forepart of the week after a month's trip through the south. They landed home to meet one of Minnesota's new March days which was quite different to what they had experienced in Florida. Mr. Daley says there is some difference in the weather, here and there, but Pine City looks mighty good to them.

Otto Bobotka attended a directors meeting of the bank at Willow River last Tuesday.

The Catholic Order of Lady Processors will meet tomorrow—Friday—evening at eight o'clock when officers will be elected. All members are urged to be present.

Joe Tomah has returned to work for Garbus and Sons in the manufacturing of their Master Glass Cutting Board. They are receiving orders faster than they can fill them.

Fillmore Alvin left Friday for Wichita, Kansas, to join Frank Isbell's ball team. In a recent letter received by his relatives he states that he is one of twenty-six recruits that are being tried out for positions.—North Branch Review.

The W. C. T. U. will meet at the home of Mrs. W. P. Gottry next Tuesday afternoon, March 28th. The topic to be discussed is "Women in Politics." The leaders for the meeting will be Mrs. R. L. Wiseman. All those interested are cordially invited to be present.

A number of friends gathered at the home of Mr. and Mrs. Frank Poferi last Thursday night and tendered them a surprise party that was a very enjoyable affair. The evening was spent with cards and games, and lots of good things eaten, rounded out the happy gathering.

"Little Sister Perkins, daughter of Mr. and Mrs. Nick Perkins, is much better. While her heart is a little weak, she is getting along fine and it is expected she will be her own spry little self in a short time. The little lady has had a hard time recently with sickness, and her many friends will be glad to learn that she is on the road to good health again.

S. P. Wells of Pine City, one of the most successful corn raisers of the Northwest, was here a short time today to see a few of our local farmers and interest them in two famous varieties of corn, developed on his farm. They are "Improved 13" and "Improved Ruster," both early varieties and adapted to this locality.—Willow River Farmer.

Last Tuesday, March 21st, the first calendar day of spring, greeted this community with weather that was far from springlike. Old Mr. "March" made his appearance very lamblike—nice, gentle, warm day—but the old lion came roaring along the next day, and since then the weather has been far from lamblike. This part of the state experienced a sleet storm, last Saturday, that played havoc with telephone and telegraph wires, and kept crews of both those companies busy all day Sunday, repairing the damage. Many of the telephone lines were out of order and a number of the nearby towers were without lights Sunday evening, as was a small portion of Pine City. The heavy ice forming on the branches of the trees, broke off the limbs of many of the shade trees and entered the village with a coating of ice. Boys were out skating on the sidewalks Sunday.

Patrick Buckley Laid to Rest
Funeral services were held for Patrick John Buckley last Friday morning from St. Mary's church, by Father Leo and the remains were borne to their last resting place in Calvary cemetery by J. J. Maden, J. M. Collins, R. J. Hawley, John Conacher, F. J. Rybak and John O'Reilly.
His death, on Wednesday of last week, was a sudden shock to his family and his many friends as his health had been good the many months. Death was caused by apoplexy.
The deceased was born in Ireland on January 7th 1847, where he lived until 1866 when he came to America. He was married to Mary A. McGann at Lumberville, N. Y., in November 21, 1872. Seven children were born, six of whom are still living—Michael, Sarah, James, Frank and John of Pine City, and William of Bagley, Minn. They moved to Pine City 42 years ago and have made their home here since that time.
The passing of Patrick Buckley takes one more from the ranks of the pioneers of this community. Not only did he see Pine City grow from a wilderness to a thriving farming center, but he helped materially in that growth. His sudden death was a severe shock to his many friends, who extend their sympathy to the bereaved family and relatives.

Flour and Feed!

Occident Flour	per cwt. \$4.40
Sweet Loaf Flour	" \$4.00
Producer	" \$3.80

FARM CHEAP ALLOW AID

Why Western Canada Agriculturalists Are Smiling.

Low Overhead Expense and Bountiful Crops Have Enabled Them to Overcome Agricultural Depression.

The recent agricultural depression brought to the eyes of the business men...

Psychologically it was bound to change; there was evidence of a new movement that would bring agricultural conditions back to the place where they normally and rightly belong.

The farmer must outgrow or secure a new footing in the competition for a lower cost of production.

The corn that the farmer fully expected to bring in at a dollar a bushel, he saw carried away to the market, and bring back a 90 or 40 cent check.

The corn that the farmer fully expected to bring in at a dollar a bushel, he saw carried away to the market, and bring back a 90 or 40 cent check.

Why not take advantage of the Homesteaders rate to any point in Western Canada, of return rate single fare plus \$2.00, and get information from the nearest Canadian Government agent?

No place is so hot as it seems when you are homesick for it—Farm Life.

When Heine Was a Tramp. Heinech Heine was a tramp. He had all of you know the story of his life in an old book.

Richard, age five, had been left at home in the care of his mother for a few days. It appeared to the mother that Richard usually managed to do just the things that she wanted him to do.

His Business Secret. "Bridly enters the court house to demand to keep your credit open."

Care of Invalid. Don't try to give the patient in an invalid position the best of your strength.

Ashamed of Mourning. The Syrian returned mourning to his home as he was a widow's son.

ELEPHANT'S BOARD AND KEEP

It Cost Nothing—That Wonderful Gift. But, Oh, the Horrors of Ownership That Followed.

By ELEANOR PORTER Author of "Pollyanna," "Just David," Etc.

ON TWELVE HUNDRED DOLLARS a year the Wheelers had contented to live the fat with some comforts and few luxuries.

It was June now, and the lawn and the garden were very important; but he was on a June morning that the large blue coupe came.

"I know; but he was a queer old codger, and to cook a good fry for you when he saw you in the kitchen."

"I don't know how to run an automobile. Besides, there's license and things that have to be tended to, first."

Pertinent Pointers for Practical Farmers

Prepared by the Agricultural Department, University of Minnesota.

BIG STUMP ACREAGE CLEARED FOR FUTURE CULTIVATION

Beltrami, Itasca and St. Louis Counties Led Land Clearing Activities Last Year.

Figures based on reports of county agents and land clearing officials received and tabulated at University Park, show that more than 75,000 acres in 11 northern Minnesota counties were cleared of stumps in 1921.

Beltrami, Itasca and St. Louis counties led land clearing activities in Minnesota in 1921. In Beltrami county a total of 45,000 acres was cleared by business men, and a land clearing specialist was engaged for the period March 25 to November 1.

Land Clearing Demonstration with Gas Tractor and Stump Pulver near Cook, Minn.

Table with 2 columns: County, Acres Cleared. Beltrami 45,000, Itasca 15,000, St. Louis 15,000, etc.

MINNESOTA HOLSTEINS LEAD IN EARLY BUTTER TESTS

Of what is known as 1,000-pound cows Minnesota has 82 and leads the United States in the number of Holsteins.

Minnesota Holsteins hold several world records in the entire four-year-old class. The record for milk production in 1915, with only one 1,000-pound cow, Minnesota was last.

PROHIBITION IN THE EARLY DAYS

Virginia Passed a Law That Proved Far From Popular and Was Soon Set Aside.

Immigrant Garden Plants

Many of our handsome garden plants are immigrants. These include roses, peonies, lilies, forget-me-nots and chrysanthemums.

Sure Relief FOR INDIGESTION. BELLAN'S INDIGESTION TABLETS. 6 BELLAN'S Ho Wafers Sure Relief

For that COUGH KEMP'S BALSAM. Pleasant to take. Children like it.

Clear Baby's Skin With Cuticura Soap and Talcum.

No Laugh Marks for Her. I was surprised and a little shocked when I visited school and saw John's teacher.

MOTHER, QUICK! GIVE CALIFORNIA FIG SYRUP FOR CHILD'S BOWELS

Even a sick child loves the "fruity" taste of California Fig Syrup. If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, a teaspoonful will never fail to open the bowels.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child.

Women Need Swamp-Root. Thousands of women have kidney and bladder trouble and never suspect it.

NAME "BAYER" IS ON GENUINE ASPIRIN

Take Tablets Without Fear, if You See the Safety "Bayer" Cross.

No Rubber More Stretch in No-Rubber EXCELLO'S SPENDELS.

Use for Walnut Shells. The California Walnut Growers' association will utilize the shells, which are a waste product, by converting them into charcoal.
