

VOL. XXVI

TRIES TO MURDER COMMITTS SUICIDE

In one of the most gruesome tragedies ever attempted here, Joe Kotek took his own life and nearly murdered his wife. The Koteks reside on a farm 8 1/2 miles east of Pine City on a road known as the "New Road." Yesterday morning he attacked his wife with a butcher knife and inflicted severe cuts about her throat, severed her wind pipe and cutting part of the voice box. Thinking that he had finished killing her, he used the knife on himself, cutting his throat and severing his wind pipe. He then made certain his death by shooting himself through the head with a rifle. He lived about an hour and a half after the shooting.

On getting free from her assailant Mrs. Kotek managed to make her way to the farm of a brother, Mike, where she revealed the dastardly act. Dr. Wiseman was immediately sent for and he has done everything possible to save her. She was taken to St. Luke's hospital, St. Paul, on the early morning train today where an operation will be necessary. With the loss of blood and the severe cuts it will be a miracle if doctors will be able to keep her alive.

Friends and relatives are at a loss to know what the reason of the attack was unless Mr. Kotek's mind had become unbalanced. Of late he has been worrying about his crops as grass hoppers were eating them which probably caused him to become partly demented. He has always been of a retiring disposition and a great lover of his family. His financial condition was not a cause for worry and would not have brought on the rash deed. They have one son who is somewhat frightened at the attack of his father upon his mother and ran and hid. It is probable that in the state of mind he was in the father would have attempted to kill his son also.

Mrs. Kotek is a daughter of Mr. and Mrs. Bastu who live in Pine City, one block east of the school.

The funeral of Mr. Kotek will be held from the Piper undertaking parlors Friday afternoon at 2 o'clock.

The complete obituary will be given in next week's paper.

Letters From Boys in Camp

The following letters were written by members of the Pine City battery at Camp Custer to give the folks at home some idea of how they are enjoying the camp, and according to the letters they are certainly enjoying their stay there.

To the Citizens of Pine City: The trip to camp was a very enjoyable one. We passed thru many small towns, and of course a few cities, but Pine City and Minnesota being very good to all of us. Our grub is fair and good exercise seems to agree with all.

Some of the boys are on the gun squad and like it very well, in fact any part of the artillery is O. K. with us.

Our officers sure treat us fine and we all appreciate it, in fact, all the officers at Camp Custer are very easy to get along with.

Arcile Doran was planning on joining the regulars, but when he found out we had to get up at 5 o'clock in the morning he changed his mind, but he says he is having the time of his life. We all thank you for the box sent to us, which was very thoughtful of the people of Pine City.

With greetings from us all,
Corp James Engel
Alec Doran
Carl Guyton
Edward Peterson
Bert Adler
Howard Briggs
Casper Slicer
James Gregor

Dear Pa in Pine City: We have just now returned from our chow, which was a good one, consisting of real southern hash and strawberry shortcake.

Game Protective Assoc'n Formed

About twenty-five attended the meeting at the town hall last Friday evening when a local game protective association was formed.

It was decided at this meeting to join the State Game and Fish Protective Association. The local association has a membership of over 60 members and others are still joining. The dues are one dollar per year.

Officers elected at the Friday meeting were: Webb Hodge, president; C. M. Pennington, treasurer; and F. P. Gottry, secretary.

A meeting was held on Monday of this week when A. W. Gunn and Fred Degerstrom were elected delegates to the state convention to be held at Park Rapids on August 25, 26, and 27th.

Women's Shoppe Opens

The Patsy Clairs Shoppe opened today the building formerly occupied by the Jos. Patschal family next to the Rybak store.

The new concern will handle a complete line of ladies' furnishings and novelties, specializing in all the latest styles of women's wear.

The proprietress is Miss Gladys Knight and Mrs. Hobbs of Rush City, who invite the women and young ladies of Pine City to come in and get acquainted.

The formal opening of the Shoppe will be held at a later date.

Must Send in Game Report

Thousands of Minnesotans are looking forward to the next hunting season without giving thought to the possibility that they might not be privileged to hunt. Such a prospect, however, is not remote, for a majority of all those who hunted last season have not yet filed their reports with the Game and Fish department as required by law.

Probably a majority of Minnesota hunters are good sports to regulations governing open and closed seasons and bag limits. But it is equally true that a majority are not. They disregard their right to a 1924 hunting license by neglecting to report to the Game and Fish department as to the numbers of game birds and animals taken during their last season.

Such a report is required by law, and refusal of another license is the penalty for neglecting to file the report. A sportsman assumes that his failure to comply with this provision of the law has been overlooked by the Game and Fish department, but he is only fooling himself. The department has compiled a complete list of 1923 licenses, a complete list of those who have reported their season's shoot, and a complete list of those who have failed to do so.

The law provides: "Every person to whom a license to take birds or quadrupeds is issued shall, on or before thirty days after the expiration of his license, make a written report to the commissioner on a form prepared and furnished by him stating the kind and number of each bird or quadruped taken under such license. A license which willfully fails or neglects to make such report shall not be granted a license to take birds or quadrupeds for one year thereafter."

Every license issued carries a report card on which the season's shoot might be tabulated with instructions for making returns, so neglect must be charged to indifference. These reports are essential in the compilation of data, relative to the increase or decrease of various species of wild life, and serve as a basis in fixing other facts necessary to the protection and propagation of same.

If you failed to report with in ten days, you have waived your right to a license next fall. Probably the next best thing is to do it now.

Reports were issued in Pine County last year out of which 351 have reported.

"Gold that buys Health can never be ill spent."

Where To?

County Board Holds Meeting

The board of County commissioners met last Monday at the court house.

A delegation from Pine Lake town came before the board asking for the designation of a state road in that town to the Atkin county line which was granted.

The auditors report for the year ending June 30th was read and on motion unanimously was approved as read.

A delegation from Henriette appeared before the board asking for money with which to gravel state road No. 7. This was denied by the board.

The Markville Fair Assn., in a letter, asked for aid for their fair which was turned down by the board.

Contracts for four bridges were let, three of which went to Brekke & Butchak of Pine City. The fourth one and the repair of one bridge and 3 new culverts was awarded to the Independent Bridge Co. of Minneapolis.

Considerable routine matters were disposed of by the board before they adjourned Tuesday.

Judge Seales Holds Court

Judge Seales held court here last Monday, when a jury was drawn to hear the fire cases that are on the calendar.

The jury was empanelled July 11. City of the six girls that are enrolled in canning club work this year attended these meetings.

Indications show that the canning project in Pine County will be one of the leading projects of boys and girls club work this year. Interest shown in these canning schools convinces us that the girls are determined to do some very good work in cold pack canning.

The older ladies showed considerable interest in these canning schools. The attendance at all these points was over 150, including the girls. Mr. George F. Howard of the University Farm outlined in each of these schools the essentials of cold pack canning.

Howard is an authority on this line of work doing nothing else during canning season. The tables for cold pack canning can be secured by writing Mr. George F. Howard at Hinckley.

The fifth and last canning school will be held at Pine City on Tuesday, July 22. We are hoping to have a good attendance at this school also. Do not waste the vegetables that you raise in your garden and put them in the cold pack way.

Bd. of Equalization Will Meet Monday

The board of equalization will meet at the court house Monday and will be in session the greater part of the week. They will go over the books of the assessors at this time and see that the assessments and taxing is equally distributed.

No Appointment in 1st Dist.

The appointment of a new commissioner in the first district is still at a deadlock and from present indications it will be longer than a Democratic convention.

The two chairmen, George Martinson of Rock Creek and Mr. Thunberg of Royalton are both holding out for their respective candidates and both expect to win.

Mr. Matz Peterson and Mr. Henry Stult are the favorite sons that Mr. Martinson and Mr. Thunberg have nominated and which ever one is elected it will give the first district an able representative on the board.

If at the end of ten days the vacancy is not filled County Attorney Johnson, automatically becomes a member of the board to decide on candidate.

Norma Talmage Here Sunday

The love affairs of an English noblewoman and a youth perishing for the ministry, born on the sands of the desert, forms the basis of one of the most entrancing ever produced in the history of the stage.

It is Norma Talmage's "The Voice From the Minaret," a First National picture which is coming to the Grand Theatre on Sunday and Monday.

Miss Talmage plays a part of the wife of the governor of Bombay. Breaking under the strain of mistreatment and abuse to which she had submitted to ever since her marriage, Lady Adrienne leaves her journey to her home in England—she is thrown into contract with the youth Andrew Fabian, the 'sole being played by Eugene O'Brien.

Headed by their lovers, the lovers plan to journey together to the Orient, but are awakened from their love dream in a strange manner. The dramatic episode is but one of many powerful moments in the picture, which is being directed by Frank Lloyd from novel by Robert Hichens.

Buy Cottages on Cross Lake

Leroy Erickson of St. Paul has purchased the Munch cottage on the east shore of Cross Lake and is already started on making improvements.

A. S. Tucker also has purchased the Heinrich cottage near the Albrecht summer home and are here to spend the summer.

Health is wealth—Let us all work together to make us Pine County wealthy.

Free Health Clinic At Hinckley July 18

Are you and your children 100 per cent physically fit? The only way to make sure is to have an annual physical examination.

It is difficult to detect tuberculosis in its earliest stages. If you have any of these symptoms—persistent cough, continued loss of weight, run-down feeling, fever afternoon and evening, you should have an examination immediately not only to prevent the disease from getting a headway, but to protect your family.

There are about a million active cases of tuberculosis in this country right now if these folks had taken care in time they could all have become well but for some, it is now too late.

There are certain symptoms are danger signals which all of us should know about so that we can be on guard when the germs first attack us.

This clinic is a joint project of the County Public Health Association and is made possible by the money obtained from the sale of Tuberculosis Xmas Seals.

You are welcome to come to the clinic to get a free examination by a specialist. The morning session begins at 10 a. m.

Has Novel Experience

George Warden Fred Degerstrom had a rather novel experience while driving north in his car on the Federal highway about 2 miles south of Rudolph on an evening last week.

He do jumped from out of the woods to cross the road right in front of the automobile. Mr. Degerstrom applied the brakes suddenly to keep from striking it. Two little fawns then followed from the same direction, jumping up on the running board and didn't know where to go, being unable to see the motor.

They did not fear Mr. Degerstrom so much on account of him being game warden but one of them however cried like a baby.

The doe came back and over the fence the three moose slipped back in the woods—Aslov American.

Will Welcome Battery Home

Plans are underway to give the boys a big welcome on their return home next week. The big attraction will be a dance at the armory on Tuesday evening.

Everybody has an ally, but it can possibly do so should be out at this dance.

Battery to Return Home Monday

Battle Creek, Mich.—Special to The Pine Poker.

The 125th Minnesota Field Artillery, of which the Pine City Unit is a part, will entrain for Camp Custer next Sunday, and arrive home the following day.

There are two Minnesota National guard regiments at Camp Custer. The 125th and Col. McDevitt of Duluth in Command and the 151st commanded by Col. Leach, mayor of Minneapolis.

Battery E, of Pine City is first in the appearance of well trained soldiers, and now that the first experience of camp have worn off, the members are getting a great deal of pleasure out of the trip.

Reveille is at 5:40 in the morning with assembly at 6 o'clock. Breakfast at 7 o'clock. Calisthenics from 7:30 until 8:30. Afternoon drill is from 1:15 until 3:15 and the boys have the balance of the day to themselves.

There are no exceptions of those that are on guard and K. P. duty.

Last week was taken up with the preliminary drill of the preliminary training of the drivers. Horses were turned over to all the batteries for the duration of the camp and all the drivers have been receiving their work.

E Battery has it over the other batteries when it comes to driving. The horses are pretty frisky. When Spilchal mounted his horse it went up in the air like a bullet.

Afternoon drill is from 1:15 until 3:15 and the boys have the balance of the day to themselves.

MAN KILLED IN AUTO ACCIDENT

One man is dead and several hurt in an auto accident which occurred last Sunday evening two miles south of Rock Creek.

The accident occurred when two cars were meeting each other and a third car tried to pass in between. The result was a head on collision that completely wrecked two cars and caused a third to land in the ditch.

The accident proved fatal to H. J. Richards, of Exelior, who met death almost instantly. His wife and son were killed in the car but were unhurt except for minor bruises.

Clarence Lavin of Minneapolis driver of the car that landed in the ditch received a broken arm and several bruises. His wife received some bad cuts and other injuries. They were taken to the hospital at Rush City for treatment.

FARMERS WILL STUDY PINE CROP AT CLOQUET

Farmers Day at the Cloquet Forest Experiment Station has been appointed for Monday, July 28. The arrangements are in the hands of County Agent S. A. Aldrich, and is expected to draw W. C. Coffey of agriculture and Dr. Raphael Zou, director of the Lake States Forest Experiment Station.

It will be present. At the recent district meeting at Cloquet, county agents of northeastern Minnesota were impressed with the desirability of growing jack pine and other trees as crops on certain types of land.

Farmers who visit the station July 28 will be given the same opportunity afforded the county agents to see how the timber is grown on the station lands and how it is utilized by the wood using industries in Cloquet.

It is expected the lessons of the day will give the visitors a keener appreciation of the value of growing jack pine and other trees as crops on certain types of land.

Iowa Couple Wedded Here

A very beautiful wedding service was held Saturday evening at the Methodist church in the Presbyterian church when a sister of Mrs. Jens Miller, Miss Esther Justesen, and Dr. Charles Ryan were united in marriage.

The bride was Miss Esther Justesen, a graduate of the Iowa Lutheran hospital, Des Moines, Iowa, where Dr. Ryan is head surgeon. Rev. W. S. McEachern performed the impressive ceremony in the presence of a small audience of friends.

Out-of-town guests were Dr. Mrs. John Russell and Dr. Mrs. Boyd Anderson, both families of Des Moines, Iowa; Miss Marie Nielson of Cincinnati, Ohio; Miss Sarah Gran of Waterloo, Iowa; who was bridesmaid; and Mr. Egbert VanAlstyne of Chicago who was best man. Before the ceremony, the bride and groom were given a gift by the bride's parents, a silver service.

TAX-FREE PEOPLE
 With less tax-free bonds, there would be more tax-free people though public improvements might suffer some in the immediate future.

More than a billion dollars, according to a recent survey, is diverted every year from agriculture and business by bonds upon the income of which no taxes are paid.
 Congress at its next session will have for consideration an amendment to the constitution which provides for taxing the income for future issues of state and municipal bonds by the federal government.

It also provides that states may tax the income from future issues of government bonds that are owned within their borders.

This is a knife that will cut both ways. It means that if the income from tax-exempt bonds of states and municipalities is taxed by the federal government, the states will retaliate by taxing federal bonds.

If this amendment is passed, agriculture and business will thrive as never before, because the tax-exempt bond is depriving industry of needed capital and shifts a heavier tax burden upon agriculture and business.

Theatre Notes

Saturday—
 Earl Williams in "Master of Men"

The greatest Sea Story Ever Screened!

A boy's fight for Honor and love, where fight means a hard fist and a ready wallop—
 Larry Seamon in "The Agent"

Prize Night—

Sunday & Monday—
 Norma Talmadge in "The Voice from the Minaret"

Because here is a play as splendid as "Smilin' Through" and "The Eternal Flame", featuring Norma Talmadge and Eugene O'Brien, and bringing the Artist Incomparable to the emotional heights of a career of grand achievements.

With pleasure we announce Norma Talmadge in "The Voice from the Minaret" also a comedy "Here and There"

Tuesday—

101 Cents Worth of Gasoline in Your 1923 Dollar

As compared with the 1913 dollar, the dollar of 1923 bought 101 cents worth of gasoline, while it bought only 51.8 cents worth of clothing, 60 cents worth of shoes, 61.2 cents worth of rent, 68.5 cents worth of food, 45 cents worth of frame building, 53.4 cents worth of furniture and house furnishings, 46.3 cents worth of brick building, or 73.5 cents worth of farm crops. (National Automobile Chamber of Commerce.)

Gasoline is more than low in price. It is lower in price than almost any other essential commodity in general use.

This state of affairs has not "just happened." The fact that the 1923 dollar could purchase is due largely to intelligent work and efficient organization by the leaders of the petroleum industry in general, and, so far as the Middle West is concerned, to the efficiency of the Standard Oil Company (Indiana).

In a recent interview, President Coolidge stated that "it was right for men to organize, and the ends of the society were best served by organization, provided the organization was for service."

The Standard Oil Company (Indiana) is emphatically an organization for service. From the very acquisition of the crude oil, to the last drop of gasoline run into your tank at a Standard Oil Company (Indiana) filling station, every thought, effort and act of this Company is bent toward giving the best service to the consumer.

This "best" service necessarily includes a low price. And the price of gasoline made by this Company has been perennially low, (both absolutely, and in comparison with other commodities) over a long period of time.

But price is only one angle of the Standard Oil Company (Indiana) service. It is the comprehensive facilities provided by this Company, embracing a complete cycle of service, which increases the purchasing power of your 1923 gasoline dollar over and above the 1913 gasoline dollar.

The Standard Oil Company (Indiana) has anticipated automotive development. It has created great, modern refineries. It has trained a loyal and efficient body of employees. It has erected great storage depots to hold reserves of gasoline during the off-season against the period of rush demand. It has built an almost endless chain of service stations.

As a result, today you are able to fill up your gasoline tank at will, anywhere and everywhere, with uniformly dependable gasoline of high quality, at prices persistently and consistently low.

AETNA-IZE

"IT'S GREAT TO BE BACK ON THE JOB!" How many of YOUR employees return to work with unimpaired morale?

When an employee is injured, great damage may be inflicted upon the healthy spirit of other workers if settlements are slow, doctors' services slighted, or if there is haggling over trivial matters. Every accident, too, takes toll of other employees' productive time, lessens machine return and increases labor turnover.

Under an Aetna Compensation Policy, claims are adjusted in a way that creates confidence among employees. No effort is spared to restore the injured employee to highest possible efficiency at the earliest moment. The free services of expert safety engineers and inspectors tend to reduce industrial accidents to a minimum.

This Agency is equipped to give you wise counsel and complete service in connection with your Compensation risks as well as protection for ALL your assets, - - your life, property and your business.

Rock Creek News Department

The John and Gust Erickson families drove over to Princeton and took in the Braham and Princeton Ball game last Sunday.

Leonard McNeal has moved his family to Pine City and will be employed in the Karsky barber shop. He sold his property here to Harry Mills.

Leonard Johnson has left for the Twin cities where he will take a course in barbering. On his return he will open the local shop left vacant by Leonard McNeal leaving.

Mr. and Mrs. Peter Erickson visited at the home of his brother-in-law, Fred Holm, last week.

Walter Carlson and Erwin Johnson left for Texas last week where they will be employed.

Mrs. Ferguson arrived Monday from Keweenaw for a visit at the home of her sister, Mrs. John Erickson.

A large crowd attended the dance at the Ernest Olson farm east of town, Wednesday. Mr. Olson has just completed a new 34x70 barn and the dance was held in it. A fine time was had by all.

Mr. and Mrs. Knedels and family, Mr. and Mrs. O. Hartz and daughter and Mr. and Mrs. Baker drove out to Graston Sunday and spent the day picnicking at Snake River.

Mr. and Mrs. Jack Herman and family drove over from Braham and spent Monday evening at Gust Erickson's.

Misses Della Erickson and Laura Becklund came in and spent the week end at the former's father, A. P. Erickson and Becklund's.

Rock Creek Methodist Church, John Love Pastor. Services next Sunday at 11:30 a.m. Everyone is cordially invited.

The Sunday school convention last Sunday was very well attended at both morning and afternoon sessions. The program was very much enjoyed. Rock Creek people furnished the usual good music. Interesting talks were given by Mr. Jesse Hammers, Mrs. Ethel Gray, Mrs. A. P. Norton, Mrs. DeMaris of Bruno, Mr. Hartz of Brook Park, Rev. Lowe and Rev. Reinhardt of Pine City. Delegates from seven Sunday schools were present. The address of welcome was given by Mr. Jesse Hammers. Officers for the coming year were elected as follows: President, Mr. W. E. Carrier, Pine City; Secretary, Rev. Harry Barnes, Beroun; Treasurer, Mrs. O. W. Barringer, Rock Creek.

East Rock Creek Baptist Church, E. A. Carlson. Bible school program will be given Friday evening at 8:15 Sunday July 20. Sunday school at 10 a.m. Swedish services at 11 a.m.

Sunday evening the pastor will speak at the Salem Free church in Rush City.

Map of World Made by Columbus Found in Paris

Paris—A map made by Christopher Columbus has been found in the national library by M. De La Ronciere, librarian, who believes it inspired the voyage on which America was discovered. It was filed by mistake as a Portuguese map of the sixteenth century. It represents the world in the form of an island surrounded by four oceans and gives in detail the coast lines of Europe and of Africa.

Woman Bobs at 100
Los Angeles, Cal.—Mrs. Elizabeth Goodrich, who journeyed west from Denver, Pa., in a covered wagon in 1842, and had her hair bobbed in Los Angeles barber shop in 1924, celebrated her one hundredth birthday at her Montebello home, near here.

BILL SAM'S DICTIONARY

By J. L. MARTIN
A lot of us fellows didn't quite understand Glenn Terrell when he got off the statement that "Too many friends are often a liability," at Bud Thompson's reasoning the other day; but he soon showed us that he had spoken some real philosophy by further saying that Bill Willingood will have enemies yet before he dies, because Bill has too many friends that should be attempts to help all of them he would soon go broke.
PHONY: A person whom you have tried and are willing to try the same.
BILLY: A person whom you have tried once and are willing to try again. Bill Sam's Dictionary, page 449.

Rudd Lbr. Co. has installed a new power rip saw at the local yard. This will add greatly to the convenience of Manager Lindgren.

Mr. and Mrs. A. B. Barstow left for Jordan last Sunday where Mrs. Barstow will receive medical treatment. Waiter Barstow took them down in his car.

Mrs. Fred Holm entertain the Lutheran ladies club Tuesday evening.

Mrs. C. Knedel of Painesville and Mr. and Mrs. O. P. Knedel of Long Prairie are visiting at the home of their brother here this week.

Mrs. Meyers who is visiting at the Harry Mills home, has been very ill. Her friends wish her a speedy recovery.

Ruth Anderson is assisting Mrs. Allgood for a few days. Oils Schmidt shipped a carload of Stock to South St. Paul last Monday.

West Rock News

Ben Farr is visiting at the Axel Johnson home.

Arthur Anderson left for Hibbing Sunday night after spending a week here.

Services will be held at the Lutheran church Sunday at 1:30 p.m.

West Rock M. E. Church, Rev. Louis Johnson, Pastor. Sunday school at 10 a.m. Proaching services at 11 a.m. At the meeting of the ladies and held Wednesday it was decided to hold an ice cream social and candy sale at the West Rock church on Wednesday evening July 23rd at eight o'clock.

Royalton Church Notes. Sunday school at 10 a.m. Evening service at 8 o'clock.

TOM DAVIS TO BACK OLSON

Offers to Support Farmer-Labor No. 100 and Campaign for 30 Days. Minneapolis—Tom Davis offered to support Floyd B. Olson for governor providing Mr. Olson will openly repudiate Communism.

He sent a letter to Mr. Olson announcing that he has decided to drop the contest of the nomination, and explaining the condition under which he would throw his entire support to Olson's campaign.

Mr. Davis offered to speak for 7 days in behalf of Olson. Mr. Davis offered further to instruct his entire state committee to work for the election of Mr. Olson.

LEADER FOR TAMMANY HALL

Gotham Judge Has Qualities Similar to the Late Charles Murphy. New York—Tammany Hall is now functioning under the fifth leader it has had since William M. Tweed, in 1887, instituted the one man leadership method of control for the organ. Justice George W. Oliver took over the reins immediately from the steering committee which had been in control since the death of Charles F. Murphy in April.

Pine City Mercantile Company

REALITIES--AND THE ALLIED DEBT PROBLEM

By WALTER W. HEAD, President, American Bankers Association.

As a business proposition there is just one reason for considering a scaling of the balances due the United States from foreign governments. This is the possibility that such action would aid in re-establishing a foreign market which will absorb our surplus products.

Walter W. Head

It is possible, of course, for the United States to isolate itself. We can produce everything necessary to maintain life. More even is not the purpose of life. We cannot prosper as we have unless we dispose of the surplus products which naturally accumulate, both agricultural and industrial. We must either sell this surplus abroad or curtail our production and generally lower our standard of living.

Our foreign trade depends upon the purchasing power of foreign countries. Europe's inability to pay has impaired our ability to sell. We have an interest in Europe's prosperity. To protect that interest we must be concerned in the restoration of her purchasing capacity to trade with us and assist their obligations. We should deal with this subject exactly as a banker deals with a loan of doubtful value.

Get the Facts

The United States should have a representative with official standing in the Reparations Commission. We should not necessarily be proposing any agreement which may be proposed, but our representative should gather all information available. The United States Government of its own motion and based on its own information, should then decide whether it should consider the readjustment of its accounts with Europe, and if so, in what manner. Our old Debt Funding Commission should recommend to Congress whatever readjustment, if any, of the inter-allied debt may be warranted.

THESE SUGGESTIONS ARE PURELY FOR FACT-FINDING AND ADVISORY PURPOSES--FOR GETTING DOWN TO THE REALITIES OF THE CASE. Precisely what our action should be to serve the common interest, will be determined by information which at this time is not available. Our first step is to secure the information and our duty is to follow developments intelligently.

THE FRIEND IN NEED

(From the Nation's Business)

Some there are who still think the banker wears horns. Who is the hardboiled citizen, the man behind the "dumb screw"? The banker, they will tell you, in the light of this issue, consider a brief excerpt from the resolutions adopted at the recent Atlantic City convention of the American Bankers Association.

"The conclusion is inevitably forced on the impartial observer that the primary need of the world is moral and spiritual regeneration as the essential basis for economic recovery. Until the nations of the world are willing to liquidate their hates they can make little progress toward liquidating their debts."

Hardboiled? Not that! It balks at the suggestion. "The true politics," he said, "is first of all a politics of the soul."

Come to think of it, when we want someone to take care of our funds, to whom do we turn? To the banker. When we are in a tight place and need funds, to whom do we turn? To the banker. When there's a civic or corporate affair, whose time and money do we commandeer? That! The banker's.

Sole Heir to Estate Valued at \$50,000,000

Bert Wirth of Los Angeles, sole heir to the estate left by his grandfather, Henry Martin Wirth, who passed away in London, England, is receiving news of letters daily containing proposals of marriage and suggestions of men desiring to act as his private secretary. He is a "green widower" and aged forty-seven years. He has a son, Henry, living in Oakland, and a daughter, Mrs. Mary Carpenter, residing in San Francisco. The estate, states Wirth, consists of 65,000 acres of land in addition to thousands and thousands of dollars in cash. "The estate is estimated to be worth over \$50,000,000," states Wirth, "and of course as it is inherited with complete management charge and continues to live in Los Angeles where I was born."

Beroun News Department

Thos. Kiyar is driving a new Ford purchased last week. Tom and Ed Havel motored to the city Monday.

Alvin Gupta returned from Sandstone last week where he has been employed for some time. A birthday party was given in honor of Evelyn Scofield at the Gupta home Thursday evening. A large number of friends were present and all report a good time.

Miss Gladys Gupta left for the cities last week for a visit with her sister, Mrs. Morris. The Vavroski, Julius Bursnick and Ciska families of St. Paul spent Sunday at the Chubbuck home.

Mr. and Mrs. Frank Petranek and Lizzie Petranek came up from St. Paul Sunday for a visit with relatives. Miss Emma Kub came up from St. Paul Sunday for a visit at her home here.

Mr. and Mrs. Chas. Christman and son, Warren, and a Christian left Monday on an auto trip to Benson and Luverne, where they will visit relatives this week.

Miss Lillian Vacek of St. Paul visited at the home of her parents here over the week end.

P. W. McAllen was a business caller in town Tuesday. Miss Irene Moran left Monday for her home in St. Paul after a few days visit at the home of her mother, Mrs. Adolph Strohkirk.

Miss and Mrs. Strohkirk and family visited with friends and relatives in Grandy and Dalbo last Sunday.

Adolph Strohkirk came up from St. Paul for a week end visit with relatives and friends.

The heavy rain and electric storm which swept this community last Friday did considerable damage at the Frank Kubash farm when lightning struck the house. The house was badly torn up but was not set on fire. The only one hurt was the baby, who was knocked unconscious. After several minutes she was revived and is none the worse for the experience.

In one of the best played games seen here in many a day, Beroun was winner over Askov last Sunday by a score of 9 to 7. The game had the crowd on their toes from the time it started until the last man was out in the ninth inning.

Askov scored first and piled up a lead of six runs before Beroun got started. By consistent playing and hard hitting Beroun was able to overcome the six run lead and won the game. Bongard and Smith were on the firing line for Beroun with Russ Wilson behind the bat.

A large crowd was on hand to take in the big picnic and celebration put on by St. Joseph church last Sunday. A big chicken dinner was served

In the pavilion, which was followed by a sports program. The Askov-Beroun ball game was an added attraction, which many attended. A buffet luncheon was served in the pavilion at 6 o'clock, which was followed by a big dance in the evening. The Beroun orchestra furnished the music and kept the large crowd on the go throughout the evening.

West Pokegama

The Jess Jewell family spent Sunday at the Alois Novaks. Word was heard from the Misses Olie Alexander and Blaise Teach that they are in Los Angeles and having a great vacation, they are both coming back to the same schools to teach, to North Star school and the South school respectively, in nursing at the hospital there.

Miss Crow entertained the Henriette ladies aid Wednesday afternoon. A number from this community took in the S. S. convention at Rock Creek last Sunday.

Don't forget the next Farm Bureau meeting at North Star school Wednesday eve, July 23rd. A bunch from Cloverton will be down and plans are being made for a big time.

Chas. Novak with friends spent Saturday evening at Gladley.

C. W. Blombergs took Sunday dinner with the Hawkins at Henriette.

Miss Mable Jackson left for

Braham the first of this week where she will take up a course

GET AT THE CAUSE

Many Pine City folks are showing how to avoid needless suffering.

"There's nothing more annoying than kidney weakness or inability to properly control the kidney secretions. Night and day alike, the sufferer is tormented and what with the burning and scalding, the attendant backache, headache and dizziness, life is needed a burden. Doan's Pills—a stimulant diuretic to the kidneys—have brought peace and comfort to many Pine City people. Profit by this Pine City resident's experience."

Mrs. John Beideman, says: "Sharp lightning-like pains start across the small of my back and washing or sweeping always made it worse. When I attempted to lift anything, my back gave out entirely. I had terrible dizzy spells, when it seemed as though everything were going around. My kidneys acted so frequently. One box of Doan's Pills from the Brock, Ridge Pharmacy entirely rid me of the trouble."

Write to all dealers: Foster-Milburn Co. Mrs., Buffalo, N. Y.

Much Driving Hurts Eyes

After a long drive, always wash your eyes with simple camphor, white-hazel, hydrastis etc., as mixed in Lavoptics eye wash. This removes dust and germs and counteracts effects of wind and sun. Stops drowsiness and burning. — Prochaska's Pharmacy

Firestone

LEADERSHIP

Firestone Leads on Speedway with Five Record Breakers

When the race driver selects his tires he does so realizing that his life and chances for success depend upon them. It is significant that all of the ten money winners in the Indianapolis race were Firestone shod. Firestone, using gum-dipping and other special processes, has developed tires to such a high degree of efficiency that at Indianapolis, May 30th, the following drivers broke the world's record for 500 miles over this track making many rounds at over 100 miles per hour. Never before were tires put to such gruelling service, where it was necessary for every ounce of rubber and every fibre of fabric to work in perfect unison with every other part.

Driver	Time	Miles per hour
Joe Boyer—L. L. Corum	5:05:33.61	99.24
Earl Cooper	5:06:47.18	97.99
Timmy Murphy	5:08:25.99	97.27
Harry Hartz	5:10:44.59	96.55
Bennett Hill	5:11:07.00	96.46

Leadership in Everyday Service

Millions of motorists are profiting by the lengthened service of Firestone tires. Scores of unsolicited testimonials emphasize the long mileage Firestone Gum-Dipped cords deliver—which builds leadership in service, safety and economy.

Leadership on Cabs, Buses and Trucks

The largest taxicab companies in the five largest cities in the United States use Firestone Gum-Dipped Cords exclusively. One fleet alone, the Yellow Cab Co. of Chicago, uses over one-half million tire miles per year.
