8. In July, 4,700 Federal troops were called in to suppress rioting in Detroit, Michigan. Many other cities experienced similar riots during 1967.

9. On November 9, following years of preparation and the expenditure of billions of dollars, the first giant Saturn rocket was launched from Cape Kennedy.

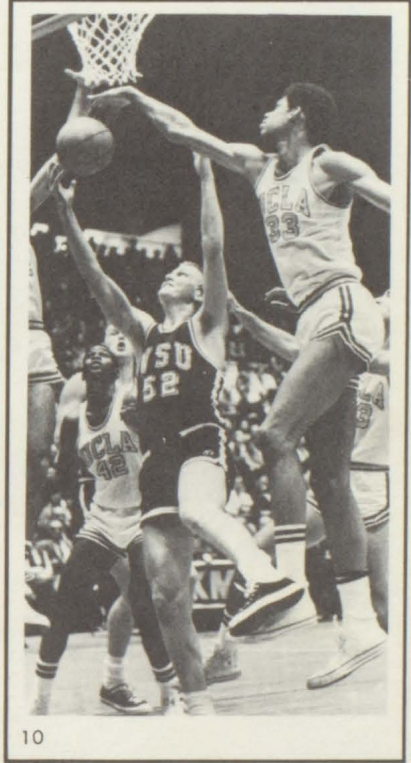

10. UCLA's basketball team, featuring 7-foot, 2-inch Lew Alcindor, was undefeated in 1967 and could conceivably set an all time win record during 1968.

12. In January, a record-smashing 26 inches of snow fell in Chicago in 29 hours and brought the entire area to a virtual standstill for more than a week.

M O T L E D

Hitting school this fall was the "Fisherman Knit" sweater having an, a-hem, practical use as Don, Steve, and Sandy demonstrate.

Declam practice calls for casual wear and Carol, Mr. C. and Boyd are right in line.

Candy and Dale really seem to be going places in their "Sunday Best", both outfits being very "in" this year.

A wide variety of coats to choose from.

'Glamorous' evening wear

FIELD

SERVICE

The American Field Service promotes world peace and understanding by each year raising enough money to bring a foreign student to towns and cities all over the United States. In Pine City funds are raised through Penny Wednesday, the A.F.S. movie, and the selling of refreshments at basketball games. The adult chapter and student body function together. Kalayanee Vorapassu, from Thailand, is this year's foreign student.

It was my most exciting moment when I knew that I was going to have a chance to go to the United States. The night before I went to the airport I couldn't sleep at all. Finally I left the airport in Bangkok. It was sad to say good-bye to my parents and friends. But, then I imagined about my new life in Pine City, Minnesota. The woods are yellow and red during fall; I am playing with white snow; and at Christmas time—Santa Claus; everybody greeting Happy New Year! It must be a fabulous land.

At last everything I have thought of before came true. I have a nice family and a nice sister. Besides this, at school my friends, teachers and everybody in Pine City are very kind and friendly. I really like my new nick-name, "Kalie". Even in a short time, only one year, I've learned a lot. I feel like this is my second homeland. I love snow and everything in Pine City, especially the way of your life, and then, when I think about saying good-bye, it must be so sad to leave a nice and beautiful land like Pine City but I go back to Thailand with the best experience I have ever had.

That's why I would like to say "Thanks a lot" to each one of you. The word "Pine City" will be kept in my mind for ever and ever - all the rest of my life.

With appreciation,

KalayaneE
