## AMERICAN FIELD SERVICE

Ruth, as "Annie", proved a great actress in "Life With Father."

When I first learned of my acceptance as an American Field Scholar I was very excited, as were my family and friends, but it was over four months before I knew of my placement at Pine City. That was an unforgettable day for me and I can still feel my excitement as my parents and I read about Pine City, the school and my new family, the Espeseth's.

Six weeks later I said good-bye to my family and friends, and, with many students from Australia and New Zealand, left Auckland for San Francisco via Hawaii. After six days of orientation with students from Japan, Malaysia, the Phillipines, and Micronesia, during which we were all impatient to arrive at our home for the year and meet our families, we finally left San Fransisco for our various destinations.

Even now I find it hard to believe that I was so fortunate to be placed in such an open and friendly community and I owe many thanks to the teachers and students at Pine City High for helping to make this year such a pleasant one for me.

July seems so very close and I will hate to leave my new family who have made me feel so welcome--just like a real member of the family, and I owe them many thanks for this. My mom and dad are just great as are my new brothers and sisters, especially Kris who taught me many American tricks and helped me greatly to meet people and enjoy my stay here.

My impressions of the United States and its people are extremely favourable, especially concerning the friendliness of its people. I really like the snow and I only wish I could take some home with me when I go.

I would like to thank everyone who made this wonderful opportunity possible for me and I hope that as I have learned a great deal about America, many of you will benefit from me in learning about New Zealand.

Sincerely,

*Ruth*

*ONE-  
ACT  
PLAY*

"I Never Saw Another Butterfly" is taken from a collection of poems written by Jewish children who were prisoners of the Terezin concentration camp in Czechoslovakia during World War II. The children don't survive but their poetry, showing what life was like in Terezin, did.

The members played not one role each but many, since each person had to change personalities for each poem.

The play took place in the sub-district One-Act Play competition held at Askov High School. Pine City participants earned two A+ rating.

The play was arranged and directed by Mr. Cordes. Student Director was Carmen Johnson, and Dorthy Sauser was the music director.

The three queen candidates were presented at the Bonfire on Thursday night.

The band played during half-time.

The attendants received recognition at the game this year.

Instead of the usual Fall theme, this year's Seniors used a royalty theme of red, blue, and purple colors. Many compliments were received in the revised procedure.

A salute to our queen.

The game's not that funny, Colette.

Tomorrow's Opportunity

If we might have a second chance to live the days once more,  
And rectify mistakes we've made to even up the score.

If we might have a second chance to use the knowledge gained,  
Perhaps we might become at last as fine as God ordained,  
But though we can't retrace our steps, however stands the score,  
Tomorrow brings another chance, for us to try once more.
