IN MEMORIAM

ROBERT FLOYD GRAY
February 13, 1953
Mr. and Mrs. Gerald Gray

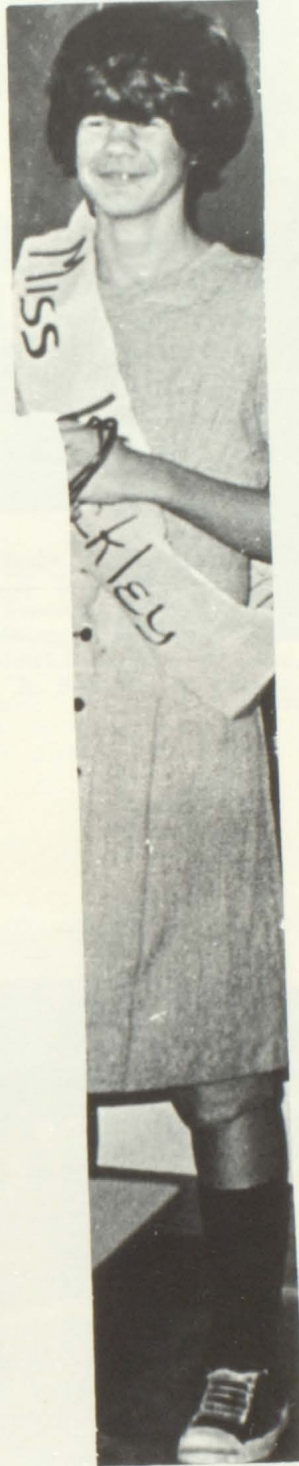

"To the attentive eye, each moment of the year has its own beauty, and in the same field, every hour, a picture which was never seen before, and which shall never be seen again. The heavens change every moment, and reflect their glory or gloom on the plains beneath. The state of the crop in the surrounding farms alters the expression of the earth from week to week. "

AMERICAN FIELD SERVICE

Noah shows his American brother, Al, where his home is.

It has been an interesting year since I came to Pine City even though the weather and the language are quite different, I still enjoyed the life.

When I first got the letter saying I was accepted as an AFS exchange student to the States, I just couldn't believe it. I thought it was only an illusion and that I might get up one morning and find out it is only a dream. But thank goodness it was true.

On August 3rd I said goodbye to my friends and my family and departed to the States. We stayed in Guam until the 7th and then left to Hawaii and then to San Francisco. When I arrived in San Francisco, the temperature was 60° and I felt like being frozen to death while the girls who came to pick us up complained that it was too hot. That scared me so much because I read about Minnesota and found out the temperature lowers to -30° or below. But thanks to Mom and the AFS Chapter, they knew what I needed for the winter.

To the teachers and students of Pine City, I wish to extend my best wishes and thanks to them for being so friendly to me and I hope everyone in the world would be like that. And to any individual who has been working hard to help me on my studies, transportations etc. Also any organizations here like the Chamber of Commerce and Lions Club who gave me gifts which is deeply appreciated, I thank them.

To my family and friends, it has been a wonderful year for me to be with you and I hope it was the same for you. I am really happy that my family "the Briesemeisters" have taught me many kinds of sports which I've really enjoyed, especially the winter sports.

I feel that I owe everyone in this whole town many thanks to you. I don't want to forget the AFS who brought me here to Pine City. I have learned a lot from you and your town. I hope you have learned something about my country through my small talks I've given you.

Sincerely,

Noah Idechong
