# *In Memoriam*

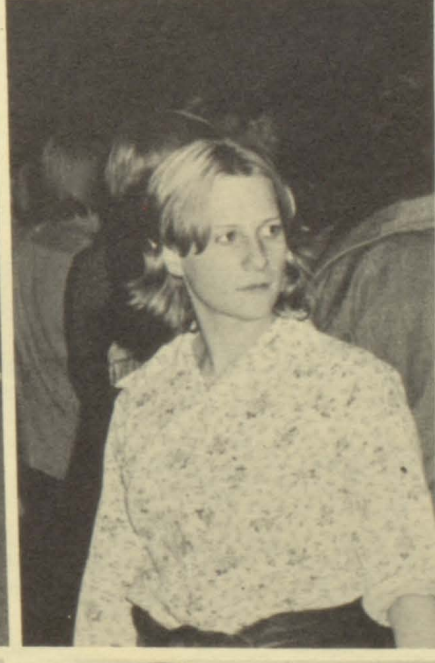

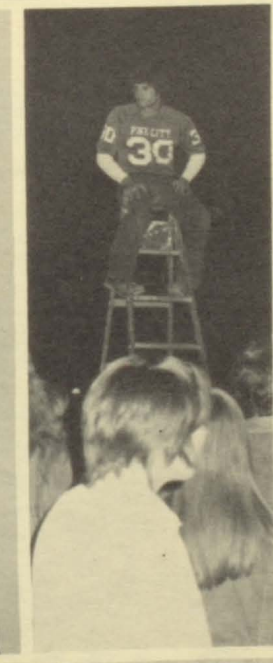

If I had a day  
that I could give to you  
I'd give to you a day just like today.  
If I had a song  
that I could sing for you  
I'd sing a song to make you feel this  
way.  
If I had a tale  
that I could tell you  
I'd tell a tale sure to make you smile.  
If I had a wish  
that I could wish for you  
I'd make a wish for sunshine all the  
while.

Sunshine on my shoulders makes me happy  
Sunshine in my eyes can make me cry  
Sunshine on the water looks so lovely  
Sunshine almost always makes me high.

A.F.S! United States! The great things! I will never forget this wonderful organization and this beautiful country. They have been the mirror where I have looked at myself to find out more about myself and others.

Since I became an A.F.S. student I also became an ambassador from Costa Rica in this great country. Working as an international symbol for peace, A.F.S. has become one of the most important organizations all over the world. It seeks to bring people with different ideologies, races, languages, religions, etc. into an organization where these differences disappear and then everyone involved in the A.F.S. world look for a more peaceful world. It summarizes its aim into this slogan: "Walk together, talk together." And that's why I'm really here.

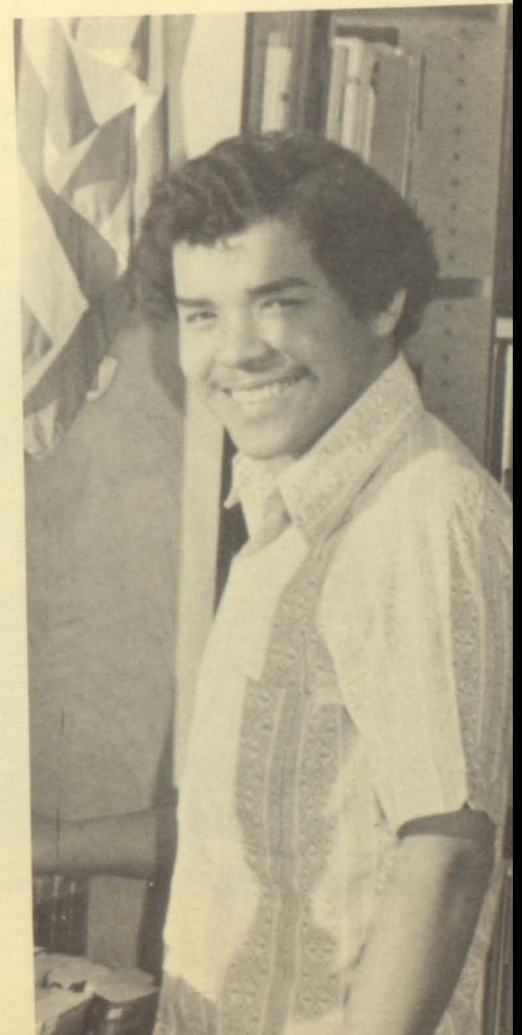

This year living among beautiful people in the U.S. has been one of the most beneficial in all my life. My experiences in Pine City have been limitless. Learning a new language, making new friends, sharing ideas and information, attending a new school, enjoying this variable weather have been possible things for me to experience only with the effort of A.F.S., people in this country and many other sources unknown to me.

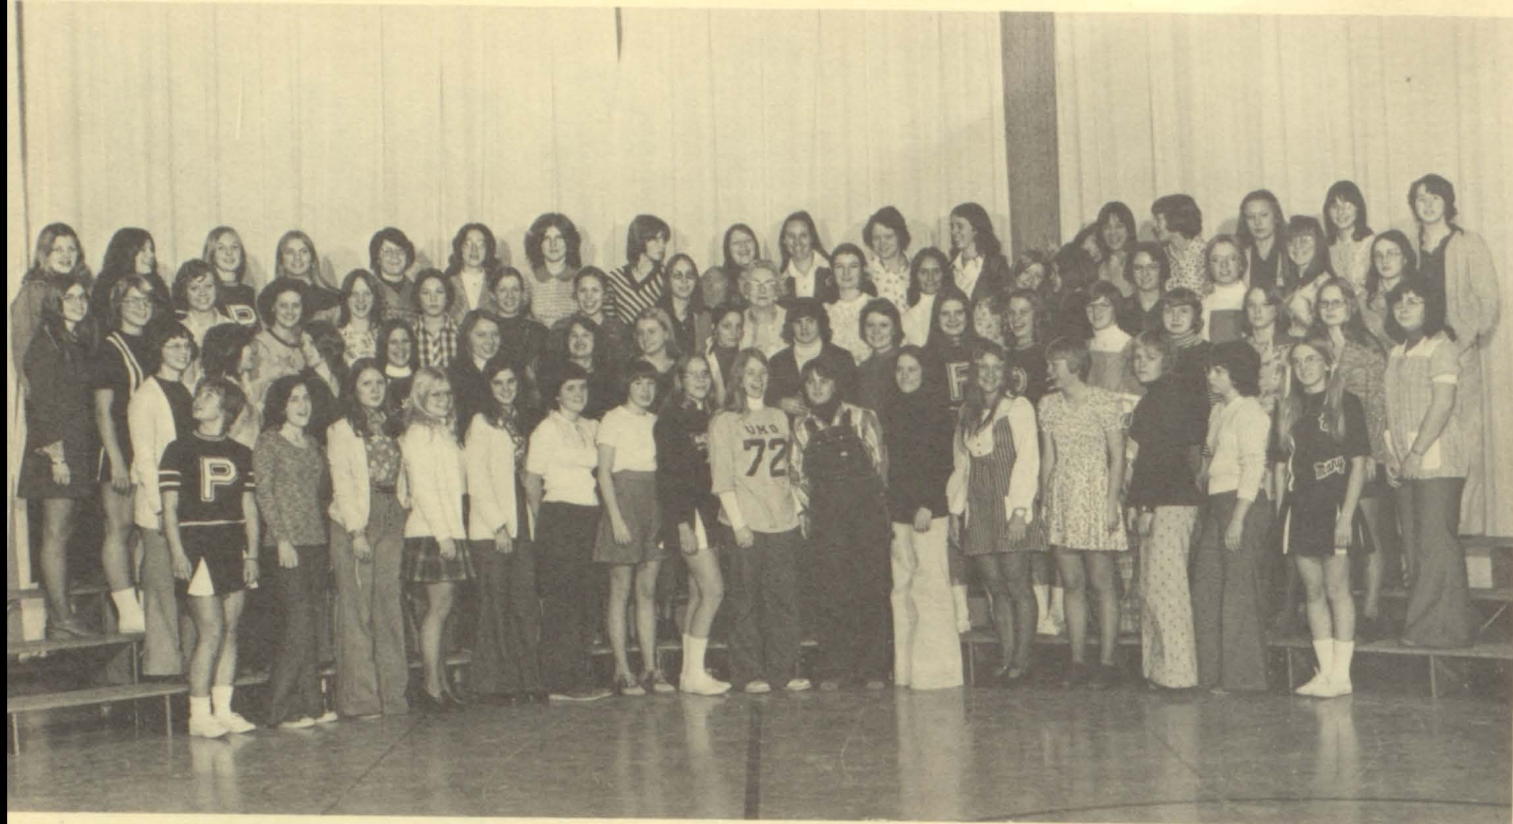

All these things have taught me to look at this world in a way completely different as we are used to do it. So I want to give thanks to all of the people in Pine City and those anywhere which have made possible my A.F.S. year in the United States.

If I have another opportunity in the future to come back to this country I won't hesitate to do it. It's a beautiful country to be in.

When I awoke this morning  
the world was white and  
still,

And pine trees stood like  
sentinels  
Against a snow crowned  
hill,

While soft and white upon  
the boughs  
Of trees unclothed before  
a wealth of place and  
golden store,

Where a little stream had  
rippled  
In a summer's cool green  
shade,  
It now in frozen silence  
lay  
Snowbound beneath the  
glade,

Cora Webber
