## Annoyance Calls

The best way to put an end to crank, prank, obscene or other annoying calls is to hang up immediately. If the calls persist, call your service representative. You can list other members of  
your household in the  
telephone book. It will help  
their friends find them easily.  
These additional listings are  
"call insurance" — and they  
cost very little.

**Money-saver tip:****Call  
when rates  
are lowest**

The cheapest times to  
call long distance if you  
dial station-to-station are  
on week nights and  
weekends. Rate period  
charts are shown in the  
Customer Guide at the  
front of this directory.

Check the front pages of  
this directory for other  
useful information about  
your telephone service.
