It's done its job
 we're proud to say,
 and the class of '85
 will be the last to stay.
 Our old school's the best,
 everyone knows that,
 and in years to pass
 we'll stop, remember it,
 and say:
 It's our school that got
 us where we are today.

"Old Memories,"

"New Beginnings!"

Dedication

For seeing us through junior high and helping to prepare us for life after high school, the Class of 1985 would like to dedicate its yearbook to MR. GEORGE A. P. JOHNSON. When we were in seventh grade, Mr. Johnson put a lot of effort into helping us make the transition between elementary and junior high. Now, as seniors, he is trying to make the transition to our future after high school easier. His constant humor makes College Prep fun and interesting, although most of his humor consists of bad jokes! We forgive him for this one flaw and thank him for all he has done for us.

Seniors

Cyndi, I didn't think you were so tall!

I'm so tired of this!

Ssh! Dave's thinking!

The fight over the chair.

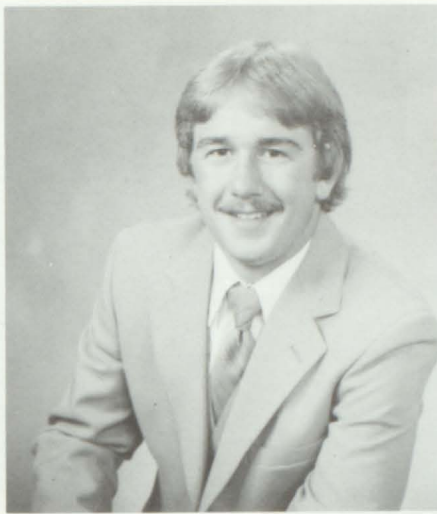

Nice Hat!

Just one big happy family!

Surprise!!!

"Dreams Begin Where Rainbows End" was this year's Homecoming theme. Homecoming Week started out with the students dressing differently for each day. The special days were Army Day, Nerd Day, Backwards Day, and Green and White Day. All the students were feeling the excitement of the Homecoming Coronation Thursday Night. The Queen Candidates were Georgy Clem, Sondy Kotek, and Jody Jacobson. The King Candidates were Jeff Fitzgerald, Jeff Kuzel and Scott Worrel. Last year's King, Perry Skluzacek, crowned Georgy as Queen and Denise Plessel crowned Jeff Fitzgerald as King. King Jeff and Queen Georgy reigned over the Homecoming Coronation. New Principal Lund gave the Welcoming Address. Kelly Bible and Steph Steele were the Mistresses of Ceremonies. Mr. Erhart, guest speaker, told us of Homecoming twenty years ago. Mr. Nelson gave his pep talk about the Homecoming football against Mora. The pep fest was on Friday afternoon with cheerleaders and football players making up skits. The highlight of the pepfest was when Mr. Lund got a pie in his face due to our spirit. The Homecoming football game was tough on the Dragons. They lost to the Mora Mustangs. The Homecoming Dance, decorated by the Juniors, was the final event of the week. Homecoming '84 will truly be remembered.

JACOB'S CORNER . . .

Hi! My name is Jacob Laoenkue Jr. and I am an exchange student from the Phillippine Islands.

This year, I am 17 years of age and a senior at Pine City High School. So far my experience here has been one to remember for a lifetime. The people here are very friendly and that has helped me to adapt to your culture greatly. Your school system is quite different from what I am accustomed to, but I like the change and I enjoy this school a lot.

I have also been very fortunate to have seen many different places in your state since my stay. Minnesota has breath-taking sights that folks back home could only dream of.
