Introduction of New Officers

CLUB COLLECT

Keep us, Oh God, from pettiness;  
Let us be large in thought, in word in  
deed.

Let us be done with fault finding  
And leave off self-seeking.  
May we put away all pretense  
And meet each other face to face,  
Without self-pity and without prejudice.  
May we never be hasty in judgment  
and always generous.

Let us take time for all things;  
Make us to grow calm, serene, gentle,  
Teach us to put into action our better  
impulses, straightforward and unafraid.  
Grant that we may realize it is  
The little things that create differences,  
That in the big things of life we are  
at one.

And may we strive to touch and to know  
The great, common human heart of us all  
And, Oh Lord God, let us forget not  
to be kind!

Mary Stewart

CLUB COLLECT

( Tune - America, The Beautiful)

Keep us, Oh God, from pettiness,  
At fault finding be done;  
Let us be large in word and deed  
Each day from sun to sun.  
Help us fault finding to leave off  
Self seeking not to wish  
Let's meet each other face to face  
Without a prejudice.

May hasty judgment be left out,  
Our thoughts be generous;  
Make us be gentle, calm, serene  
And too, industrious.  
Grant us that we may realize  
Small things may be ignored;  
That all the greater things in life  
No difference afford.

Dear Lord, we ask in earnest prayer  
That we may strive to know  
That common human heart of all  
As on through life we go.  
Thy help, dear Lord, we humbly ask  
To strive with heart and mind;  
In all the work that we may do,  
Forget not to be kind.

## Our Pledge to the Flag

I pledge allegiance to the flag  
Of the United States of America  
And to the Republic for which it

The shadows of a winter night were  
falling,  
The snows were drifting in my house  
door-  
And loud the voices of the winds were  
calling,  
When there came a stranger, lone  
despised and poor.

Spring still makes spring in mind  
When sixty years are told;  
Love wakes anew this throbbing heart,  
And we are never old.  
Over the winter glaciers,  
I see the summer glow,  
And through the wild-piled snow drift  
The warm rosebuds below.

Love is a lock that linketh noble

minds,

Faith is the key that shuts the spring

of love,

Lightness a wrest that wringeth all

awry,

Lightness in love so bad and base a

thing.

As foul disgrace to greatest states

do bring.
