2. The Superintendents of the several divisions shall have entire charge of their respective departments.

3. The judges will, in nearly all departments, be experts from the Agricultural College or experts in their line from outside of Pine county.

4. Exhibitors of livestock must inform themselves when their animal will be judged. Stock must be in the ring promptly when called. It is our intention, in so far as possible, to judge this department during the morning of the third day. (Saturday).

5. Farm products, fruit, flowers, domestic and household goods must be the production of the exhibitors or some member of the family to be entitled to compete for prizes. See Div. G for special rules.

6. Exhibitors are entitled to exhibit any number of articles, but no article can be entered in more than one lot, except where noted. An exhibitor may make only one entry in any one lot.

7. The right is reserved to accept or reject any entry offered.

8. Where there is but one exhibitor competing for a premium, the exhibit may receive recognition as first place, or second at the discretion of the judge.

9. Entries for premium may be made to the secretary or superintendents of the various departments, either personally or by letter, but all animals or articles for exhibition, must be in the proper department not later than 6 p.m. the first day of the fair. Judging will begin promptly at 9 a.m. the second day, Friday, August 15. Exception, livestock, and see flower department.

10. Awards for premiums will be designated by card, sticker or ribbon as follows: First, blue; Second, red; Third, white.

11. Premiums will not be awarded on exhibits that are inferior or are not considered worthy by the judges regardless of lack of competition.

12. The management will provide police protection day or night, and will take every precaution in their power for the protection and preservation of stock and articles on exhibition, but will not be responsible for any loss, damage, disease, sickness, or injury that might occur.

13. All exhibits in the division of Culinary, Dairy Products, Vegetables, Fruit, Flowers, Grains and Seeds must be made, grown, or produced within the current year and owned by the exhibitor unless otherwise specified.

18. No changes, additions, or alterations will be permitted after the books are placed in the hands of the judges and all exhibitors must be certain their entries are entered in the proper class and lot. It will be the duty of the judge to rule out any exhibit not corresponding with the entry list.

19. Inquiries as to terms and applications for space for concessions must be made to the secretary. (Albrecht Erhart, Rt. 2, Pine City).

20. Entries must not be removed before 10:00 p.m. on the night of the 4th day, Sunday, August 17. Exceptions being livestock which may be removed from the grounds after 4 p.m. Violations of this will be sufficient grounds for forfeiture of any premiums won thereon.

DIVISION A — HORSES & CATTLE Superintendents

H. H. Grandt, Phone 629-3277

Viggo Nielsen & Albert Schmidt

In classes where registered cattle and horses are called for, all animals over 1 year of age must be presented with registration papers or Certificates of Transfer issued by the society in which they are eligible for registry. Registered animals without papers can only be entered as grades.

No exhibitor of livestock shall be allowed to make more than one entry in any one lot, unless prior approval is obtained from the division superintendent.

IMPORTANT NOTICE - Persons intending to exhibit livestock will kindly notify the secretary or superintendent as to the number of stalls desired. We request this so we may be able to provide ample barn room for everything. This must be done 10 days prior to the opening day of the fair.

All cattle must be T.B. and Bangs tested as prescribed by the regulations of the Minnesota Sanitary Board.

All exhibitors of bulls, one year and over, must lead such animals with a suitable staff attached to the nose ring.

BOYS AND GIRLS 4-H CLUB WORK

Don Vollman, County Agent

This department is open to all regularly enrolled 4-H club members. All members are encouraged to exhibit their work. ENTRIES ARE PERMITTED ONLY IN THE PROJECTS IN WHICH A MEMBER IS ENROLLED. (One entry per lot and three lots per project unless otherwise stated. Advanced members cannot enter in the beginners section, etc.) Project rules as outlined in the 4-H record blanks will be the basis of awards. Exhibits must have been made, grown by, or cared for by the club member. Some help or advice is encouraged. Entry indicates these rules were followed and any violation will mean forfeiture of prizes and any trips or honors won.

Club members planning to exhibit at the county fair should send their record and story to the County Agent's Office, Hinckley, Minn., before July 25, 1969. All records will be judged complete or incomplete. State trips require that both exhibit and record be complete. Club members must be at least 12 years of age during the calendar year before they can be eligible for trips to state events. Trips are awarded according to regulations of the State 4-H Club department.

All pieces of an exhibit must be labeled with name, address, age and club. Sew labels to fabric, tape to wood and other materials.

Cards are provided for livestock pens and stalls.

Livestock members must make advance entry with the County Agent, Hinckley, Minn. by August 1, 1968. This will allow sufficient time to have testing done. Bedding will be provided. Hay, feed and transportation must be provided by the member.
