Grace

??? & Grace by Shuey farm house.

"I'd like to think when life is done
That I had filled a needed post,
That here and there I'd paid my fare
With more han idle talk and boast ;
That I had taken gifts divine,
The breath of life and manhood fine,
And tried to use them now and then
In service for my fellow men."

Helen Engler July 8, 1927
