LONG DISTANCE RATES

Long distance telephone lines are busiest on week days between 9 and 12 in the morning; 2 and 5 in the afternoon, and 7 and 9 in the evening. If you can avoid these busy periods, it will help you to get quicker service these days when the war is putting an unusual load on telephone facilities.

Night and Sunday rates apply from 7 p. m. to 4:30 a. m. every night and all day every Sunday. You can talk three minutes for the rates shown, except on station-to-station calls of 25 cents or less, for which you can talk five minutes. Rates quoted do not include tax. For rates to other places, ask "Long Distance."

NORTHWESTERN BELL TELEPHONE COMPANY

USE OF THE TELEPHONE

Obtain the correct telephone number from the directory before making a call. If it is not listed call "Information."

Speak slowly, clearly and directly into the telephone, with your lips close to the mouthpiece.

Answer your calls promptly. Failure to do so may result in the loss of a message. Giving your name or the

name of your firm when answering, identifies you and saves time.

When your conversation is completed hang up the receiver and, if at a magneto telephone, give one short turn of the crank. This gives the operator the disconnect signal.

Keep the receiver on the hook when the telephone is not in use or your line will be out of order.

LONG DISTANCE SERVICE

TO MAKE A LONG DISTANCE CALL, ask for "Long Distance." Give the operator the name of the town you are calling, the telephone number if known, or the name and address of the residence or business firm being called, followed by your own telephone number. If you wish to talk to a specified person, also give the name of that person.

A STATION-TO-STATION CALL is one on which you will talk with anyone available at the called telephone. Charges for these calls are based on an initial period of three minutes, except to points for which the rate is 25 cents or less, where the initial period is five minutes. Station-to-Station calls cost less than Person-to-Person calls, described below, because less operator labor and less use of long distance facilities are required to complete them.

A PERSON-TO-PERSON CALL is one on which you specify a designated person, or an extension or department off a private branch exchange switchboard, to be reached at the called place. Charges are based on an initial period of three minutes. If the party cannot be reached directly by telephone, the operator, at your request, will arrange to send a messenger to summon the

called person to a telephone. This will involve a small additional charge to defray the expense of the messenger. Also, at your request, the operator, at no additional charge will make an appointment with the called party so that you can talk at a specified time.

SPECIAL RATES for both Station-to-Station and Person-to-Person calls are in effect every night from 7 P. M. to 4:30 A. M. and all day Sunday. These rates are lower than corresponding week-day rates on calls for distances of about 50 miles or more. The minimum reduced rate is 35 cents for Station-to-Station calls and 50 cents for Person-to-Person calls.

REVERSAL OF CHARGES is permitted on both Person-to-Person and Station-to-Station calls without extra cost except on Station-to-Station calls of 20 cents or less for the initial period, which take a higher rate when sent collect.

TO OBTAIN SPECIFIC RATE INFORMATION on any of the foregoing services, call "Long Distance." To obtain charges on a call at the close of a conversation, notify the Long Distance operator when you place the call.

REGULATIONS AND TARIFFS. The Telephone Company furnishes all of its various services and adjuncts thereto, subject to its published regulations and tariffs, a public file of which is located in the local Business Office. A representative of the Company will gladly lend assistance in securing information from such regulations and tariffs.
