If You're going to build a

# SILO

this year, now is the time to order. More silos are going to be built in 1919 than ever before. The demand is unprecedented.

Crops ruined by drouth, floods, hail, frosts and insect pests are extensive and severe. This waste, according to Dean H. M. Cottrell, formerly of Kansas Agricultural College, is close to a BILLION DOLLARS. He cites it as the greatest waste of the Nation, as it is made from a crop already grown and ready to harvest. All through the great corn producing states millions of acres of stalks are now blown by the winds or covered with snow, while hay is selling at from \$20.00 to \$25.00 per ton.

We carry the Independent Silo in various types Prices--\$109.75 & upwards delivered at Pine City.

We invite comparison in Price and Quality with other Silos.

**Parrish-Boo Lbr. Co.**

## What Do You Know About Standard Oil?

Do you, or do you not, believe it to be an institution which has performed its function of public servant in a manner satisfactory to the world at large, and beneficial to every individual in it? Is your belief based upon experience, impression, or indifference, or have you given the subject any thought?

Has it ever occurred to you just what part the Standard Oil Company has played in making the American the best educated man in the world?

Have you ever thought how the Standard Oil Company has increased property values?

Have you thought to what extent the Standard Oil Company has increased crop production?

Have you thought to what extent Standard Oil Company efficiency has assisted your pleasures and added to your expansion of your business?

Do you know what the Standard Oil Company has done to alleviate the sufferings of humanity.

It is the ambition of the Standard Oil Company of Indiana, that you shall have a distinct pride in it, as an example of how American brains and American efficiency, in a highly specialized branch of industry has led the world, not only in production, but in practical usefulness.

You will have a full measure of such pride when you know the ideals, the ethics, and standards of integrity that dictate its policies.

To this end the Standard Oil Company of Indiana, through the medium of this newspaper, will present a different phase of its business each week.

When you have read these advertisements you will know all about the Standard Oil Company.

Standard Oil Co. (Indiana) 910 S. Michigan Ave., Chicago, Ill.

### THE PINE POKER

Published every Thursday at Pine City, Minnesota

HOWARD FOLSON, Editor and Manager

Entered as second class matter at Post office at Pine City, Minnesota

Subscription Price \$1.50 Per Year

THURSDAY, APRIL 3, 1919

If the market bill which is before the legislature becomes a law, its administration should be left in the hands of the farmers of the state rather than in the hands of the politicians. Let it be handled differently and it will cause more mismanagement than will patch hell the proverbial mile. Anyway, the farmers should have the handling of that department and be given all the chance there is to show up any irregularities that exist.

**Presbyterian Church Notes**  
The annual pre-Easter sale and supper is being conducted in the church this afternoon and evening by the Ladies aid.

The annual meeting of the congregation for business, inspiration and sociability will be held in the church tomorrow—Friday—evening, Apr. 4, at 8 o'clock. Reports of the work done during the year in all the departments of the church will be given and there will also be an address along inspirational and practical lines by some outside speaker. All members and friends of the church are cordially invited and urged to attend. The ladies will serve light refreshments. There will be no bible study and devotional meeting this

week on account of this annual meeting.

The annual financial canvass for the church's budget of local expenses and benevolences is being carried forward this week and will be completed on next Sunday afternoon. Let all those who love the Lord and His work arrange to be at home at that time so as to help the workers as much as possible. We can do this job nicely by all working together at it.

Next Sunday morning at 11 o'clock our theme will be "The Church's Objective." In the evening we will hold a praise service over the successful conclusion of our "drive" of the afternoon. Let us have faith and then praise God for the results of our endeavors. The new hymn books will be used in the evening.

**Lutheran Church Notes**  
On Sunday next German services will be held at 10 a. m., followed by Gemende-Versammlung. In the afternoon there will be an important meeting with address by members of the congregation. All communicants, young and old, are requested to come and hear what they have to say.

The Lutheran club will hold its regular Easter sale in the parish school house on Friday afternoon of next week, April 11. The sale will open at about 2 p. m. and lunch will be served throughout the afternoon.

**Methodist Church Notes**  
Sunday school at 9:45 and church services at 11 and 8 o'clock, while there will be a minute man's service at Rock creek at 2:30 p. m.

A business meeting of the ladies aid was held at the home of Mrs. W. P. Gottry last evening and it was decided to serve a cafeteria dinner on April 23 though the place has not yet been selected.

**Catholic Church Notes**  
Services on Sunday at Pine City at 9 a. m., and at Beroun at 11—the latter having previously been announced for another hour but has been changed.

Father Lee goes to Duluth on Saturday of this week to assist Father Senger in 40 hour devotions. Sunday afternoon he will go to St. Paul to assist Father Boy and Tuesday he will go to Sturgeon Lake to assist Father Major. All these priests have been here to assist on similar occasions.

**Pokegama Lake News**  
The town board let the contract, yesterday, to the Parrish-Boo Lbr. Co. of Pine City for finishing the main floor of the town hall by walking and varnishing the walls, and screening the windows and putting all interior finish into the main floor. The board plans to contract for putting the concrete floor in the basement later and may also decide to put in a furnace.

A basket social and shadow sale, to be interspersed and followed by a dance will be given by the Farmer's club in the Pokegama town hall, Saturday evening of this week. The Boosters orchestra will play and all are invited to come and join in the good time.

Arthur, the young son of Mr. and Mrs. Frank Zastera, who was taken to St. Luke's hospital at St. Paul, nearly two weeks ago, and there operated on for a severe case of appendicitis, is recovering nicely. His

PINE CITY, MINN.

My reputation for fair dealing and reliable goods, coupled with the De Laval record of service and durability, has made the De Laval Cream Separator the leader in this community.

NO farmer is rich enough to feed high-priced butter to his hogs or his calves in partially skimmed milk.

It's a waste of money and food.

It's a waste that your pocketbook, your neighbors, your country, all condemn.

But it's a waste that is going on today on every farm where an inferior or half-worn-out cream separator is being used, or where the farmer is skimming by the wasteful "gravity" method.

Why not put a stop at once to this needless waste of cream and time and labor with a De Laval Cream Separator?

There is no other cream separator that can compare with the De Laval in clean skimming, capacity, ease of operation, freedom from repairs, and durability. It's the world's greatest cream saver.

Come in some day and talk it over

SOONER OR LATER YOU WILL BUY A

## DE LAVAL

### The Dairy Outlook Is Encouraging

Owing to

The lifting of the Government regulations on exporting of dairy products.

Within the last month large quantities of high class butter, condensed and powdered milk have been exported.

The fact that the Government has disposed of all its commandeered storage butter. There are small stocks in storage for this season of the year, hence fresh goods are being drawn on heavily for domestic consumption.

Increasing appreciation by the general public of the real food value of dairy products of high quality, and the consequent decreasing use of substitutes.

Let the Farmers' Creamery handle your Milk and Cream to the Best Advantage

**Pine City News**

Prescription work promptly and carefully attended at Prochaska's pharmacy. Prices right. adv.-1.  
Mrs. B. G. Haas went to St. Paul, Monday, for a surgical operation and Ben went down Tuesday to be with her.

Mr. and Mrs. Wm. Stuck were called to Hibbing, last Friday, by the death of her sister, returning home on Sunday.

J. F. Petschel sold both the Overland cars that he offered last Saturday. George Stalmer bought the new car and the used one went to Otto Pangerl.

The ladies of the Lutheran church will hold their annual Easter sale in their parish school house on Friday afternoon of next week, beginning at about 2 p.m. Lunch will be served throughout the afternoon.

Mrs. M. L. Webster returned, last Friday, from a three months stay at the home of her mother, Mrs. Ross, who has been taking treatments and whence she returns greatly improved in health.

Mrs. Rosa Bath and children arrived Sunday last, from Crookston where they spent the winter at the home of her mother, Mrs. Ross, who is on the road, will be home part of the summer.

C. F. Jackson was home, Monday, leaving the following day for a two weeks' trip into the western part of

the state, after which he expects to take a two or three months auto trip into the Dakotas.

Douglas Greeley was in town, last Saturday on his return home from Excelsior Springs, Mo., where he and Mrs. Greeley had been since March 1. Mrs. Greeley remained for another couple or three weeks.

A baby boy was born at the home of Henry Horn, north of town, Monday, and also a boy at the first home, east of town, last Friday, making the family of little ones in the latter home an even half dozen.

Misses Southworth, Bush and Gemmel were down from Duluth to spend the week end with Miss Portia Huber while numerous friends were glad to meet them. All are now on the faculty of the Duluth high school.

Ensign R. J. Wasmek came home, Tuesday, from New York for a few days visit, expecting to leave today to return to his ship. He hopes to secure his discharge before long so as to return to his legal practice at Minneapolis.

Miss Pegg came down from Duluth to spend the week end at the home of her niece, Mrs. Bryant Tilden. Mrs. Jessie Friedholm also came up from Stillwater, Sunday, for a week's visit at the home of her sister, Mrs. Tilden.

E. S. Zimmerman and wife, accompanied by their grand daughter, Miss Beatrice Burdick, arrived from their home in the Peace river country in British Columbia, for a visit of a week or more at the home of Mrs. Zimmerman's sister, Mrs. M. D. Gates.

Mrs. Schumacher entertained six tables at 500, last Friday evening, in honor of Mrs. Woodside of Minneapolis who has been a guest at the home of her daughter, Mrs. Brown. Prizes were won by Mrs. Holmberg and Judge Therrien. Refreshments were served.

Mrs. Wiseman entertained members of the senior and junior classes of the high school, their mothers and the teachers at her home, last Saturday afternoon, a program in which the high school orchestra took part being rendered and refreshments being served.

Mrs. Derr left, last Friday, for St. Paul where she entered St. Luke's hospital for medical treatment under the care of specialists, expecting to be absent a month. The Wileys have closed their home and gone to the home of Mrs. Wiley's father, Mr. Derr, during his wife's absence.

Mrs. Jos. O'Brien and daughter arrived home last Sunday from a visit with her folks at Duluth. Joe came at the same time from the Twin cities. He is now on the road for the Minneapolis Paper Co. in the northeastern part of this state and a small territory in Wisconsin.

Mrs. Emma Fisher went to Stacy, Tuesday, to spend a month at the home of her son Henry while his wife is to be at a Twin city hospital. Miss Marie Fisher, who came up from her school work at Owatonna, last Friday, to spend the week, went to Stacy with her mother.

There is a tremendous amount of grip going about town, these days, and the cases of influenza are all on the convalescent list and the remaining scarlet fever cases are recovering nicely. Thanks to natural advantages and the unremitting care of Dr. Wiseman, our town has gotten off with slight trouble from any of these, thus far this spring.

Several of the young men of this region have come home from service, the past week, among them being Will Dunning who returned from Camp Dix a week ago, Glenn J. Turner who was met at St. Paul by his father and arrived here yesterday after 14 months service in France. The latter goes on to Bishop, N. D., whence he is entitled, today, for a short visit, after which he will return here to remain, we understand.

W. S. McEachern and family arrived, last Sunday, from Spokane, Wn., to make their home at Pine City, he having accepted a position in charge of the mechanical and commercial printing end of The Pine City Paper Co. His furniture is expected later and they are staying at the home of his sister Mrs. Folsom, in the meantime. Mr. McEachern is not entirely a stranger to Pine county, having resided at Sandstone when a boy.

A treat for "movie" lovers is in store at the Family theatre for next week Thursday, April 10, when-dainty Marguerite Clark will appear in a Paramount screen version of "Prunella," which will be remembered as her greatest stage success, some years ago. A story of "love in a Dutch garden," as its authors, Granville Barker and Laurence Housman called it, the picture is even more beautiful than the stage version. Prices 10 and 20 cents.

"Tyrant Fear," the latest Paramount picture starring Dorothy Dalton, will be the feature at the Family theatre the coming Sunday. This is said to be one of the most sensational photodramas of the Canadian northwest ever made for Paramount by Thos. H. Ince, master producer. This famous star will be seen in a story dealing with the life of the French-Canadians and the scenes are not only thrilling to a marked degree but beautiful as well. Miss Dalton portrays the role of a girl who has been obsessed by nameless fear since childhood. Sunday matinee and night; also a Mack-Sennett comedy.

It's cotton, it's stiff, but it is not starched. Doesn't have to go to the laundry. No ironing. Just a little water, a wash cloth, some soap and two minutes' time. It's a

**CHALLENGE CLEANABLE COLLAR**

On your neck, no one can tell it from an ordinary cotton collar. Here's the difference: The cotton collar you wear is stiffened with starch. Ours is stiffened by a process that makes it impervious to water. It doesn't wilt when wet. Perspiration doesn't touch it. Yet it's pliable and comfortable.

Costs about \$15.00 a year to wear ordinary cotton collars and keep them laundered. \$2.00 worth of our cotton collar will last a year. Saving--\$13.00. Isn't it worth case saving?

Should save you from \$16 to \$18 per year

**Pine City Development Association**  
All together, All the Time, For a Greater Pine City  
**WEEKLY BULLETIN**

Last Week, the Clean-Up Campaign was touched upon, and a few timely suggestions offered, which, when put into effect, will make a vast improvement in the appearance of our Village. These suggestions are given again this week.

**LET'S**

- Haul the Ash Piles Away.
- Clean up the rubbish piles.
- Tear Down Old Fences and Buildings.
- Repair Sidewalks.
- Prepare Flower Beds and Boxes.
- Trim Up Bushes and Trees.
- Make Lawns Shine.
- Clean up Streets and Alleys.
- Order your Shrubs and Seeds Now.

If the best results are to be attained in Lawn Decorations, someone who knows something about such things should be consulted. Prof. Ayers, of the Pine City High School, has given this matter a great deal of study and is prepared to offer any assistance along this line.

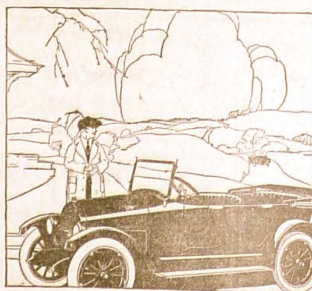

The Development Association has a "Good Roads" committee that is glad to cooperate in the bettering of the roads leading into Pine City. While the possibilities of this committee are limited, they will be glad to do everything possible to assist the work of putting the roads in condition. F. M. Stuck is Chairman of this committee and will be glad to be advised of your requirements in this line.

Next Regular Monthly Market Day, April 29th.  
(Last Tuesday of each month)

**DON'T FORGET THE SLOGAN CONTEST**

One Box of Cigars or a Three Pound Box of Choice Candy for the best Slogan given for the Pine City Development Association. Mail your suggestions to the Secretary. Contest closes April 15th.

LAND VALUE FIXED Depends Altogether on Power of Giving Wealth.

That is Why the Fertile Acres of Western Canada, with Adjacent Markets, Are So Attractive to Settlers.

Throughout every portion of the West, fertile lands that are capable of producing are in great demand.

Government land values, too, are estimated, soil, moisture, settlement, railroads, markets.

It is not more than a third of a century since ninety per cent of the land in Western Canada, now occupied and tilled, and producing enough in one year to give a profit of from twenty-five to thirty dollars per acre, was uncultivated or used as grazing land, and mostly very little.

There is no portion of the world that is attracting so much attention as the soil may have improved in the past centuries with the fertilizing given it by nature.

These lands today are valuable, and are being sought by settlers who realize their present and future value.

It is not to be wondered at that these millions of acres with their great wealth of soil, are so long being awaiting the awakening touch of mankind.

With the realization of the foregoing facts came the people, who found that a railway had preceded them and markets already existed for them.

Many Children Are Sickly. Mother, buy a few boxes of Cuticura. It will cure your child's skin disease.

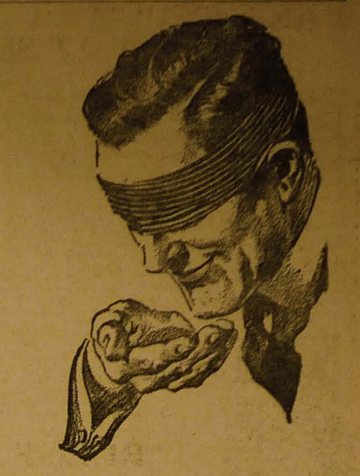

Very Much So. "Talking of love's sweet song, what is it's name?"

St. Paul. Grand Rapids.—W. Cook, who last week shipped co-operatively two cars of potatoes to Illinois, reports that the farmers who shipped with him realized \$120 a hundred for their potatoes.

Yes, I tried it, but I went back to Royal. This is the experience of most women who have been tempted to try so-called cheaper baking powders which almost always contain alum and often leave a bitter taste.

Royal Baking Powder Absolutely Pure. Made from Cream of Tartar derived from grapes.

Royal Contains No Alum—Leaves No Bitter Taste.

Royal Baking Powder Absolutely Pure. Made from Cream of Tartar derived from grapes. Royal Contains No Alum—Leaves No Bitter Taste.

**Renowned Man Coming**  
L. T. Cooper, Noted Philanthropist Gives Large Part Of Income To Charity.

Not in recent years, perhaps, has the coming of any public character aroused such widespread interest as has the proposed visit to Minneapolis and other western cities, of L. T. Cooper, the Milwaukee Philanthropist.

Mr. Cooper is described as one of America's foremost leaders of advanced thought, and sprang into fame and fortune thru his new health theories based on what is known as the Tanlac treatment. He never ceases to surprise you with the infinite variety of his knowledge, and its absolute correctness and thoroughness. In several of the larger cities he has done a great deal of relief work among the poor.

Mr. Cooper is a firm believer in practical philanthropy and his relief work is familiar to charity workers over the entire country. His Southern representative while in Houston, Texas, recently distributed, under the personal direction of leading charity workers, one thousand dresses of excellent quality to poor women and children. In San Antonio, the following week, he donated another thousand dresses to the poor of that city, and a few days later four hundred of the garments were provided by him for the poor women and children of Galveston.

Ladies prominent in social life and many prominent citizens of these places assisted and cooperated with Mr. Cooper's representative in this worthy cause.

**Well Known Young Lady Dies**  
Miss Grace Sepprell passed away at the family home, southeast of our village, early yesterday afternoon, following services at the home at which Rev. Young of Pine City preached.

The young lady was born in South Dakota about 16 years ago and came to the Creek with her parents when they located on their present farm home when she was only a small child. She has grown to womanhood here and was beloved by all. The deep sympathy of the entire community goes to the bereaved parents and other relatives in their loss.

**Card of Thanks**  
We wish to extend our sincere thanks to all neighbors and friends for numerous acts of kindness and sympathy during the sickness and at the death of our father and brother, especially the Modern Woodmen of Rock Creek camp--Carl Wm. Olson and Gust Olson and family.

**Rock Creek News**  
The prospects of a bridge across the St. Croix on the line a mile north of town, interests all our people. Everyone in this region has signed the petitions and they have been sent to Senator Larson and Representative Pedersen at St. Paul to interest them in getting a state appropriation for the purpose. At present there is no bridge across the river between Taylor Falls and the east end of Hinckley and there is a strong feeling in this region that we need a bridge here as much as do the few settlers east of Hinckley. We are confident, however, that Senator Larson will see that the region gets a good treatment as any other.

Wm. A. Chadwick arrived with a car of material from Minneapolis, and moved onto the old John Johnson place south of town which he has purchased, last Saturday. Emet Nelson, who has been on the place, moved to a farm near Rush City a few weeks ago.

Hank Hansen and Albert Glader are supposed to have arrived in this country after their service in France and are expected home most any time. Albert was badly crumpled in one of the battles over there.

Geoffrey Anderson moved onto the first of the work. He comes from Bloomington near Minneapolis and brought three cars of live stock, machinery etc. with him.

The ladies of the church held their Federale sale and supper to be held in the church tomorrow--Friday--afternoon, a pie social for the evening. A good time is assured.

There was only a fair crowd at the dance in the Temperance hall at West Rock, last Saturday evening, owing to the poor roads, but everyone had a good time.

Herbert Anderson was home from Camp Funston to visit at the home of his father, A. J. from Friday to Tuesday.

Mrs. C. Rasmussen from west of town, went to Minneapolis last week Thursday to visit her two daughters for a week.

Emil Olson returned, last Friday, from Minneapolis where he spent two

**Tanlac Sales Phenomenal**  
It is indeed doubtful if anything ever placed on the market in the way of a medicine has sprung into such popular favor so short a time. People everywhere have been quick to recognize its wonderful merit. The demand for it has been nothing less than phenomenal, and is unprecedented in the history of the drug business. In Denver over 50,000 bottles were sold in six months; in Fort Worth, Texas, 122,204 bottles were sold in twelve months; in Atlanta, Georgia, over 166,000 bottles were sold in twelve months; in Dallas, Texas, 120,000 bottles were sold in 12 months; in Knoxville, Tenn., the Kaufman-Chambers Co. sold and distributed 18,300 bottles in nine months; in Louisville, Ky., the Taylor-Jacobs Co., who operate eight retail stores in that city, sold 32,600 bottles in less than ninety days. In fact, everywhere Tanlac has been introduced, its sale has likewise been phenomenal and the demand for it is continually increasing. A total of more than two and a half million bottles of the medicine has been sold through the Atlanta office alone during the past eighteen months, and it is safe to doubt the most widely talked of medicine today.

When asked to explain this record breaking demand, Mr. G. F. Willis, International Distributor of Tanlac says: "There can be only one possible explanation, and it is contained in one word--'merit.' That tells the whole story. No preparation, no matter how extensively advertised, can possibly sell with such phenomenal success unless it possesses extraordinary curative power."

Thousands upon thousands are testifying daily that they have been relieved of disease after years of suffering by its use.

Tanlac is sold in Pine City by E. J. Prochaska.

Weeks taking medical treatments.

Hugh Algire is marketing fine cabbage which was wintered in the field.

The George Waltons have moved into the Dugan house until they find a farm to suit them.

**PUBLIC SALE**  
Having leased my farm I will offer at public sale on said farm one mile southeast of Pine City, being the old Wilcox farm, the following described property, on

**FREE LUNCH SERVED AT NOON**  
**LOUIS OLSON Owner**  
A. J. HALL, Auctioneer L. R. BECKLUND, Clerk

**What a World of Service can be had from a Wire!**

Just think of the many kinds of help you can get from a lamp socket, baseboard or wall outlet.

You can replace--supplant--almost any physical effort of the human body!

Housework in the planning--the directing--is a joy, a pleasure to any woman. The hard, disconcerting part is the physical effort--the work--the drudgery!

What woman would continue to wear out her mind and body on menial drudgery and monotonous routine if she was thoroughly convinced that Electricity would relieve her of all this hard part!

But many women still think that electrical helps are expensive luxuries--only for those of liberal means. That idea is as false as false can be. Electricity is so flexible--so capable of being directed into small parts, and so dependable that it can be supplied to the smallest home needs--even to those of the individual. And in every instance a saving is accomplished--a saving that is far beyond and many times repays the cost.

Once you fully appreciate this you will not do a thing in physical labor that you can turn over to Electricity.

Let us help work out your problem--apply Electrical help to your individual needs.
