**MARY PICKFORD**  
in "JOHANNA ENLISTS"  
An ARTCRAFT Picture

The erection of great army camps all over the country has brought an element of much needed romance into many a country girl's life.

In this sparkling new Artcraft Picture, Mary Pickford plays just such a part—the little girl who never had a beau and is dying for one.

And then comes the Camp—Lordy, Lordy, the beaux are as thick as flies 'round a jam pot. And she marries the Best Boy of the lot and rides off on a gun carriage—some picture!

## Big Crowd at Celebration

### Co. Home Coming. Welcome for "The Boys" was a Success in Every Way

The Home Coming Celebration in honor of Pine County's returned soldiers, sailors and marines, at Pine City, July 2nd—last Friday—was the largest, most successful and best arranged and carried out celebration of any kind ever held in this part of the state.

It is safe to say that, in mid-afternoon there were upward of 8,000 people present, to say nothing of those who had been compelled to leave because that or those who arrived later, who doubtless swelled the day's total attendance to over 10,000. At 3 o'clock in the afternoon, a partial count and estimate placed the number of automobiles in town at about 1,500, which might be estimated to have brought an average of four to the car, to say nothing of the many hundreds who came by train and our own village population.

The rain of the previous night boded ill for the event and there was a very general feeling of depression until morning broke with the sun bringing to shine through the clouds. The general committee at once sent men and teams out to see that the Federal road north of Beroun—the very best piece of road anywhere about—was put in the best possible condition and to pull out any cars which stuck there. Early in the day the roads were cleared in all directions and this condition and the unsettled appearance of the sky prevented thousands over the county from attending.

But for the rain, it is safe to say, the attendance for the day would have increased fifty percent. Those present, however, enjoyed a delightful day under the best of conditions, free from dust, and warm but not sweltering.

On all sides, folks expressed their pleasure at being present. There never was, before, such a celebration held in this part of the state. Such a day, with such a crowd—without an intoxicated man in sight nor a signal altercation and with only one slight accident—would have been considered one of the seven wonders a dozen years ago.

The rain did not interfere much with a noisy heralding of the gl-brorious Fourth by the various batteries, stationed at various points. The threatening condition overhead and the mud beneath, however, kept the crowd back and it was well along toward 10 a. m. before they began to jostle on the walks. By noon there were jammed on the corners and the park was well filled, and from that time on the crowd just grew and grew.

The parade, with Fred Wiley of Pine City and M. O. Guppli of Beroun as marshals, moved at about 11:30, covering the entire central part of town. The Askov and Brook Park bands were in line, with members of the Grand army in uniform, and next, members of the Pine City naval militia under Lieut. Robt. Wilcox and liberal detachments of soldiers, also floats representing the Red Cross, Y. M. C. A., Knights of Columbus and Salvation Army, besides numerous private cars, decorated with the national colors.

The excellent Askov band played a short concert in the park, shortly before noon, which really opened the day delightfully. This was repeated at noon by the Brook Park band.

The crowds in the park were called to order by E. B. Lindsey of the Willow River Farmer, who acted as chairman of the exercises at about 2:30. The address by Rev. John T. Bergan of Minneapolis was a masterly effort and greatly appreciated by all within the sound of his voice. The song by the Sandstone quartet was also greatly enjoyed and they were given a hearty encore.

At about three o'clock the larger part of those in the park went to the fair grounds where the magic exhibition was given and the sports program was started, to be finished just before supper time with the water sports in the river about the concrete bridge.

Phylson defeated Rock Creek in the ball game by a score of 5 to 3, Lyons pitching for Phylson against the game.

Winners in other sports were—  
Sack race—A. Korwika 1st, I. Tass 2nd, J. Corrigan 3rd.  
Pony race—F. Hainey 1st, F. Kaestle 2nd.  
Tug of War—H. Wagner, A. Hoffmann, A. Klieser, J. Janowski, G. Brown, J. Hainey, H. Peterson, W. Stelner, J. Hainey, A. Klieser.

Polka race—A. Korwika 1st, J. Hottel 2nd, Ed Klieser 3rd.  
Hunting race—Gordon Baker 1st, F. Orestad 2nd, J. Olson 3rd.  
100 yd. race—E. Hinton 1st, A. Korwika 2nd, E. Klieser 3rd.  
40 yd. race—R. Hinton 1st, A. Korwika 2nd, W. Hinton 3rd.  
50 yd. race—L. Tass 1st, A. Korwika 2nd, W. Hinton 3rd.  
Girls' race—Blanche Smith 1st, Phyllis Smith 2nd, Elma Carlson 3rd.  
Swimming race—E. Hainey 1st, J. Johnson 2nd, W. Hill 3rd.  
Water race—A. Korwika 1st, W. Hinton 2nd.

## Chautauqua in 10 Days

### Attendance Coming From All Over County—Camping Opportunities Attract

Chautauqua will open at Pine City on Monday, July 21, and run five days, closing Friday evening, July 25. The week promises to be the biggest ever had here for Chautauqua.

Numerous expressions from over the county indicate that, weather and roads permitting, there will be a liberal attendance from beyond this locality, the camping facilities and heating apparatus helping to bring many.

The program will be the best ever and will include such well known lectures as Oles Bied, whose books and lectures have captivated millions, and the best musical organizations.

Plans are under way to have the Brook Park and Askov bands present, if possible, and to devote a day to each organization.

Ticket prices are the same as in former years. They are on sale at both banks and both drug stores.

If you are going to have visitors this summer, have them during Chautauqua week and give them a good time.

Complete program will be given in The Pine Piker next week.

**Bishop Confirms Large Classes.**  
Large classes were confirmed at the Church of the Immaculate Conception here, and at St. Joseph's church at Beroun, Tuesday by Bishop John T. St. Nicholas of Duluth, who went from here to Rutledge, where he conducted confirmation services the following day. There were 92 in the class at Pine City, including 44 boys and 53 girls, besides some older ones. At Beroun, there were 49 in the class and a huge stack of welcome mounted the highway near the church as a tribute to the bishop and visiting prelates and others.

Fathers Placita of Royall, Senger of Duluth, Major of Willow River and Stejer and Roy of St. Paul were present at Pine City and Beroun.

A detailed account of the day here and the same common here had at Beroun will be published in The Pine Piker, next week.

**Boy Draged by Runaway Horse**  
Doran Abbebe of Duluth was dragged about 120 rods by a runaway horse at the home of his great aunt, Mrs. Sylvia, south of town, last Sunday afternoon. He was badly scratched and bruised and his right leg was broken below the knee, probably by a kick from the horse, but he was able to be moved to a hospital at Duluth the following day. His escape from death seems miraculous.

He is 11 years of age and had come down the day previous for a visit. He and his cousin Bernard—Olson, had been riding a horse between the Kenna house and the Rock Lake school house and were about half way, headed for home, when the backing of their dog frightened the horse which ran, throwing both the boys off. Doran's foot was caught in the reins and he was dragged to the house and about the yards, through the trees, before the horse was caught.

**Pine and Kanabec Co. B.H. Scores**  
On July 10th Rock Creek was defeated by Phylson team on the local diamond by the score 8 to 3. Phylson was defeated by the Brook Park club by the score 7 to 0 at Hinckley and Phylson by the score 6 to 3 at Pine City. On the score of 7 to 3, last Sunday Rock Creek defeated the Pokegama lake club by the score 4 to 1 in the creek and Hinckley badly defeated Phylson at Hinckley on the same day. Pine City challenges any club in this neck-of-the-woods for an argument on the diamond. Write or phone "Siegels," Yak, Pine City, Minn.

The Pokegama lake ball club will play the local club at the Fair grounds next Sunday at 2:30 o'clock.

The following players report at the Fair grounds: 4-30 sharp; Garbush, Edin, P. Huber, F. Pollock, 20, Bannock, 20, and the major game between Pine City and Brook Creek, will be played at the creek on Sunday, July 27. Hinckley will clash with Stanchfield at Hinckley Saturday.

**WU Give Social for Library Fund**  
A lawn social will be given on the W. U. Albrecht summer home on Cross Lake, Friday evening of next week, July 19, for the benefit of the library and reading room fund.

TREATY OF FRANKFORT, 1871.

Terms of Peace After the Franco-Prussian War.

The treaty of Frankfurt, which officially put an end to the Franco-Prussian war, was signed at Versailles on February 18, 1871.

The ostensible cause of the Franco-Prussian war was the refusal of Prussia to guarantee the neutrality of the Grand Duchy of Luxembourg...

Official reports of the war in France were made up of a series of lies. The French government had already effected an armistice with the Germans...

France was the surrender of the emperor and Thiers was at the head of it. Upon being notified of the armistice by the assembly sitting at Bordeaux...

Germany dictated Peace Terms. A complete list of the terms of the peace was signed on January 28, 1871.

HUMAN HEART WORKS HARD

Vital Organ of Mankind Can Be Kept Up to an Extraordinary That is Astonishing.

It is an astonishing fact that the average heart beats 72,000 strokes every 12 months, working, resting or sleeping. In that period it does work sufficient to lift a weight of 100 tons.

and at the fair grounds were liberally patronized and sold everything in sight. The early and dull seasons, appreciated for the benefit of the day, were largely patronized and well liked. The total expense of the day, aside from the purchases for the refreshment booths and the committee's expenses, ran upward of \$1700 and with the \$800 raised in town for the occasion it is felt that the net returns from the booth, concessions, dances, etc., will about "even up" so that the Development Assn. will not go into the hole on the event.

The church dinners were all liberally patronized and all the organizations in this work enjoyed a net profit for their efforts though they all exceeded the speed limit in the meals they served for the money.

The day will not soon be forgotten by anyone who attended and any mention of it would be meagre, indeed, which did not credit the general Pine City committee having it in charge, as well as their helpers, for no celebration was ever better planned nor more carefully nor thoroughly carried out than this.

The little daughter of Eric Colin of Sandstone, about 5 years of age, was run into by an auto and knocked down, but not seriously injured, we understand.

Pine City folks feel a deep appreciation to the people of the county, generally, for their friendly attitude and evident appreciation of the work that was undertaken here in taking up and carrying out the "Welcome home" to "The Boys" on behalf of the county. The task was a tremendous one and the folks of this village bent every effort to its successful accomplishment for they feel that there is nothing too good for the Pine County Boys.

Tanlac--"Wouldn't Be

Still another widely known and popular railroad man comes forward with his unqualified endorsement for Tanlac. This time, it is C. B. Blatherwick, yard master for the P. R. L. & P., in Kansas City, Kansas, who resides at 341 South 11th street, that city.

"My wife has actually gained twenty pounds in weight since she began taking Tanlac," said Mr. Blatherwick, in an interview recently, "and has been benefited so much in every way that I am glad to make this statement, which I hope will be the cause of others who may be suffering as she did getting relief."

"She has been in such a nervous, run-down condition for the past two years that she was confined to her bed a great deal of the time. She was subject to frequent attacks of sick headaches and often had spells of dizziness. She also suffered intense pain from the gas on her stomach, pains in her back and what seemed to be a complete nervous breakdown. She also had a severe attack of influenza, which left her so weak she could hardly stand up."

"She has been wonderfully benefited by Tanlac. In fact, I consider it remarkable the way she has been built up, for she is almost like a different person. She has been relieved entirely of stomach trouble, headaches and backache. I am delighted more than I can tell with what Tanlac has done for her and we would not be without it now for anything. It is by far the best medicine she has ever taken."

Tanlac is sold in Pine City by E. J. Prochaska.
