

Feeding the Millions

INCREASING the food supply of the world is the most vital problem which man must solve. The burden of this solution rests heavily upon the shoulders of the farmers of America.

The service rendered by the Standard Oil Company (Indiana) in producing fuel and lubricants for the economical and efficient operation of farm machinery has made it possible for the farmer to cultivate a greater acreage, produce larger crops, and get them to market at least expense.

By maintaining its comprehensive system of distribution, the Standard Oil Company (Indiana) makes it possible for the farmer to get his requirements of petroleum products easily, regularly and quickly.

By virtue of this complete service on the part of the Standard Oil Company (Indiana), he may, literally, "make hay while the sun shines."

He is independent of the health or endurance of horses. He can plow, cultivate or harvest when these tasks should be done. He can have a complete cycle of activity, operating even by shifts, if necessary. He can plan his operations on a definite schedule to produce a steady, constant supply of farm products for you and your family.

This is illustrated how you benefit by the service rendered by the Standard Oil Company (Indiana) to the farmer. These are benefits accruing to the world at large which accentuate the usefulness of the Standard Oil Company (Indiana) as a public servant, and emphasize how completely it discharges its obligation as such.

PINE COUNTY in the WORLD WAR

A large volume containing pictures of the many Pine county service men who served in the various branches of service; pictures of

- Draft Board officials
 - Medical Examining Board
 - Legal Advisory Board
 - County Chairman Committees
 - Prominent Workers
 - Red Cross nurses
 - Scenes from Camps and Abroad
 - Scenes from Villages and Townships
- Also a complete, authentic history of Pine county's activities during the war; with names of workers, etc.

THIS BOOK WILL BE PRICE-LESS IN YEARS TO COME

See that the pictures of the service men in your family are sent in at once; send photograph, kodak or postal card picture (in uniform preferred) and send picture. Give his service record, when he enlisted; when discharged; regiment; camp; overseas service; wounds, etc.

No charge for inserting picture—they will be returned as soon as cuts are made. Send Pictures and Service Records to

County History

Care of Pine Poker Office, Pine City, Minn.

Pine County Day at Fair

At the State Fair Thurs., Sept. 4th. Arrangements Completed for Trip

The committee in charge announced "Pine county day" at the state fair will be Thursday, Sept. 4, and have completed the arrangements for the biggest crowd of boosters and auto that ever left Pine county in an organized body. The Askov band in machines, will lead the line of cars, the time of leaving being as follows: Askov, Sturgeon Lake and Finlayson 7.30 a. m., Sandstone 8 a. m., Hinckley 8.10 a. m., Pine City 9 a. m., and Rock Creek at 9:15 a. m. On leaving Rock Creek it is fully expected there will be at least 100 cars in line. Committees on arrangements, have been appointed in each town, and banners boosting Pine county will be furnished each car. Car owners are requested to decorate cars with flags and bunting, as it is planned to have a parade in St. Paul, Minneapolis and if arrangements can be made, in front of the grand stand upon reaching the fair grounds.

We have a county to be proud of that's why we live here. This is our chance to show the rest of the state that Pine county is settled with a bunch of "live wires", so the committee in charge is asking you to take a day's vacation, forget work, join the crowd, advertise Pine county and meet old friends and acquaintances at the state fair on Pine county day, who will be there looking for you. Other counties are planning big trips. Let's make them "Pine" for Pine county.

Wind and Hail Does Much Damage

A terrific wind and hail storm hit the territory Tuesday morning, doing great damage to crops and buildings and in some instances killed domestic stock. Some buildings were unroofed by the wind while the shingles and paper floated on other buildings were puffed to pieces by the hail. Practically every pane of glass facing the storm was broken, including the heavy plate glass in the Farmers

Store. In the direct path of the storm all standing crops were destroyed and the force of the falling hail driven by the high wind, was so great that the bark was stripped from jack pine and other trees, and twigs and branches three and four inches thick were broken off. At Nertrap and Glussing farms potatoes pounded out of the ground were smashed to bits. At Fred Daul's place, east of town, a cow was killed and John Dolonenki, was killed and John Dolonenki, was killed in the same neighborhood, had eight good sized pigs killed by the ice barrage. A sheep was killed at Joe Uhr's farm and many reports are coming in that many domestic animals which failed to find shelter were pounded to death.

The storm came from the northwest and struck the following towns and territory contiguous thereto; Arhtye, Denham, Ellson, Sturgeon Lake, Willow River and Bruno. A side from the crops hay and gardens, the greatest damage was done to roofs. The aggregate loss in the region is a severe blow, especially to the farmers—Sandstone courier

No Apparent Reason for Suicide Sheriff Hawley is in receipt of two letters, one from the Detroit police department and the other from the former employer, both stating that G. M. Holmes who committed suicide about three weeks ago at Pokegama lake, was in no financial trouble and as far as they knew he had no worries or cares to become despondent over.

Holmes body was found near the Eastland Hotel, at Pokegama lake, last Saturday week, and was first seen by Mr. Taugner, prop. of the hotel, on the evening of July 12. He had shot himself through the head with a 44-40 colts. The body being in a bad state of decay owing to the long exposure to the weather.

The Michigan Mutual Life Insurance Co. of Detroit, Mich., former employers of the man say that he was their employ for 24 years leaving very mysteriously on May 26, telling them he was going to Minnesota where he had some land. That was the last they had heard from him.

He has a blind mother living in Montreal, and a brother, who is a Methodist minister, somewhere in eastern Canada. The Detroit Police write Mr. Hawley that Holmes had roomed with a Mr. Kempf of that city, for fifteen years, that he was a single man 45 years old. Mr. Kempf says he left there June 1, for Minnesota, with plenty of money and some "liberty bonds," stating he was going to see some land he owned and take a rest. Kempf, who knew him perhaps better than any living man, does not know of any reason for Holmes taking his own life as he stood very high with his employers, was well fixed financially and in good health.

The remains were buried in the Pine City cemetery a week ago Sunday.

John Richards Arrives Pine City

After about eleven months' service in the motor transport division of the Y. M. C. A., John Richards stepped down from the limited Saturday, looking the same, a few feet but full of praise for the accomplishments of the doughboys in France. Upon joining the "Y" service he went to New York and from there to France where he spent three weeks driving out of Paris, then going to Chaumont—General Pershing's headquarters—where he was in the transport work, leaving there for Bar Sur Aub, joining with the First Army of occupation in charge of the transport division consisting of army supply trucks, transporting field secretaries and handling entertainment equipment for the soldiers, he also did considerable "that" work there. Mr. Richards says this work gave him an opportunity to see a great deal of eastern and southern France and the American battle fronts in France and Belgium.

When the First Army was withdrawn in April he was transferred to the salvage department and continued in that work until his 70th born home, arriving in New York July 24. He returned via Cornwall, England, the home of his parents, where he met many relatives. Mrs. Richards met him in Chicago but stopped off at their old home in Sillmore county, Minn., expecting to arrive later. Mr. Richards is undecided as to his future plans, but the chances are he will remain in Pine City.

H. H. Kallman to Assess Hinckley Following a recommendation made by the county commissioners meeting as an application board last month, the Tax Commission has appointed H. H. Kallman of Carlton county, to reassess the village of Hinckley. Mr. Kallman will make the assessment as soon as possible so as to complete this year's assessment rolls for Pine county.

Leon Heath Post No. 1

Pine County Organization to be Named After Beroun Boy

Following the precedent set by other posts of the American Legion, in naming the local organization in honor of one of the first men in the community to lose his life in the service of his country, the local body will be known as the "Leon Heath Post No. 1" of the American Legion.

Leon Heath, who was the son of Mr. and Mrs. Sam Heath, residing at Beroun, came to that place with his parents from S. Dakota in 1895 and had made his home there up to the time of his enlistment in the U. S. Navy, Nov. 20, 1917.

Upon enlisting he was sent to the Great Lakes training camp in Ill., and was transferred to the training ship "Kentucky" in January 1918, later being assigned to the "Mount Vernon" as a fireman, making his first trip to France in 1918, crossing the water five times before his death. During a furlough he received while the ship was laid up in dry dock, he paid a 6-day visit home, last July, rejoining his ship to make his last trip to France, where the ship was loaded with wounded soldiers and started on the return trip to America. When about 300 miles from the French coast the ship was torpedoed by a German submarine, thirty-six lives were lost, among them being Leon Heath.

It is a tribute to his loyalty and faithful service, that the Pine county post will be known by his name. He, like thousands of others, gave great sacrifice—and it is up to the American Legion throughout the United States to "carry on" so that the sacrifices of those departed, and the suffering of those in the hospitals, will not have been in vain, but will be an incentive to the future generations to see that "right" rules, and ruthlessness and radicalism are forever crushed. Application for a charter has already been sent in to the national organization and the charter is expected any day.

Motor Rural Carrier Examination

The United States Civil Service Commission has announced an examination for the county to be held at Hinckley Sept. 13, to fill the position of motor rural carrier at that place and also any vacancies that may occur later on motor rural routes. The salary on these routes ranges from \$1,500 to \$1,800 a year. The examination will be open only to citizens who are actually domiciled in the territory supplied with mail by a postoffice in the county and who meet the requirements set forth in forms 2121 and 1977. These forms may be seen posted at any postoffice in the county for which an examination is held, and form 1977 and application blanks may be obtained at the offices at which the vacancy exists and where the examination is to be held or from the United States Civil Service Commission at Washington, D. C. The applicant will be required to furnish, maintain and operate a modern motor vehicle with a carrying capacity of not less than 800 pounds and a cubic capacity of not less than 50 feet.

Telephone Co. Installs Equipment

The telephone company "cut-over" onto their new switchboard, last Friday night, and are now using the new equipment which has been in progress of installation during the past few weeks. The new switchboard, which is standard equipment made by the General Electric Co. is equipped with two new patents—Pine City being the first exchange in this county to have these new toll and local board patents—which will mean a greatly improved telephone service for this community. Line numbers that were formerly composed of 3 figures, have now been changed to 3 figures making it much easier for the general public in calling numbers.

An electric light wire, broken during the storm last week, at the state fair grounds, fell across some telephone cables and practically demoralized phone service for a short time. The wire, which carried a voltage of 13,000 volts, set fire to the telephone switchboard at Earl's and affected the lines here as well. This, with the new work being done here, caused more service for local business last week. But with the effort with the inconvenience caused considering the better service existing now.

Is it Possible to Legislate Life and Brains?

Swift & Company is primarily an organization of men, not a collection of brick, mortar, and machinery.

Packing Plants, their mail equipment and usefulness are only outward symbols of the intelligence, life-long experience, and right purpose of the men who compose the organization and of those who direct it.

Will not Government direction of the packing industry, now contemplated by Congress, take over the empty husk of physical property and equipment and sacrifice the initiative, experience and devotion of these men, which is the life itself of the industry?

What legislation, what political adroitness could replace such life and brains, once driven out?

Let us send you a Swift "Dollar." It will interest you. Address Swift & Company, Union Stock Yards, Chicago, Ill.

Swift & Company, U. S. A.

WHY RENT

OWN YOUR OWN HOME

Did you ever stop to figure the advantages of owning your own HOME? The more you pay for rent will make a monthly payment on your building materials. You increase your credit standing in the community. Banks, Stores, and business men in general advocate and encourage the man who helps himself and his community by owning his own home, thereby saving his money and investing for the future.

See us for terms and prices. We carry a complete stock of building materials.

Higher Telephone Rates Throughout

The County

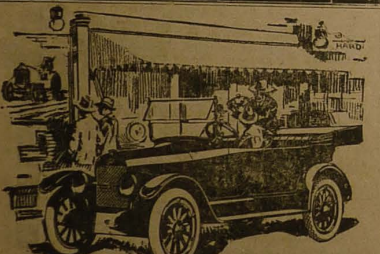

The telephone industry has been affected by the same conditions which caused higher prices in every other business.

The increased expenses the telephone companies have had to meet has necessitated an advance in telephone rates throughout the country.

The cost of furnishing telephone service depends on the cost of producing it. The telephone companies everywhere are paying employees higher wages and paying more for materials than formerly.

Prices are on a permanently higher level and we must of necessity adjust our business to meet this new condition.

Northwestern Telephone Exchange Company

DORT

The Quality Goes Clear Through

Buy a Dort and Use It

The Dort is the sort of a car that is used—one that more than pays for itself. Light, easily handled, cooling little for upkeep, there is no hesitancy about using it "early and often."

You can do more with a Dort to last you about as long as you can do better by buying "on the ground" look of telephone. In any way you look at it, the Dort will save your attorney. Buy a Dort and use it.

A Little Dope on Base Ball

The Rock Creek ball club autoed over to the Vanlyke farm, southwest of Rock Creek, where they met the last Stanchfield club, last Sunday, and were defeated by the score of 10 to 8. Rock Creek led their rivals by the score of 4 to 6 up to the first-half of the ninth when the balloon work, with a couple of hits and half dozen errors gave the Stanchfield club the contest. Alce Carlson and Yost took up the battry burden for Rock Creek, while Kame and Peterson worked for Stanchfield. This contest gave each club a game so lookout when the deciding contest will be staged. It will be worth coming miles to see.

They cleaned up Chisholm league team by the score of 3 to 0, last Sunday. We notice Lambert and Hoefler both got into the hit column in this contest. Word was received from Bernard Lambert (Capt. of the Fly club) that he would like to bring his club to this village for a contest or two for the County fair. Fly without a doubt would be a good drawing card for the fair here. We have three local lads on the fast Fly club, who are Bernard Lambert, C. Raymond Hoefler and Tom Fitzgerald Jr.

Dewey Wilcox, has left us, and gone to juggling milk cans at the Creek station, without a doubt will do the grubbing for the Creek ball club. There has been one of the main stays of the local ball club for years and there's no question about him not making good.

The Sunday base ball league for 1919 has got the approval of the following managers—Eliason, Carlson, Peterson, Stanchfield, Carlson of Rock Creek and Jordan-Yost-Garsh of Pine City. What have you to say about the league for 1920, Mr. Brennan of Hinckley and Hanson of May? Name your date and place and let's argue over the question. Slip your shoulder to the wheel.

A big base ball dance will be given at the Pogoegama town hall, next Saturday, August 16th, by the Pogoegama ball club.

Presbyterian Church Notes

Rev. Grant B. Wilder, a minister of an congregational church in Pringher, Iowa, who with his family, visited our church on last Sunday, will preach in the Presbyterian church on next Sunday morning, the 17th, at 11 o'clock. Rev. Wilder is kind enough to favor us while on his vacation let us reward his kindness with a prompt congregation. The Sunday school needs the boosting each one can give. Every class has some absent members that should be in an appearance and show more positive signs of life. Boost your class and our Sunday school, it's good patriotism.

The Sunday school convention to be held next Tuesday and Wednesday at Hinckley. Let all plan to attend who can.

Rev. Young will be the preacher at the union evening service which will be held next Sunday evening at 8 p. m. at the Methodist church. Let us all plan to be present.

Mr. W. C. A. Waller, of the Anti-Saloon League, gave a split mill address at last Sunday evening. We wish that more could have heard it.

Pogoegama Town News

Mrs. John Olson entertained a number of ladies at luncheon last Thursday. Miss Caroline Gjarvold left for Minneapolis, Sunday, where she will resume her work, after spending nearly a year with home folks.

Anton Schultz's motored to Wolf Creek, Wis., where they spent Saturday and Sunday with the Mike Haken family.

Mrs. Paul Schultz recently returned from Dakota.

Mrs. Gmanda Teor and children, left Sunday, for their home at St. Paul. They have been visiting at the O. K. Wicklund home.

Nicola's famous orchestra, of St. Paul, will play at the dance, August 23rd. You are there.

M. E. Church Notes

9:45 a. m., Sunday school, 11 a. m., preaching by the pastor, 8 p. m., Union services in the M. E. church, 2:30 p. m., preaching service at Rock Creek, Tuesday evening a concert will be given by the Ladies Aid of the Church in the Johnson hall. The Cross-aid division of the Ladies Aid will entertain at the home of Mrs. Eugene Barnum, at next, Wednesday, August 20. A large attendance of members and friends is desired. Concessions will take those who wish to go.

Lutheran Church Notes

The Annual Mission Festival will be celebrated on August 24th. Service will be held in German at 10:30 and German and English in the afternoon at 2 o'clock.

There will be no service next Sunday and no Sunday school.

Service in Pogoegama will be held next Sunday at 2 p. m.

Lutheran club will meet at the home of Mrs. A. Oman, Friday, August 15. Both business and social meeting will be held. Mrs. A. Oman and Mrs. V. Cox will entertain.

"Some Saving!" says the Good Judge

You men are saving every cent you can. You ought to know that this quality tobacco costs less to chew—not more!

You take a smaller chew. It gives you the good tobacco taste. It lasts and lasts. You don't need a fresh chew so often.

THE REAL TOBACCO CHEW

put up in two styles
RIGHT CUT is a short-cut tobacco
W-B CUT is a long fine-cut tobacco

Prescription work promptly and carefully attended at Prochaska's pharmacy. Prices right. adv-11 —Stueckle's the jeweler.

Why Have Tractor Troubles?

LUBRICATING oil is inexpensive — the cost of a burned-out bearing will pay for the lubricants necessary to keep the machine in order for months. The Standard Oil Company (Indiana) manufactures three lubricating oils for tractors—

Heavy Polarine Oil Stanolind Tractor Oil Extra Heavy Polarine Oil

One of these three is the correct oil for your tractor.

Our Engineering Staff has prepared a chart showing which one will give the best results in your particular tractor. The nearest Standard Oil representative will be glad to show it to you.

Write for "Tractor Lubrication," which you will find a valuable reference book of 100 pages and we believe it will save you many days of tractor idleness with the resultant money loss.

It's free to you for the asking. Address

Fancy dishes, fresh fruits, music at Prochaska's.

Mr. and Mrs. Chas. Stone and daughter, returned Sunday.

Three or stairs rooms for rent to school children. Apply to C. A. Nell, photograph studio, Pine City.

Prochaska's ice cream service, have you tried it, vanilla and banana nut cream. Sanitary soda fountain.

Miss Bernice Kilgore, arrived home, from St. Paul, Friday, for a week's visit with her parents, the Jostlands.

Mr. and Mrs. Chas. Stone and daughter, arrived here, Friday, from Omaha, for a short visit with the Henry Davis family.

Five passenger Ford for sale. Good tires, speedometer, shock absorbers, tools, etc. in good shape. Inquire at The Poker Office.

Prochaska's number of full blooded single comb brown Leghorn chickens at \$1 apiece.—Albert V. Johnson, Pine City, Rt. 1, box 85.

The ladies of the W. C. T. U. will hold their regular meeting at the home of Mrs. J. B. Biele, Tuesday, August 10, at 2:30. A full attendance is requested.

Henry Kojas has 4 carloads of cattle on the road, from Montana, and has leased the Mieder place, just west of town, where he will pasture them until they are sold.

Miss Bernice Dodge is expected home this week, for her summer vacation, from Independence, Iowa, where she is nursing in the State asylum for the insane.

Miss Portia Huber, deputy auditor for the county, is planning on spending her vacation at Winnipeg, Manitoba, visiting friends. She expects to leave in a few days.

Capt. Dr. Stiekney, auto lover from Hinckley, Saturday, for a few hours visit with old friends here. Dr. just returned from France, and is looking mighty fine.

Summer cottage for sale reasonable. On west side of Cross lake, near Norway point. Inquire at Baker office, 2 room cottage, screened in porch and boat.

For sale of a reduced price, new windmill, 10 feet by 12 feet, standard 40 foot tower, 8 foot by 12 foot, make. See me at once.—W. F. Biele, ards, Pine City.

Philip Hamlin and Russell Biele returned to their homes here after spending the past two years in foreign government service. Mr. Hamlin was stationed in China and Mr. Biele spent many months in Germany.

Rev. E. J. O'Neil will preach next Sunday at the Mission mission church at 11 o'clock in the morning and at 8 o'clock in the evening. Also Sunday school at 10 o'clock. We welcome all children in the neighborhood to come to Sunday school.

John Richards of Pine City was a pleasant times caller Friday. He landed in Chicago direct from France a few days previous and, in his wife, spending a few days in the country, visiting relatives and friends. He intended to leave for Pine City Monday. Mr. Richards tried to enlist in the army, but he was too old for active service, so they said. He then volunteered for the Y. M. C. work and was sent to France where he found plenty to do, even after the signing on the armistice and was glad that he was permitted to go. There is nothing of the shirkers about Mr. Richards—he is a soldier and a jolly good fellow, but progression is better keep out of his way.—Fresto-Times.

Mr. and Mrs. R. Blackwell and son Robert, of Jersey City, Mrs. J. Kill, of New York and Mrs. J. Nash, of St. Paul, all sisters of Mr. Frank Corb are visiting at the Corb home for a few days.

Miss Louise Corb also arrived Monday, for a short visit with her parents and family.

For those who enjoy a good story, daring riding, exciting conflicts, spirituous and cany time them in dilution of 1 tablespoon of B-K to a gallon of water. This helps to prevent fermentation and mold.—Time City Hardware Co.

Wm. T. Rich, residing about 5 miles northwest of Pine City, has sold his farm to his brother Emil, and has purchased the Chas. Pilla place, 3 miles beyond his old farm. See ad in this issue announcing a sale he will hold at the old Pilla farm.

The Royal Neighbor ladies will entertain the B-K-Cook and Henriette Island's point, on Cross lake. All the local ladies are requested to bring their lunch baskets and be at Robinson's market at 1 o'clock sharp.

Straight from the farm they drove in their rattletrap car—straight to the installed themselves. There they were a "strange pair, this young maid and the old man for the younger—'You Never Saw Such a Girl.'—Family theatre, Saturday.

intervention with those of other nations and people—most intimately of all with the nations and peoples upon whom the chief burden and contention of the war fall and who are now dependent upon the co-operative action of the world.

We are just now shipping more goods out of our ports to foreign ports than we ever shipped before—not foodstuffs merely, but raw materials and materials of every sort. But this is no index of what our foreign sales will continue to be under the effect of the volume of exports we have on supplies and prices. It is impossible yet to predict how far or how low food prices will be able to find the money or credit to pay or sustain such purchases as such a scale, how soon or to what extent foreign markets will resume their former production, foreign farmers get their accustomed crops from their own fields, foreign merchants set up again their old machinery, of trade with the ends of the earth.

All these things must remain uncertain until peace is established and the effect of the volume of exports of the methods by which normal life and industry are to be restored.

Nevertheless, it is the duty of the government to restrain profiteering and put the life of our people upon a tolerable basis. The stock of frozen food has increased more than 200 per cent and yet the wholesale price was 40 cents a dozen as against 10 cents a dozen in 1914. The stock of frozen food has increased more than 200 per cent and yet the wholesale price was 40 cents a dozen as against 10 cents a dozen in 1914.

What is to be Controlled. What we do to do should do, should do at once. And there is a great deal that we can do, provisionally at least.

By way of immediate relief, surplus stocks of both food and clothing in the hands of the government will be sold, and the surplus of the war will be drawn out of storage and put upon the market.

Food control, under the terms of the food control act, the hoarding of foodstuffs can be checked and prevented, and they will be, with the greatest effect. Foodstuffs in the hands of storage and sold by legal action which the department of justice will institute wherever necessary.

who know the actual conditions of business and its adoption would serve a great and beneficial purpose. No Government for Dies Prefecture.

There is no ground for some of the fearful forecasts I hear uttered about the condition of the world. I am unhesitatingly very glad and we should face it comprehensively.

Supply Above Demand. Some very interesting and significant facts with regard to stocks on hand and the rise of prices in the face of abundance have been disclosed by the department of labor and the federal trade commission.

The reason is that the statement that in the case of many necessary commodities, effective means have been found to prevent the normal operation of the law of supply and demand.

Regarding the surplus stocks in the hands of the government, there was a greater supply of foodstuffs in this country on June 1 of this year than at the same time last year.

The combined total of a number of the most important goods in dry and cold storage, the excess is not quite 19 per cent of the total supply.

The supply of fresh eggs on hand in June of this year for example was greater by 10 per cent than the supply on hand at the same time last year.

And yet the wholesale price was 40 cents a dozen as against 10 cents a dozen in 1914. The stock of frozen food has increased more than 200 per cent and yet the wholesale price was 40 cents a dozen as against 10 cents a dozen in 1914.

What is to be Controlled. What we do to do should do, should do at once. And there is a great deal that we can do, provisionally at least.

THE CHEF'S CABINET

Whatever changed the mind sets it in the life will follow for it is inevitably true that life follows the thought—T. H. H.

HELPFUL HINTS. To the average cook with little imagination and less opportunity a bowl of chicken soup is a very common thing.

Another helpful convenience of the card catalog idea is to have the system carried out in other ways in the household. Under lines put cards labeled "bed linen" on the card number of sheets, pillowcases, etc.

Attached to the medicine cabinet should be a card always where it can be found at once, especially in the case of a child, giving the first aid in case of accident and antidotes for common poisons.

There is reason to believe that the prices of leather, of coal, of lumber and of other commodities are not affected by forms of concert and cooperation among the producers and marketers of these commodities.

And publicly can accomplish a great deal. The retailer who takes care of himself if he knows the facts and influences he is dealing with and who does not do anything, either singly or collectively, that may be necessary for their self protection.

Retailers Are Blamed. It can be little doubt that retailers are in part—sometimes in a large part—responsible for exorbitant prices; and it is quite practicable for the government through the agency of the Federal Trade Commission to get full information as to the prices at which retailers buy and sell.

And, it only in our own interest, we must help the people overcome. The government has the right to regulate and must keep her going or thousands of our shops and scores of our mines must close. There is no such thing as letting her go to ruin without ourselves sharing in the disaster.

It is such circumstances as to face with such tests, passion must be disregarded. Passion and disregard for the rights of others have no place in the councils of a free people. We need light, not heat, in these sessions of self-examination and saving action.

There must be no threats. Let there be no capital and no money, and let the best reasons win. Not the strongest brute force.

FAMOUS PEACE TREATIES

By H. IRVING KING. TREATY OF BUENOS AYRES, 1823. When South America Emerged From Spanish Domination, Uniting the Revolving Colonies.

The independence of Spanish South America was rendered possible by the Treaty of Buenos Ayres, which united all of Spain's revolted colonies before the fortunes of Spain in a league against another country, or any other country which should question their right to set up for themselves as free and independent nations.

Strangely enough, the South American revolution started in an uprising of the colonies in behalf of the legitimate king of Spain, Ferdinand VII. Napoleon having placed his brother Joseph on the throne of Spain, Venezuela, New Granada (Colombia) and Buenos Ayres (Argentina), revolted almost simultaneously in 1810, demanding the royal officers, and established their own governments.

Attached to the medicine cabinet should be a card always where it can be found at once, especially in the case of a child, giving the first aid in case of accident and antidotes for common poisons.

There is reason to believe that the prices of leather, of coal, of lumber and of other commodities are not affected by forms of concert and cooperation among the producers and marketers of these commodities.

And publicly can accomplish a great deal. The retailer who takes care of himself if he knows the facts and influences he is dealing with and who does not do anything, either singly or collectively, that may be necessary for their self protection.

Retailers Are Blamed. It can be little doubt that retailers are in part—sometimes in a large part—responsible for exorbitant prices; and it is quite practicable for the government through the agency of the Federal Trade Commission to get full information as to the prices at which retailers buy and sell.

Ed, Theodore and Chris Kysor and Mrs. Jas. Pajer drove down to St. Paul, Saturday, to spend a few days visiting friends there. Mr. Griffith of St. Paul has purchased the farm belonging to Leonard Martin, west of town. Mr. Griffith will take possession at once. Geo. Prochaska returned home Monday, after a six-month stay in St. Paul attending an automobile school. He will be here some time, but is undecided as to future plans. The sale of horses that arrived from Montana last week, are practically all sold, many of the farmers taking advantage of the opportunity to get good work horses.

Frank Hricheiter has sold his farm to a Dakota farmer. He will spend the winter here, but is planning on moving to the southern part of the state next spring. Master Joe Vinning, of St. Paul, who has been visiting Mrs. J. Kub and Mrs. A. B. Chalupsky at home 3 months, left for his home Wednesday noon.

A crowd of young people spent Saturday evening at the Mike Cakabak home, north of town. The evening was spent in dancing, everyone reporting a good time.

A new floor is being laid, and repainting and general repair work done at the school house in preparation for the fall term. The board has been unable to secure a teacher for the coming term, as yet.

Miss Emma Paulkrahk, employed by Strohhirch Bros., is on her vacation this week, visiting in the southern part of the state. She is accompanied by her brothers Ed and William and her cousin, Joe Paulkrahk.

The funeral of Vaclav Vaeinek, residing at Mission Creek, was held last Thursday. The services were conducted at the home, by Mr. Kas of Pine City, interment being at the Bohemian cemetery at that place. The deceased was 67 years old, and had been a resident of this community for a number of years.

Card of Thanks

We wish to extend our sincerest thanks and gratitude to our friends and neighbors for the kindly assistance and sympathy extended us during the recent illness of our beloved husband and father. Especially are we thankful to Mr. Kas for his kind and sympathetic words used during the funeral services. Mrs. Vaclav Vaeinek and family.

Meadow Lawn News

There will be a picnic and ice cream social at the Hustletown church Saturday evening. Every one invited.

Mrs. J. Holt was called to Marshfield, Wis., last week, account of her sister's illness.

Mrs. Frank Heath and baby have been very sick the past few days but are now reported better.

Mrs. Ira C. Holt and son Paul are visiting relatives in St. Paul this week.

The Farmers Club held a very nice meeting at Otto Gaukel's Saturday evening. The club is very busy making preparations for exhibits at the Beroun fair, to be held in Sept. Next meeting of the club at Jas. Wilton's, Aug. 25.

Catholic Church Notes

Father Thomas Garman of De Paul University, of Chicago, will arrive Saturday, and will preach at Pine City at 9 a. m. Sunday. Father Leo will conduct services at Beroun at 10.30.

Tanlac at Prochaska's. Cigarettes, tobacco and cigars at Prochaska's.

Arnold Leubker spent last week at the school of instruction held by the DeLo Light Co., at Minneapolis.

Make It Help Boy

Kettner Was So Run Down He Couldn't Work-Gains 38 Lbs. on Tanlac

"You can't blame me for talking so much about Tanlac, for it has not only aided twenty-eight pounds to my weight, but has completely overcome my troubles," said O. A. Kettner, a well known and prosperous farmer who lives on route 1, Downs, Ill., the other day.

"I just thought I was doomed to suffer the rest of my days," continued Mr. Kettner, "and I guess that would have been the case if I had not gotten hold of this Tanlac. You see, I had been in bad health for about twelve years, and I failed completely to find anything that would do me any good. My stomach was in such bad condition that I would just suffer agonies every time I ate anything. My feet would swell on my stomach, and I'd be all bloated up with gas for hours at a time. My kidney's were out of order all the time, too, and I would have the worst sort of pains in the small of my back, and my rheumatism struck me, and from that time on I had all the suffering that was coming to me. Why, I got so bad off that I could scarcely help the boys do little jobs around the place. I just went from bad to worse, and I finally made up my mind that I would just have to give up trying to cure my own troubles."

"Well, I heard about this Tanlac then, and I bought a couple of bottles, and began taking it. Now, the first two bottles didn't seem to do me any good at all, and I was about ready to drop Tanlac, but I figured that my case was one of long standing, and that I hadn't given the medicine a good showing so I bought one more bottle. The third bottle hit the spot, and in little or no time I was picking up right along, and from that time on I improved as fast as any man you ever saw, and I am as hale and hearty as I ever was in my life. I never have a sign of rheumatism now, and my kidney's seem to be in first class condition. I don't believe I ever had a better appetite, and I get away with three square meals every day, and I am never bothered with indigestion or any other kind of stomach troubles now. I can get out in the field and do as much work as any man on my farm. Yes sir, Tanlac was a Godsend to me, and I just feel like I want the whole world to know about this wonderful medicine."

Tanlac is sold in Pine City by E. J. Prochaska. —adv.

Rock Creek News

A number of farms have changed hands lately, most of the purchasers being Iowa farmers, among those selling are the following: C. N. Haasen, August Johnson, Jack Bassett, A. P. Sagnini, Ole Eng, W. S. Harverson, Gust Nelson sold his farm to Julius Nelson, and Julius Nelson having sold his place to Charlie Merritt.

L. R. Becklund, who has just returned from a short trip in the southern part of the state, reports farm lands are bringing a good price in that part and states the average farms around Rock Creek are selling around \$125 an acre.

Miss Jennie Schmidt, bookkeeper for Erickson Bros., departed Sunday for Cedar Rapids, Ia., for a 2 weeks vacation. In fact, Larson taking her place in the store while she is away. Upon her return Miss Jennie Tate will take a 2 weeks vacation, but is undecided where she will spend it.

Edward Peterson, of West Rock, and Miss Lucie Tate, daughter of Soney Tate, were married at the home of the bride's parents, last Friday evening, by Rev. Young, of Pine City. After the ceremony a party was held for the happy young couple and a general good time spent by those present. The newly weds will make their home at West Rock, and their many friends wish them many happy returns of the day.

A large number of young people gathered at the home of G. F. Carlson, in honor of the boys, Ed, George, and Pete who had returned recently from service overseas, and a general good time was spent. George who has been at Camp Grant base hospital recovering from wounds received during his service, has been home on a furlow, but left Saturday, for the base hospital at Fort Sheridan, where he will remain until completely recovered.

Sergeant Walter Erickson, son of Gust Erickson, spent last week visiting his folks here and left first of the week for Fort Dodge, where he will be employed by a wholesale firm. Walter saw about a year's service in France, having been in the army 12 years, being down on the Mexican front during the trouble there. Mrs. Albert Ostrom, sister of Gust Erickson, and son, Herald, were also visitors at the Erickson home, arriving from Fort Dodge a week ago. Mrs. Ostrom's husband came Sunday and they expect to return to their home in a week or 10 days.

The local creamery started pasteurizing milk Tuesday, and expect to ship about 100 cans a day to Minneapolis. Leonard McNeil has purchased the church, consisting of small house and about 1 1/2 acres of ground, and will make his home there.

Mrs. Solberg, of Winnipeg, formerly Miss Carrie Stephan, of this place, is visiting at the G. L. Wallace home, expecting to remain a week or two.

The small daughters, of Barney Greenman, drove down from Duluth with him, last week, to spend a few days here. Barney shipped a cartload of cattle to South St. Paul, Friday.

The new cement sidewalk which has been in the course of construction is now complete, from the bank east to Anderson's store and is a big improvement to the town.
